INTERNATIONAL (DEEMED UNIVERSITY)

(Established under Section 3 of the UGC Act, 1956)
Re-accredited by NAAC with 'A++' Awarded Category – I by UGC

PROSPECTUS

Post - Graduate Studies
2024-25

Vision

- Promoting international understanding through quality education

Mission

- to inculcate the spirit of **'Vasudhaiva Kutumbakam'** (the world is one family)

- to contribute towards knowledge generation and dissemination

- to **promote** ethical and value-based learning

- to foster the spirit of national development

- to **inculcate** cross cultural **sensitization**

- to develop global competencies amongst students

- to nurture creativity and encourage entrepreneurship

- to enhance employability and contribute to human resource development

- to promote health and wellness amongst students, staff and the community

- to instill sensitivity **amongst the youth** towards the community and environment

- to produce thought provoking leaders for the society

Content

A Foreign Affair that Founded Symbiosis

The journey of a thousand miles begins with a single step. But, it is the first step that involves deliberation and much hesitation. The Symbiosis journey however began with a surge of enthusiasm spurred on by an incident that, in itself, makes a poignant tale.

"It was an afternoon on a hot day. I was standing near the window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the window of the boys' hostel room, quickly handed over something and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector would, that an affair was afoot. So one day, I made up my mind and walked up to the door and knocked. When the door opened, I saw a Mauritian student lying in bed. His face was pale and his eyes seemed to have sunken low. I was puzzled." "When I turned to the boy for an explanation, he said, 'Sir, I have an attack of jaundice & I'm feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys' hostel, she hands over the tiffin box through the window.' I was stunned. After all, it wasn't the type of 'affair' I had expected. I was very much pained & decided something had to be done about this. That was the instance, the golden moment that Symbiosis was born. "Symbiosis is a term in life science, meaning 'living together of two different organisms, for the benefit of each other'. Dr. Mujumdar, himself a professor of botany, thought this name apt for the institution. Thus the institution was founded to alleviate the problems faced by foreign students coming to India. At the time, these problems included - accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then. Today it is home to students from more than 85 different countries. These students are offered the best learning resources, industry exposure, a strong international students' alumni network, a global recognition, and above all, a truly enriching Indian experience.

Message by Chancellor

I extend a warm welcome to all of you as you join the Symbiosis family. The University is part of the larger Symbiosis family, which is built on the core ideals of Vasudhaiva Kutumbakam - the world is one family.

You will find a wealth of opportunities as you begin your journey of higher education, which is about academics, of course, but also a lot more. It is our goal that we succeed in shaping our students to be responsible members of the global citizenry. Symbiosis is appreciative of the enormous responsibility that befalls higher education institutions. I encourage you to avail of all the wonderful teaching-learning and research possibilities that are offered. We, at Symbiosis, believe that Sports belongs to education as much as studies; therefore, we offer a whole range of first-rate choices that contribute to personal capacity building, such as those in career enhancement, extracurricular activities and recreational facilities.

You will find wonderful prospects to share this journey with students from over eighty-five countries and from all over India. We also pride on having with us an amazing pool of talent in our teaching staff, many of whom are noted academics, with substantial international experience. All in all, the educational experience at Symbiosis is designed to be wholesome and one that is authentically international.

I hope that your experience at Symbiosis will afford you the opportunities to apply your talents and inspirations to the best use.

May God bless you!

Prof. Dr. S. B. Mujumdar
Chancellor

Message by Pro Chancellor

Symbiosis upholds its motto "Vasudhaiva Kutumbakkam" the world is one family in all its pursuits. The diverse backgrounds of the students who come here from 85 countries from all across the world, contribute to an international environment. The wide milieu of ideas that are brought to the table through the interactions and collaborations among students both inside and outside the classroom are contributive in enhancing the students' intellectual acuity.

The classrooms at the Symbiosis campus encourage an innovative and futuristic approach for management, academia and the administrative staff. As one of the largest Universities in India, Symbiosis has strong global linkages and an educational portfolio that boasts of excellent infrastructure, well-equipped classrooms, accommodation and an environment that assists students in realising their potential while embracing diversity. The eclectic environment here enables students to think critically and emerge as responsible citizens with high moral values, ethics and good social conduct.

We aim to create globally valued graduates and have framed policies and procedures to expose students and faculty to international, intercultural and comparative aspects. This is ensured by encouraging student mobility on exchange and summer schools to international partners. The interdisciplinary studies allow students to choose from across multiple disciplines thus broadening their perspective and helping them gain knowledge of various domains, which makes them more adaptable to a global environment. The Programmes offered at Symbiosis are innovative and designed according to the needs of the industry, thus creating the needed

academia-industry interface. The Incubation Centre at Symbiosis has been created with the aim of supporting and nurturing the innovative spirit of the students and developing their entrepreneurial abilities.

On behalf of the University, I welcome you to the Symbiosis family!

I wish you success in the Programme that you have chosen to study with us.

Dr. Vidya Yeravdekar
Pro Chancellor, Symbiosis International (Deemed University)
Principal Director, Symbiosis

Message by Vice Chancellor

Dear Students,

For over five decades, Symbiosis has been at the forefront of providing quality education. What makes us unique? We are home to students, hailing from every corner of India and from countries across the globe. This diverse and vibrant community is what makes Symbiosis truly exceptional. Our campuses are a melting pot of cultures, where students from different backgrounds come together to learn, grow, and become global citizens. We provide a learning environment where students feel safe, inspired, and ready to explore their potential.

Symbiosis is proud to have eight world-class faculties that cater to a wide range of academic interests. From Law to Management, from Computer Studies to Medical and Health Sciences, from Media and Communication to Humanities and Social Sciences, from Engineering to Architecture and Design – we have it all. Our programs are designed to prepare students for the challenges of the modern world and to equip them with the skills they need to excel.

What truly sets us apart is our commitment to promoting international understanding through quality education. We encourage our students to think globally, to embrace diversity, and to be agents of positive change. Our faculty members are experts in their fields, and they work tirelessly to inspire and mentor our students. As a result, our graduates go on to make a significant impact, not just in India but all over the world. They carry with them the values of Symbiosis – empathy, inclusivity, and a commitment to excellence.
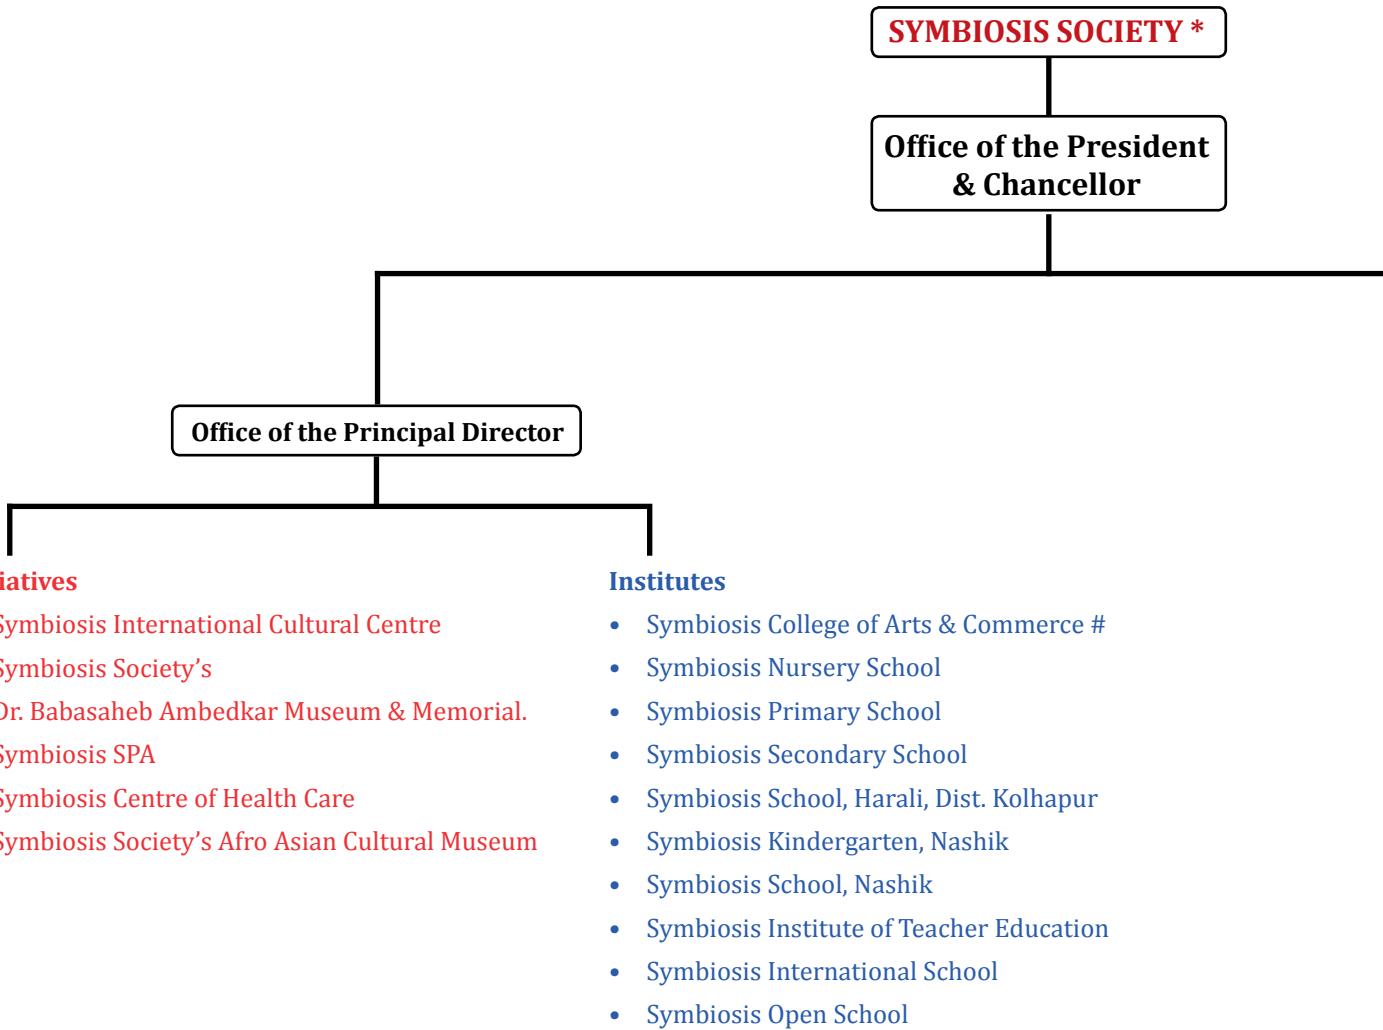

Symbiosis International (Deemed University) is not just an educational institution; it's a home, a community, and a launchpad for your dreams. So, if you're looking for a place where you can be part of a global family, where you can learn from the best, and where you can make a difference, then this is your destination.

Welcome to the Symbiosis family!

Dr. Ramakrishnan Raman
Vice Chancellor

About University............

Symbiosis International (Deemed University) is a multi-disciplinary university offering its students and faculty a vibrant learning ecosystem designed around its multi-cultural and innovative ethos. Established in 1971 by Prof. Dr. S.B. Mujumdar, it is a 'home away from home' for International students. The Institution is based on the principles of Vedic thought of "World as One Family". The University's name fittingly captures the quintessence of the relationship with International students; a mutually beneficial bond between India and the International student community. Symbiosis is committed to building international understanding by offering quality education, and is resplendent of the activities and students of more than 85 countries.

Today the university has 40 Constituents, 12 Research Centres, 12 Support Departments and 10 Departments of Skills & Continuing Education across four states and 6 cities in India. All the university campuses epitomize the Symbiosis vision, 'Promoting International Understanding through Quality Education' and are a beehive of international students from all across the globe, being privy to Indian culture and hospitality.

Symbiosis International (Deemed University) offers doctoral, post graduate, under graduate, diploma and certificate programmes in Law, Management, Computer Studies, Medical & Health Sciences, Media & Communication, Humanities & Social Sciences, Engineering and Architecture & Design. The University has been awarded Category-I status by UGC, and an 'A++' grade by NAAC. It is ranked at #32 by NIRF 2022 under the Universities Category, Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021 has ranked the University tenth under the category of 'University & Deemed to be University (Private-Self-Financed).

Internationally, The Times Higher Education (THE)

World University Ranking 2023 has ranked the University amongst the top 800 – 1000 Universities in the World, 437th Citation Rank Globally and 23rd in India in the Overall category. THE World University Rankings 2023 by Subject has ranked the university in the 401-500 band in Social Sciences, in the 501-600 band in Business & Economics, in the 501-600 band in Accounting & Finance, in the 401-500 band in Computer Science and in the 601-800 band in Engineering. QS world university rankings has ranked the university amongst the top 351-400 in QS Asia University Rankings 2023 and at No 78 in QS Asia University Rankings 2023 – Southern Asia. QS world university ranking agency has ranked Symbiosis International (Deemed University) between 501-550 in the World, 11th in India, and 2nd Private Institution in India for Business & Management under Business & Management (a sub category in Social Science and Management).

The University has established the Symbiosis Medical College for Women and its attached Symbiosis University Hospital and Research Centre which have state-of-the-art infrastructure and facilities.

Symbiosis International (Deemed University) is committed towards generation of knowledge, innovations and its contribution towards the development of the Nation.

SYMBIOSIS CENTRE FOR RESEARCH AND INNOVATION (SCRI):

Symbiosis Centre for Research and Innovation (SCRI), a Research and Development Cell (RDC) of the Symbiosis International (Deemed University) (SIU), was established in 2009 with the objective to facilitate and enhance high standards of research at SIU that will result in quality contribution to the knowledge base in the broad disciplines of the University. The functions of SCRI are aligned with the University's commitment to stay connected with the community by the way of understanding its major issues and problems and to suggest relevant and flexible means to resolve them. In accordance with the University's endeavor to make meaningful contributions to the dialogue around the development of knowledge and policies for society, SCRI facilitates the research journey of the SIU's academic fraternity. The department provides intellectual, academic, and administrative support to the research endeavors to the members of the Faculties and students. The department acts as a nodal unit for enabling the research activities of the SIU fraternity.

SCRI's activities revolve around the Research and Development (R&D) mandate of SIU, which states the following:

- The R&D must be socially relevant, locally need-based, nationally important and globally significant.
- The focus of R&D in the University is aligned with the national priorities of the Government, reflected through various schemes and grants.
- The R&D must be applied, leading to innovation and translational.
- To create R&D hub comprising of medical facilities, diverse research centers, and constituent institutes that promotes interdisciplinary, multidisciplinary, and transdisciplinary research significant to society, and

- The University's R&D must lead to the development of the capable and responsible human resource.

SCRI is responsible for research programmes leading to the award of Doctor of Philosophy (Ph.D.) in the following Faculty of Studies: Law, Management, Computer Studies, Medical and Medical & Health Sciences, Media and Communication, Humanities and Social Sciences and Engineering in more than 25 sub-streams (subject areas). The doctoral programme is offered in accordance with UGC (Minimum Standards and Procedures for Award of Ph D Degree), 2022. The University has identified qualified supervisors, has state-of-the-art infrastructure and resources to support the doctoral students. A few postdoctoral fellowships are also offered in dedicated Research Centres: Symbiosis Centre for Nanoscience and Nanotechnology (SCNN), Symbiosis Centre for Stem Cell Research (SCSCR), Symbiosis Centre for Medical Image Analysis (SCMIA) and Symbiosis Centre for Applied Artificial Intelligence (SCAAI).

Besides research programmes and fellowships, SCRI takes care of seed money, support for extramural funding, publications, intellectual property, and research collaborations of the researchers of the University. The department undertakes activities related to protection of intellectual property rights (IPR) and facilitates technology transfer for products and processes developed by SIU along with the collaborators. Statistical support to researchers through a dedicated statistician. This enables quality publications of non-doctrinal, social, ecological, psychosocial, organizational, experimental and observational driven empirical type of studies across all the faculties. Continuous improvement in the quality of research at SIU is facilitated by the University's research collaboration with the organizations such as the Indian Council for Medical Research (ICMR), L&T, Society for Development Studies, Lupin Research
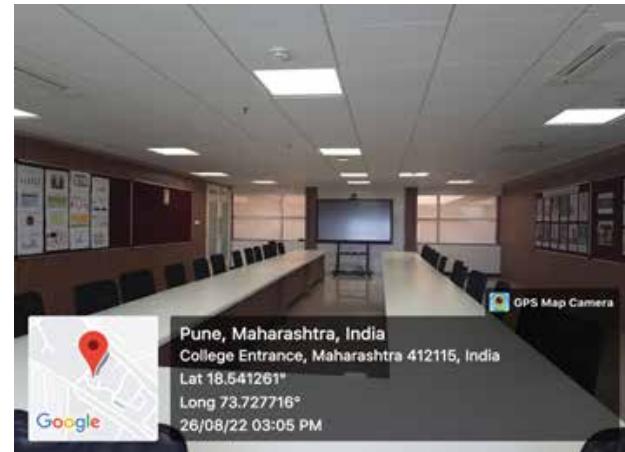

Park, Serum Institute of India Pvt. Ltd., KEM Hospital Research Centre and many more.

The collective research experience at SCRI has supported Faculty Members of SIU for attracting prestigious research grants from the Government under various schemes (such as DST-PURSE, SPARC, DST-SERB, DBT, NABARD, ICSSR) and Non-Government agencies (such as ABTL, Huvepharma SEA Belgium and India, IBM, TCS). In addition to this, internal funds (Minor Research projects and Major Research projects) are also provided to the Faculty and students by SIU. The department's support through hands-on, sensitization, and FDPs has contributed towards rapid increase in the research publications, (both quantitatively and qualitatively), patents, the registration of designs and copyrights, and new collaborative opportunities and recognitions. SIU is an empaneled research agency for conducting evaluation studies for the Government of Maharashtra. Doctoral research of SIU's 1000+ Ph.D. Scholars in different disciplines are facilitated by SCRI. With commitment, focus, and determination, SCRI is tirelessly contributing to the enhancement of research activities at SIU and strengthening its culture of good-quality research.

Main focus of SCRI

- To develop institutional research agenda and formulate policies to reflect a conscious effort for creating a congenial and scholarly climate that nurtures the quality research culture in the University.

- To establish the minimum standards for research activities at SIU that lead to good quality contributions to the existing knowledge.

- To set up a systematic procedure for the administration of research programs and execute them.

- To enrich research capacity and mentor the researchers to translate their effort into high-quality research outcomes.

- To facilitate the research endeavors of the various research centres and the researchers at SIU

- To monitor and evaluate the research output/performance of the University from micro- to macro-level on concurrent basis

  Please may visit https://scri.siu.edu.in/ for details of the doctoral programmes.

Symbiosis Centre for Research & Innovation (SCRI) Conference Hall

Sym Research Ph.D. Clinic: All Speakers & Ph.D. Scholars

RESEARCH CENTRES

Symbiosis Centre for Nanoscience and Nanotechnology (SCNN)

The Symbiosis Centre for Nanoscience and Nanotechnology (SCNN) has been established to carry out interdisciplinary research in nanotechnology domain. The mission is to push the boundaries of nanotechnology by conducting cutting-edge research, fostering interdisciplinary collaboration, and translating scientific discoveries into practical solutions. Through a commitment to excellence, ethical practices, and societal benefit, it is aimed to pioneer breakthroughs that address critical challenges, empower industries, and contribute to sustainable development

SCNN conducts pioneering research in nanomaterials, nanodevices, and nano-systems that advances scientific understanding and leads to practical applications. SCNN has completed 6 years of successful journey with establishment of five state-of-the-art laboratories dedicated to advanced functional nanomaterial synthesis, characterization, bioprocess, point-of-care diagnosis and photonics lab.

The leading area of SCNN includes low-cost energy production and storage, affordable healthcare and development of optical sensors. We build a collaborative ecosystem that encourages partnerships

with academia, industry, and government, fostering innovation and technology transfer, raising awareness about nanotechnology and its societal implications.

Symbiosis Centre for Stem Cell Research (SCSCR)

Symbiosis Centre for Stem Cell Research (SCSCR) was established as a new initiative of Symbiosis International (Deemed University) on 29th July 2016. The centre is a unique research centre in Pune that performs research exclusively on stem cells. SCSCR was established to initiate both fundamental and translational research in various aspects of stem cell biology. The centre has initiated several research projects on hematopoietic stem cells (HSCs), mesenchymal stem/stromal cells (MSCs), human pluripotent stem cells (hESCs), endometrial organoids, and bone and cartilage specific stem cells. SCSCR has state-of-art equipment to facilitate research of internationally accepted standards.

Symbiosis Centre for Behavioural Studies (SCBS)

Keeping in mind that experimental research methods have a rich academic tradition both in psychology and marketing, Symbiosis Centre for Behavioral Studies has been established with an aim to conduct experimental research in order to publish quality research papers in reputed journals. It's allied agenda of providing consultancy to organizations has also been kept in mind while marshaling the centre amongst industry and academia.

Symbiosis Centre for Waste Resource Management (SCWRM)

Symbiosis International (Deemed University) in the year 2015, established Symbiosis Centre for Waste Resource Management (SCWRM) to be a pioneer in building knowledge, disseminating awareness and improving practices in the area of sustainable waste management. The centre promotes inter and multi-disciplinary approach for basic and need-based, applied research and efforts in bridging the gap between lab and society with respect to solid and liquid waste management. The current research at SCWRM involves novel technology and process development for solid waste and wastewater treatment, waste valorisation and resource recovery for circular economy and entrepreneurship development, microbiological and biotechnological investigations for development of value products/ formulations for industrial applications. The centre is also involved in conducting workshops, training, and awareness programs to promote national agenda of 'Swachh Bharat Mission', and work towards addressing key issues and challenges pertaining to waste management and sustainability.

A key activity of SCWRM involves providing professional technical consultancy to various stakeholders in the field of solid waste management. SCWRM has consultancy projects with Pune Municipal Corporation (PMC), APMC Mumbai, Lonavala Municipal Corporation, district council of four districts, etc. on diverse aspects of municipal solid waste management. The centre is also an empaneled technical agency with the Government of Maharashtra to implement the national GOBAR-DHAN scheme at district and state levels under Swatch Bharat Mission (G)-II. The centre has several national and international research collaborations with a network of researchers across the globe to address various aspects of waste management, pollution remediation, resource utilization, waste valorization, climate change and sustainability.

Symbiosis Centre for Medical Image Analysis (SCMIA)

In recent years there has been an increased thrust to understand and quantify the complex information conveyed by medical images. Developing modern computational techniques that offer the potential for extracting diverse and complex information from imaging data and applying the setoaplethora of clinical studies is crucial. These techniques not only support precise quantification but also overcome the limitations of subjective visual interpretation. Furthermore,

these methods can facilitate finding specific markers that relate to pathologies as well as aid in treatment planning. Building on this background, the objectives of this center are as follows:

- development of novel computer-based image analysis methods and their application to a wide variety of clinical research studies

- Translating the techniques to the clinic thereby aiding early diagnosis and understanding of the underlying pathology.

Currently, the center focuses on neuroimaging (MRI) and breast imaging (ultrasound). Image analysis methodologies include volumetric analysis, diffusion MRI processing and analysis, structural and functional connectomics, statistical learning in imaging, radiomics, population-based analysis and deep neural networks for image classification. In future, the center plans to diversify research to image analysis of various organs and include multiple modalities in imaging.

Symbiosis Centre for Applied Artificial Intelligence (SCAAI)

Symbiosis Centre for Applied AI (SCAAI) was established in May 2019. The primary aim of this centre is to spearhead the advancement and novel developments in various application areas and promotion of the advanced research and education in the field of AI. Along with this SCAAI engages in interdisciplinary research to address pertinent issues that could involve a huge spectrum such as finance and banking to healthcare.

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR)

Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It has been established to facilitate advanced legal studies and research.

SCALSAR facilitates and provides:

- the means including idea architecture and resources for advanced legal studies for post graduate, including LLM students and PhD Students.

- Infrastructure and resources for advanced legal research to the faculty, researchers and post graduate students promoting and facilitating publications in SCOPUS, Web of Science and UGC recognised journals

- To collaborate with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension

- Research, training and consultancy in selected areas of 4 excellence centres aligned with SIU clusters, other research centres and contemporary areas of national and global importance

- Interdisciplinary and multidisciplinary studies and research while interlinking with SIU research clusters

- To act as a think-tank to the Government, hosts Scholars in residence, undertake interdisciplinary legal studies and research projects, train teachers and design training modules.

- Collaboration with institutes under the faculty and departments within SIU, National and International Universities and Agencies for research, consultation, training and extension

- To disseminate and ensure the outcome of research, training, advocacy and consultation to stakeholders including businesses, law makers, government and non-governmental entities, people of India and the world

- Positive and measurable impact on the society and justice system through inclusive research and training
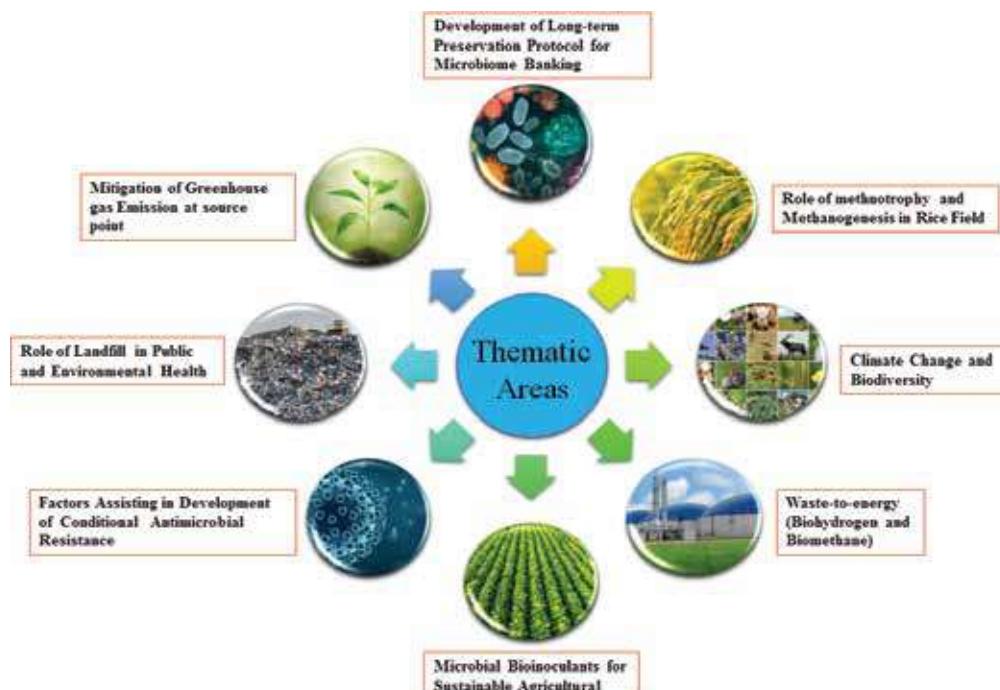

Since 2012 SCALSAR has been organizing an Annual Research Conference. It grew drawing international participation by 2015. The conference has been drawing on Symbiosis International (Deemed University)'s new impetus to thrust areas, excellence centers and innovation and is titled as SYMROLIC representing an interdisciplinary conference in relation to Rule of Law. The conference also includes a research skills workshop. SCALSAR undertakes Minor and Major Research and Consultancy Projects. In addition to the completed projects including 2 ICSSR Impress Major Projects, there are 4 Major International Projects that are going on. SCALSAR also collaborates with Government bodies and undertakes Law reform initiatives such as Transformation of Criminal Justice System in India

submitted to Ministry of Home Affairs, Initiative with Supreme Court of India on Digital Courts Vision & Roadmap: Phase III of the E- Court project, Regional consultation on Review of Criminal law- Improvement in Status of Women organized in collaboration with National Commission for Women etc. The research agenda of SCALSAR will be further strengthened by the recently received Jean Monnet Chair on EU Climate change Law Policy and Governance as well as the Jean Monnet Module. The Community Legal Care Centre, which is a part of SCALSAR, carries out legal aid as well as community-based projects for various disadvantaged sections of society. Some of the legal aid activities are carried out in collaboration with Pune District Legal Services Authority, Yerwada Central Prison, Criminal Investigation Department Maharashtra and various NGOs. The Centre has adopted Sus village, Tal. Mulshi, Dist. Pune as a part of community outreach programme.

Symbiosis Center for Climate Change and Sustainability (SCCCS)

SCCCS was established to develop environmental professionals with strong scientific knowledge who can provide solutions concerning the various environmental challenges that we encounter. SCCCS conducts innovative research and currently offers Ph.D. and post-doctoral programs in life sciences, climate change studies, and sustainable development. One important aspect of our research focuses on the role of microbes, which are often not acknowledged, in climate change mitigation and their important functions in ecosystem services. The Centre is trying to harness the potential of these tiny creatures to abate the impact of climate change and promote sustainability. SCCCS is involved in organizing workshops and lectures, taking up restoration projects, Park/Devrai conservations, and DST-funded projects.

SCCCS also develops educational courses in Climate Change and Sustainability Studies for UG & PG institutions. In addition to the academic responsibilities, the Centre also engages in collaborative works and conducts social outreach programs involving international and local bodies such as UNICEF, and Pune Climate Warriors for issues relating to climate change, environmental health, and water conservation. Another focus of the work is nurturing the biodiversity of the campus. This work involves documenting, cataloguing and monitoring the flora and fauna species. SCCCS organises eco-tours on the University campus, recreational as well as ecosystem and environment awareness programs for staff and students. The thematic areas, future vision, and expansion plan of the Centre are depicted below.
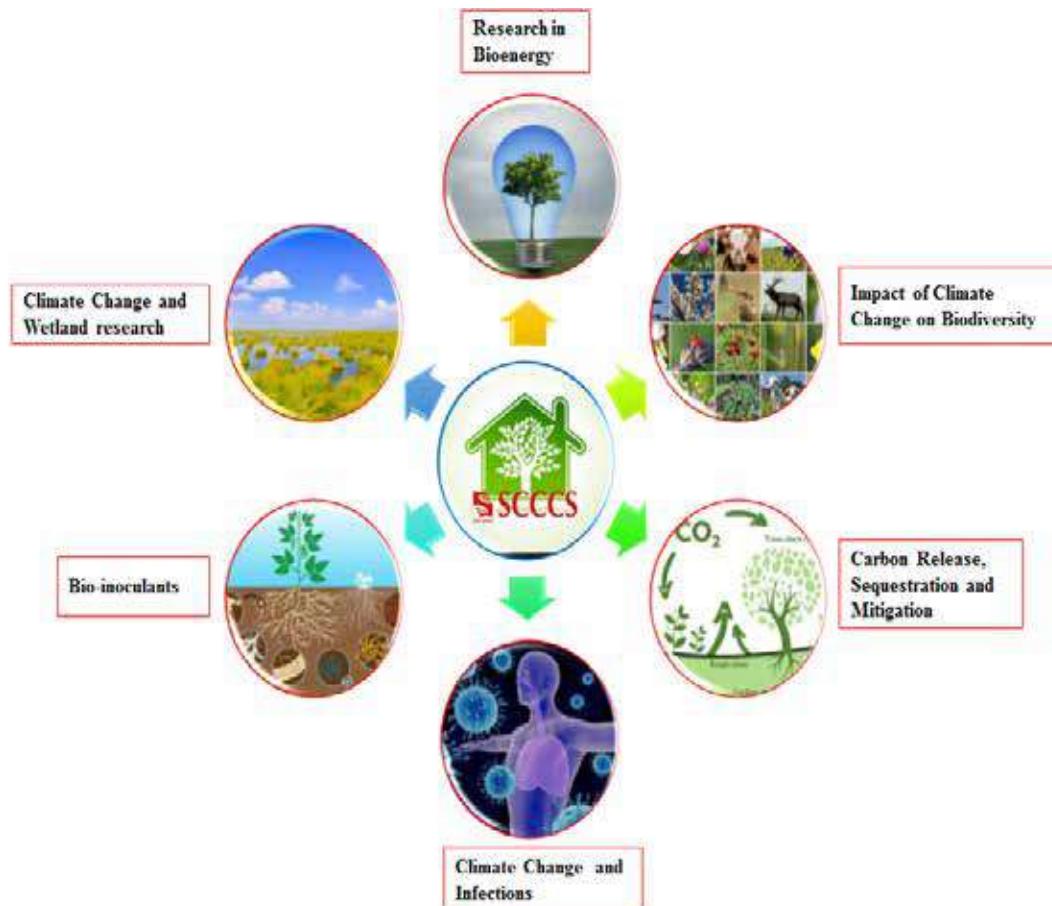

Thematic Research Areas:

Future Vision and Expansion Plan of the Centre:

Symbiosis Center for Urban Studies (SCUS)

The Symbiosis Centre for Urban Studies has been established under the Faculty of Humanities and Social Sciences in Year 2022-23. The Centre focusses on activities related to Capacity Building and Research reorientation concentrating on the vectors of research such as Poverty, Employment and Informalization.

Symbiosis Center for Research on International Higher Education (SCRIHE)

SCRIHE is established for conducting research in the area of international higher education. The NEP 2020 has earmarked a whole chapter on Internationalization of Higher Education. With the COVID pandemic, there have been different challenges that higher education faced, but one positive outcome has been internationalization at home. Collaborative online international learning, co-teaching and co-learning have been promoted due to online education. New concepts of international co-operation and intra-regional cooperation have emerged which enhance the internationalization of Higher Education. Knowledge diplomacy and how higher education can be a tool for development and soft power is also coming into discussion at the global level.

Symbiosis Centre for Research in Media and Creative Industries:

Established under the Faculty of Media & Communication. The center shall be monitored by Symbiosis Centre for Research & Innovation.

Symbiosis Centre for Ambedkar Studies (SCAS) The Centre for Ambedkar Studies has been established under the Faculty of Humanities & Social Sciences and is located at Symbiosis Ambedkar Museum and Memorial, Senapati Bapat Road, Pune to undertake studies and research with the intention to understand, assess and disseminate the ideas and thoughts of Dr. B.R. Ambedkar, particularly on subjects like Economics, Political Science, Religion, Philosophy, Constitutional Studies, Education, Social Work, Human Rights as well as other disciplines considered relevant for the attainment of our National Goal of Social Justice.

Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd:

The Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) in collaboration with Serum Institute of India Pvt. Ltd., under the Faculty of Medical and Health Sciences shall be established which has been approved in principle. The Symbiosis Centre for Research in Vaccines and Biologicals (SCRVB) shall be monitored by Symbiosis Center for Research and Innovation (SCRI), like all other Research Centres of SIU.

LEARNING RESOURCES:

LIBRARY

Symbiosis International (Deemed University) is one of the country's Premier University and an educational hub of several institutions spread over different campuses, imparting quality higher education in different areas like Management, Information Technology, Bio-Medical science, Engineering, Liberal Art, Health science and legal education. All these institutions are having their own library, serving and catering to the need of students, faculty members, as a creative and innovative partner for supporting teaching, learning, scholarship and research activities of the University.

With the changing scenario e- resources are emerging rapidly and these libraries are well equipped with the state of art facilities to adapt these new technologies. Along with this the collection in the form of books, journals / periodicals is increased and all the libraries are trying to fulfil the information need through these resources, to the entire Symbiosis community.

KOHA integrated library software – installed in all the constituents' libraries.

OPAC (Online Public Access Catalogue) consists of all the books (http://symbiosis-koha.informindia.co.in) and the same are accessible along with other reading material from any location.

SIU Central Library is housed in independent spacious state of art building with high quality amenities and facilities located at Lavale campus. The ambience of the building is beautiful with beautiful landscape around the building. The pleasant environment and well-furnished area inspire the student to learn, conduct research and enhance their knowledge. Central library has adapted the emerging new technologies for information retrieval.

SIU Central library subscribe number of online databases for faculty members, students and researchers. Some of them are EBSCO, Emerald, Scopus, Web of Science, JSTOR, Frost and Sullivan kluwer etc.

The Central Library is a member of the INFLIBNET, Gandhinagar and has a active part in submitting the research thesis to shodhganga and also member of DELNET and National Digital Library of India (NDLI).

Symbiosis International (Deemed University) Library total book collection above 414547 and P.HD Thesis 443.

Print journals -689.

E-journals in Library more than 60510.

Symbiosis International University Library total CD/DVD 14020.

Symbiosis International University Library have above 282686 e books.

The Library portal is to provide access to its e-resource for all. (https://siu.edu.in/library/)

SUPPORT DEPARTMENTS:

SYMBIOSIS TEACHING LEARNING RESOURCE CENTRE (STLRC):

The Symbiosis Teaching Learning Resource Centre i.e. STLRC is established with the aim to help raise the effectiveness and productivity of the Symbiosis faculty in terms of teaching - learning as well as research.

The Symbiosis Teaching Learning Resource Centre (here after referred as STLRC) is Symbiosis International University's catalyst to inspire and mentor the faculty in their roles as Teachers, Researchers and more so as Educational parents. STLRC strives to complement the academic mission of the university by improving the teaching effectiveness and enhancing research ability of the faculty.

STLRC always strives to:

- Improve the Teaching Effectiveness of faculty.
- Sensitize faculty members in the areas of diversity and inclusion, in the teaching learning environments.
- Enable faculty to design innovative assessments.
- Facilitate increased research output.
- Coordinate Domain specific interventions to improve discipline knowledge of the faculty members.

There are various Activities of STLRC which are as follows:

- Planning and execution of various Faculty Development Programmes under the verticals of Teaching, Learning, Evaluation, Research, and domain specific areas for all the eight faculties of the University. 527 Faculty development programmes have been conducted by STLRC. (May 2011 till May 2023)

- MOOC Development Activity: SIU started various interventions such as encouraging learning through online courses, face-to-face workshops, and face-to-face meetings to familiarize SIU faculty members about learner-centric MOOCs. As a result of which four MOOC proposals have been submitted to CEC i.e. Consortium for Educational Communication. These proposals will now be scrutinized by CEC and we will be informed about the acceptance of the proposals. Ten other MOOC proposals are in the pipeline, which will be submitted to CEC.

- Symbiosis International (Deemed University) in association with Maharashtra State Faculty Development Academy (MSFDA) organized a Faculty Development Programme on Techno-pedagogy and Andragogy for Active Learning (TAAL). The TAAL is a '8 days programme' conducted by Symbiosis Teaching Learning Resource Centre (STLRC), in three phases: Phase I – 5 days Residential programme, Phase II – 2 days Online Workshop and Phase III – 1day Refresher. In 2022, two batches of TAAL were conducted in which faculty members from higher education institutions across the State of Maharashtra from varied disciplines had participated.

SYMBIOSIS CENTRE FOR EMOTIONAL WELLBEING (SCEW)

Mental health encompasses our emotional, social and psychological wellbeing and is an essential part of ensuring overall health and wellness. It has a widespread impact on the different facets of one's life. Recognizing the importance of good mental health, the Symbiosis Centre for Emotional Well-being (SCEW) was established in August 2018. SCEW aims to provide promotive, preventive, and curative mental health care services within the Symbiosis community and emphasizes a model of collaborative care.

Our team comprises of diverse and skilled Mental Health Professionals, deputed to various campuses of SIU and led by their Head, Dr. Girija Mahale, and Deputy Head, Dr. Rahul Bagale. We offer counselling, psychotherapy, and psychiatric consultation services to students, staff, and faculty members across SIU while emphasizing privacy, confidentiality, comfort, and a sense of security for our clients. To ensure extensive outreach and impact, the team undertakes various initiatives and conducts awareness drives, workshops, training programs, and webinars for all stakeholders.

Under the aegis of SIHS, a full-time Undergraduate Degree Program, B.Sc. in Mental Health is been recently launched by SCEW with due consideration to bringing mental health into education and reducing the stigma.

SYMBIOSIS CENTRE FOR INTERNATIONAL EDUCATION (SCIE):

SCIE is a department of the University that provides leadership and support for the University's efforts to internationalize the campus and the curricula. The mandate given to Symbiosis Centre for International Education (SCIE) is to streamline the processes related to international collaborations, participation in international conferences and seminars, international student mobility, setting up of Area Study Centres, etc.

At Symbiosis, there are international students from over 85 countries who undertake undergraduate and postgraduate studies. Students and faculty are repeatedly provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops, etc.

Internationalisation at Symbiosis works on multiple tracks, hence, the five divisions in the Symbiosis Centre for International Education include:

1. International Admissions and International Promotions
2. International Student Relations and Events
3. International Initiatives and Collaborations
4. Symbiosis Centre for European Studies (SCES)
5. Symbiosis Centre for India Australia Studies (SCIAS)
6. The Symbiosis Centre for Engagement with Africa (SCEA)

1. International Admissions and International Promotions

Admissions for international students are centralized across all the constituent institutes of Symbiosis International (Deemed University) and are routed through the Symbiosis Centre for International Education (SCIE). The procedure for applying to SCIE is designed, taking into consideration the requirements and difficulties faced by international students. The online admission process has made it accessible for every student to apply from various parts of the world and from the comfort of their homes. Students only need to come to India when they are shortlisted for a specific program of their choice. Software has been tailor-made to suit the admission procedure. The admission process is simplified into easy steps, starting from meeting basic eligibility criteria and verifying the necessary documents to finalizing the payment and confirming the admission. Through the online admission system, students can also make all their payments online and check their admission status online.

SCIE has also taken the initiative of planning promotional campaigns in Africa and Asia. This involves participation in educational exhibitions/fairs and visiting schools and educational counselors.

2. International Student Relations and Events

This department has the goal of ensuring student comfort at Symbiosis International (Deemed University) and also communicating with foreign students in their home countries. Understanding the importance of ensuring a fulfilling experience, both academic and social, this department focuses totally on assisting foreign students to adapt to their new home. The students are encouraged to contact this department when faced with problems – academic, administrative, and even issues that are not directly related to the University, such as dealing with formalities at the Foreigners' Registration Office (FRO).

We have "buddy" system, which refers to the practice of assigning a mentor to each international student. The "buddy" will be a domestic Indian student, who is familiar with the city of Pune. The "buddy" will be encouraged to help the student overcome challenges big and small – that are related to the institute and the University, as well as everyday problems related to settling down in India.

The department conducts periodic meetings with international students in their individual institutes. The informal meetings are aimed at providing an opportunity to the students to share their experiences, both good and bad, giving them an opportunity to solve these by initiating changes either in policy or regular activities.

SCIE organizes a variety of activities where international students of Pune city are able to meet on a common platform and display their many talents. As a part of enriching students' international experience, SCIE organizes the International Food Festival, the Flag Hoisting Ceremony, NGO visits, Blood Donation Camps, Tree Plantation, Iftar Party, Christmas Party, Diwali Party, Dance Competitions and Sports activities like football tournaments and many more.

SCIE also organizes the International Students' Convocation Ceremony. The convocation ceremony is an important landmark in a student's life. It is normally organized by universities in India during the month of December. But since most foreign students have already left India by this time, they are deprived of this wonderful memory. SCIE aims to fulfil a students' dream of walking down the aisle with a robe and cap by organizing the International Students Convocation Ceremony.

SCIE is assisted in such activities by the International Students' Council. The International Students' Council is an elected body for the smooth functioning of the activities and events of international students. This department conducts need based workshops for these council members to name a few team building, financial literacy, communication & soft skills, digital marketing, etc. which covers a diverse range of essential skills.

Working in the council provides an opportunity to showcase their leadership skills and community involvement, get the opportunity to explore a range of interests and passions that they might not have discovered otherwise, improve the self-confidence.

3. International Initiatives and Collaborations

At Symbiosis International (Deemed University), (SIU) our every endeavor is to look at ways to promote international understanding through quality education. The university believes that internationalisation imparts broadened knowledge and understanding of other nations, cultures, and global issues for students, strengthens research and knowledge production of faculty and staff, which assists in bringing innovative pedagogies and enhances the teaching learning process. To achieve these objectives, the university has international collaborations across the globe. Structured policies for encouraging student and faculty mobility help students to undertake these programs for increasing and ensuring sustainability.

Student Programmes:

Global Immersion Programme:

Under this initiative, SIU students get an opportunity to experience semester abroad, semester exchange program, attend summer/winter schools, and undertake short-term internships. The university accepts the credits earned by students from partner universities towards their degree completion. Study tours, which give a glimpse about the academic and cultural offerings from a foreign country, are also encouraged to give students an international exposure.

SIU encourages the collaborating universities to send their students for a semester at any of its institutes and transfers the credits earned by these students. The students have the flexibility to choose courses across disciplines.

Dual Degrees, Joint PhD Programs: SCIE has also initiated Dual Degrees, Joint PhD programs with partner Universities under various combinations. This will enable credit transfers and earning 2 degrees one from SIU and one from the partner University in their respective disciplines.

Study India Programme:

SCIE offers short duration, customized programs imparting international students an unparalleled opportunity to experience a combination of academic content and cultural activities. Students get an understanding of the socio-economic, cultural, political, technological aspects of India along with experiential learning through visits to NGO's, Cultural heritage sites, to name a few, in this program.

Faculty Programs:

SIU believes giving international exposure for students, faculty and staff to develop a global outlook. As part of Internationalization at home, SIU has many programs where international faculty is invited on campus.

Scholar-In-Residence:

This program encourages faculty to share best academic practices, developing in house global competencies and international links. Faculty who visit SIU on short/long term engagement, conduct guest lecturers/ workshops / Symposia, teaching, reviewing and internationalizing the curriculum, conducting faculty development programs / seminar, conceptualizing, contributing and editing research journals, joint paper presentations in international conferences.

Distinguished Visiting Professor:

Distinguished academicians/ personalities are invited to SIU for short term period to teach courses in their area of expertise, conducting special course / expert workshops, developing grant projects.

Faculty Exchange:

SIU is actively involved in sending its own faculty to foreign universities on short term. This encourages the faculty to get an opportunity to teach students at partner universities. The faculty gets an opportunity to learn new methods of teaching, conducting joint research with faculty having similar research interests and imparting knowledge to the international students while focusing on the Indian or comparative perspectives.

Lecture Series:

SCIE organizes lectures by eminent faculty, industry experts and eminent personalities at different institutes of Symbiosis.

Symbiosis Centre for European Studies (SCES)

SCES is a multidisciplinary support department within Symbiosis Centre for International Education launched at the hands of the former Prime Minister of Czech Republic, Mr. Andrej Babiš in January 2019.

SCES lays emphasis on facilitating people-to-people, organisation-to-organisation and institute-to-institute connections with Europe, bringing the best of scholarly expertise to India and encouraging Symbiosis students, faculty and staff mobility to Europe for research projects, engaging with Training & Consultancy projects with European companies and learning through partnerships. SCES is envisioned to be an umbrella support system for all academic/ scholarly/ generic activities with European nations, institutes and companies. Its purview includes all European countries and the European Union.

SCES has been actively working with European partners for Study in India Programmes and Erasmus+ projects.

SCES has partnered with European Universities in different consortiums under the Erasmus + Programmes with an intention to enhance cooperation for facilitating students, faculty mobility and strategic partnerships which in turn will help capacity building and exchange of best practices. Partnerships with Universities in Germany under the DAAD- DIES (Dialogue on Innovative Higher Education Strategies) and DAAD-A New Passage to India have facilitated mobility and workshops for promoting internationalisation of higher education. In addition, we have organized Annual Leadership Series & Conferences on the contemporary issues focusing on the European Union and its relationship with the world. These forums have witnessed think tanks, diplomats and ambassadors share their insights with SIU students and faculty.

SCES Activities & Programmes

Internationalisation @ Home initiatives

EXCLUSIVE OPPORTUNITIES FOR SIU STUDENTS –

(a) **E-Academies on Internationalisation–** Offered as three weekend programmes, these E-Academies help students develop intercultural competencies and prepare them to work effectively in multicultural environments. Symbiosis students get to work with students from other parts of the world who join as "E-Buddy Mentors" in this E-Academy.

(b) **Your Gateway to Europe–** This is a special edition offered bi-annually for students highly focused on higher education in Europe. Illustrious speakers who are serving as diplomats, representing higher education bodies in European member states and European Parliament are the key facilitators for this E-Academy. Besides sessions, students from Europe join as e-buddy mentors for students enrolled in this programme.

Both these E-Academies are a blend of learning and fun with cultural, language and food exchanges. As an outcome, we release an annual culinary book "The World Kitchen" which features the recipes of all Indian and International students.

(c) **Beyond Borders Work from Home Internships -** Offered for Indian and European students studying in universities in and outside India in the area of Research, Corporate Relations (Europe), Social Media Management (Content, Graphics, Motion/ Film Making). SIU students get international exposure through these WFH internships and work on international projects.

(d) **SCES Student Think Tank -** SIU students are invited to get involved in our student led think tank under the Symbiosis Centre for European Studies. The Think Tank is also the First Indian Chapter of European Horizons, a global student-led policy incubator, founded at Yale University.

Other initiatives

Student & faculty exchanges, credit transfer arrangements, Summer & Winter Schools (Study India Programmes (SIP) & Bespoke).

E-Symposiums, Webinars, Master classes and other such opportunities to engage with Europe

Symbiosis Centre for India Australia Studies (SCIAS)

The main motive behind setting up of the Symbiosis Centre for India Australia Studies (SCIAS) is to act as an overarching umbrella for all activities involving students and faculty, deepening the existing collaborations and also seek opportunities for exploring new collaborations with Universities from Australia. The Centre was officially inaugurated by Mr. Peter Truswell, Consul-General, Australian Consulate in Mumbai, India, Department of Foreign Affairs and Trade (DFAT).

The activities undertaken under the Centre will include student and faculty mobility, faculty training, networking of research scholars for building connections/ networking leading to conducting joint research. The Centre will also prioritize and execute proposals received for joint supervision for PhD level programs,

developing pathway programs, Dual Degrees which has been the mandate of the New Education Policy. The Centre will have multi-disciplinary focus and will institutionalize international initiatives in education and research between India and Australia. The Centre will Facilitate student internships for Indian and Australian students in a collaborative way and consolidate industry relationship to support the internships. Focus on research in International Higher Education with special mandate to prioritize internationalisation of higher education, collaborative international learning, interregional cooperation, and knowledge diplomacy. The Centre will also encourage offering electives to students to learn Literature, History, Society, Culture, Art, Politics, Indigenous studies of Australia to SIU Institutes.

The Symbiosis Centre For Engagement With Africa (SCEA)

Based on its strong past connection with the continent and its people, Symbiosis believes it can positively assist in the capacity building of the African nations by offering world-class education to African students. These students will be future Ambassadors of Goodwill.

Under our 'Engage with Africa initiative' we offer the following with a view to strengthening relations between India and Africa.

1. Golden Jubilee Scholarships where we are offering 80% fee concession in academic fees as well as 50% concession in the hostel and mess fees.
2. Golden Jubilee Free-ships
3. Connecting African students studying at SIU with Indian school students and staff: Positive exchange of cultures and desired change in perception
4. Capacity Building: Teacher Training and Development for African Schools.
5. Representation on International Student Bodies/ Councils.
6. Student Development Workshops

Foreigners' Registration:

Every foreigner coming to India must have a valid Passport and Visa to enter and to continue his /her stay in India.

The foreigner should always carry identification documents, namely:

1. Passport with an endorsed visa
2. Certificate of Residence issued by the concerned authority
3. Residential Permit issued by FRRO/FRO

The foreigner is under obligation to produce the above documents to any Police Officer on demand for inspection.

Foreigners entering India on a long term visa i.e. for a period more than 180 days, on a Student Visa, Employment Visa, Research Visa, Medical Visa and Missionary Visa are required to get themselves registered within 14 days of their arrival with the concerned FRRO/FRO. Students arriving on short term Provisional Student Visa (Valid for 180 days or less) must also register and confirm their admission within the stipulated visa period to avoid deportation. Upon confirmation of admissions, the students on short term Provisional Student Visa should approach the concerned FRRO/FRO for registration and extension.

The above rules will not be applicable to Pakistani, Bangladeshi and Afghani nationals.

- Pakistani Nationals must report within 24 hours of their arrival
- Afghan Nationals must report within 7 days of their arrival
- Bangladesh Nationals on Student Visa must report within 7 days of their arrival, and within 24 hours of their arrival for other visas

For more details, visit https://indianfrro.gov.in/eservices/home.jsp

Symbiosis Centre for Entrepreneurship and Innovation (SCEI)

Symbiosis Centre for Entrepreneurship & Innovation (SCEI) is a Technology Business Incubator (TBI) promoted by Symbiosis International (Deemed University) and supported by DST Govt. of India. SCEI is a special purpose vehicle (Section 8 Company) established in the year 2016 by the university to promote entrepreneurship and nurture innovative start-up ideas. SCEI is primarily established with funding from Symbiosis International (Deemed University). SCEI is also on boarded a incubation and mentoring partner on NITI Aayog- Women Entrepreneurship Platform(WEP). SCEI is a Not for Profit Company with a mission of contributing to socio-economic development in the region by promoting and nurturing entrepreneurship. SCEI also supports women entrepreneurs through a dedicated Women Entrepreneurship Wing (WeW). Technical and Business Mentoring is the core strength of SCEI to enable startups to build and commercialize innovative solutions. SCEI also leverages University research and innovation capabilities, and resources to support entrepreneurs in their start-up journey.

Being a part of the Symbiosis family, SCEI is well connected to innovation and Entrepreneurship ecosystem in India. SCEI provides office space, innovation lab access, mentoring support, company registration support, investor access to the start-ups which get incubated at SCEI and even student start-ups across the Symbiosis International (Deemed University)

Symbiosis Centre For Alumni Engagement (SCAE)

Symbiosis Centre for Alumni Engagement (SCAE) was established on 10th of November, 2017. SIU established SCAE to work as a central body for alumni related matters. It has created a strategic blueprint to facilitate structured and long-term engagement with alumni. SCAE conducts online surveys to understand their ideas for contributing to initiatives such as career counselling, mentoring, guest lectures, reviewing of programs and events, and the possible establishment of endowments, sponsorships and scholarships.

SCAE communicates regularly with alumni (emails/newsletters) on achievements and updates concerning SIU and its constituents. Senior leadership reaches out to alumni through SCAE. It continuously engages with alumni in meaningful dialogue through personal meetings / virtual meetings and webinars. Symbiosis Alumni can support students and fellow alumni through mentoring, career guidance, internship provision and/

or recruitment opportunities. Alumni can gain a sense of fulfilment by 3 E's: Experience, Effort and Endowment.

Symbiosis Centre for Alumni Engagement (SCAE) aims:

1. To nurture and strengthen a symbiotic and long-lasting relationship between Symbiosis and its worldwide alumni community.

2. To create a range of appealing and rewarding programs, meaningful dialogue and exchange of ideas.

3. To achieve excellence in the academic, intellectual and philanthropic pursuits of Symbiosis through continuous engagement with its alumni.

4. To set up a centralized Alumni information and engagement platform to ensure efficient and effective data management, relevant to the needs of Symbiosis for its development.

Symbiosis Community Outreach Programme and Extension (SCOPE)

Universities have recognized the enormous potential of higher education to positively impact the health and well-being of students, staff, and the wider community through education, research, knowledge exchange, and institutional practice. With this view, Symbiosis launched Symbiosis Community Outreach Programme and Extension (SCOPE) on 02nd July 2012. The objective is to positively impact the community around.

SCOPE works towards achieving sustainable, comprehensive, and integrated development of the 32 identified villages in Mulshi taluka of the Pune district. SCOPE through its Mobile Medical Units (MMUs) and Rural Digital Literacy Labs offers doorstep delivery of healthcare and digital literacy services in several access compromised and service deficient villages.

Initiatives:

SCOPE undertakes various Health and Community development initiatives in and around the university campus associated with Primary Health Care, Health Awareness and Promotion, and Personal - Social Development. SCOPE also celebrates various health days in our area by conducting health education, general health check-up camps, and other activities in the community. These initiatives are also part of the activities pertaining to Institutional Social Responsibility, Creation of a Healthy Environment, Developing Links with the Community, and Academic and Action Research in the Community. Additionally, students take up community research projects for Master's and Ph.D. programs in the villages.

MMUs visit the identified villages per the fixed weekly schedule and covers 32 such villages located in Mulshi taluka catering to a population of 40836 individuals. Since 2012, MMU has delivered preventive, promotive, and curative healthcare services to more than 339953 beneficiaries from villages and also during mega events such as Pandharpur Wari and Bhima Koregaon. We also partner with SUHRC for various activity conduction like the inauguration of the extension center at Kondhwe – Dhavde (Haveli block), Specialist visits at various PHCs of Mulshi and Vadgaon Mawal blocks, Key Opinion Leaders (KOL) visits, Speciality Camps, etc. The Rural Digital Literacy Labs currently offers services in 9 villages and reaches over 200 learners.

Way forward:

SCOPE in the coming years is working towards increasing the number of villages where its healthcare and other services would be delivered. We firmly believe that our role as a university goes beyond imparting knowledge and skills to our students and as active agents of change and nation-building.

Awareness of Government health schemes in villages

Service Learning -Credit based course

Service learning is a method of teaching, learning and reflecting that combines academic classroom curriculum with meaningful service throughout the community. As a teaching methodology, it falls under the philosophy of experiential education. Service learning is the engagement of students in activities, which address or meet a community need. Students learn how service makes a difference in them and in the lives of others. It is linked to course/ discipline of students.

Participation of Students in Service Learning:

Service Learning is one of the components, offered to under graduate students under Floating Credits Program. The course is of 4 credits and students have to put in 120 hrs. for community service related to their discipline.

Benefits of Service Learning to Students:

- Increase of self-esteem, analytical skills and social development.

- Sense of empowerment by participating in community service where they are needed, valued, and respected.

- Improved citizenship as a result of active engagement in community life.

- Heightening the student's desire to learn through one's experience.

- Inculcation of leadership skills and values.

- Directly or indirectly application of concepts from the classrooms to the service.

SIT Service Learning students making villagers and school children aware about saving water.

Admission Process for Indian Students:

A candidate aspiring to join an MBA programme offered by any Institute of Symbiosis International (Deemed University) [SIU] has to appear for the common, mandatory Symbiosis National Aptitude (SNAP) Computer Based Test (CBT) which will be conducted at Test Centres.

The candidate needs to:

a) Register for SNAP Test,

b) Pay the registration fee for SNAP Test,

c) Register for her/his choice of programme(s) offered by various Institutes of SIU,

d) Pay the registration fee, separately for each programme.

If shortlisted for a programme applied to, the candidate would then need to participate in the further admission process (GE-PI) of that particular programme.

The registration process (including the payment of the registration fee) for SNAP and Institutes is integrated. A candidate can complete the SNAP as well as programme registration and payment on the same portal (snaptest.org).

SNAP Test Registration Process

1. SNAP Test 2023 will be conducted on three different dates. Please note these dates carefully:

Dates of SNAP Test 2023
December 10, 2023 (Sunday)
December 17, 2023 (Sunday)
December 22, 2023 (Friday)

Timings of the tests will be communicated to the candidates via their Admit Card

2. A candidate can appear for upto three tests for SNAP 2023. If a candidate appears for more than one test, the higher score will be considered for the final percentile calculation and there will be no normalization. A rigorous process that has been statistically tested will be administered to ensure that unique types of questions are framed under a specific topic across the question papers. The normal spread will ensure that there is no unfair advantage to candidates who opt for any specific test / multiple tests. This will ensure normalisation of the spread of questions across sections. Furthermore, the question papers will be normalised for the level of difficulty across all three tests. No correspondence regarding this will be entertained.

3. Register online on the website snaptest.org (upto November 23, 2023 (Thursday).

Note – Any change in the online registration form (except name, date of birth, category, test city preferences and test date) will be entertained only up to November 23, 2023 (Thursday). No change shall be permitted after this date under any circumstances.

4. Ensure that the information you have filled in is accurate.

No change in name, date of birth, category, test city and test date requests will be entertained once a candidate has paid her/his SNAP Test 2023 registration fee.

5. SNAP Test registration fee and programme registration fee of the Institute is non-refundable and non-transferable.

6. Upload your latest scanned colour passport size photo (in case a candidate is registering for SNAP on a desktop) at the time of online registration for the SNAP Test. (Your photograph should not be more than six months old).

SNAP Test registration fee payment process

A candidate may pay through

i) Billdesk Payment Gateway

ii) Easebuzz Payment Gateway

iii) Demand Draft.

Pay the SNAP Test registration fee of **INR 2250 per test** (government taxes would be additional as and when applicable) **upto November 23, 2023 (Thursday)**, as per the instructions mentioned on the website for Payment of SNAP Test registration fee.

NOTE – SNAP Test registration fee and programme registration fee of the Institute is non-refundable and non-transferable.

Payment Through Demand Draft:

Submit a Demand Draft (DD) of **INR 2250 per test** (government taxes would be additional as and when applicable) from any Nationalized Bank in favour of "**Symbiosis Test Secretariat**" payable at Pune.

Choose the mode of Payment as 'DD Payment' in 'Make Payment' Tab. Take a print of the payment advice form, fill in the DD Details, sign and send it along with the DD to the Symbiosis Test Secretariat only at,

Symbiosis Test Secretariat

Symbiosis International (Deemed University)

Gram: Lavale, Tal: Mulshi, Dist: Pune - 412115

Tollfree Number: 18001231454

The Symbiosis Test Secretariat (STS) will authenticate the details of the Demand Draft and will send you an email confirming the payment. Only after the realisation of payment, would you be able to view your Admit Card.

Note: All communications with candidate will be done through the official email address info@snaptest.org only. Please ensure that this email address is whitelisted in your registered email. If you do not receive the registration/payment confirmation mail, within 24 hours, please check your spam/junk folder just in case these emails got delivered there instead of your inbox.

Candidates must declare and maintain a valid and unique email account and a mobile phone number throughout the selection process.

Instructions:

1. The DD should reach Symbiosis Test Secretariat (STS) by 3:00 pm on November 23, 2023 (Thursday). If the DD reaches after this, it will not be considered and will be returned to the candidate. STS will not be responsible for non-delivery or any delay on the part of courier / postal services.

2. It is also mandatory to pay the registration fee of the desired programme(s) before the closing date of the programme registration fee payment of that/those programme(s). The said fee must be paid through the SNAP website only (snaptest.org).

3. For any dispute the candidate should first send an email to registrar@siu.edu.in with details about her/his grievance. If the candidate is not satisfied with the decision of the Registrar, s/he can appeal to the Ombudsman of the University. Information regarding the same is available on https://siu.edu.in/student-affairs.php. All disputes between the candidate and SIU in this regard are subject to the legal jurisdiction of Pune.

4. Any attempt to impersonate or indulge in any malpractice, identified at any stage of the admission process would disqualify the candidate from the admission processes to all PG programmes of Symbiosis International (Deemed University) and may also lead to appropriate legal action as deemed fit.

5. **SNAP Test 2023 Score will be valid only for admission to select programmes of SIU for the academic year 2024-25.** Admissions to the select programmes at SIU are strictly based on merit, assessment of individual performance in SNAP and other processes prescribed by the University.

    Note – SNAP 2023 result will be declared on **January 10, 2024 (Wednesday),** on snaptest.org and will be available till **February 09, 2024 (Friday).**

Programmes (and the Institute offering them) for which SNAP Test is mandatory.

Sr.	Name of the Institute	Programmes
1	Symbiosis Institute of Business Management (SIBM, Pune)	MBA

Programme registration fee payment process

A candidate aspiring to join an MBA programme offered by any Institute of SIU is also required to register as well as pay the registration fee of her/his desired programme(s) before the closing date of programme registration fee payment of that/those programme(s). The fee must be paid only through the SNAP website (snaptest.org). This is in addition to registering for and paying the registration fee for the SNAP Test.

The programme registration fee is INR 1000 for each programme (government taxes would be additional as and when applicable). If a candidate wishes to apply to more than one programme, s/he will have to pay an additional INR 1000 for each additional programme applied to (government taxes would be additional as and when applicable).

Note – Institute programme registration fee is non-refundable and non-transferable.

If a candidate wants to pay the programme registration fee through Demand Draft, s/he should make a Demand

Draft of INR 1000 for each programme (government taxes would be additional as and when applicable). The rest of the process is the same as that for SNAP Test 2023 (Payment Through Demand Draft).

Even after the closing date of SNAP test registration fee payment, a candidate may still pay the programme(s) registration fee through SNAP website till the closing date of the respective programme(s).

An Institute may offer more than one programme. Candidate should ensure that the preferred programme(s) is / are selected and the programme registration fee is paid for before the closing date.

Different programmes may have different closing date for programme registration fee payment. A candidate should visit the website of the concerned Institute(s) to check the same.

Cities where SNAP Test 2023 will be conducted

SNAP Test 2023 will be conducted in 84 cities all over India.

1	Agra	29	Guwahati	57	Nagpur
2	Ahmedabad-Gandhinagar	30	Gwalior	58	Nashik
3	Ajmer	31	Howrah	59	Navi Mumbai

28	Guntur	56	Mysuru	84	Visakhapatnam

*SIU reserves the right to add/delete/change the test cities due to unavoidable circumstances without prior intimation.

No request for a change of test date or test city will be entertained once a candidate has paid the SNAP Test registration fee. Test City and Test Date are allocated on a first come, first serve basis. The earlier you pay, the higher are your chances to obtain a test date and test city of your choice. The Test Timing, Test Centre and its address will be printed on the Admit Card. (The Admit Card will be live on the SNAP website snaptest.org).

SIU reserves the right to change or allot a city other than the one requested by the candidate if the requested city is not available for any reason.

While all efforts will be made to ensure that a candidate gets a test city as per her/his preferences, however, in some exceptional circumstances, a different test city in a nearby area may be allotted. Computer-based testing is a proven and reliable process administered to tens of millions of people yearly. As with paper and pencil testing, or virtually every other human endeavour, many problems could occur that might prevent a test from being delivered and/or a result from being generated. In the unlikely event this does occur, every effort will be made to correct the problem, up to and including the administration of another test.

Eligibility For Different Programmes:

Name of the Institute	Name of the Programme	Eligibility Criteria
SIBM, Pune SCMHRD SIBM, Bengaluru SIBM, Hyderabad SIBM, Nagpur SIBM, NOIDA	Master of Business Administration (MBA)	Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Castes/ Scheduled Tribes). Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Castes/ Scheduled Tribes). A candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from Association of Indian Universities (AIU)
SIBM – Pune	Master of Business Administration (Innovation and Entrepreneurship)	
SICSR	Master of Business Administration (Information Technology)	
	Master of Business Administration (Digital Transformation)

Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks or equivalent grade in the qualifying examination. A candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from Association of Indian Universities (AIU).

Disclaimer

The candidate is advised to check the eligibility criteria for the desired programme(s). SIU / STS / Institute will not be responsible, if the candidate applies for programme(s) for which s/he is not eligible.

Reservation Policy of SIU

Following will be the reservation policy for admission to any programme (offered by any Institute) of SIU (except Symbiosis Institute of Management Studies, which has a separate policy#)

[A] Within Sanctioned Intake:

1] Scheduled Castes Candidates: (15% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 15 % for all its academic programmes to **Scheduled Castes Candidates, as defined under** Article 341 of the Constitution.

2] Scheduled Tribes Candidates: (7.5% of seats within the sanctioned intake)

The University has provided for reservation to the extent of 7.5 % for all its academic programmes to Scheduled Tribes Candidates, as defined under Article 342 of the Constitution.

3] Differently Abled Candidates: (3% of seats within the sanctioned intake)

In compliance to the Government directives on Disability Guidelines issued by the Office of the Chief Commissioner for persons with disabilities vide Ministry of Social Justice and Empowerment, New Delhi notification no. 16-18/97 on 1st June 2001, The Rights of Persons with Disabilities Act, 2016 dated 27th December 2016 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, the University has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all its Constituents.

The types of disabilities covered are: -

(i) Vision Impairment

(ii) Hearing Impairment

(iii) Locomotors Disabilities

(iv) Mental Retardation

(v) Multiple Disabilities

(vi) Dyslexia

4] Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel. (as per merit) Children / Wards of Defence personnel means Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel who are serving/ retired Defence personnel from Army, Navy, Air Force. Retired Defence personnel are those who fall in the category of ex-servicemen as laid down in Ministry of Defence letter no. 36035/5/85- Est (SCT) dated 14 April 1987. It also includes children of Defence personnel, who died while in service or after retirement.

The University in terms of the provisions of Memorandum of Association (MoA) between Symbiosis and Ministry of Defence, Govt. of India dated 10th July, 2000 provides for reservations up to the extent of 90% for Master of Business Administration programme of Symbiosis Institute of Management Studies (SIMS), comprising of 80% seats for Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel. (as per merit) and Defence Special 10% seats for Defence personnel and their dependents (Children / Ward / Spouse) in consultation with Headquarters, Southern Command.

The University also provides 5 % reservation within the sanctioned intake for Children/ Wards of Defence Personnel in Constituents as listed below: -

(i) Master of Business Administration (International Business) programme conducted by Symbiosis Institute of International Business (SIIB), Pune

(ii) Master of Business Administration (Digital and Telecom Management) programme conducted by Symbiosis Institute of Digital & Telecom Management (SIDTM), Pune

(iii) Master of Business Administration (Information Technology Business Management) programme conducted by Symbiosis Centre for Information Technology (SCIT), Pune

(iv) Master of Business Administration (Information Technology) programme conducted by Symbiosis Institute of Computer Studies & Research (SICSR), Pune

Note: A candidate who is interested to apply under the category "Children/ Wards of Defence Personnel" for any of the abovementioned programmes, should select the category "Children/ Wards of Defence Personnel" for each programme separately.

5] Domiciled: (25% of seats within the sanctioned intake- Only in case of Constituents at Off-Campus center, Nagpur)

In accordance with Clause A of Schedule C of the Lease Deed signed between Nagpur Municipal Corporation, Nagpur and Symbiosis, Pune on 4th September, 2017, the University has reserved 25% seats against the approved intake in each programme offered at the Off-campus Centre of the University at Nagpur for Nagpur Domiciled candidates.

The definition for Nagpur Domicile is:

The meaning of 'Nagpur Domiciled' candidate, for admission to the above-mentioned Institute only, is a person, who is domiciled in Nagpur for a period of five years as on the date of commencement of the academic year, and who has graduated from or is appearing for the qualifying examination of Nagpur University before admission to the programme. For more information visit Institute website (www.sibmnagpur.edu.in).

[B] Supernumerary Quota (Over and above the sanctioned intake):

In addition to the above reservations, the University also admits candidates under Supernumerary Quota, as follows: -

(1) Kashmiri Migrants and Kashmiri Pandits/ Kashmiri Hindu Families (Non-Migrants) living in Kashmir valley: 02 (two) seats per programme.

(2) International candidates: 20% of the approved sanctioned intake [International candidates includes viz. Foreign National (FN), Persons of Indian Origin (PIO), Overseas Citizen of India (OCI) & Non-Resident Indian (NRI)].

The percentage of reservations and the existence of the categories in the reservations are subjected to vary from time to time.

A candidate applying under any of the reserved category (Scheduled Caste / Scheduled Tribes / Differently Abled / Kashmiri Migrants & Kashmiri Pandits / Kashmiri Hindu Families (Non- Migrants) living in Kashmiri Valley) are mandatorily required to submit relevant document issued by Competent Authority. Any participation at any stage of admission process by such candidate is purely provisional and will always be subject to verification and authentication of such relevant document.

In case a candidate falls under more than one of the above categories (eg. Scheduled Caste as well as Differently Abled or any other combination), he would need to select any one Category (i.e. either Scheduled Caste OR Differently Abled in the case of example mentioned above) at the time of filling up the SNAP registration form. The category selected by the candidate at the time of filling the registration form will be considered to be her/ his category for the entire admission process and her/his benefits and entitlements shall be according to such selected category. S/he will not be able to claim benefit under the other category/ies at any stage of admission on any account whatsoever.

A candidate belonging to any reserved category should note the eligibility requirements carefully before applying. While it is the endeavor of SIU that a candidate belonging to SC/ST/DA category joins a programme as per the SIU norms, s/he has to meet the minimum eligibility criteria. A certain minimum level of performance in SNAP test is required to be considered for the subsequent admission process.

Please also note that if any information provided by the candidate in respect of her/his category is found to be incorrect, the University shall have the right to cancel the candidature of the candidate at any stage of the admission process. Instances of any incorrect information or process violation detected at any stage of the selection process will lead to immediate disqualification of the candidate from the selection process and he/ she will not be allowed to appear for SNAP in the future. If such instances go undetected during the current selection process but are detected in subsequent years, such disqualification will take place with retrospective effect.

* Differently Abled Category (DAC) at SIU

In compliance to Government directives on disability guidelines issued by the office of the Chief Commissioner for Persons with Disabilities vide Ministry of Social Justice & Empowerment, New Delhi notification no. 16-18/97 dated 01st June 2001 and University Grants Commission Notification No. F.6-1/2006 (CPP-II/SCT) dated 30/09/2009, SIU has made provision of reserving 3% seats for Differently Abled Category (DAC) candidates in all the programmes offered by all the Institutes of SIU.

The types of disabilities covered are: -

a) Vision Impairment

b) Hearing Impairment

c) Locomotors Disabilities

d) Mental Retardation

e) Multiple Disabilities

f) Dyslexia

A candidate claiming admission under DAC will be provisionally admitted under the said category. Thereafter, the candidate will be required to obtain an **'Authentication Certificate'.** The candidate will have to get the disability certificate authenticated by **Medical Board of Symbiosis University Hospital and Research Centre (SUHRC).** Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category.

* Differently Abled (DA) candidate means a candidate having any of the disabilities in accordance with the Persons with Disabilities Act – 1995 and suffering from not less than forty per cent of the disability as certified by a competent government medical authority. as per revised Gazette of India Registered no: DL – (N)04/0007/2003-16 dated December 28,2016. The candidate will have to get the disability certificate authenticated by Medical Board of Symbiosis University Hospital and Research Centre (SUHRC). Once the certificate is found authentic and correct by the Medical Board, SUHRC, his/her eligibility will be certified under the DA category. Process to be followed for Differently Abled Candidates (DAC):

A Differently Abled category candidate is requested to upload his/her Medical Certificate issued by a competent authority at the time of registration for ascertaining percentage of the disability. The candidate failing to do this will be considered under the Open Category.

Note – If a candidate selects Differently Abled Category in the Registration form and s/he requires scribe/writer facility please note SIU will not be providing scribe/writer. The candidate has to make her/his own arrangement for scribe/writer. The qualification of scribe/writer should be maximum Class XII passed. Candidate should send the request to info@snaptest.org in case scribe/writer is required.

During the test, as per SIU Examination norms, a Differently Abled Candidate is provided with 20 minutes of compensatory time for every 60 minutes of test.

For Symbiosis Institute of Management Studies (SIMS): As per MoU with Ministry of Defence clause no. 13 sub clause (d) **The term Defence Personnel would mean only those serving / retired Defence Personnel from the Army, Navy and Air Force who fall in the category of ex-serviceman as laid down vide Ministry of Defence Letter no. 36034/5/85 -Estt (SCT) dated 14th April, 1987.**

Reservation of Seats within the intake is:

➢ **Defence Open:**

80% seats for Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel. (as per merit)

➢ **Defence Special:**

10% seats for Defence personnel and their dependents (Children / Ward / Spouse) in consultation with Headquarters, Southern Command should cater for

i] Killed in action (war, counter insurgency or war like operation)

ii] Disabled in action (war, counter insurgency or war like operation) with more that 50% disability

iii] Next of kin of service personnel who have died while in service, death being attributable to military service (as per merit)

Reservation of Seats over and above intake:

➢ Officers of Armed Forces on Study Leave as authorized by respective Services HQs are granted automatic admission subject to meeting eligibility criteria.

Admission Process for International Students

To assist students with their application to Symbiosis International (Deemed University), a detailed stepwise procedure is available on www.scie.ac.in where students can avail the user-friendly online application process.

Category

- **Foreign National (FN):**

  A student is eligible to apply as a Foreign National (FN) if he/she is a citizen of any country other than India and holds a foreign passport.

- **Overseas Citizenship of India (OCI):**

  A student is eligible to apply as OCI if he/she is granted with Overseas Citizenship of India and has an OCI card.

- **Person of Indian Origin (PIO):**

  A student is eligible to apply as a Person of Indian Origin (PIO) if he/she has a PIO card, and is a citizen of a country other than India.

  [As per the Government of India Notification dated 9th January 2015, the existing Persons of Indian Origin card holder registered as such shall be deemed to be Overseas Citizens of India card holders (OCI).]

  English Proficiency Test is mandatory for the foreign nationals / OCI / PIO students. Student has an option to either appear for IELTS (conducted by British Council) or IELA (conducted by Symbiosis). The minimum score required for IELTS is 6 and for IELA band 4.

- **Non Resident Indian (NRI):**

  A student is eligible to apply as a Non Resident Indian (NRI) if he/she is an Indian National and has appeared for the 12th examination (equivalent to the Indian 12th) or graduation from outside India. It is mandatory for one of the two qualifying examinations to be given outside India.

Recognition of Board and University

Admissions are in conformity with the guidelines set by the Association of Indian Universities and the Statutory Bodies of India like the Indian Nursing Council, All India Council for Technical Education, Bar Council of India, etc. Only candidates who have the requisite qualification from foreign universities or Boards of Higher Education accredited and recognized by the Association of Indian Universities (AIU), Govt. of India, New Delhi are eligible to apply at Symbiosis institutes for admission. If required, candidates will be asked to obtain the 'eligibility certificate/equivalency certificate' from the Equivalence branch, Association of Indian Universities (AIU), New Delhi on the given below address:

Association of Indian Universities
AIU House, 16 Kotla Marg,
New Delhi – 110 002
Tel No: +91 – 11 – 23230059
Fax No: +91 – 11 – 23232131
Email: info@aiuweb.org
Website: http://www.aiuweb.org

Eligibility

Prospective students must have completed full time 3 years Bachelor Degree program from any statutory University with minimum 50% marks at graduate level.

In case of Engineering Stream, the prospective students must have completed full time 4 years Bachelor Degree program from any statutory University with minimum 50% marks at graduate level.

Students appearing for their final year can apply but their admission will be subject to obtaining a minimum of 50% marks at the qualifying examination.

Note:

- Students having backlogs / fail in their final results are not eligible for admission.
- Each program has specific eligibility criteria; please check the respective institute information for the same on the website.
- The admission to the program is subject to fulfillment of the specific eligibility criteria.

- It is the responsibility of the student to ascertain whether they possess the requisite qualifications for admission.
- Having completed the application and paid the application fee does not mean acceptance of eligibility.
- Final eligibility for admission will be decided by Symbiosis International (Deemed University) after submission of all the required documents.

Documents to upload at the time of online application

- 10+2 or equivalent Mark sheet
- Bachelor Degree Mark sheets (Semester wise / Year wise).
- Photocopy of Valid Passport
- Statement of Purpose
- 2 Letters of Recommendation in soft copy
- IELTS Score Card / Proof of IELTS registration (Not applicable to NRI students)
- Work Experience (If applicable)

Document Verification & Evaluation

When the candidate has completed the online application process and paid the application fees, the admissions committee will verify uploaded documents and check the requisite qualifications for admission. The Admission Committee shortlists the applications based on the previous academic track record, SNAP (non-mandatory), English Proficiency Test (if applicable), Statement of Purpose, Letters of Recommendation, CV (Curriculum Vitae).

SCIE is happy to accept Symbiosis National Aptitude (SNAP) - conducted by Symbiosis International (Deemed University), (for details log on to www.snaptest.org) or GMAT for postgraduate admissions. These are not mandatory requirements, NRI students with SNAP or GMAT score will secure extra weightage of 10%.

Weightage for admission for NRI Students:

Graduation Transcripts - 80%

Entrance Test (SNAP/GMAT) - 10%

Statement of Purpose - 5%

Two Letters of Recommendation - 5%

Students applying under the NRI category are NOT required to appear for the English Proficiency Test (IELA/IELTS Examination).

Weightage for admission for FN/PIO/OCI Students:

Graduation Transcripts - 90%

Statement of Purpose - 5%

Two Letters of Recommendation - 5%

Students applying as FN/PIO/OCI are required to appear for the English Proficiency Test (IELTS/IELA examination)

A final verification of original documents will be done at the time of joining.

Please Note:

Foreign National students will pay the application fee along with the administrative fee after the receipt of pre offer letter.

Merit List

After evaluation by Admission Committee, SCIE will send an email informing about the status of your admission. You will receive an offer letter through email. Once you receive an offer letter, you need to confirm your intention of joining the said program by making a payment of administrative fee and part payment of annual academic fee within stipulated period mentioned in the offer letter.

Administrative & Part Payment of Annual Academic Fee:

Fees for NRI /PIO/ OCI students

USD 550 towards administrative fee (Non-refundable). This includes eligibility, medical, insurance, admin and processing charges.

USD 540 towards part payment of annual academic fee

Fees for Foreign National students

USD 275 towards administrative fee (Non-refundable). This includes eligibility, medical, insurance, admin and processing charges.

USD 815 towards part payment of annual academic fee

USD 275 towards institute deposit (Refundable) (Applicable to NRI /PIO/ OCI/ FN students)

To make this payment, you will have to log on to https://scieaccounts.ishinfo.com/PGStudentAdmission with your 'SCIE ID' and 'Password'. Accordingly follow Payment instructions mentioned in the link. Kindly ensure that this payment is to be made within the stipulated date mentioned in the offer letter. The balance payment of annual academic fee is to be paid on or before the date of reporting. Applicants who fail to make the payment within stipulated date will not be able to secure a provisional admission to 'Symbiosis International (Deemed University)' and their seat will be offered to the next applicant in the waitlist.

Provisional Admission Letter

SCIE will issue a "Provisional Admission Letter" to the foreign national students who require Student Visa, only after receipt of administrative and part payment of academic fee. Applicant can use this letter as a supporting document while applying for his/her student visa at the Indian Mission in his/her country.

Note:

- The Visa should be a 'Student Visa' and should mention the name of "Symbiosis International (Deemed University)". Any other type of visa is invalid and final admission will not be granted to students who do not have a valid visa.

- For the interview at the Indian Embassy make sure that you carry relevant documents to prove how you intend to finance your education in India.

Reporting Mail

On confirmation of the receipt of administrative fee and part payment of academic fee, applicant will be considered as 'Provisionally Admitted' to Symbiosis International (Deemed University). Subsequently, SCIE will send a reporting email regarding the formalities to be completed at the time of reporting.

The student provisionally admitted to Pune campus have to report to SCIE and the student provisionally admitted to out of Pune campus will have to report to their respective institutes on the dates mentioned in the prospectus or on the institute website to complete the reporting formalities. Kindly check the respective institute information in the prospectus or SCIE website for specific reporting date to SCIE and the respective institute.

Reporting Formalities

1. Medical Test

International students will have to undergo a medical examination. Medical check-up will be conducted at Symbiosis Centre for Health Care (SCHC) within the Campus. Collect the Medical Test Form for Medical Check-up. After undergoing medical test submit the counterfoil of the Medical Test form.

2. Payment Confirmation

Take the confirmation of Fee details from Accounts Department. Pay the balance amount or short fall if any.

3. Eligibility Formalities

The clearance of the eligibility is an essential factor for admission to any program of Symbiosis International (Deemed University) (SIU). The admission will be provisional till the clearance of the same. The student is liable to fill the online eligibility form and submit all the necessary documents mentioned above as per the category. Few documents which are not possible to be submitted at the time of reporting must reach at SCIE latest by 31st August. Students who fail to submit the documents within the stipulated date will not be allowed to appear for the semester I examination. They may have to forfeit the academic fee and may lose an academic year or face cancellation of admission (as per SIU rules)

4. Submission & Verification of all the required documents with originals

The students are advised to carry all original documents along with 2 sets of self-attested photocopies.

Documents required from Foreign Nationals/ PIO/ OCI:

- Mark sheet of 12th Std./equivalent
- Semester wise/ Year wise Bachelor Degree Mark sheet
- Passing/ Provisional/Degree Certificate of the university
- English Proficiency Test Result (IELA/IELTS)
- Migration certificate in original (in case graduation from an Indian University)
- Transfer certificate in original (in case graduation from an Indian University)
- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)
- Experience Certificate (if applicable)
- Passport
- PIO card (only for PIO students)
- OCI Card (only for OCI students)
- Citizen card (only in case of Nepali nationals)
- Valid VISA (applicable for Foreign National except Nepal & Bhutan students)
- Valid Residential Permit (applicable for Foreign National except Nepal & Bhutan students)
- Gap certificate (applicable for students with the gap of one year or more) *
- Medical Undertaking*
- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*
- SIU-Eligibility Form* (This should be on 100 rupee stamp paper)

  (**Note:** *You can download documents from Payment Login link http://scieaccounts.ishinfo.com / PG Student Admission)

Documents required from NRI:

- Mark sheet of 12th Std. /equivalent
- Semester wise/ Year wise Bachelor Degree Mark sheet
- Passing/ Provisional/Degree Certificate of the University
- Migration certificate in original (in case graduation from an Indian University)
- Transfer certificate in original (in case graduation from an Indian University)
- Change of Name Certificate by Govt. Gazette (if applicable)
- Equivalence Certificate (if applicable)
- Experience Certificate (if applicable)
- Passport
- Gap certificate (applicable for students with the gap of one year or more)*
- Medical Undertaking*

- Anti-Ragging Affidavit by Student*
- Anti-Ragging Affidavit by Parent*
- Indemnification Undertaking by Student*
- Indemnification Undertaking by Parent*
- SIU-Eligibility Form* (This should be on 100 rupee stamp paper)

  (**Note:** *You can download documents from Payment Login link https://scieaccounts.ishinfo.com/PGStudentAdmission)

Please ensure you carry all original documents for verification including passport

5. **Joining Letter to respective institutes (Applicable to Pune Campus)**

   Before you proceed to your respective institute ensure that you have collected the Joining Letter duly signed and stamped. Submit your 'Joining Letter' to the International Students' Coordinator of your institute and complete the remaining formalities at the institute like payment of hostel fee, mess fee, uniform fee, etc. which are not included in annual academic fee.

Payment Information Important Points to be noted

- Except students from Nepal and Bhutan, it is mandatory for all the students to make all the transactions in USD currency.
- Authentication of all the payments will be made only after its realization in SCIE account.
- Incomplete details of the payment (either through SWIFT/ RTGS/ NEFT) will not be entertained.
- The application fee, IELA fee and administrative fee is not refundable.
- Kindly note that currency exchange rate for all the transactions will be at actuals and student will have to bear all applicable transaction charges or card payment charges.
- The applicant must upload the SWIFT/NEFT/ RTGS transaction copy and fill the transaction details in the payment window of online registration portal.

- The bank details are available in the payment window of online registration portal.
- For more information about payment, you can contact us on +91 020 25671905.
- Application Fee (Non-Refundable):
  - ➢ Foreign National (FN): USD 65 (As per SIU internationalization mission)
  - ➢ Non-Resident Indian (NRI): USD 120
  - ➢ Overseas Citizen of India (OCI): USD 120
  - ➢ Person of Indian Origin (PIO): USD 120
- International English Language Assessment (IELA) Examination:

  USD 50 (Non-Refundable)-Students enrolling for the 'International English Language Assessment' exam will have to pay the 'IELA examination fee'. During the Online Application, the system will prompt you about IELA details and accordingly, at the time of payment this fee will be added along with your 'Application fee'. Note - Your application will be considered and authenticated only after SCIE receives full payment.

- 1st Installment (Administrative and part payment of Annual Academic fee):

  *USD 550 towards the Administrative fees (Non-refundable) and USD 815 towards the Part Payment of Annual Academic fee which includes institute deposit (refundable).

   Students who wish to make any of their payments through Swift transfer must approach a bank in their home country and request for a Swift transfer. Please mention Student's name and SCIE ID while making the transaction. Students to ensure that they upload the bank transaction copy and fill the transaction details in the payment window of online registration portal.
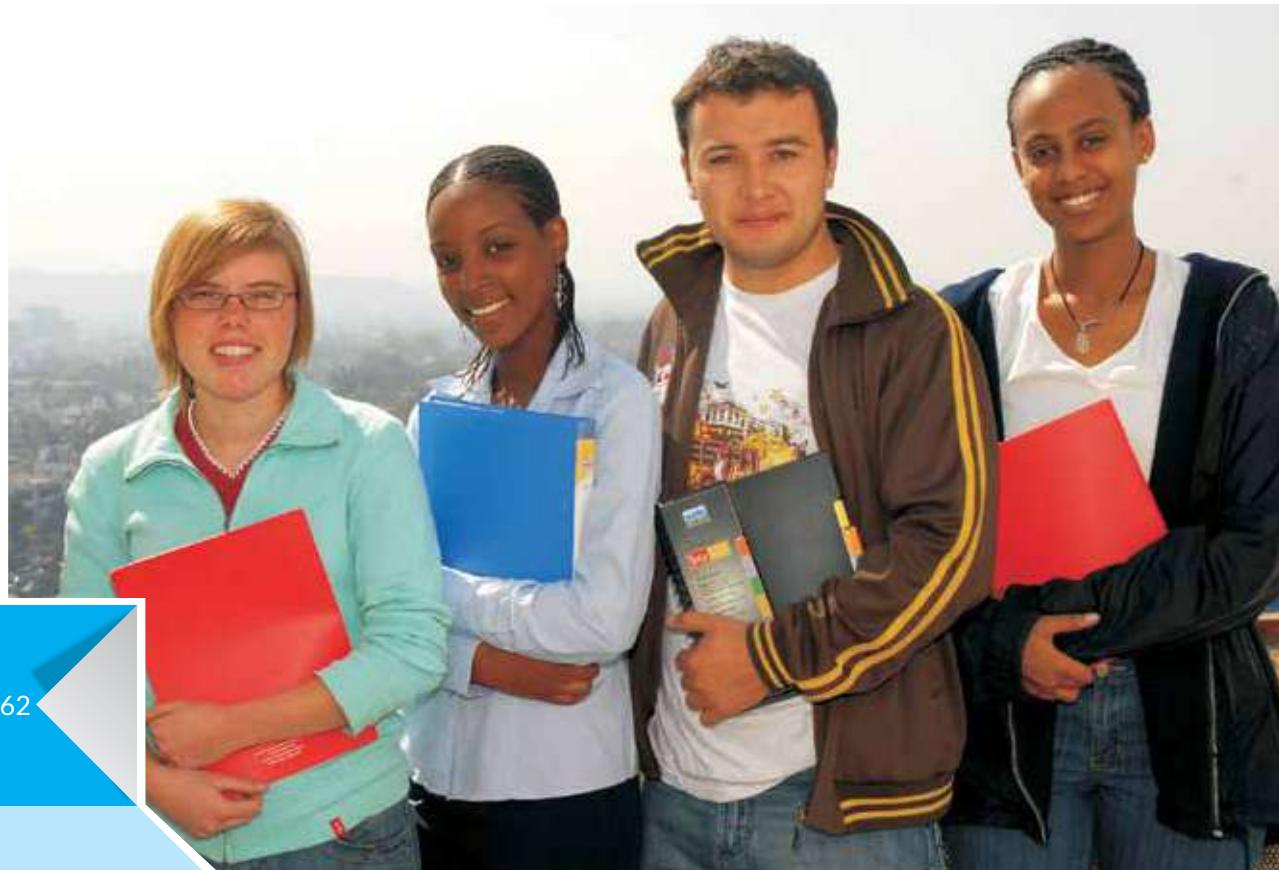

SIU scholarship:

The Chancellor of SIU, Dr. S.B. Mujumdar believes that education is the only way of bringing about international peace and understanding. Set up in 1971, 'Symbiosis' was created to offer a home away from home for foreign students from Africa, Asia and the Middle East.

Symbiosis is keen to offer scholarships to foreign students to give them the opportunity to take advantage of the educational programs available at Symbiosis. The scholarships are offered preferably in conjunction with the education ministries / embassies of participating countries. Close cooperation with these foreign governments will assist in ensuring that scholarships are awarded to the most deserving candidates.

The Symbiosis International Scholarships are funded by the Symbiosis Society Foundation and are offered to deserving and meritorious foreign students from various African, Asian and Middle Eastern countries. All scholarships are administered by the Symbiosis Centre for International Education (SCIE) Office in conjunction with the office of the Symbiosis Society Foundation. The Scholarship Committee shall endeavor to maintain gender balance and include students from diverse backgrounds while selecting candidates.

Symbiosis has announced the Golden Jubilee Scholarship in celebration of 50 glorious years of offering quality education to International students.

Applicant Eligibility:

International Scholarships are only for 'Foreign Nationals'

Applicants Must:

- Hold a valid foreign passport.
- Have obtained more than 50% as a qualifying grade in Graduation (in case of Postgraduate programs).
- Have appeared for an English Proficiency Test conducted by British Council (IELTS) with a minimum score of 6 or the IELA Test with a minimum band of 3.
- Fulfill the specific eligibility criteria (if any) of the desired program. (Please log on to https://www.scie.ac.in/admissions/post-graduate/pg-basic-eligibility)

Exceptions:

This policy does not cover the following categories:

- Indian, NRI, OCI and PIO students
- International Students on short term programs
- Doctoral programs
- Part time programs

Selection criteria:

The following criteria will be applicable for evaluating applications:

- Academic Transcripts to support the record of sustained academic excellence.
- Letter of Recommendation from the Ministry of Higher Education of the respective Country/ The Embassy/High Commission of the Country in India
- Statement of Purpose
- Specific Eligibility Criteria: Students must verify and satisfy the specific eligibility for a program for which he/she is applying including English language requirement.

EXAMINATION AND EVALUATION PATTERN OF THE UNIVERSITY ...

EXAMINATIONS:

Programme:

The programmes conducted by the University follow semester/ annual pattern. A programme means a set of pre-defined courses selected from the Course Catalogue and approved by the Academic Council of the University. Successful completion of the courses will lead to the award of a Degree or Diploma e.g. Master of Business Administration.

Programme Outcome:

Programme outcome represents broad statements that incorporate many areas of inter-related knowledge and skills developed over the duration of the programme through a wide range of courses and experiences.

Course Catalogue:

A set of approved courses that includes the course objectives, syllabi, pedagogy and assessment approaches.

Course:

A course means individual subject that would be included from the Course catalogue to become part of the pre-defined courses of a programme e.g. Marketing Management

Audit Course:

Audit courses are the courses which are offered as additional/ optional learning opportunities over and above the programme requirements. They shall not exceed 10% of the semester credits in which it is offered and will be reflected as 'Pass' grade courses (only if, completed successfully) and would not contribute to the GPA/ CGPA.

Course Outcome:

Course Outcome are statements clearly describing the meaningful, observable and measurable knowledge, skills and/ or dispositions that students will learn in this course.

Credit: A credit is defined as follows:

a) 1 Credit = 12 hours of face-to-face contact sessions including continuous assessment as per SIU norms: not exceeding 2 hours + 3 hours for continuous assessment linked to experiential learning.

b) 1 Credit = 30 hours of Laboratory or Studio or practical hours

c) 1 Credit = 60 hours of Internship/ Project/ Dissertation

d) For courses which employ combination of practical and theory, the practical hour be converted to contact hours in the ratio of 1:2 meaning 1 face to face contact hour = 2 hours of practical (Lab and/ or Studio hours)

Each credit is assessed for 50 marks at the PG level a unless otherwise explicitly mentioned by the respective statutory councils.

Term:

A term in semester pattern means one semester and in annual pattern means one year.

Semester:

A semester consists of a minimum of 90 days of teaching-learning and requires about five months to complete. Any programme of 2 years duration will have 4 semesters, any programme of 3 years duration will have 6 semesters.

Term Not Granted (TNG):

Minimum 75% attendance in aggregate is mandatory for all the students to be eligible to appear for the term end examination of all courses of the term. If the aggregate attendance and attendance in each and every course is below 75% then the student will not be granted the permission to appear for the term-end examination.

Course Not Granted (CNG):

If a student falls in TNG category (i.e. aggregate attendance is less than 75%), then the CNG rule is applied, by checking course-wise attendance. In the course/ s where the student has more than 75% attendance, he/ she may be allowed to appear for the examination and the remaining courses are termed as 'Course Not granted'.

Assessment:

The assessment includes continuous and term-end assessment. Continuous assessment in general, is formative while the term-end assessment is summative in nature.

Term-End Evaluation:

At the end of every term the University shall conduct 'Term-end' examination, under its supervision and jurisdiction.

Continuous Assessment:

The University has adopted the policy of continuous assessment, which shall be carried out by the respective constituents in accordance with the rules and regulations of the University. Continuous assessment aims at multi-level assessment and may include components like class room/ online test, surprise tests, open book test, research essay, assignments, quizzes, case studies, practical, presentations, viva and others as approved by the Board of Studies of the respective Faculty. All the components of assessment should be spread across the term. Award of marks for attendance should be strictly avoided.

The number of minimum components of Continuous Assessment shall be (n+1) where 'n' stands for number of credits.

Time slot for University Examinations:

External Marks	Duration of Examination	Compensatory Time in case of Writer
Less than 40	1 hour	20 min.
40 to less than 60	1 hour and 30 minutes	30 min.
60 to less than 80	2 hour and 30 minutes	50 min.
80 and more than 80	3 hours	60 min.

Marking system for Symbiosis College of Nursing:

As per the requirement of Nursing Council, the following rules shall apply –

- A student must have minimum of 80% attendance (irrespective of the kind of absence) in theory and practical in each course to appear for University examination.

- A student must have 100% attendance in each of the practical areas before award of degree.

- Minimum pass marks shall be 50% in each of the theory and practical examination separately.

- Time duration for the Term End examination shall be as per INC Guidelines

- A candidate can take maximum three attempts per course inclusive of first attempt with a condition that he / she completes the course successfully within the maximum period allowed.

- The maximum period to complete the programme successfully should not exceed 8 years for 4 years programme and 4 years for 2 years programme.

- If a student fails in either theory or practical paper he/she has to re-appear for both the papers (Theory and practical).

- All practical examinations must be held in the respective clinical areas with one internal and one external examiner.

- Maximum number of students for practical examination should not exceed 20 per day.

- The candidate, in spite of failing in more than two courses he/she can be promoted to next year except for the final year. To get promoted into the final year the student has to pass in all courses of previous years.

- Internal and External assessment ratio is 25:75.
- Transcript in the format prescribed by the Nursing Council shall be provided by the Constituent.

Award of Class as per INC Rules & Regulations:

Percentage Range	Division
50%	Pass in each of the head (Theory & Practical)
50.01 to 59.99%	Second Division
60.00 to 74.99%	First Division
75% and above	Distinction

Choice Based Credit System (CBCS):

Cumulative Grade Point Average (CGPA) System for Academic Programmes:

- All programmes of University shall follow the total credits as recommended by Board of Studies and approved by the Academic Council and will adhere to the distribution of continuous assessment and Term End Examination prescribed in the approved programme structure.

- Audit courses shall not be considered for computation of GPA/ CGPA. The grade P (Pass) will be printed on the grade sheet only if the student passes the course. This course is evaluated 100% on a continuous basis.

- **Relative grading:**

  The grading of students will be done based on the relative performance of the students compared to the class. Continuous Assessment, Term End Examination and Practical (if any) will be separate heads of passing. Passing in a course means securing 40% of absolute marks in each head. Separate grade points will be calculated for Continuous Assessment, Term End Examinations and practical (if any). The weighted average of these components will be the grade point for the course.

- **Grading on absolute performance:**

  Evaluation based on absolute marks may be applied for the courses Project/Dissertation/Thesis/Internship. Absolute grading shall be applicable for all the courses where the student number is 15 or less in each course.

- **Re-evaluation:**

  In case of re-evaluation, the scores obtained will be fitted as per the original range of marks of the grades.

- **Backlog Examinations:**

  In backlog examination the marks secured will be fitted back into the earlier distribution i.e. original range of marks of the grades.

- **Calculation of GPA for Semester and Overall CGPA:**

  The Grade Point Average for the semester will be calculated by taking the weighted average of the course grade points.

The weights will be defined as per the credit points they carry. Similarly, the CGPA for the programme will be calculated by taking the weighted average of the semester grade points where the total credits for the semester will act as the weight. The formula is as below:

CGPA = {(GPA of Sem. I) (Credit Points of Sem. I) + (GPA of Sem. II) (Credit Points of Sem. II) + (GPA of Sem. III) (Credit Points of Sem. III) + (GPA of Sem. IV) (Credit Points of Sem. IV)} / {Total Credit Points}

- CGPA will be calculated up to two decimal points

- **Conversion of CGPA to percentage marks:**

  Percentage = CGPA / 10 * 100

- There is no provision to appear in examination to improve marks or grade.

- **Standard of passing:**

  A student has to pass Continuous Assessments, Term End Examinations and/or Practical (as applicable) separately i.e. obtain minimum GP of 4.00. GP less than 4.00 will be treated as grade F (fail).

- **Award of Degree/Diploma:**

  A student will be awarded the degree only if he/she has a CGPA of minimum 4.00 on the completion of programme and has cleared Integrated Disaster Management Programme.

Calculation of Grade Points corresponding to nine grades based on relative grading:

Letter Grade	Proportion	Grade Point
O (Outstanding)	Top 3%	10
A+ (Excellent)	12%	9
A (Very Good)	21%	8
B+ (Good)	28%	7
B (Above Average)	21%	6
C (Average)	12%	5
P (Pass)	Bottom 3%	4
F (Fail)		0
AB (Absent)		0

Allowed To Keep Terms (ATKT) Rules:

A student will attend classes of all the years with his / her batch. The following rule will be applicable as per the total number of semesters in a programme:

ATKT rule for 2 and 2 ½ Year Programme

He/ she cannot appear for Term End Examination of **Semester-3** if he/ she has CGPA less than 4.00 up to **Semester-1**.

He/ she cannot appear for Term End Examination of **Semester-4** if he/ she has CGPA less than 4.00 up to **Semester-2**.

He/ she cannot appear for Term End Examination of **Semester-5** if he/ she has CGPA less than 4.00 up to **Semester-3**.

However, a student who is eligible to appear for a later semester will also be permitted to appear for all the previous semesters irrespective of the ATKT rule applicable to that semester. (e.g.: A student having CGPA less than 4 at the end of Semester - 1, but having CGPA greater than 4 at the end of Semester - 2 will be eligible to appear for Term End Examinations of Semester - 3 and Semester - 4)

The ATKT rules will not be applicable post the minimum duration of the programme is over i.e. the student can appear for any semester backlogs during the extended validity of the programme.

Validity of Terms for Post Graduate Degree Programmes:

Students admitted to the post graduate degree programmes of the University, are allowed to keep term for a period of one year from the date of admission beyond the normal period of the programme, i.e. a student joining two years programme must complete the programme in three years from the date of admission.

Expiry of Validity

Students who are not able to complete their programme within the stipulated period will have to take fresh admission to the programme as per the prevalent rules and his/ her performance at the examinations and the terms kept earlier will be treated as null and void.

Department Of Student Welfare (DSW)

The Department of Student Welfare (DSW) was established by the University which acts as a bridge between the University and the students. With an intention to create a home away from home, the DSW works with a holistic approach towards students' concerns. The Department of Student Welfare provides services and support to students. It extends all possible help to students in order to create a conducive environment, imbibing values, ethics and morals. The rules are framed in consonance with the University Grants Commission (Redressal of Grievances of Students) Regulations, 2023.

The Department of Student Welfare facilitates the orientation program during the induction of the new batch of students. The department is also responsible for dealing with disciplinary matters related to students of all constituents of the University.

Code of Conduct

The Code of Conduct helps the University to maintain an appropriate sense of order that allows the pursuit of the University's objectives in a safe and free environment. It adheres to the rules and regulations laid down by the University to mark the boundaries of this needed order. The Head of the Department of Student Welfare shall disseminate awareness about the Code of Conduct applicable to the students of the university. The Code of Conduct of the University is published on the University website on the link: https://www.siu.edu.in/pdf/students/1305_Code_of_Conduct_2023.pdf

Grievance redressal:

Several committees like the University Monitoring Cell, Campus wise Anti Ragging Committee, Campus wise Anti-Ragging Squad, Mentoring Cells are constituted at all the constituent Institutes of the University for ensuring a safe environment for students. Details of these committees are found at https://www.siu.edu.in/student-affairs.php#Mandatorydisclosures The University has created a robust mechanism to facilitate grievance redressal in case a student is aggrieved.

Orientation session in progress

The details of the Grievance redressal mechanism is published on the University website on the link: https://www.siu.edu.in/pdf/students/Grievance-Redressal-Mechanism.pdf

Anti-ragging Mechanism:

To maintain the physical and psychological health of its students, Symbiosis International (Deemed University) has set an anti-ragging mechanism as per UGC guidelines. It includes dealing with undisciplined acts that cause or are likely to cause annoyance, hardship, psychological harm, and fear or apprehension in any fresher or any other student (s).

For the Rules for Curbing the Menace of Ragging, click https://siu.edu.in/pdf/students/Rules-for-Curbing-the-Menace-of-Ragging.pdf

The Anti-ragging helpline of the University is: +919552525725

Symbiosis Hostels

It is mandatory for the student admitted for residential programs to stay in the campus hostel. Several institutes of Symbiosis offer hostel facilities even to students admitted to non-residential programmes. The hostel accommodation for these students is not guaranteed. It is only available against vacancies, wherein the decision of the Director/Principal of the institute is final and binding.

The hostels have prepared a few hostel rooms for the differently abled with facilities like Ramps with railings at various places for movement & access to all places, and Disabled friendly toilets /wash rooms.

HEALTH, RECREATION AND WELLNESS
Symbiosis Centre for Health Care

The Symbiosis Centre of Health Care (SCHC) was established on 14th June 1997 as an 'In-house Health Care Unit' of Symbiosis. Under the Health Promoting University (HPU) initiative of Symbiosis International (Deemed University), SCHC undertakes a host of preventive, promotive & curative healthcare services for the students and staff of the Symbiosis family. The vision of SCHC is 'Envisioning a state of positive health in the community' and its mission statement is 'To promote health & wellness amongst students, staff, and community. It is operational at all the campuses of Symbiosis across India.

Promotive health care facilities:

1. Health Promotion Program: With an aim to spread health awareness and promote positive health amongst students, interactive sessions are organized by subject experts on various healthcare-related issues.

2. The Campus Wellness Advisory Committee promotes stakeholder engagement to evaluate and improve existing healthcare services, processes, policies, and the quality of programs

3. Advice on best practices for Environmental Assessment & Modification to ensure the creation & maintenance of environments that promote good health through

   - Inspection of Campus

   - Inspection of eating establishments thrice a year- of Canteen, Mess & Food counters (e.g.coffee shops, juice centers, ice cream parlors)

   - Guidance for water testing for the availability of potable water on campus

Preventive health care facilities:

1. Annual Health Checkup (AHC) of the students/ staff of Symbiosis is conducted and health records are maintained electronically. The comprehensive health check-up comprises clinical examination from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) & basic Lab investigations (Haemogram, Blood group & Urine examination).

2. Pre-employment Health Check-up: Before joining Symbiosis, every prospective candidate is required to complete a Pre-Employment health check-up at the SCHC. The objective is to identify any health conditions or illnesses that may affect an individual's ability to perform their job safely.

3. Health Check-up of food handlers working at catering establishments is conducted annually and before joining the catering establishments. This helps to identify any health conditions or diseases that food handlers may have, which could potentially spread to the food they handle & facilitate the identification of these health issues early.

Curative health care facilities:

1. Outpatient Department (OPD): Primary care is provided by medical officers. Campus Medical Officer is available on call 24X7. Contact numbers of campus medical officers are:

No.	Campus	EMS No.
1	S.B.Road	+ 91 9552525651

12	Nagpur	+ 91 8669987754
13	Nagpur	+ 91 8669987754

2. Patients/ students/ staff can be referred to a specialist/ consultant for treatment as per their condition.

3. Medical Insurance: Every student at Symbiosis is covered under a unique group medical insurance scheme with the National Insurance Company (NIC) for hospitalization up to INR 50,000 under a Mediclaim policy & INR 1,00,000 in case of Road Traffic Accidents. Policy terms & conditions of NIC are available on www.schcpune.org

Guidelines for Medical Leave Authentication for Symbiosis students

Procedure to avail Medical Leave: Any absence due to sickness should be notified by the concerned student or relative/ friend/ local guardian on the first day of illness on phone/ SMS/ Email/ WhatsApp/ in-person to the authorized Admin Officer of the institute and Campus Medical Officer, SCHC on EMS No.

Authentication of 'Differently Abled Category (DAC)

Students who apply for admission under the DAC: Please note: admission of all students admitted under the above category will be provisional until authenticated by the Medical Board, Symbiosis.

Whom to Contact:

1. Officer-Healthcare, SCHC: 7796656108, Email ID: healthcare@schcpune.org

2. DMS, SCHC: 7796677078, Email ID: dms@schcpune.org

3. Sr. Officer, SCHC: 9552500357, Email ID: sr.officer@schcpune.org

Please visit www.schcpune.org & download the SymbiCare mobile application - IOS / Android.

DEPARTMENT OF SPORTS AND RECREATION AND WELLNESS

Sports and Games are essential components of human resource development, helping to promote good health, comradeship and the spirit of healthy competition. This in turn has positive impact on the holistic development of personality of the youth who is the potential source of energy, enthusiasm and inspiration for development, progress and prosperity of a Nation. Symbiosis International (Deemed University) established its University Sports Board in 2010 and the Department of Sports, Recreation & Wellness (DSRW) was established in 2019. The DSRW particularly is responsible for the development of sports infrastructure, participation in sports at grass-root level, fitness testing for students and staff as well as excelling in National Sports Tournaments. The emphasis is on Physical Literacy of the students, faculty and staff for lifelong improvement in their quality of life. The Department provides access to state of art playfields and Gymnasiums at all campuses, fitness and wellness programs, multiple group classes, sports competitions and counselling.

Objectives of the SIU Sports Board

- To create a culture of sports by imbibing a desire to excel, spirit of comradeship and high moral and Ethical values
- To provide equal opportunities and encourage students and staff to participate in sports and fitness activities.
- To annually organize Symbiosis International (Deemed University) / Inter institute competitions in specified games and sports for the students & staff.
- To promote excellence in sports by encouraging participation in National and International championships in large numbers.
- To recognize talent in sports and reward young women and men, achieving excellence in sports.
- To offer sports scholarship, prizes and other awards to outstanding athletes and sportsmen and women
- To develop, maintain and plan for optimal utilization of sports and fitness infrastructure.
- To organize workshops, seminars, conferences on sports and fitness related subjects.

- To sensitize the staff and students to be **Active for Life, and work towards achieving an excellent quality of life.**

Activities at the Department of Sports, Recreation & Wellness

- **Infrastructure and facilities**

  On campus sports and recreation facilities are some of the best and offer many outdoor recreation options for all. We boast of 13 indoor and outdoor fitness centers, Tennis Courts, Basketball courts, Volleyball Courts, Futsal Courts, Football Field, Cricket Field, Indoor Badminton Hall, Squash Courts, Gymnasiums, Swimming Pools, Yoga and Aerobic studios, meditation center and offer many group classes, Coaching facilities, Yoga for rejuvenation and stress management and options to participate in outbound programs and competitions at all levels.

- **Inter Institute Championships and Participation in Inter Varsity Competitions**

  Inter Institute Competitions are conducted in 13 sport disciplines and from amongst them teams are selected and coaching imparted so as to represent Symbiosis International University at the Inter Varsity Competitions. Tournaments for staff are also organized annually.

- **Assessment of Physical Fitness**

  Standard Fitness tests are conducted every year to have a base level understanding of Physical Fitness standards of all students, faculty and staff, analyze data, suggest interventions and offer free counselling and personal training.

- **Mass Sporting and Physical Activity events**

  Emphasis is given to large scale one-of its kind Mass Sporting and Physical Activity events which are Live events, highly visual and very inspiring. These are accessible and welcoming for all ages, shapes and paces. They work towards personal wellness rather than fitness and build confidence rather than competitiveness. Some examples are Happy

Healthy campus (a 3 hour activity taking you back to school, Rhythmic activity, fitness challenges and adventure sport with 500 to 1200 participants), International day of Yoga (at all 13 campuses), Symbi- Fit (Competition to showcase your fitness with 400-500 participants) Institutional Social Responsibility (Fitness challenge for children from underprivileged schools), Fitness for Freedom Run (a run to celebrate the Independence day) and several Fitness challenges that are held at our gyms located in every campus.

- **Innovative activities**

These activities provide the variation and challenge that everyone is looking for and include - Sports dating (Exercising with a person of your choice), Activity breaks (Short Rhythmic activities 5-7mins in academic meetings, conferences in offices etc.), Yoga Pop ups on the screen, Stair Snacking (using the stairs to improve fitness), 10,000 steps challenge and the 108 days Yoga challenge.

- **Symbithon**

Symbithon is a run/walk event organized to raise public awareness of NCDs, with particular emphasis on exercise and fitness as a component of preventing and managing these diseases. It aims to create healthy working, learning and living environments for students, staff and the community at large, encourage, inspire and motivate youth from varied backgrounds to improve their health through

running and exercise. Symbithon had participation of more than 5700 students and staff in each of its three editions covering 21 countries.

- **Sports Scholarship**

The Sports Scholarship Scheme aims at recognizing achievements of young sports persons, their outstanding performance at the International, National, State and Inter University levels. The scholarship provides cash benefits to five promising sportspersons every year.

- **Credit Courses**
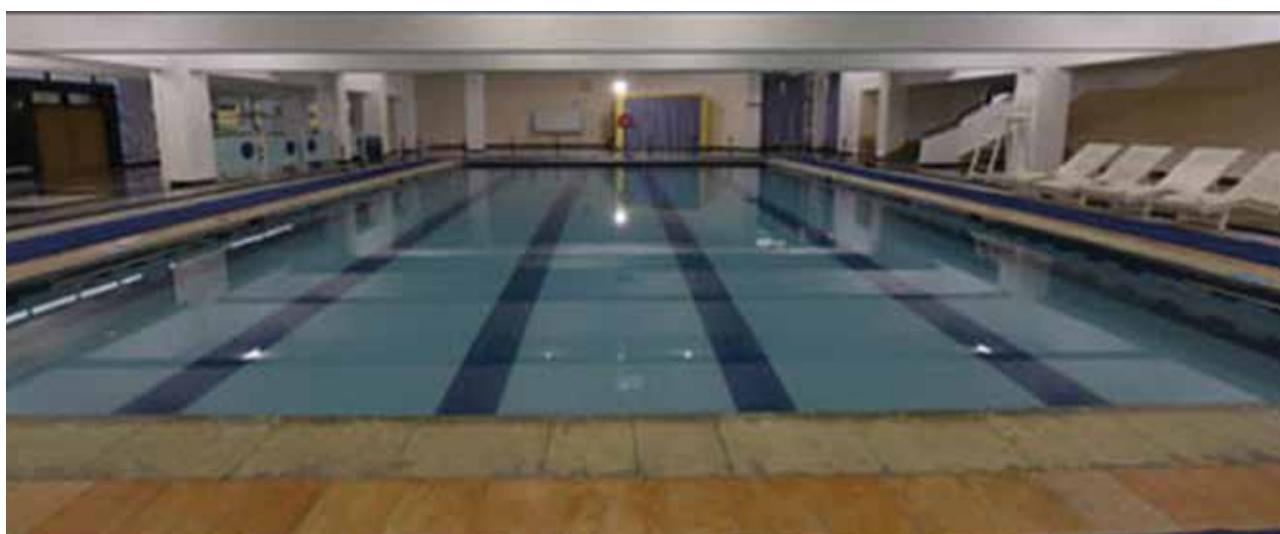

Courses in Physical fitness, Wellness are offered as floating credit courses and value-added courses in the existing Post Graduate and Under Graduate programs. Fitness for Life Credit course is a 30 hours mandatory course for undergraduates in their first year of the program.

Dr. Shrirang Altekar
Director

Director Profile:

Prof. (Dr.) Shrirang Altekar holds a Ph.D. in Consumer Behavior. He is also an alumnus of the Symbiosis Institute of Business Management, Pune itself, a top B - School in India, from where he obtained his Master's in Business Administration, with Marketing as his area of specialization.He has extensive knowledge of technical and non-technical areas of business and has been involved in running businesses at the strategic level. He comes with a total experience of more than 40 years, with industry experience of 23 years, and academic experience of 17 + years, with over 12 years' experience as a Director. He has worked in a consulting, advisory and learning and development capacity with several corporates in the FMCG, Insurance, Manufacturing, Chemical, Pharmaceutical and Aviation Sectors. His love for academics and a desire to give back to his Alma Mater coincided with a planned shift to academics in 2006. Prof. Altekar also holds a degree in Law, and is a member of the All India Management Association, New Delhi. He was the Chairman of the Curriculum Evaluation Committee and the Academic Audit Committee of the Symbiosis International (Deemed University) (SIU) for 2 years.

Prof. Altekar has served on several Committees of Symbiosis and the Symbiosis International (Deemed University). He is a member of the Academic Council as well as the Board of Studies of the University. He was also a member of the Board of University Development, SIU. He Chairs the Board of Studies Sub – Committees on General Management and Strategy of the Faculty of Management of SIU. In the past, he has also been nominated on the Departmental Promotions Committee and the Post Membership Academic Committee of the Institute of Company Secretaries of India, a statutory body formed under an Act of Parliament. He has also been nominated on a Task Force Committee by the Ministry of Youth Affairs and Sports for driving Excellence in Sports Universities. Prof. Altekar has been a member of the Higher Education Committee of the Indo - French Chamber of Commerce and Industry for a few years, and also was the Vice Chairman of the Committee. In 2020, he was awarded the Academic Leader of Ideas and Innovation award by ASSOCHAM.

Prof. Altekar has been invited to lecture at prestigious institutions like the Higher Command Wing, Army War College, MHOW, the UGC Academic Staff College, Jawaharlal Nehru University, New Delhi, and the PHD Chamber of Commerce and Industry, New Delhi. He has also been invited as a panelist and keynote speaker by various organizations like the Dainik Bhaskar group, The Times of India Group, and IFCCI. He has been instrumental in bringing to his students some of the best practices in industry, to enhance and supplement their academic inputs, and is highly acknowledged as a Teacher and a Learning and Development expert.

He was the Director of SCMS Noida for 8 years, and is widely credited with having brought it up to feature in the top 25 BBA Institutes in India in 2018. He has founded and headed Symbiosis Institute of Business Management, (the flagship brand of Symbiosis) in Nagpur. Currently, he also holds charge of Symbiosis Centre for Corporate Education, Nagpur, and has founded, and held charge of Symbiosis Centre for Skill Development, Nagpur, from April 2019 to June 2021. From April, 2019, till 31st March, 2021, he was also entrusted the additional responsibility of founding and establishing Symbiosis Centre for Management Studies, Nagpur.

As a proven campus and institution builder, he is now back with his Alma Mater as the Director, SIBM Pune.

Institute Profile:

Established in 1978, Symbiosis Institute of Business Management (SIBM Pune) is the flagship institute under the faculty of management and a constituent of the Symbiosis International University (SIU). SIBM Pune started out in a humble manner 45 years ago and has come a long way to become one of India's leading B-Schools, consistently ranked among the top ten.

Today, SIBM Pune boasts of a sprawling green campus in a picturesque setting atop a hill in Lavale, Pune.

SIBM Pune runs its much sought after two-year full time MBA program which attracts over 40000 applications for its 180 seats, and a uniquely designed MBA in Innovation and Entrepreneurship to churn out future job creators.

The most striking feature of SIBM Pune is that it is a student driven institute. The institute operates through student councils consisting of teams responsible for different activities. All major events at SIBM Pune are designed and implemented by the students, resulting in multi-faceted opportunities to learn not just about business but also about social issues and concerns.

SIBM Pune over the years has carved a niche in the holistic development of students. The institute believes in constantly seeking inputs from the industry and its dynamic course structure is updated regularly to ensure that the students match corporate requirements in terms of knowledge, skills and abilities.

The students of SIBM Pune choose their specialization within 45 days of the commencement of the course. The specialization classes commence long before the summer placements for students to have the necessary knowledge that they would find useful during their summer internships.

A consistent and outstanding placement record for several years has been strength of the institute. Numerous SIBM Pune alumni have proved their credentials as top business leaders in organizations around the world.

The multi-disciplinary faculty members are drawn from the cream of academia as well as industry. Their diverse backgrounds and immense experience provide valuable insights into the many facets of the world of business.

Equipped with top class infrastructure, the institute offers all the audio video equipment's to facilitate student learning. The amphitheater style classrooms are equipped with LCD projectors and inbuilt audio systems.SIBM Pune also provides ample opportunities for students who wish to participate in sports. Its in-house cricket ground, swimming pool, basketball court, gym, yoga/fitness center and indoor badminton courts give students a chance to pursue sporting activities.

The good news is SIBM Pune is not just about the full time MBA program, there is a weekend course for working professionals as well. The weekend courses include a full-length executive MBA programme.

Admission Process:

- **Step I: SNAP Test**

  Each student desirous of admission to SIBM, Pune's full time programmes must appear for Symbiosis National Aptitude (SNAP)Test, which is a common written test for the admission to all Symbiosis postgraduate programmes.

  A candidate can appear for up to three tests for SNAP.

  For SNAP Test information log on to http://www.snaptest.org and register. Simultaneously, register online to SIBM Pune by paying additional Rs. 1000/- plus GST.

  Candidates are advised to preserve the Admit Card of SNAP Test for further selection process at SIBM, Pune. Appearing for SNAP Test does not automatically qualify an applicant for the next step in selection process at SIBM, Pune.

- **Step II: Selection Process at SIBM, Pune**

  Short-listed applicants based on SNAP scores will be called for the selection process at SIBM, Pune. Short listed candidates are announced via a web-link on SIBM Pune's website as per the scheduled dates. Individual regret letters will not be sent to applicants who are not called for GE-PI. The entire selection process will be held at PUNE only.

  This process includes Group Exercise and Personal Interview.

  Caution: Candidates should take due care to enter the correct details while filling the forms. At any point of time during the entrance process or even after securing admission, if details are found incorrect, then candidate will be disqualified or after securing admission, admission will be cancelled without assigning the reason.

Important Instructions

In all correspondence with SIBM Pune, candidates must mention their SNAP ID, legible name, email id, contact telephone number (with STD code) if applicable and address with PIN Code.

1. Applicants are advised to refer to our website for updated information. No separate communication will be sent.
2. Authorized SNAP Admit Card must be produced for appearing in the selection process.
3. Short-listed candidates for Step II (GE-PI) will be announced on SIBM Pune's web site as per the schedule published.
4. Merit list will be published on the SIBM Pune website as per the schedule published.
5. All enquiries related to admission can be made to Landline Number:- 02069136008/76/77

   Email id: admissionsteam@sibmpune.edu.in

Orientation and Pedagogy:

SIBM Pune conducts its Orientation Programme in a novel way. The very first day of the programme is made special for the students. After the ceremonial address by the Director, the students are divided into teams of twenty. Each team is handed over to a team of two faculty members. The faculty members take their teams of twenty students through a series of interesting ice-breaking sessions and team building exercises for the rest of the day. The day ends with a group task for the next day. On the second day, teams of twenty have to perform on stage. The stage performance is divided into parts. One is a purely academic part.

Second part is a cultural performance which may include singing, dance, mimickery etc. Next two days are generally devoted to outbound activities leading to development of team building and problem solving skills. The last two days are generally devoted to experience sharing sessions by corporate executives as well as entrepreneurs, preferably from the alumni pool.

Pedagogy at SIBM Pune is a mix of many methodologies. Apart from the usual chalk-n-talk, there is a conscious effort to make the sessions interactive by using case studies and references of latest developments in the relevant field. In addition, students are encouraged to undertake multiple projects to hone their research and analytical skills. Latest tools and techniques like Business Simulations are used wherever possible. Ample amount of guest lectures are organized by inviting leading corporate executives, especially from the alumni pool. In fact, SIBM Pune has consistently received Awards for excellent industry interaction. Students are also encouraged to write success stories of illustrious alumni, which the college publishes in the form of books. Field visits are also a regular feature.

Dr. Asmita Chitnis
Director

Director Profile:

Dr. Asmita Chitnis is a Post Graduate in Statistics and holds a Ph.D. degree in the field of Operations Management. She has more than 33 years of academic and corporate training experience to her credit. Dr. Chitnis has been associated with National Institute of Bank Management (NIBM), National Insurance Academy (NIA), Open University of British Columbia (OUBC) and many more as Educator and Marker. She has delivered sessions at reputed Universities in Europe. Her research interests include Performance Evaluation, Benchmarking, Forecasting, etc. and have published papers in these fields of management.

Institute Profile:

Established in 1992, Symbiosis Institute of International Business (SIIB) is a constituent of Symbiosis International (Deemed University) (SIU) and is one of the highly acclaimed business schools in the country. It has been recognized as a B-School that provides budding entrepreneurs and managers with the foresight to tackle the sweeping changes of the liberalized and globalized Indian economy. The motto of the institution has always been to 'Adapt to Global Business Challenges' which it has successfully done for the last thirty years. SIIB is one of the few institutes under SIU imparting education in 3 diverse areas namely; International Business, Agri-business and Energy and Environment. This diversity is the core strength of SIIB. With number of International academic as well as corporate collaborations to its credit, SIIB is a true guiding force which facilitates students to get equipped for the international business environment. In an increasingly globalized world, SIIB is ahead of the curve.

At SIIB, the students get an excellent opportunity to interact with the best in the industry during various management events organized by the Institute and through guest lectures, workshops, industry visits, live projects and mandatory two months' summer internship. This constant interaction with industry keeps the students updated about the latest industry trends and ensures overall personality development and transpires into 100% placements every year in companies encompassing a variety of sectors like Consulting, Banking, IT, Manufacturing. Agri-Input, Energy and Environment to name a few Veritas and many more.

SIIB has collaboration with Bloomberg, SAP and WTC. SIIB is the first campus in the country to be part of Smart Campus Cloud Network (SCCN) to monitor and measure the total energy consumption of the institute.

- **Master of Business Administration (International Business) [MBA(IB)]**
  (Specializations: Marketing, Finance, Supply Chain Management & HR)

  Counted amongst the league of top MBA schools in India, SIIB's flagship programme is the MBA in International Business. The MBA-International Business is an intensive, two-year, residential, post-graduate degree programme, specifically designed for a rewarding career in global business management. This programme is a unique blend of theories and practices that prepares students for domestic markets as well as business on a global platform.

  The International Business courses such as Export and Import Management, Global Strategic management, Trade Finance and Forex Risk Management, Advanced Strategic Management, Foreign languages, etc., make this programme truly unique and aligns well with the trends in the International business discipline.

  Students, who enter the portals of the Institute, come from diverse academic backgrounds such as engineering, economics, mathematics, chartered accountancy, IT, commerce, etc., and provide a vibrant tone to the programme. The first semester serves as a churning crucible and creates the basis for understanding business management. Students are brought together on a level playing field before the introduction of specializations in the second semester.

  Symbiosis Institute of International Business (SIIB) offers an elective system wherein a student can opt for major courses in any one functional area of specialization (Marketing, Finance, Supply Chain Management, and Human Resource). The semester pattern followed by SIIB ensures that the subjects are covered in detail and every course that is taught, is understood and assessed thoroughly.

- **Master of Business Administration (Agri Business) [MBA(AB)]**

  Agriculture and allied sectors like forestry and fishing accounts from a significant part of the GDP and continues to be the mainstay of the Indian economy. Food security is a growing needed of society and mankind and much emphasis is laid on commercializing agricultural production. Hence, adequate production, distribution of food, food security has lately become a global concern.

Agriculture has long been seen as a sector with tremendous potential in India. In the last few years, the sector has seen an unprecedented gain with many government and private sector initiatives. The, changing global norms and increased global competitiveness invite a tremendous need for professional courses in Agribusiness Management and makes it one of the most challenging and exciting sectors to be in, either as a professional or as an entrepreneur. The MBA-Agribusiness program is thus a response to this growing need for professionals, who can contribute to, and engineer the agribusiness revolution. SIIB is recognized as one of the top institutes for imparting an industry-relevant course in Agri Business Management in India.

The MBA-Agri Business programme broadly covers Marketing (emphasis on rural marketing and retail management), Finance (emphasis on microfinance, commodity trading and lending and risk management), Supply Chain Management (logistics in retail), and Taxation. It also focuses on the relevant and applicable fields of Agriculture and WTO, Agri-export-import and Agricultural Finance. Moreover, at SIIB, a student pursuing an MBA in Agri Business possesses a high level of decision-making skills and can go out confidently into the demanding and dynamic world of Agri Business Management.

- **Master of Business Administration (Energy and Environment) [MBA (E and E)]**

Energy, the essential resource behind every economic activity is intrinsically as well as extrinsically linked with nature in satisfying the world's basic needs. The management of this relationship between the energy sector and the ecological environment has become increasingly complex due to a paradigm shift in our perspective and outlook. These are global issues and have found a prominent place in all recent global debates like climate change, resource management, energy security, etc.

The MBA in Energy and Environment programme is a niche domain that is currently offering a lot of opportunities waiting to be tapped in the areas of Sustainable development. As an Institute of International Business, SIIB believes that strengthening one's capacity and building it in this emerging sector is critical. Therefore, the Institute has taken this initiative to create young professionals who can be an asset to organizations in this crucial expertise area. These unique two years in Energy, Environment and sustainability programme, focuses exclusively on the Energy and Environment sector, in the national as well as global context and addresses the current needs of the industry. The primary objective of this programme is to equip aspiring global managers with managerial, economic, legal, political and relevant technical competence. The programme also serves as a base for providing the crucial link between the world of technology, business and sustainable development.

The programme provides a judicious blend of theory and practice and prepares the students to meet contemporary global needs. The programme has been designed in such a way that it imparts the knowledge of general management and at the same time encompasses sectors namely power, renewable energy, energy efficiency, oil and gas, climate change and sustainable development, green buildings, corporate sustainability, global standards and environmental management, etc.

A student pursuing his MBA in Energy and Environment will be able to deal effectively in energy audits, offer solutions in energy conservation and management, ESG sustainability standards, LCA renewable energy business and finance, etc.

Important:
qualification(s)/eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

The Selection process is carried out in two steps.

Step I: SNAP Test: Each student desirous of admission to SIIB, Pune must appear for Symbiosis National Aptitude (SNAP) Test, which is a common written test for the admission to all Symbiosis postgraduate institutes. For SNAP Test information log on to http://www.snaptest.org and register. Get your SNAP ID and complete the SNAP registration and payment, immediately select SIIB in the form and complete the Institution registration and payment (mandatory).

Preserve the Admit Card of SNAP Test for further selection process at SIIB, Pune. Appearing for the SNAP Test does not automatically qualify an applicant for the next step in the selection process at SIIB, Pune.

Induction Programme for the incoming batch.

Step II: GEPI at SIIB, Pune: Based on SNAP scores, short-listed applicants will be called for the next selection process at SIIB, Pune. Result of shortlisted / not shortlisted candidates are announced via a web-link on SIIB website as per the scheduled dates. The entire selection process will be held at PUNE only. This process includes Group Exercise and Personal Interview.

Note: Candidates should take due care to enter the correct details while filling the forms. At any point of time during the entrance process or even after securing admission, the details are found incorrect then the candidate will be disqualified or after securing admission, admission will be cancelled without assigning the reason. All enquiries related to admission can be made to Tel: 020 22944407 / 22944400 Email id: admissions@siib.ac.in

Reservation of Seats: As per University norms.

Orientation and Pedagogy:

The approach adopted at SIIB seeks to empower the students to harness their potential strengths and to emerge as positive, well-informed and confident individuals.

The design of the courses is rigorous, requiring an intensive application. The quantum of activities including

continuous evaluation, self-study, assignments, numerous group and individual projects and presentations, deadlines for assignments ensure that time management skills are developed.

There is a fine blend of theoretical and practical inputs through faculty drawn from the industry, to ensure that students are industry-ready in their chosen functional areas.

Active participation in various activities ensures excellent people management and organizational skills. Organization of regular guest lectures and workshops by industry practitioners help enhance industry student interactions. Live projects and group exercises as an internal part of the course work brings in much-desired relevance to the learning process. Student-driven co-curricular and extra-curricular activities give enormous opportunities for out of class learning. Service-learning is inculcated through focused involvement in Institutional Social responsibility related activities.

Note:

\# ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

    (1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

    (2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

    (3) Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

    (4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure*:

Master of Business Administration (International Business) [MBA (IB)]
(Specializations: Marketing, Finance, Supply Chain Management & HR)

Semester : I
Generic Core Courses
- Economics for Managers
- Export Import Management
- Advanced Data Driven Decision Making
- Introduction to Financial Markets and Institutions
- Business Communication
- Business Statistics
- Corporate Governance and Ethics
- Essentials of Marketing Management
- Financial Accounting
- Global Business Environment
- Human Resource Management
- Supply Chain Management
- Research Methodology
- Well for Life

Generic Elective Course Group (Choose any one course)
- Basic German I
- Basic French I
- Basic Spanish I
- Basic Japanese I

Semester : II
Generic Core Courses
- Financial Management
- Trade Finance and Forex Risk Management
- Cost Accounting
- ERP-Business Process Integration
- Global Strategic Management
- Operations Research
- Organizational Behaviour

- Project Management
- Sales Force and Channel Management
- Marketing Research
- Flexi-Credit Course
- Integrated Disaster Management

Generic Elective Course Group (Choose any one course)
- Basic German II
- Basic French II
- Basic Spanish II
- Basic Japanese II

Specialization Core Courses: Marketing
- Services Marketing
- Consumer Behaviour

Specialization Core Courses: Human Resource
- Employment Related Laws
- Talent Acquisition

Specialization Core Courses: Supply Chain
- Advanced Supply Chain Management
- Materials Management

Specialization Core Courses: Finance
- Security Analysis and Portfolio Management
- Financial Risk Management

Semester: III
Generic Core Courses
- Internship
- Advanced Strategic Management
- Business Analytics
- Six Sigma

Specialization Core Courses: Marketing
- International Marketing
- Flexi-Credit Course

Specialization Elective Courses: Marketing (Choose any Seven course)
- Integrated Marketing Communication
- Marketing Strategy
- Customer Relationship Management
- Marketing Models
- Brand Management
- Pricing
- Business to Business Marketing
- Retail Marketing
- Financial Statement Analysis
- Product Management
- Business Statistics with R

Specialization Core Courses: Human Resource
- International Human Resource Management

- International Logistics
- Flexi-Credit Course

Specialization Elective Courses: Supply Chain
(Choose any Seven course)
- Financial Statement Analysis
- Business Statistics with R
- Retail Distribution and Logistics
- Service Operations Management
- Supply Chain Performance Measurement
- Advanced Operations Research
- Management of Operations
- International Commercial Law
- Advanced Project Management
- Procurement Management
- Advanced Operations Management

Specialization Core Courses: Finance
- International Finance
- Flexi-Credit Course

Specialization Elective Courses: Finance
(Choose any Seven course)
- Financial Statement Analysis
- Business Statistics with R

- Financial Modeling
- Business Valuation
- Commercial Banking
- Digital Transformation in Financial Services
- Insurance Management
- Advanced Project Finance Structuring
- Financial Technology
- Fixed Income Markets
- Wealth Management
- ESG and Sustainable Finance

Semester: IV
Generic Core Courses
- Dissertation
- Project

Specialization Elective Courses: Marketing
(Choose any Four course)
- Marketing Analytics
- Sustainable Marketing
- Marketing Innovation
- International Commercial Law
- Marketing of Financial Services
- Marketing in Emerging Economies

Specialization Elective Courses: Human Resource
(Choose any Four course)
- International Commercial Law
- Organizational Theory, Design and Structure
- Social Media in Human Resource Management
- Coaching, Counseling and Mentoring
- HRD Audit and Scorecard
- Leadership and Capacity Building

Specialization Elective Courses: Supply Chain
(Choose any Four course)
- Operations Planning and Scheduling
- Sustainable Supply Chain
- Technology in Supply Chain
- Warehouse Management
- Supply Chain Risk and Reliability Management

Specialization Elective Courses: Finance
(Choose any Four course)
- Direct Taxation
- Financial Engineering and Analytics
- Mergers and Acquisitions
- Investment Banking
- Risk Analytics
- Behavioral Finance
- Financial Econometrics

Master of Business Administration (Agri Business) [MBA (AB)]

Semester : I
Generic Core Courses
- Agricultural Economics
- Marketing Management
- Advanced Data Driven Decision Making
- Introduction to Financial Markets and Institutions
- Business Communication
- Human Resource Management
- Strategic Management
- Business Statistics
- Introduction to Agriculture
- Agri Supply Chain Management
- Financial Accounting
- Introduction to Micro Finance
- Well for Life
- Research Methodology

Generic Elective Courses Group (Choose any one course)
- Basic German I
- Basic French I

- Basic Japanese I

Semester : II
Generic Core Courses
- Financial Management
- Rural Marketing
- Agri Input Marketing
- Cost Accounting
- Operations Research
- Organizational Behaviour
- Sales Force and Channel Management
- Marketing Research
- Advances in Agriculture
- Agri Commodity Markets
- Agri Import and Export Management
- Agriculture Finance
- Flexi-Credit Course
- Integrated Disaster Management

Generic Elective Courses Group (Choose any one course)
- Basic German II
- Basic French II
- Basic Spanish II
- Basic Japanese II

Semester: III
Generic Core Courses
- Internship
- Digital Marketing
- Project Management
- Six Sigma
- Flexi-Credit Course
- Advanced Strategic Management
- Agri Retail Management
- New Product Development in Agriculture

- Export Potential Analysis for Agri Products
- Business Analytics

Generic Elective Courses Group (Choose any three courses)
- ERP-Business Process Integration
- Consumer Behaviour
- Financial Technology
- Management of Operations
- Retail Banking
- Retail Distribution and Logistics
- Management of Agricultural Collectives
- Business Statistics with R
- ESG and Sustainable Finance

Semester : IV
Generic Core Courses
- Dissertation
- Project
- Financial Statement Analysis
- Flexi-Credit Course

Generic Elective Courses Group (Choose any two courses)
- Processing and Value Chain in Agriculture
- Supply Chain Performance Measurement
- Brand Management

Master of Business Administration (Energy and Environment) [MBA (E and E)]

Semester : I
Generic Core Courses
- Non Renewable Energy Sources
- Renewable Energy Sources and Technologies

Dr. Netra Ganesh Neelam
Director

Director Profile:

Prof. Dr. Netra Ganesh Neelam is the Director of Symbiosis Centre for Management and Human Resource Development (SCMHRD). Dr. Netra Neelam has 2 decades of experience in the field of higher education. She has done her PhD in HR along with Masters in Commerce, M.Phil. and a Post Graduate Diploma in Human Resource Management. She is also a recognized Ph.D. research guide at Symbiosis International (Deemed University).

Dr. Netra Neelam is passionate about the field of psychometry and is certified in internationally recognized psychometric instruments like MBTI®, FIRO-B®, Strong Interest Inventory® and Belbin®. She is also a Certified Emotional Intelligence Coach Practitioner along with being certified in NLP, Hypnosis & Coaching. She is actively involved in Management Development and Faculty Development Programmes.

She is a member of the Asia Pacific Advisory Council (APAC) and Indian Business School Directors Leadership Group (IBSDLG) at Association to Advance Collegiate Schools of Business (AACSB). She was invited to take part as a guest researcher in the DAAD-sponsored Centre for Modern Indian Studies at the University of Cologne (Germany) and published various papers in National and International Journals indexed in Scopus and ABDC journal lists. Her research interests are in the area of organizational culture, commitment, learning strategy, collaborative learning, enhancing team effectiveness etc.

Symbiosis International (Deemed University) is based on the principles of the Vedic thought of "World as One Family" and Dr. Netra Neelam firmly believes in contributing toward this principle through various activities and initiatives at SCMHRD.

Institute Profile:

Symbiosis Centre for Management & Human Resource Development (SCMHRD) is a premier institute honing world-class leaders and entrepreneurs. Established in 1993, SCMHRD's MBA program is one of the most prestigious programs in India. It is the first B-School in Pune and amongst only 5% B-Schools in the world to have been accorded the prestigious AACSB Accreditation. AACSB is a global non-profit association which connects educators, students, and businesses to achieve a common goal: to create the next generation of great leaders. This quality initiative commits us to practice applied research to deliver solutions to business through experiential learning opportunities. SCMHRD is committed to people and community and strives to develop employable human resources having global and regional understanding.

With its 30 years of legacy SCMHRDians believe in the core values of collaboration, commitment to people & society, diversity & equality, integrity & transparency along with quality & excellence in all its endeavours.

SCMHRD specializes in developing and nurturing talent in the fields of Business Analytics, Human Resources, Marketing, Finance, Operations, and Infrastructure Development & Management. The institute believes that wholesome knowledge can be gained through experience and practical learning. Hence the intense academic curriculum is designed such that it prepares students to deliver their best.

Apart from academic excellence, the institute also focuses on equipping the students with the latest technical skills along with appropriate behavioural competencies used in the corporate world. It also provides opportunities to

develop their leadership and entrepreneurship skills through various student activities and institute initiatives. SCMHRD is a member of CII, NHRD, SHRM and HIA.

SCMHRD has earned a trusted name in the industry for delivering competency-based talent thereby enhancing quality at the workplace. This is evident from SCMHRD's track record of placing its students in the most sought-after companies across sectors every year. Our unique learning approach combined with the focus on holistic development gives an edge to SCMHRD students and prepares them for the challenging and ever dynamic life ahead.

- **Master of Business Administration - (M.B.A)**

  The MBA programme at SCMHRD reflects its commitment towards quality and excellence. Curated by expert academicians and seasoned industry professionals, the programme represents a forward-looking approach of SCMHRD. The dissemination of business management knowledge and inculcating an applied orientation is primarily done through a three-tier approach in the curriculum. With foundation courses in the first semester, the programme advances to functional and applied courses in its next two semesters. With the final semester focussing mainly on the strategic aspects of business management. Thus, providing a holistic view of business management to the students. Experiential learning through simulations, case studies, live projects, research papers, and various other relevant means form an integral part of the programme. Thereby enhancing its richness and quality manifolds. Supporting this systematic approach to business education is the 'Assurance of Learning' framework. Which is a vital cornerstone of the teaching-learning process at SCMHRD. Which provides a quality assurance framework to the programme through the constant monitoring and augmentation of its programme learning goals. Thereby making the MBA programme at SCMHRD is a very systematic, disciplined, and enriching journey for an individual student to embark upon.

SCMHRD_Formal Induction Deeksharambh Programme of Batch 2023-25 _AY2024-2025

Areas of specialization offered:

• Marketing • Finance • Human Resource • Operations • General Management

- **Master of Business Administration (Infrastructure Development and Management) - M.B.A (IDM)**

The MBA in Infrastructure Development and Management (M.B.A-IDM) is a 2-year full-time management programme offered under the aegis of Symbiosis Centre for Management and Human Resources Development (SCMHRD). The program was envisioned in 2010-11 in an environment of increasing government focus on the infrastructure sector. The program skills students with project execution and management skills, required to fill the lacunae in Indian infrastructure development. The program was conceptualized with the following program objectives:

- ▪ Structure technically, commercially, financially, socially, and environmentally feasible infrastructure projects within the regulatory framework and governance structure.
- ▪ Ensure effective project execution while ensuring efficient management of contractual relationships with different stakeholders along the project life cycle.
- ▪ Lead Infrastructure project business development successfully.

Given these objectives, the program focuses on 5 key competencies namely, project execution, project financing, business development & planning, project risk management, and contracts management. Students also undertake courses that deliver sectoral expertise, namely in the areas of real estate and urban development, transportation, and energy. The program delivery is based on innovative pedagogical methods, to maximize student learning opportunities which include site visits, industry guest lectures, and case-based teaching. In addition, students and faculty engage in practice research, which makes use of theoretical concepts to solve real business issues.

- **Master of Business Administration (Business Analytics) - M.B.A (BA)**

The MBA - Business Analytics post-graduate program at SCMHRD has the unique distinction of being the earliest program in the country in this domain. The need for digital transformation across the industry space necessitated a need for a formal program integrating aspects of business as well as analytics. Faculty in this program are practitioners and academicians who are at the cutting edge of the business and practice of analytics. Classroom interactions are supported by working on use cases pertaining to the field enriching and orienting the students in a way that makes them industry ready. The sector has seen the highest growth rate in remuneration and alumni of this program have risen the corporate ladder quickly. Since the field is a crucible of all areas, it looks at promising students across all areas of specialization. Enrolment in this program ensures competency in data analytics concepts of machine learning, deep learning, dashboards, natural language processing and business concepts leading to understanding of domain specific understanding like Financial analytics, HR analytics, Risk Analytics, Healthcare analytics, Telecom analytics, Marketing analytics, Operations analytics etc. with the help of software tools like Python, Tableau, Power BI, SPSS, Eviews, R, Colab, Tensor Flow etc.

Orientation and Pedagogy:

Our pedagogical approach at SCMHRD is based on excellence and innovation, and it is in line with the rigorous standards of AACSB accreditation. We are committed to providing a transformative educational experience that provides our students with the skills, knowledge, and ethical foundation they need to succeed in today's dynamic business environment. Our pedagogical practises demonstrate our dedication to providing high-quality education in accordance with the AACSB's global standards. Our curriculum is built around an integrated learning framework that combines theoretical concepts with real-world applications. Classroom dynamics are aligned with AACSB's emphasis on interactive and engaging education.

The AACSB-compliant curriculum incorporates ethics and social responsibility into a variety of courses. Our pedagogy is built around experiential learning. Our students have the opportunity to apply classroom concepts to real-world scenarios through internships, consulting projects, and industry partnerships. We also understand the importance of a global mind-set and then global business principles, cultural sensitivity, and international case studies are all incorporated into our curriculum.

AACSB accreditation requires a commitment to continuous improvement, which we wholeheartedly support. Regular evaluation, feedback loops, and interaction with industry stakeholders ensure that our curriculum remains relevant and aligned with changing business demands. The pedagogy at SCMHRD demonstrates our commitment to providing an education that goes above and beyond the ordinary. We are dedicated to developing ethical, innovative, and globally minded leaders who will thrive in the ever-changing business landscape.

Institute Event details:

- **SCMHRD's Formal Induction Deeksharambh Programme of Batch 2023-25**

  The start of the most remarkable journey for more than 400 students began with the formal Induction - Deeksharambh for the batch 2023-35. Completing 30 years of SCMHRD, this batch is called the pearl batch. The Induction was held on 14th June 2023 for the Students admitted to MBA Core, MBA Business Analytics & MBA Infrastructural and Development Management, MBA Executive.

  Conserving the culture and traditional values, the event started with the lighting of the lamp for the prosperity and knowledge of the students and their bright future along with SCMHRD. The guests present for the event were, Dr. Rajani Gupte, Vice Chancellor, Symbiosis International (Deemed University); Dr. Vidya Yeravdekar, Pro Chancellor, Symbiosis International (Deemed University) & Principal Director, Symbiosis; Dr. Netra Neelam, Director, SCMHRD.

  The session started with the wise words by the Director Ma'am, who made students aware of what these 2 years of MBA would mean to them. She suggested each individual to be the best and give the best. She also highlighted the importance of good conduct which is considered to be of very high importance in SCMHRD.

  Followed by Dr. Vidya Yeravdekar, she appreciated the institute and the leaders for the outstanding work that is being carried out throughout the years and will continue with the pearl batch of SCMHRD.

  Words of experience have their own voice. Dr. Rajani Gupte, shared with students her wise words to grow and learn. She suggested the students grow a network as SCMHRD has given the chance to network with people from different age groups and states and cultures.

- **SCMHRD's Alumni Mr. Vikas D Nahar, Founder & CEO at Happilo, Invited as Guest during Induction Week of Batch 2023-25**

  An entrepreneur, a shark and a SCMHRD alumni from batch 2008-2010, Mr. Vikas D Nahar who revolutionized the dry fruit industry in India with Happilo, a gourmet healthy food brand from Bangalore visited SCMHRD for

Interaction with newly admitted MBA, MBA-IDM, MBA-BA batch 2023-2025.

The induction week for the new batch 2023-2025, started with an amazing session. How a man built up a company from scratch and stands at the current value of Rs 300 Cr. Mr. Nahar, gained a popularity when he made an entry as guest shark in the Shark Tank India season 2.

Mr. Nahar not only talked about his company's success, but also about his life back then in college days. He covered every aspect about his business, the challenges he faced, the ups and downs, and how his company is the official brand sponsor for the Royal Challengers Bangalore Team in IPL.

SCMHRD students, feel extremely proud of having our alumni, someone who was one of us back then, reaching heights today. The SCMHRD institute has produced many such performers and achievers who are leading the industries today.

- **Out Bound Programme at Surya Shibir of Batch 2023-25**

  As a part of the SCMHRD Induction Programme, students were provided with a unique opportunity to participate in a one-day Outbound Learning Programme at Surya Shibir, Varasgaon, Pune. The primary objective of this program was to foster friendship and collaboration among the students.

  The day commenced with a warm welcome and a delightful breakfast amidst a scenic setting that captivated the senses. Following the breakfast, an array of engaging and enjoyable sessions awaited the students. These sessions were expertly organized and facilitated by the DSRW team, who skillfully arranged activities to dissolve any initial hesitations and unite the minds of the participants.

  The day ends with an inspirational closing address from the esteemed Director and Deputy Director. Their words left a lasting impact on the students, motivating them to embrace collaboration, empathy, and a shared vision for their time at SCMHRD.

- **Neev 2022**

  The third-largest annual corporate and cultural B School festival in the nation, NEEV, is hosted by the Symbiosis Centre of Management and Human Resource Development. The extravaganza of NEEV 2022 was arranged on the 17th, 18th, and 19th of February, 2023. The fest witnessed intellectual business games along with an assortment of cultural events. The colorful and entertaining schedule of 32+ events and activities from the 40 B-schools drew almost 10,000 attendees.

  NEEV 2022 also witnessed various informal events like Tic Tac Go, Rant It Out, Joke Studio, Mystery Chemistry and Beg Borrow Steal which saw huge participation. The competitions were followed by stunning performances by artists like Gajendra Verma, DJ Xtacy, and RHT. An immense amount of footfall was attracted to experience these captivating spectacles. Mann mera fame Gajendra Verma's performance made the entire audience groove to his music and witnessed the highest footfall during the event.

- **Christmas Celebration**

  The Cultural Committee of SCMHRD orchestrated a vibrant celebration of Christmas on December 24, 2022, where students embraced the festive spirit with enthusiasm. The event began with Dr. Pankaj Sharma's uplifting vocals and a delightful Christmas carol by Cultcommers. The stage then came alive with the artistic prowess of around 20 SCMHRD groups, including dancers, singers, and poets, captivating the audience for over 90 minutes. The evening culminated with an Open dance floor, fostering a sense of togetherness and marking a joyful conclusion to the Christmas festivities.

- **Guest Lecture by Alumni of Batch 2005-2007**

  An enlightening guest lecture titled "How to be a future-ready MBA" took place on June 24, 2023. The speaker was Mr. Atulaya Goswami, an esteemed alumnus of SCMHRD from the Batch of 2005, who currently serves as the Human Resource Director at General Mills. Mr. Goswami shared his valuable insights on preparing for the future as an MBA graduate, making the session incredibly beneficial for all attendees looking to pursue an MBA.

- **Arthashashtra 3.0**

  On February 13, 2023, there was a panel discussion called "Arthashashtra 3.0 - Unravelling the Union Budget 2023." The event aimed to understand the budget better. The panel included experts like Ms. Dipti Deshpande from CRISIL, Ms. Rajani Sinha from CareEdge Ratings, Mr. Venkatachalam Shunmugam from NISM, and the discussion was moderated by Mr. Sunit Joshi. They talked about the budget and its effects on the economy.

Brig (Dr.) Rajiv Divekar is the Director of Symbiosis Institute of Management Studies, Pune for the last 13 years. He was Head of Faculty Strategic and Operational Studies at Army War College, and a Faculty member in Defence Strategic Studies at Defence Services Staff College, Wellington.

He has done his PhD from Symbiosis International University. He is an M. Phil from D. A. V. V. University and M.Sc. from Madras University. A Gold medallist in BE (civil), he has done his MBA specializing in Human Resource Management. He has rich experience in strategy, planning, logistics and human resource management based on his service with the multinational team of United Nations Forces in Somalia and Lebanon.

He has served in Kargil and Leh on the Line of Control where he was responsible for the Logistics and Supply Chain Management of soldiers located on posts at 17000- 22000 feet in the Siachen Glacier. After 34 years of service in the Army, he left voluntarily and joined Symbiosis Institute of Management Studies as Director.

Brig. (Dr.) Rajiv Divekar is a professor in the faculty of Management specialising in HR Strategy & Leadership. He has a large number of publications in National & International Journals & also in Scopus-listed Journals. He is a charter Member of the All-India Management Association. He is the recipient of the 'Rajiv Gandhi Education Excellence Award', 'Rashtriya Vidya Gaurav Gold Medal Award', 'Education Leadership Award' and "Outstanding B-School Director Award"

Brig. Divekar is on the Academic Council & Board of Studies at SIU. He is also the chairman of the SIU NAAC committee. SIU got an A++ grade in the last NAAC review under his chairmanship.

Institute Profile:

Symbiosis Institute of Management Studies (SIMS) set up in 1993 is a premier Management Institute ranked amongst the top B Schools in India. SIMS is a constituent of the prestigious Symbiosis International (Deemed University) and is the only MBA institute of its kind in India and a shining example of PPP (Public Private Partnership) between Symbiosis and the Government of India - Ministry of Defence since 2002. Its flagship full-time 2-year MBA course is primarily for Defence Personnel and their Dependents with some seats for Civilian candidates. This ideal mix of defence dependents and civilians brings out the best in both and ensures holistic development. SIMS has an ergonomically designed and ideally located campus in the heart of Pune. It provides secure residential accommodation to over 600 girl and boy students, state-of-the-art facilities and infrastructure. It is truly a "Home away from Home".

SIMS is an ISO 9001:2015 quality-certified management institute. It is one of the three institutes in complete Western India which is an accredited 'Centre for Corporate Governance' of the 'National Foundation of Corporate Governance' (established by the Ministry of Corporate Affairs and CII) and one of the few recognised as a centre for Entrepreneurship by Department of Science and Technology. SIMS encourages, promotes entrepreneurial activities, and is approved as Business Incubator by the Ministry of MSME. SIMS has 8 Bloomberg Terminals which facilitate student learning by enabling them to get live financial and economic data of companies across the globe.

SIMS also subscribes to numerous e-learning resources including various journals, online case studies, industry, economics and e-books databases amongst others.

SIMS has academic collaborations with Leeds Beckett University, UK; Hochschule Bremen University of Applied Sciences, Germany; Berlin School of Economics & Law, Germany & IESEG School of Management, France for various academic programmes. SIMS has an association with CFA Institute University Affiliation Programme where 4 SIMS students get scholarships each year from the CFA institute. SIMS also has an MOU with BSE Brokers' forum for visits and lectures. SIMS also runs a 30 months MBA Executive course as part-time programme for working executives looking for enhancement in their careers. SIMS has conducted customised programmes for Standard Chartered Bank, Bajaj Allianz, CTS, Indian Navy and John Deere Pvt Ltd. SIMS regularly conducts "Independent Directors Course" for senior officers of Defence Services on behalf of Directorate General of Resettlement, Ministry of Defence. The latest Rankings of SIMS are as follows: -

- No. 1 Top Leading B-Schools of Super Excellence in India.
- No. 3 in the state of Maharashtra amongst private institutes in India.
- No. 11 for Placement, USP, Social Responsibility, Networking & Industry Interface in India (Both Government & Private).
- No.11 for Faculty, Publication, Research, Consultancy, MDP & other programmes in India (Both Government & Private)

SIMS faculty are amongst the best and have many research publications in top-rated research journals to their credit. SIMS has numerous live projects, consulting assignments and development programmes for Corporates. SIMS breeds achievers and leaders. SIMS students have made a mark by winning numerous B School Competitions, presenting papers in various research conferences and publishing research articles and research papers in various research journals. SIMS boasts a very large, active and dedicated alumni network. SIMS alumni have broken into the glass ceiling and are CEOs, CFOs and many have turned entrepreneurs.

SIMS has an enviable placement record and it offers an excellent return on investment in terms of the placement packages. Top Companies such as Deloitte, JP Morgan Chase, Credit Suisse, Infosys, TCS, Gartner, ICICI, HDFC, GE, Eaton Tech, Marsh, Mother Dairy, SBI, Religare Securities, Bajaj Allianz, Tata Motors, Tally Solutions, WNS, etc. are some of the loyal recruiters of SIMS student managers. SIMS is a B School which creates leaders who "Make a Difference". Come and be a part of SIMS, become a leader and "Make a Difference".

- **Master of Business Administration (M.B.A.)**

  The specializations in major mode offered include Marketing, Finance, Operations and Supply Chain Management, Human Resource Management and Data Analytics for Business. The basket of Open Elective courses is also been offered to students to enhance their exposure outside their Domain.

  Marketing - The curriculum focuses on leadership and executive management development in order to provide students with the skills and qualifications necessary to successfully target market strategies, consumer behaviour, market research and product management.

  Finance - The finance specialization is designed to provide a means for students to gain exposure to five major areas in the field of finance namely corporate finance, financial institutions, investments, insurance and personal financial planning including modules on portfolio management, financial analysis, and decision making and international financial management.

  Human Resource Management - The program prepares students with skills, knowledge and strategic perspectives that are essential in the effective management of people resources. This program provides the student with an in-depth knowledge of current HR practices and industrial relations.

  Operations and Supply Chain Management - The Operations and Supply Chain Management curriculum focuses on the design and management of the processes by which products are manufactured and services are delivered to customers. The core course provides an overview of the field and Critical processes that enable service delivery systems, supply chain, and quality improvement efforts.

  Data Analytics for Business - The contribution of Data Analytics in making strategic decisions for an organization's success is growing at a rapid pace. Analysing data and putting it to work for you and your

business is an essential skill for executives today. As a decision-maker, it is important to understand analytics and to know how it can be used to derive meaningful insights and make tactical decisions for your organization. Join the new age of leaders and understand how best you can use analytics to grow your business. The Data Analytics for Strategic Decision-Making program will help you understand the essentials of business analytics such as statistics, predictive analytics, prescriptive analytics, machine learning techniques, data visualization, data storytelling, and much more, along with the real-world applications of Analytics across multiple business functions. This will equip you with the skills to apply in various industry domains as per your organization's needs. It will also help you gain a competitive advantage by capturing data-enabled business opportunities and provide you with much-needed data literacy.

Eligibility:

- **Master of Business Administration (MBA)**

    Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade. Defence Category candidates should be Defence personnel and their dependents (Children / Ward / Spouse) of Defence personnel. (as per merit).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration (MBA)**

    Step I: SNAP Test: Each student desirous of admission to SIMS, Pune must appear for Symbiosis National Aptitude (SNAP) Test, which is a common, mandatory Computer based test for admission to all Symbiosis postgraduate institutes. For SNAP Test information log on to http://www.snaptest.org and register. Simultaneously, register online to SIMS Pune by paying a separate institute payment. Preserve the Admit card of the SNAP Test for further selection process at SIMS, Pune. Appearing for SNAP Test does not automatically qualify an applicant for the next step in the selection process at SIMS, Pune.

    Step II: GEPI: Based on SNAP scores, short-listed applicants will be called for the next selection process at SIMS. The results of the shortlisted candidates are announced via a web link on the SIMS website as per the scheduled dates. Shortlisted candidates must fill out the Application form and book the slot for GE-PI. This process includes Group Exercise and Personal Interview (GEPI).

    Caution: Candidates should take due care to enter the correct details while filling out the forms. At any point

SIMS, Pune extends sincere appreciation to Infosys for an insightful leadership discussion, featuring industry experts Mr. Shubh Kharbanda and Mr. Samrat Dutta.

THE FIELD MARSHAL S.H.F.J MANEKSHAW MEMORIAL LECTURE AND INAUGURATION OF RESIDENTIAL COMPLEX BY SHRI RAJNATH SINGH JI

Fild marshal SHFJ Manikshaw

of time during the entrance process or even after securing admission, if details are found incorrect then the candidate will be disqualified or after securing admission, admission will be cancelled without assigning the reason.

Reservation of Seats: As per University norms.

Orientation and Pedagogy:

Orientation is an integral part of SIMS. It is a credit course in the programme structure which is placed as an Experiential Course It prepares the new MBA students for a life of professional managers & equips them with the strength to deal with the challenges it presents. The duration of the orientation programme ranges from 2- 3 weeks. The programme starts as soon as students report to the college in June. The overall orientation structure is divided in two parts - academic & extracurricular.

In academics; students attend lectures that cover the basics of subjects for the 1st semester like Accounting, Economics & Business Communication and major topics on Excel and Statistics. The students also attend various guest lectures that range from motivational talks to choosing the right specialization.

The extra-curricular focus is on inculcating good habits. During the orientation, the day starts in the early morning. All the students attend basic exercises followed by activities like yoga, sports, and dance which focus on stamina & importance of good health. It also focuses on the Management Games and also the Musical Programme which is a source of stress buster. It focuses on ISR activity which shows the concern towards the society as an extension programme and also Swachh Bharat as a responsibility towards society.

In the evening students are given assignments to work on. The aim of such assignments is to emphasize self-learning & peer learning.

The orientation, even though hectic; equips SIMS students with leadership capabilities, time management, multi-tasking & importance of goal-setting - all the qualities, that SIMS Alumni are known for in the industry.

SIMS, Pune extends heartfelt gratitude for the insightful session led by Dr. Sharyn Jones along with team BNY Mellon who inspired our Student Managers.

Duration of the Programme(s):
• **Master of Business Administration (Digital and Telecom Management) [MBA (DTM)]:** 2 Years Full-Time

Intake:
• **Master of Business Administration (Digital and Telecom Management) [MBA (DTM)]:** 150 seats

- **Master of Business Administration (Digital and Telecom Management) [MBA (DTM)]**

  SIDTM (Formerly SITM) offers a two-year full-time MBA (Digital and Telecom Management) program with three specializations namely Systems and Finance, Marketing and Finance and, Analytics and Finance with a fine blend of technology and management for the new age management professionals in the digital era. The details of specialisation allocation are mentioned on the website of the institute. The program aims at creating management professionals who understand the business requirements and can deliver commercially viable technology solutions to address these requirements. The course curriculum is aligned with the current industry trends

Eligibility:

- **Master of Business Administration (Digital and Telecom Management) [MBA (DTM)]**

  Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration (Digital and Telecom Management) [MBA (DTM)]**

  Symbiosis National Aptitude Test (SNAP Test) is the gateway for Post Graduate Programmes of Symbiosis International (Deemed University).

  Candidates should register and pay for SNAP Test & separate institute/program-wise registration fees. For more details and registration, please visit http://www.snaptest.org

  In the SNAP Test, the candidate is judged on General English, Current Affairs, Quantitative Aptitude, and Analytical & Logical Reasoning. If shortlisted, he/she should attend the GE-PI process which is conducted by the institute.

  The process for admission through SNAP Test is as follows:

  Stage 1: SNAP Test Registration

  Stage 2: SNAP Test

  Stage 3: Shortlisting and Selection Process

  Stage 4: Merit List Declaration and Admission

Reservation of Seats: As per University norms.

Last date for payment of fees for candidates in the first merit list	March 29th 2024
Programme Commencement	June 10th 2024

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on the institute website (www.sidtm.edu.in)

Orientation and Pedagogy:

✓ **Dynamic Curriculum:**

The program structure and courses, academic curriculum and examination process is continuously upgraded. In order to address the existing needs of the industry and in accordance with the eclectic nature of our academic portfolio, a program review committee is formed and they share their input every year. SIDTM (Formerly SITM) while designing its curriculum considers these inputs and subsequently, they are discussed in the Board of Studies of SIU. The Board involves intelligentsia from varied backgrounds and specializations. The curriculum is delivered with various teaching methodologies. The curriculum is focused on technology management perspective.

✓ **Classroom Teaching:**

The spirit of Classroom teaching encompasses the fundamentals of theoretical and conceptual learning. It extends its traditional boundaries into the world of interactive learning through case studies, assignments, quizzes and mock presentations by the students.

✓ **Group Learning:**

The students are grouped into syndicates, which encourages a free exchange of ideas. We strongly believe that syndicate learning – peer learning is vital for creativity. This activity encourages students to understand group dynamics and then perform in groups. The methodology helps students to improve their communication skills and harness team spirit.

✓ **Guest Lectures & Workshops:**

Guest Lectures & Workshops offer students a chance to interact with professionals not only from the IT and Telecom industry but also from various other fields. Their inputs enable our students to get insights into the corporate world.

✓ **Seminar:**

SIDTM arranges International Telecom Seminar where we invite industry experts and eminent persons who talk about current technologies, the techno-managerial perspective of telecom business and its environment. The speakers come from various industries including international speakers. It is a valuable addition to students. It brings on a neutral platform, visionaries from across the global ICT industry to discuss and explore the various current global telecom trends.

SIU_TEDx_AY2024-2025

✓ **Simulations and Lab Sessions:**

SIDTM uses simulations for effective learning. We have network simulation, marketing simulation, and business simulations. Students learn the concepts with the help of simulations. Apart from simulations, students use the labs for various access to various research and other databases, analytics, and other courses.

✓ **Industrial Visits:**

The institute gives special importance to understanding the practical aspects of technology. As a result, Industrial visits are organized. These industrial visits are instrumental in enabling the students to have a practical understanding of the ICT industry and it also encourages interaction between students and the industry.

✓ **Summer Projects :**

The students undergo two months of rigorous summer training in the industry. Students are selected from the campus through a summer recruitment process. Upon completion of the project, reports have to be submitted to the faculty. The reports are evaluated according to a host of parameters by teams of eminent professionals and academia.

✓ **Research Projects:**

To inspire thought and initiate the in-depth study in various areas of business and technology, a research project is allotted to each syndicate. This project is conducted over a 10-month period. The research project primarily relates to techno commercial aspects of the ICT industry. The management, alumni, and industry experts decide the topics of the projects. It involves studying the technical aspects along with the business issues and commercial viability.

Every year based on the input & feedback; the above-mentioned Pedagogy may change.

"Note:

\# ONLY Foreign National Students taking Admission in the year 2023 for the Batch 2023-2025, will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1) 100 Full Symbiosis Golden Jubilee Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3) Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure*:

Master of Business Administration (Digital and Telecom Management) [MBA (DTM)]

Semester : I

Generic Core Courses

- Business Communication
- Business Statistics
- Essentials of Marketing Management
- Information Systems for Telecom Business
- Internet of Things
- Introduction to Telecom Technologies
- Managerial Economics
- Network Concepts and Components
- Principles and Practices of Management
- Programming for Data Sciences
- Operations Research
- Research Methodology
- Integrated Disaster Management

Specialization Core Courses: Finance

- Introduction to Financial Markets and Institutions
- Cost Accounting
- Financial Accounting

Semester : II

Generic Core Courses

- Wireless Technologies
- Governance Risk and Compliance
- Introduction to Business Intelligence
- Macroeconomics for Managers
- Managing Pre-Sales
- Project

- Regulatory Aspects of Telecom (RAT)
- Strategic Management
- Technology Innovation
- Visual Analytics

Specialization Core Courses: Finance

- Basics of Financial Management
- Legal and Taxation Aspect
- Management Accounting

Specialization Elective: System (Choose any two courses)

- Cloud-based Solution Architecture
- Convergence of Telecom Networks
- ICT Architectures and Frameworks

Specialization Elective: Marketing (Choose any two courses)

- Consumer Behaviour
- Marketing Research
- Product Management

Specialization Elective: Analytics (Choose any two courses)

- Advanced Programming in Python
- Business Analytics
- Data Mining for Decision Making

Semester : III

Generic Core Courses

- Project
- Digital Technology Transformation
- Services and Technology Trends in Telecom (STTT)
- Digital Risk Management
- Flexi-Credit Course
- Operation Support Systems and Business Support Systems Frameworx (OSS/BSS)

Generic Elective Courses Group (Choose any three courses)

- Descriptive Business Analytics in Telecom
- Information Security Management
- Internal Audit
- ITIL Foundation

Specialization Core Courses: Finance

- Business Modeling and Planning
- Management of Financial Technologies

Specialization Elective: System (Choose any two courses)

- Advanced Cloud-Based Solution Architecture
- Digital Forensics
- Optical Fibre Networks

Specialization Elective: Marketing (Choose any two courses)

- Brand Management
- Digital Marketing
- Services Marketing

Specialization Elective: Analytics (Choose any two courses)

- Applications of AI and ML in Telecom
- Social Media Analytics
- Telecom Analytics

Semester: IV
Generic Core Courses

- Research Project
- Entrepreneurship
- Well for Life

Specialization Core Courses: Finance

- Advanced Corporate Finance

Specialization Core Courses: System

- ICT Consulting

Specialization Core Courses: Marketing

- Supply Chain Management

Specialization Core Courses: Analytics

- Advanced Big Data Analytics Telecom

Prof. Dr. Vandana Sonwaney
Director

Director Profile

Dr. Vandana Sonwaney, Director, Symbiosis Institute of Operations Management, shifted to academics 27 years back after 12 years of corporate experience in the Electronic, FMCG, and Services sector with profiles in brand liquidation, logistics service enhancement, S&OP, and SCM and Consulting.

Her exemplary work in curriculum development focused on continually evolving competency requirements of the industry, culminating in shaping a niche Institute in the field of Operations Management that SIOM stands conceitedly today and speedily evolving into a Center of operations excellence. Under her leadership, SIOM bagged "Best Industry Interface" and "Best Industry oriented curriculum" every year since 2009. SIOM also received the "Prestigious Education Excellence Award 2018" from the "Confederation of International Accreditation Commission forum" in Delhi.

Dr. Vandana is a recipient of the" Distinguished Service Award" for her contribution to fostering Management Research, she received the "Indian Leadership Award" for Education Excellence by All India Achievers Foundation New Delhi and the " Outstanding B School Director Award" in 2019.

Dr. Vandana is currently on the CII Maharashtra task force for Manufacturing and Innovation and also a Co-Convener of Industry -Institute collaboration at CII North West Maharashtra Zone. She is on the National Advisory Board of the Small and Medium Enterprises Chamber of India.

Dr. Vandana received Prof. Indira Parikh's 50 Women in Education Leaders Award 2022, and Education Leadership Award from the World education congress in 2023.

Dr. Vandana is also an Independent Director on the Company Boards. She was a member of the Board of Symbiosis International Deemed University.

Her keen drive for competency-building, technology-oriented, and corporate-linked learning systems has been the game changer. With the vision of empowering & leading Operations Excellence for industry & community at large, she pledges to fuel transformation & leadership competencies to medium & small firms in a constructive way.

Institute Profile:

Symbiosis Institute of Operations Management (SIOM) differentiates itself from other PG Management Schools primarily on its vision of Empowering & Leading Operations Excellence. Its holistic student development approach ensures their transformation into capable & responsive Techno-business Leaders. SIOM students have the most recent knowledge, multi-disciplinary skills, and the right attitude to work within world-class organizations. SIOM's aim is to supply competent leaders in operations management to the corporate world, who would start contributing to the bottom lines without longer gestation periods.

SIOM's distinguishing features for MBA OM (Operations Management):

- 100% engineering background of students for MBA (OM).
- SIOM is one of the very rare B-schools with a 100% focus on Operations Management Industry linkage for training.

- The corporates work shoulder to shoulder with the institute for nurturing students so that they are industry-ready.
- Engagements with top consulting organisations, SAP university alliance, with opportunities for students to acquire world-class certifications such as CPIM, CSCP, CPSM, PMI, SAP, and Lean Six-Sigma Black belt, as the curriculum is linked with the respective Body of Knowledge.
- Huge thrust on experiential learning through projects conducted through Project Based Learning, Semester practical assignments, and internships. SIOM is the only B School that expects the students to complete a live Six Sigma project towards its Black belt certification. This ensures the constant linkage of the classroom conceptual input with the real-life world. SIOM is the competency-building Institute for Engineers who wish to augment their careers in Operations management.

In 2022 to further extend its Operations expertise to sectorial applications SIOM launched the ambitious MBA in Agribusiness Operations. This program is open to any graduate who wishes to make a successful career in the Agri-Business sector with a focus on Operations. To address the operational challenges of a sector that has huge transformational scope with the infusion of new age technologies to resolve fragility around it , the MBA (Agri-Operations Management) aims to bridge the void of advanced and contemporary knowledge and latest technical skills with a global view. The above-mentioned Industry engagements and experiential projects along with certifications are also applicable to MBA in AOM but with a focus on operations of the Agribusiness sector.

Value Add Courses, Expert Guest lectures, Students' Participation in B School Competitions, or Social projects for 360-degree sensibilities, we continue to complement our learning where ever relevant. Apart from the flagship summit on operations TATTV' which is a bi-annual event, SIOM launched the 'OPEX Championship 'with an overwhelming response from the corporate in 2022, where corporate houses showcase their Operating procedures and strategies to win the title.

Programme Profile:

Name of the Programme:
- **Master in Business Administration (Operations Management) [MBA (OM)]**
- **Master in Business Administration (Agri Operations Management) [MBA (AOM)]**

Duration of the Programme:
- **Master of Business Administration (Operations Management) [MBA (OM)]:** 2-year Residential
- **Master of Business Administration (Agri Operations Management) [MBA (AOM)]:** 2-year Non-Residential

Drishti – Business and Cultural Fest

SIOM HR Summit 2023

Intake:
- **Master of Business Administration (Operations Management) [MBA (OM)]:** 120 seats
- **Master of Business Administration (Agri Operations Management) [MBA (AOM)]:** 30 seats

- **Master of Business Administration (Operations Management) [MBA (OM)]**

The SIOM Operations Management specialization empowers each engineer with sharp engineering and scientific capabilities along with smart business management disciplines. The students are dressed to tackle planning, development, and implementation tribulations that their organization might confront. The curriculum deals with topics such as supply chain management, project management, technology management, modeling dynamic systems, and quality management.

The objective of the Programme: MBA (Operations Management) is designed exclusively for Engineers to meet the needs of operations expertise and competencies in diverse sectors of the economy viz. Manufacturing, Service, IT, FMCG, E-Commerce, and Consulting. The objective is to develop amongst the students, an in-depth strategic understanding of operations systems, their components, contributions, and interactions with other functional areas, and the analytical tools necessary to address both strategic and tactical issues, especially catering to the dynamic global business networks addressing the function of efficient Operations processes and systems elated by the not only manufacturing and services but also the booming e-commerce sector.

The curriculum motivates the students to understand the business environment holistically and tries to impart problem-solving skills with respect to the core values and changing times of the market.

- **Master of Business Administration (Agri Operations Management) [MBA (AOM)]**

The SIOM MBA in Agri-Operations Management (AOM) deals with Operations management topics with the flavor of Agri-based Industries. Subjects include Agri- commodity markets, Processing and Value Chain in Agriculture, Agri Supply Chain Management, Advances in Agriculture, Agri- procurement Management, Warehouse Management, and Quality Management for Agri- Products, and many more with managerial underpinnings. Impetus on Entrepreneurship is also one of the intents and hence project-based learning in each semester is part of the program structure.

Objective of the Programme: MBA (Operations Management) is designed exclusively to meet the needs of operations expertise and competencies in Agri and allied sectors that will cater to Agri-based processing, Technology, Retailing, Ecommerce, and Consulting. Technology revolution coupled with changing global norms and increased global competitiveness, invites a tremendous need for professional courses in Agri Management.

The MBA- Agri-Operations Management Programme could thus be a response to this growing need for professionals, who can contribute to, and engineer the Agri revolution. The objective is

- To develop amongst the students, an in-depth strategic understanding of operations systems, their components, contributions, and interactions with Agri-business and other functional areas.
- To provide Business Management knowledge to students with special reference to Agri Operations.
- To address the challenges of rapidly growing and diverse agriculture and allied sectors, the MBA (Agri-Operations Management) Programmes aims at providing updated knowledge in the discipline and with a world view. It will facilitate the acquisition of managerial and technical skills for practicing sustainable agriculture in all sectors of the agricultural economy.

Eligibility:

- **Master of Business Administration (Operations Management) [MBA (OM)]**

  Engineering Graduate (Bachelor of Engineering/ Technology) from any recognised University / Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).
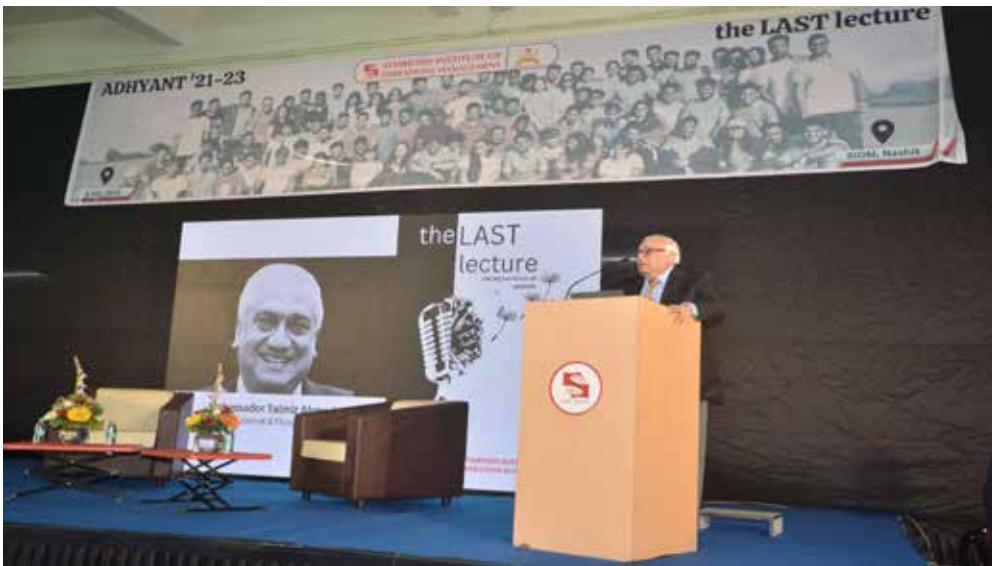

- **Master of Business Administration (Agri Operations Management) [MBA (AOM)]**

  Graduate from any recognized University / Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

SIOM HR Summit 2023

Last Lecture- For the outgoing Batch

Admission Process:

For seeking admission to the Symbiosis Institute of Operations Management, Nashik, Candidate has to register and pay for the SNAP (Symbiosis National Aptitude Test) test fee. While registering for SNAP, the applicant has to also apply for SIOM Nashik in the same application form. A programme fee of INR.1000 (non-refundable) is to be paid to SIOM Nashik for each programme that the aspirant wishes to apply. Based on the SNAP test scores, short-listed candidates are asked to book slots for the GE (Group Exercise), and PI (Personal Interview) process for the respective programme(s). Post this merit list is declared and selected candidates are called for completing the admission process by paying fees within the stipulated time window.

Reservation of Seats: As per University norms.

Orientation and Pedagogy:

MBA (Operations Management) is designed exclusively for Engineers to meet the needs of diverse sectors of the economy. The course is oriented to fill in the void of operations competencies needed to successfully drive businesses through the complex dynamics of the global economies.

Briefly, SIOM is an Institute that is dedicated to the creation of operation managers who are proficient at improving an organization's operational performance by minimizing 'defects' in the manufacturing and service-related processes. Inspired by the motto of the institution 'Empowering and leading Operations excellence for Industry excellence and community wellbeing", engineers who step out of the SIOM portals and stride into the corporate world, prove to be prized assets for modern-day organizations. The sectors open for a career in operations are Manufacturing, Consulting Firms, Retail, Financial Institutions, Transportation and Logistics, Construction, Information Technology, and Hospitality. Students are equipped to attract strategic job profiles in Process Improvement and Management, Developing, Implementing, and forecasting strategies, Supply chain network designing and Optimization, Supplier demand management, Procurement, Demand forecasting, Quality Management, SCM Consulting, Process Improvement, Client Service Manager, and many more given the capacities and expertise gained during the course. A highly advanced and Industry relevant state-of-the-art course with a balanced understanding of technical-analytical and organizational-behavioral aspects of the market makes this program unique.

MBA (Agri-Operations Management) is designed to meet the needs of Agri-based and allied sectors of the economy. The course is oriented to fill in the void of operations competencies needed to successfully drive Industries through the complex dynamics of the global economies. Students are equipped to manage Agri-based Process Improvement and Management, Developing, Implementing, and forecasting strategies, Procurement, Demand forecasting, Quality Management, SCM Consulting, Process Improvement, and many more given the capacities and expertise gained during the course. A highly advanced and Agri tech Industry relevant state-of-the-art course with a balanced understanding of technical-analytical and organizational-behavioral aspects of the market makes this program different and most relevant.

On campus academic sessions and pedagogy is as follows:

Regular sessions:

These are regular classroom sessions on courses listed in the SIU-approved program structure for which a fortnightly schedule is communicated to all students through the portal.

Project:

Students are required to do projects each semester with the industries based in Nashik. The objective is to inculcate research capability & practical insights and problem-solving of the subject within the student.

Six Sigma:

All students enrolled for this course will undergo Six Sigma training through theory & practical sessions with live projects which are evaluated by Consulting experts to earn Lean Six Sigma Black Belt Certification.

The course plan suggests a delivery mechanism of the course along with pre-reads, case studies, and presentations, which students are required to go through beforehand. The absence of this may lead to compulsory library hours for the students.

OBL 2023-35 Batch

SIOM OPEX- Title for Industry Excellence

Tattv- Operations Summit

Co-curricular Learning Activities:

Value-added and enrichment courses are offered through various platforms. These form an important supplementary part of mainstream learning. Students are expected to participate and attend all such sessions.

Workshops:

Workshops for skills development or in-depth inputs of subjects that may or may not be a part of the course structure are organized.

Guest Lectures / CEO Meets:

Heads of Corporate / CEOs of companies are invited to share their experiences with the students to impart practical insights and relevance of subjects.

Industry visits:

Industry visits are arranged during the Semester. Every student visits at least one company to give them exposure to the processing / Operations / Retail / of Agri-Industries in and around Nashik.

Dr. Madhvi Sethi
Professor and Director, SIBM Bengaluru.
MBA, Ph.D. Post-Doctoral Fellow

Director Profile:

Dr. Madhvi Sethi completed her post-doctoral fellowship from Indian School of Business (ISB), Hyderabad after doing her Doctorate in the area of financial markets. Her research interests lie in the areas of financial markets, financial economics, mergers and acquisitions and capital structure decisions. She has presented papers in several international and national conferences. Her research papers have been published in various peer-reviewed journals in India and abroad. She has co-authored a book titled "Indian Business Groups: Strategy and Performance" which has been published by Cambridge University Press, India. Her co-authored cases are available on Harvard Business Publishing and Ivey Publishing.

Dr. Sethi has been appointed as the Research Mentor for SIBM-Bengaluru by Symbiosis International (Deemed University), Pune. She has been involved in corporate programmes conducted at Wipro and Infosys where she has been teaching executives at different management levels. Dr. Madhvi Sethi has been invited to deliver guest sessions at Nottingham Business School, Nottingham Trent University (UK) and Gabelli School of Business, Fordham University (NY). She has also been an adjunct Faculty with School of International Business and Entrepreneurship, Steinbeis University, Germany.

Institute Profile:

Ever since its inception in 2008, Symbiosis Institute of Business Management, Bengaluru has been striving to achieve excellence in imparting Management Education. The Institute believes that the demand from the corporate is for "techno managers" who embrace technology and analytics while excelling in their domain areas. The dynamic curriculum and rigorous academic practices at SIBM Bengaluru incorporate this industry expectation into a teaching-learning process.

Management education is expected to provide the skills, knowledge and experience to make sound decisions in a complex and ever-changing business environment. SIBM Bengaluru envisions a Management Education with a "Quantitative Difference" by focusing on data analytics across all programmes. At SIBM, Bengaluru the decision-making skills of the students are enhanced with the use of Harvard Business School case studies, simulations and articles. Technology has been further integrated into the curriculum with an all-encompassing learning management system and flipped classroom model. Data driven decision making skills are imparted by including training on software applications like R, Python, Tableau, Power BI and SPSS. The Institute hosts a diverse set of databases like Bloomberg, CMIE Prowess etc to facilitate access to financial and economic data for robust analysis.

Management Education provided at SIBM Bengaluru is based on the SEAT (Sustainability, Ethics, Analytics and Technology) philosophy. Through this philosophy we aim to create managers who not only excel in areas of analytics and the underlying technology, but at the same time are conscious of both ethical issues and sustainability needs of the planet.

We have a proprietary model called "SC-IE-NCE" that forms the basis of curriculum development. We combine the Student Competence (SC) with Industry Expectations (IE) and arrive at New Courses or Enhancements (NCE).

Our curriculum goes through two levels of scrutiny – one through our own internal Board of Studies comprising of Industry Experts, Faculty and Alumni and another through the Board of Studies of the University.

The Institute firmly maintains that learning goes beyond the classroom and organises regular student-industry interaction through guest sessions and corporate events. Industry interface is further strengthened by live projects and Summer Internship Programmes (SIP). Continuous and close interaction between Academia and industry has intensified the trend of getting SIBM-B students industry ready. Incorporation of industry feedback into curriculum and teaching learning process help us in successfully bridging the gap between industry expectations and graduate outcomes. The dividend for successful integration of industry expectations has been paid off in the form of diversified placement profiles and better packages.

Vibrant student committees and clubs complement the programme by providing a platform for the students to nurture their leadership skills. Apart from training the students to acquire the knowledge and skills to excel in their professional lives, the institute also focusses on developing the right values and attitudes among the students through various social responsibility activities.

Erudite and accomplished faculty members at SIBM Bengaluru spearhead the process of transforming students into techno managers. Our faculty team consists of a unique blend of professionals with rich industry experience and research accomplishments. They hail from top B-Schools in the country including IIMs, ISB etc.

Programme Profile:

Name of the Programme(s)

- **Master in Business Administration (MBA)**
- **Master of Business Administration (Business Analytics) [MBA (BA)]**
- **Master in Business Administration (Executive) -M.B.A. (Executive)**

Intake:

- **Master of Business Administration (MBA):** 210 seats
- **Master of Business Administration (Business Analytics) [MBA (BA)]:** 30 seats
- **Master in Business Administration (Executive) -M.B.A. (Executive):** 30 seats

- **Master of Business Administration (MBA)**

  The MBA Program at Symbiosis Institute of Business Management Bengaluru (SIBM-B) aims to mould and groom future business leaders.

  The first year of the MBA program is divided into two semesters comprising of the foundation subjects of management such as Economics, Accounting, Statistics, Strategy, Marketing, Operations, Organizational Behavior, Finance, Human Resource Management and others. At the end of the first year, the students go for SIP (Summer Internship Program) for the duration of 8 weeks. It offers an opportunity to students to get an exposure to the corporate world and to put their learnings into practice.

Samaavesh – Induction Programme conducted by Alumni

The second year of the program (comprising of third and fourth semesters) offers students a chance to specialize in their area of interest. The specializations offered are Finance, Marketing, Operations and Human Resource Management. Apart from the specializations, students are also encouraged to choose electives outside one's area of specialization.

- **Master of Business Administration (Business Analytics) [MBA (BA)]**

  The big data and data analytics industry will be a multi-billion industry by 2023.In 2017 itself, a McKinsey report stated that a shortage of millions of data and business analysts is keeping the modern business enterprise machine away from peak performance. With the tsunami of data generated on a daily basis, executives have to incorporate IT skills into their arsenal to take well informed decisions. The MBA programme in Business Analytics (MBA BA) at SIBM Bengaluru, empowers managers to take data driven decisions and steer the business in a successful direction. Business management and analytics is an unbeatable combination that has made modern enterprises more competitive and has streamlined their decision making. An MBA(BA) graduate will develop expertise in several data analytics tools to derive insights to solve a myriad of business problems. This requires end to end knowledge of platforms like R, Python, SPSS Tableau, – all of which are present at the data lab at SIBM B. The institute also boasts of Bloomberg terminals and online research databases like EBSCO, Emerald, Jstor, and CMIE Prowess.

Eligibility:

- **Master of Business Administration (MBA)**

  Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

- **Master of Business Administration (Business Analytics) [MBA (BA)]**

  Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Dr. Neha Parashar
Director

Director Profile

Dr. Neha Parashar completed her doctorate degree in the area of behavioral finance (2008) and is a gold medalist (University topper) during her MBA and M.Com. Her research interests lie in the area of financial markets, financial services, behavioural finance, corporate governance, mergers and acquisitions, wealth management, and financial planning. She has presented papers in several international and national conferences. Her research papers have been published in various peer-reviewed journals across.

She has been awarded with INNOVATIVE LEADER AWARD UNDER INNOVATIVE EDUCATION LEADERSHIP AWARDS. India's Best Finance Teacher by the Association of International Wealth Management of India (AIWMI), Best Young Teacher Award in Management Category by Academisthan Foundation, Awarded with Most Influential Women in Academics 2020 by Education Ninja and Academy of Management Professionals (AMP), Awarded with Indira Parikh 50 Women in Education Leaders by World Education Congress and Awarded with 100 Most Dedicated Professor by World Education Congress. She has authored a book named "Mutual Fund and Investors" published by Classical Publishing House, New Delhi. She has 19 plus years of rich teaching experience across several universities and colleges in India. She has also participated in a 5 months long Faculty Development Programme organized at IIM, Ahmedabad.

Institute Profile

Symbiosis School of Banking & Finance was established in the year 2010 to address the growing demand for trained workforce in the Banking and Financial Services Sector. Given that a strong and resilient banking system is critical for fuelling and sustaining growth, the importance of having industry-ready manpower cannot be over-emphasized. This programme - MBA (Banking and Finance) with specialization in Fintech/Financial Services, has been designed to provide the necessary education and skill-sets to equip students to innovate, manage, lead and take on the challenges of this increasingly complex and dynamic sector. SSBF is committed to providing an environment that facilitates learning and development of well-rounded personalities such that they leave the portals of the institute as industry-ready professionals.

The exponential growth of the banking and financial sector in this competitive era has opened up varied career roles. Starting from the Financial and Business Analytics to Assets Management, today the students have numerous options to choose from. SSBF changes its programme structure regularly making it even more industry relevant based on inputs from industry experts. Our MBA also offers in depth knowledge, encompassing the multiple aspects of the Banking, Financial Service and Insurance (BFSI) industry including the technological aspects. We focus more on – inculcating adaptability in students, making them lifelong learners.

In order to ensure that the students are ready to take up the challenges posed by the corporate sector, SSBF also incorporates industry relevant certifications such as NISM, Python, Bloomberg Market Concept and NSE Academy (SMART) and CRISIL certifications etc. as a part of its curriculum. To facilitate students in getting an industry exposure, they have to mandatorily undergo an internship of two months with a Bank, NBFC or a corporate house. To hone the research and analytical skills, students also undertake a dissertation project where they work on a topic

of their interest under the guidance of a faculty mentor. The students are also encouraged and trained to write Research Papers and publish them in renowned journals.

Guest lectures by international faculties are also arranged regularly to broaden the outlook of the students. In order to inculcate the spirit of teamwork and improve their leadership skills students have to be a member of at least one committee like Institute Social Responsibility (ISR), Corporate Interface Team (CIT), E-Cell, Public Relations, Equity Research, Co-Curricular, Sports, Alumni and Placement to name a few. Students are also encouraged to participate in various extracurricular activities, Institute Social Responsibilities (ISR) activities, cultural and sports events to develop personality and grow personally and professionally. Mock Group Discussions – Personal Interviews are arranged for the students which are conducted by industry experts. Special sessions on Interview and Soft Skills are also arranged. SSBF encourages students to appear for examinations of Reserve Bank of India (RBI) and various other Government institutions to give substantial contribution in the growth of our country. Students are encouraged to pursue professional courses such as CFA, FRM and CFP.

Symbiosis School of Banking and Finance (SSBF) is proud to announce that almost every year 100% placement of eligible students is achieved.

Several esteemed organizations like JP Morgan & Chase, Crisil, BNY Mellon, IDFC First Bank etc. offer various roles like Analyst, Management Trainee, Relationship Manager, Wealth Management, Credit Manager, Operation, and Retail Branch Banking in the BFSI Domain.

Similarly various organizations like JP Morgan Chase, CRISIL, RBI and other public sector banks offer summer internships with various roles.

Programme Profile

Name of the Programme:

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

Duration:

- **Master of Business Administration (Banking and Finance) [MBA (BF)]:** 2-year Full-Time Residential Programme

Intake:

- **Master of Business Administration (Banking and Finance) [MBA (BF)]:** 90 seats

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

    The MBA (Banking and Finance) program with specialization in Fintech/Financial Services is designed with an objective to disseminate relevant knowledge and provide skills to students such that they function effectively in the challenging environment of the Banking, Finance and Insurance (BFSI) sector. The specializations will help equip and empower students with the knowledge and skill required to prosper in the dynamic technology-driven financial environment. The programme develops future BFSI leaders with requisite skills through robust curriculum and collaborative initiatives to excel in the dynamic global environment.

    Areas of specialization offered:

    - Financial Services
    - Fintech

Eligibility:

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

  Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Castes/ Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms

Admission Process:

- **Master of Business Administration (Banking and Finance) [MBA (BF)]**

  Selection to the MBA (Banking and Finance) programme at SSBF is based on the performance of a candidate in SNAP and GEPI Process. The weightage is given below:

SNAP Score out of 60 scaled down to 50	50
Group Exercise (GE)	10
Personal Interaction (PI)	40
	100

Orientation and Pedagogy:

SSBF follows innovative teaching pedagogies where the classroom environment is interactive where participative learning permits a free flow of ideas between faculty & students. It comprises of:

- Group Discussions, Scenario Analysis

- Case Studies, Presentations, Role Plays and Field Work

- Analytical Sessions, Simulations and problem-solving exercises

- Seminars and formal lectures

- Research paper discussions

- Article and Report writing

- Access to SWAYAM courses

- Online collaborative platforms with NSE Academy are embedded in the curriculum for providing technology enabled learning environments and developing non-cognitive competencies - through certifications and virtual trading lab

- Financial literacy workshops are conducted by students under the guidance of faculty members as a part of experiential learning for undergraduate students of other Symbiosis institutes, school children, SHG women of nearby villages

- Use of Moodle Learning Management System (LMS) to facilitate the teaching, learning and evaluation process

- Strong emphasis on business analytics with hands-on training on R, Python, Tableau, Power BI and SPSS.

- Access to Bloomberg Terminals to empower students with hands-on knowledge of markets and finance.

Dr. K. P. Venugopala Rao
Director

Director Profile:

Dr. K. P. Venugopala Rao is a Doctorate in Commerce from Osmania University and also holds a degree in Law and Education. His thesis was in the area of Commodity Derivatives in India. He has over two decades of experience in teaching, research and academic administration and has held various academic and administrative positions in reputed academic institutions. His teaching and research engagements were at prestigious universities like Osmania University and Kakatiya University. He is an avid researcher and has research publications in various national and international peer reviewed journals. His research interests lie in the area of Accounting, Taxation and Capital Markets. He actively promotes innovative teaching pedagogy to make the learning more effective and provide deeper engagement with the audience. He is the member of Subcommittee of BoS in Banking and Finance and also for BoE at Symbiosis International (Deemed University). Dr. Rao headed Symbiosis Centre for Management Studies, NOIDA during 2020-2022. He conducts training programmes for corporate executives and leaders at Cogent Ltd, Indian Railways, Bayer Ltd and L&T. He is also actively engaged in conducting Faculty Development Workshops and Management Development Programmes. He is invited to speak at various academic workshops and National Seminars in the areas of research. Dr. Rao is a member of ISDSI and Telangana Commerce Association and actively participates in various forums of FTAPCCI and CII.

Institute Profile:

SIBM-H with the motto "Shraddhavan Labhate Gyanam" meaning "The earnest aspirant gains supreme wisdom" is poised to make new strides in delivering quality management education with a unique mix of knowledge, skills and ethics, drawing on rich base of SIBM Alumni and stakeholders. Symbiosis Institute of Business Management, Hyderabad (SIBM-H) has positioned itself as a preferred destination for students aspiring to become a seasoned Business Management Professional.

SIBM-H provides the right academic environment to learn management in a competitive, conducive and a contemplative setting. Situated amidst the upcoming Educational Hub and in the vicinity of Industrial Corridor, SIBM-H is housed in a sprawling 40-acre Campus at Mamidipalle, Ranga Reddy District, Telangana and is a 30-minute drive from Rajiv Gandhi International Airport, Hyderabad.

A fully Residential and Wi-Fi enabled campus; SIBM-H has the state-of-the-art infrastructure and world class facilities for all-round development of the student community. The academic life on this campus is a convergence of curricular, co- curricular, and extra-curricular activities. The campus has a unique advantage of access to the rich educational, technological expertise along with resources available in Hyderabad with a bouquet of best practices and focus on all-round student development. The value of SIBM-H lies in its legacy of quality and excellence with well-defined personal care and progressive strategy. It is now galloping leadership in academic excellence, in internationalization of management education, and has become bedrock for showcasing talent in B-School competitions across the country and through its innovation in admission, assessment and pedagogy.

Programme Profile:

Name of the Programme:

- **Master of Business Administration (MBA)**

Duration:

- **Master of Business Administration (MBA):** 2-year Full-Time Residential Programme
- After successful completion of two years' full time residential MBA Programme from SIBM - Hyderabad, Symbiosis International (Deemed University), Pune awards the MBA degree to the students.

- **Master of Business Administration (MBA)**

  The two-year full time Master of Business Administration (MBA), offered at Symbiosis Institute of Business Management, Hyderabad, aims at grooming students as socially conscious world-class business leaders. The curriculum of SIBM-H is dynamic and periodically updated by benchmarking with the best of Industry standards. The MBA Programme follows the Semester System pattern and offers Specializations in the area of Finance, Marketing, Human Resource and Operations and is based on Choice Based Credit System. Apart from Classroom learning, Value Added Courses, Extension Programmes and Study Tours are regularly conducted to enhance the student understanding of the real world situations and practices in the field of Management. Academic Programme is holistic and the pedagogy involves Group Discussions, Case Studies, Simulations, Lab Tutorials, Seminars and Workshops, along with Eight-Week Intensive Summer Internship Programme. The distinctive quality of learning at SIBM-H is its Industry-Academia interface, wherein experts from the Industry/ Corporates participate in Curriculum Design, facilitating experiential learning through knowledge sharing as Guest Speakers, which give firsthand account of the ever changing business environment and prepare the students to become competent, responsible and innovative professionals.

Field Visit

Independence Day

- **Specializations:**

  Finance, Marketing, Operations, Human Resource

Eligibility:

- **Master of Business Administration (MBA)**

  Candidate should be Graduate from any recognized University / Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste / Scheduled Tribes).

  Final year appearing students can apply but their admission will be subject to obtaining a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste / Scheduled Tribes.) A Candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from Association of India Universities (AIU)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration (MBA)**

  Candidates aspiring to join MBA / MSc (CA) / MSc (SS) Programmes offered by institutes of Symbiosis International (Deemed University) have to appear for the common, mandatory Symbiosis National Aptitude (SNAP) Online Test 2020. A candidate needs to register for SNAP Test & also register for the institutes offering his/ her choice of programmes by paying separate programme registration fees. If shortlisted, he/she would then need to attend the GE-PI process conducted by each of these institutes individually.

Merit list will be based on the following parameters:-
WEIGHTAGE FOR MERIT LIST

SNAP Score out of 150 scale down to 50	Group Exercise (GE)	Personal Interaction (PI)	Institute Specific	Total
50	25	15	10	100

Category-wise cut off for Merit List and Wait List will be displayed on the website of the respective institutes. Wait list movement will depend upon the vacant seats available.

The admission is provisional and will be confirmed on payment of fees on or before the due date and subject to fulfilment of eligibility conditions of the respective Programme(s) and in accordance with the rules of the Symbiosis International (Deemed University).

S. No	Programme	Applicability of Entrance Examination	Fees Amount in Rs.
1.	MBA	SNAP registration fee per test	2250
		Institute Registration fee	1000

Reservation of Seats: As per University norms.

Dr Shailesh Rastogi
Director

Director Profile:

Dr Shailesh Rastogi is presently working as Director and Professor at SIBM Nagpur. Dr Rastogi is no stranger to the world of academia, boasting an impressive 23 years of experience in academic, research, and administrative roles. His forte extends beyond the classroom. He is passionate about faculty development programs, research, and the use of technology to enhance the learning experience.

Before joining SIBM Nagpur, Dr Rastogi worked as a Professor in one of the leading B-Schools of Symbiosis group, SIBM Pune. Before SIBM Pune, he was Dean of the MBA Program at Thiagarajar School of Management, Madurai. He has also served in several prestigious institutions including Jaipuria Institute of Management Jaipur, GLA University Mathura and Invertis University Bareilly. He had been Program Directors for PGDM, PGDM (Financial Services) and PGDM (Retail Management) for several years in Jaipuria Institute of Management Jaipur. During his previous stints in different institutes, he had also headed different teams regarding accreditations (International: ACBSP; National: NBA, NAAC) and regulatory compliances (AICTE and AIU).

Dr Rastogi has been instrumental and headed many sponsored consultancy projects, which include projects at Velammal Medical College & Hospital Madurai, RUIDP Government of Rajasthan Jaipur, IFFCO Bareilly and J K Sugar Mills Bareilly. His expertise includes conducting MDPs on Panel Data Econometrics, Financial Econometrics, Financial Analytics using spreadsheets & VB and Corporate Valuation. He is a prolific researcher with more than 150 research papers published in national and international journals of repute which are indexed in Scopus, Web of Science and ABDC. In addition, Dr Rastogi has more than 11 research scholars who have completed their doctorate under his supervision.

He has a PhD in Management (Finance) from MJP Rohilkhand University, Bareilly. He is a management graduate from the National Institute of Technology, Allahabad (MNNIT). His areas of interest for teaching are Analytics (Financial Econometrics, Financial Modelling using Spreadsheet and VB, Financial Data Analytics using Python) and Valuation (Corporate Valuation and Corporate Finance).

His areas of interest for research are firm and bank performance, inclusive growth, financial materiality of sustainability, market integration and volatility spillover effect, circular economy, intangible assets and valuation, and leadership and spirituality.

Beyond his professional accomplishments, Dr Rastogi is an active contributor to social and spiritual causes, adding a unique dimension to his approach to education.

Institute Profile:

Symbiosis Institute of Business Management, Nagpur is a Constituent of Symbiosis International (Deemed University), (SIU). An off-campus institute of SIU, SIBM Nagpur has been established with the aim of imparting world-class education to students and transforming them into top notch business leaders. It began with a two years' full time MBA program with an option to specialize in Marketing, Finance, Operations or Human Resource and added Business Analytics as a fifth specialization later alongwith a new program, MBA (Food and Agri Business Management). The Institute will also offer MBA (Executive) from this year.

Being part of huge 75-acre beautiful Campus, SIBM-Nagpur has state-of-the-art infrastructure and world class facilities for all-round development of students. The MBA program will be fully residential, with excellent hostel facilities, including Wi - Fi and Air conditioning.

SIBM- Nagpur has the unique advantage for being situated in the upcoming educational hub of Maharashtra and in the vicinity of MIHAN Project of Government of Maharashtra, with a huge Special Economic Zone alongside. These projects are expected to house various export oriented units like I.T. industries, gems and jewellery, garments, electronic goods, pharmaceuticals, processed foods and many other type of industries. Students will get enormous opportunities for internships, and live projects. Proper Placement assistance is offered to the students, and Placements have been excellent with the maximum CTC being offered for 2022 batch at Rs. 25.6 lakhs and average CTC around 11 lakhs. The Institute was originally to start with an approved intake of 120 seats, which was later enhanced to 180. 25% seats are reserved for Nagpur Domiciled candidates. The Institute has met with an outstanding response from students. It offers 5 specializations: Marketing Management, Financial Management, Human Resource Management, Logistics, Supply Chain Management and Business Analytics. From this Academic Year, the institute will also offer an MBA (Executive)

The Institute offers regular corporate interactions and is also being supported strongly by senior SIBM alumni. SIBM – N also conducts Management Development Programs for reputed corporates like LnT, and has now tied up with VANAMATI, the training arm of the Government of Maharashtra, Department of Agriculture, for various training and consulting assignments.

Orientation and Pedagogy:

The Institute follows a highly interactive learning method with great stress laid on self-learning. Case Studies, Projects, Assignments are part of the regular pedagogy. Flipped Classrooms have been introduced. The focus is on application-based education. Coursera Courses are also proposed to be offered to the students as supplementary learnings, in addition to their regular program structure. The Institute encourages live projects and virtual internships as well. Corporate Interactions and sharing of real-life experiences by corporate speakers are a part of the regular schedule. A soft skills program and a current affairs awareness program are additions to the regular curriculum.

Orientation and Pedagogy:

Symbiosis Institute of Business Management, Noida practices Outcome Based Education, where the institution maps the learning outcomes of the students to reflect the achievement of higher order learning. The following pedagogical practices are used-

- Student Centred Teaching: Here the focus is not on Teacher centred classroom discourse only, but the focus is on what the students are learning from the sessions.

- Game Based Teaching: Game-based teaching uses the power of games to define and support student learning outcomes. This promotes critical thinking and strategic decision making.

- Flipped Classroom Method: This is an instructional strategy and a type of blended learning, which aims to increase student engagement and learning by having them complete readings at home and work on live problem-solving during class time. Student is required to take the lead here and even facilitate groups by taking ownership.

- Experiential Teaching: The concept experience is brought into the classroom through a visual aid like a video or a Guest Lecture from an Industry expert or a hands-on experience or an Industry Visit.

Superior quality instructional resources are used and these further add value to the teaching-learning experience.

Inaugural Session, MBA 2023-25, SIBM, Noida

Workshop for SIBM, Noida students conducted by Associate Director, Cognizant

"Excelsior 2023"- An Induction Programme for MBA 2023-25 Students

Symbiosis Institute of Business Management (SIBM) Noida, a newly launched institute under Symbiosis International (Deemed University), successfully concluded "Excelsior 2023," a 10-day induction programme for the MBA 2023-25 batch. The programme marked the beginning of an enriching academic journey for the first batch of MBA students. The inaugural session, held on 27th June, 2023 at SIBM Noida, commenced with the blessings of the honorable Pro-Chancellor, Dr. Vidya Yeravdekar and Vice Chancellor, Dr. Rajani Gupte. Dr. Vandana Ahuja, Director-SIBM, Noida welcomed senior corporate leaders like Ms. Aarti Gulati, Managing Director, Head-Enterprise Transformation, APAC, Citibank, Mr. Premjeet Sodhi, Chief Strategy Officer, Wavemaker, Mr. A.V. Surya, CEO and Co-founder, Convergent, Mr. Manish Nigam, CEO, Vytals, Mr. Dharm Rakshit, Plant Human Resources Head and Lead-Employee Relations, HeroMotocorp, Mr. Kulpreett Singh Sawhney, Sr. Director and India Lead-Learning and Development, Publicis Sapient, Mr. Abhishek Singh and Ms. Seema Tomar, Britannia Industries Ltd. Their industry expertise laid a strong foundation for the students' academic and professional pursuits. Dr. R. Raman, Dean, FoMS, also addressed the students during the inaugural session. Excelsior, 2023 also encompassed workshops on developing a competitive advantage, building a personal brand using LinkedIn, business storytelling, and design thinking. Additionally, sessions on goal setting for career progression, effective communication skills, emotional intelligence, and team-building workshops were conducted.

The MBA students also had the privilege of visiting the Hero Moto Corp plant in Dharuhera, Gurugram, gaining practical insights into manufacturing processes. Excelsior 2023 has provided the MBA 2023-25 batch at SIBM, Noida with an excellent learning experience, equipping them with industry insights, skills, and knowledge necessary to thrive in the dynamic business landscape.

Common Induction Programme at Symbiosis,Noida Campus

Interaction between SIBM, Noida team and members from ASTON University UK

Industry Visit to Hero Moto Corp plant.
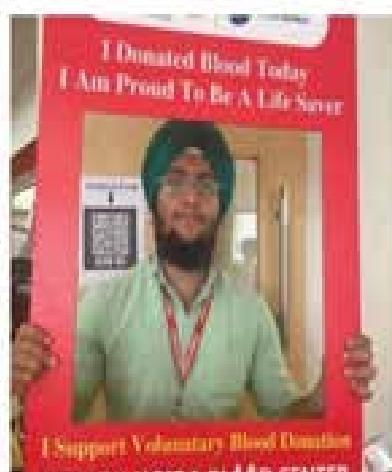

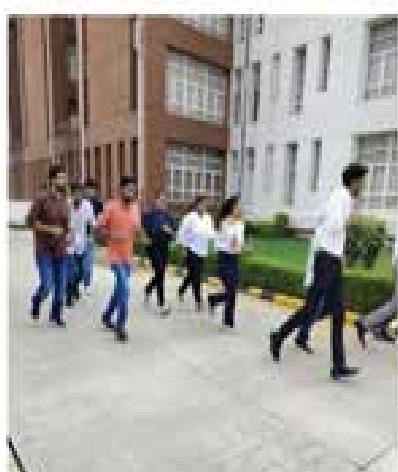

- Industry Visit to HeroMotocorp Dharuhera, Haryana Plant

The students of SIBM Noida went for the industry visit to the HeroMotocorp Plant, Haryana in July, 2023. The visit included an introductory session by Mr. Amar Gupta, Senior Manager Business & Manufacturing Excellence, plant tours and an engaging HR talk by Mr. Sudhanshu Padhy, Deputy General Manager and Head Technical Training, Human Resources.

- FreshWave 2023

The fresher's welcome party "FreshWave" took place in August, 2023. The objective was to encourage enthusiastic student involvement and nurture a feeling of camaraderie among the new students. The event aimed to create an interactive platform where newcomers could display their talents, partake in enjoyable activities, and establish connections with their peers.

Programme Profile:

Name of the Programme:

- **Master of Business Administration - Information Technology [MBA (IT)]**
- **Master of Business Administration - Digital transformation [MBA (DT)]**
- **Master of Science - Computer Applications (MSc-CA)**

Duration:

- **Master of Business Administration - Information Technology [MBA (IT)]:** 2-year full time   programme Non-Residential
- **Master of Business Administration - Digital Transformation [MBA (DT)]:** 2-year full time   programme Non-Residential
- **Master of Science - Computer Applications (MSc-CA):** 2-years Non-Residential

Intake:

- **Master of Business Administration - Information Technology [MBA (IT)]:** 60 seats
- **Master of Business Administration - Digital transformation [MBA (DT)]:** 30 seats
- **Master of Science - Computer Applications (MSc-CA):** 30 seats

- **Master of Business Administration - Information Technology [MBA (IT)]**
  Objective

  To prepare students in applications of information technologies to deliver software solutions.

  The program focuses on

  - Imparting training in latest technologies.
  - Exposure to best business practices.
  - Building team leadership qualities and management skills

As programme relates to current professional practice and the work place, the students are best suited for entry-level positions as:

- Application Programmer: Using latest methodologies, development tools, languages.
- Business Analyst: Business development, Pre-sales, Selection & Implementation of software solutions.
- Quality Analyst: Implementation of enterprise level quality models, design /implementation of software development processes, testing and technical documentation.

- **Master of Business Administration - Digital transformation [MBA (DT)]**

  Objective
  - To prepare students to lead and drive digital transformation initiatives for the business.
  - To make students understand best operational and strategic management technology drivers for the business processes.
  - To enable students to lead business transformation initiatives by understanding applications of leading technologies including AI, Cloud, Business Intelligence, and Data visualization for the organisations.
  - To prepare students to understand and design digital business models.

Field visit at Lohagad Fort

- **Master of Science - Computer Applications (MSc-CA)**

  Objective

  This programme will equip students with knowledge highly relevant to emerging technologies. This programme aims to provide a comprehensive framework for understanding by integrating theoretical foundations with extensive practical work in the labs and hands-on experience.

  The programme offers following areas of specializations:

  i.   Software Development

  ii. Data Science

  iii. System Security

Eligibility:

- **Master of Business Administration - Information Technology [MBA (IT)]**

  Graduate from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

- **Master of Business Administration - Digital transformation [MBA (DT)]**

  Graduate from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

- **Master of Science - Computer Applications (MSc-CA)**

  Graduate from any recognised University /Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/Scheduled Tribes)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration - Information Technology [MBA (IT)]**
- **Master of Business Administration - Digital transformation [MBA (DT)]**

  - Fill the SNAP Application Form
  - SNAP Fees payment
  - Register for the institute (SICSR)
  - Programme-wise fees payment for GE-PI
  - Download the SNAP admit card
  - Appear for the SNAP exam
  - Check the SNAP result
  - Book your slot for the Online GE-PI process for SICSR
  - Appear for the Online Group Exercise and Personal Interaction Process
  - Merit list will be displayed
  - Admission will be confirmed after payment is made

- **Master of Science - Computer Applications (MSc-CA)**
  - Visit website www.sicsr.ac.in
  - Register online for MSc (CA) by filling up the online registration form available under Non-SNAP application.
  - Payment of Registration Fees
  - Book the slot for the Online Personal Interaction(PI) and Written Ability Test (WAT) process.
  - Appear for the Online Personal Interaction(PI) and Written Ability Test(WAT) process.
  - Merit list will be displayed as per the admission calender.
  - Admission will be confirmed after the payment is made.

Reservation of Seats: As per University norms.

Master of Science - Computer Applications (MSc-CA)

Within the sanctioned intake:

- Scheduled Castes (SC) – 15%
- Scheduled Tribes (ST) – 7.5%
- Differently Abled – 3%
- Children / Wards of Defence Personnel – 0%

Over and above the sanctioned intake:

- Kashmiri Migrants – 2 Seats
- International Students – 15%

PG Induction Programme at SICSR

Important Dates:

- **Master of Business Administration - Information Technology [MBA (IT)]**
- **Master of Business Administration - Digital transformation [MBA (DT)]**

Details	Date
Programme Registration Begins	August 23, 2023 (Wednesday)
Last date of Online registration	November 23, 2023 (Thursday)
Last Date of payment of Registration fees	November 23, 2023 (Thursday)
Last Date of payment of Registration fees for Institute	January 13, 2024 (Saturday)
Entrance Test	SNAP Test 1 - December 10, 2023 (Sunday) SNAP Test 2 - December 17, 2023 (Sunday) SNAP Test 3 - December 22, 2023 (Friday)
Test Result	January 10, 2024 (Wednesday)
Announcement of Shortlist for Group Exercise and Personal Interaction	January 18, 2024 (Thursday)
Group Exercise, Personal Interaction Dates	February 7, 2024 (Wednesday) to February 14, 2024 (Wednesday)
Announcement of First Merit list	February 23, 2024 (Friday)
Last date for payment of fees for candidates in the first merit list	March 04, 2024 (Monday)
Programme Commencement	June 01, 2024 (Saturday)

- **Master of Science - Computer Applications (MSc-CA)**

    Please visit the website www.sicsr.ac.in for more details

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.sicsr.ac.in

Orientation and Pedagogy:

SICSR's approach to teaching includes a combination of lectures, class discussion, group work, and self-study for blended learning evaluation and continuous evaluation of students.

PG Induction Programme at SICSR

Fee Structure

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

Programme Fees For Master of Business Administration (Information Technology) [MBA (IT)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 4,91,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Business Administration (Digital Transformation) [MBA (DT)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 5,77,500
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Computer Applications) [M.Sc. (CA)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 4,30,500
Institute Deposit (Refundable)	₹ 20,000

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model colony Campus only)	1st Year Academic Year 2024-25 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 94,500
Hostel Deposit (Refundable)	₹ 15,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	₹ 1,12,000

Installments for Master of Business Administration (Information Technology) [MBA (IT)]	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 2,45,500	₹ 2,45,500	₹ 2,45,500	₹ 2,45,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	**₹ 2,65,500**	**₹ 2,45,500**		
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

Installments for Master of Business Administration (Digital Transformation) [MBA (DT)]	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 2,88,750	₹ 2,88,750	₹ 2,88,750	₹ 2,88,750
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	**₹ 3,08,750**	**₹ 2,88,750**		
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

Diwali Celebration at SICSR

Installments for Master of Science (Computer Applications) [M.Sc. (CA)]	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 2,15,250	₹ 2,15,250	₹ 2,15,250	₹ 2,15,250
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	**₹ 2,35,250**	**₹ 2,15,250**		
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft.Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Fee Structure

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Business Administration (Information Technology) [MBA (IT)]		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$9,400
Academic Fees (per Annum) to be paid	**(A)**	**$9,400**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total Fees to be paid	**(D)=(A+B+C)**	**$10,225**

Programme Fees For Master of Business Administration (Digital Transformation) [MBA (DT)]		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$11,050
Academic Fees (per Annum) to be paid	**(A)**	**$11,050**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total Fees to be paid	**(D)=(A+B+C)**	**$11,875**

Programme Fees For Master of Science (Computer Applications) [M.Sc. (CA)]		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$8,250
Academic Fees (per Annum) to be paid	**(A)**	**$8,250**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total Fees to be paid	**(D)=(A+B+C)**	**$9,075**

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model Colony Campus Only)	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Mess Fees (Per Annum) @	$1,250
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	$1,450

(a) Installment for Master of Business Administration (Information Technology) [MBA (IT)] Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable)	$550	-	-	-	-
Academic Fees (Per Annum)	$540	$4,430	$4,430	$4,700	$4,700
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$4,430**	**$4,430**		
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

(a) Installment for Master of Business Administration (Digital Transformation) [MBA (IT)] Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable)	$550	-	-	-	-
Academic Fees (Per Annum)	$540	$5,255	$5,255	$5,525	$5,525
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$5,255**	**$5,255**		
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

(a) Installment for Master of Science (Computer Applications) [MBA (DT)] Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable)	$550	-	-	-	-
Academic Fees (Per Annum)	$540	$3,855	$3,855	$4,125	$4,125
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$3,855**	**$3,855**		
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

(b) Fees Payable by the students taking admission in Foreign National Category.

Programme Fees For Master of Business Administration (Information Technology) [MBA (IT)]		Student taking Admission in
		(b) Foreign National Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$9,400
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$6,800
Academic Fees (per Annum) to be paid	**(A)**	**$2,600**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275

	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable) # #	$275	-	-	-	-
Academic Fees (Per Annum)	$815	$570	$565	$980	$970
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$570**	**$565**		
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

Note:

\# ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1) 100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3) Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure*:

Master of Business Administration - Information Technology [MBA (IT)]

Semester : I
Generic Core Courses
- Relational Database Management System
- Principles and Practice of IT Enabled Management
- Basic Business Statistics for Data Analysis
- Enterprise Resource Planning
- Introduction to Python
- PHP
- Research Methodology
- Web Development Framework
- Integrated Disaster Management
- Object Oriented Analysis Design
- IT Tools and Techniques for Business

Semester : II
Generic Core Courses
- Analysis of Business Case using Spreadsheets
- Flexi-Credit Course
- Talent Acquisition
- Software Engineering (Agile Practices)
- Digital Marketing

Generic Elective Courses Group (Choose any One course)
- AI and ML for Business Management
- IT Business Analysis

Specialization Core Courses: Banking and Financial Markets
- Advanced Topics in Corporate Finance
- Asset Liability Management (ALM) in Finance
- Financial Management

- IT Solutions to Banking and Financial Markets I
- Mergers and Acquisitions

Specialization Core Courses: Data Analytics
- Business Intelligence I
- Data Analysis Using Python
- Data Management and Visualization
- Fundamentals of Data Science

New Course added
Specialization Core Courses: Data Analytics
- Data Warehousing Applications and Data Analysis

Specialization Core Courses: IT Infrastructure Management
- Introduction to Cloud Computing
- Introduction to Vulnerability Assessment Penetration Testing
- IT Infrastructure Essentials

New Course added
Specialization Core Courses: IT Infrastructure Management
- Network Security Testing

Specialization Core Courses: IT Infrastructure Management
- Information Security Management

Specialization Core Courses: Software Process Management
- Product Management
- Software Quality Process and Assurance I

- Software Quality Standards I
- Software Verification and Validation
- Software Versioning

Semester : III
Generic Core Courses
- Flexi-Credit Course
- Advanced Business Process Integration
- Entrepreneurship
- Internet of Things
- IT-Governance
- Technology in Business

Specialization Core Courses: Banking and Financial Markets
- Credit management
- Financial Accounting using spreadsheets
- Financial Services and Management
- IT solutions to Banking and Financial Markets II
- Mastering Python for Finance
- Financial Risk Management
- Flexi-Credit Course

Specialization Core Courses: Data Analytics
- Applied Data Analytics with Python
- Business Intelligence II
- Data Warehousing Applications and Data Analysis
- Machine learning
- Mobile Analytics

**New Course added
Specialization Core Courses: Data Analytics**

- Data Warehousing Architecture and Operations

**New Course Added
Specialization Core Courses: Data Analytics**

- Data Mining and Algorithms

**New Course Added
Specialization Core Courses: Data Analytics**

- Flexi-Credit Course

Specialization Core Courses: IT Infrastructure Management

- Data Centre Infrastructure Management
- IS Risk Analysis and System Audit
- Understanding LDAP
- Advanced Vulnerability Assessment and Penetration Testing
- DevOps
- Infrastructure Security
- Flexi-Credit Course
- IT Service Management

Specialization Core Courses: Software Process Management

- Application Packaging
- IT Strategy
- Requirements Management
- Software Quality Process and Assurance II
- Software Quality Standards II
- Six Sigma
- Flexi-Credit Course

**Semester : IV
Generic Core Courses**

- Industry Internship

Master of Business Administration - Digital transformation [MBA (DT)]

**Semester : I
Generic Core Courses**

- Business Analytics
- Financial Management
- Digital Marketing
- Business Agile Practices
- Digital Business Models
- Business Statistics
- Research Methodology
- Business transformation
- Operations Research
- Integrated Disaster Management
- Business Ethics
- Project Management

**Semester : II
Generic Core Courses**

- Flexi-Credit Course
- Enterprise Resource Planning and Supply Chain Management
- Cloud Applications for Business Processes
- Talent Acquisition and Retention
- Blockchain and It's Applications
- Smart Industries and Digital Trends

- Electronic Customer Relationship Management
- Business Intelligence

Generic Elective Courses Group (Choose any one course)

- DevOps Services
- Data Analysis Using Python
- AI Applications in Business
- Analysis of Business Case using Spreadsheets
- Cloud Computing and Distributed Systems

**Semester : III
Generic Core Courses**

- Flexi-Credit Course
- Digital Branding and Promotion with Social Media
- Digital Audit and Quality Control
- Digital Transformation Frameworks
- Internet of Things
- Flexi-Credit Course
- Regulatory Perspectives for Digital Business

- Data Management and Visualization
- International Development and International Business
- Digital transformation in Health Care

Generic Elective Courses Group (Choose any one course)

- Big Data Analytics
- Applications of Augmented Reality and Technology Trends
- GRC and Industry Standards
- Entrepreneurship and Global Capitalism
- Creativity and Design Thinking
- Mastering Python for Finance

**Semester : IV
Generic Core Courses**

- Industry Internship

Master of Science - Computer Applications [MSc (CA)]

Semester : I
Generic Core Courses
- Design and Analysis of Algorithms
- Fundamentals of Computer Networking
- Relational Database Management System
- Cyber Security
- Introduction to Operating System
- Introduction to Python
- Research Methodology

Generic Core Courses
- Software Engineering (Agile Practices)
- PHP

Semester : II
Generic Core Courses
- Big Data: Systems, Programming and Management
- Flexi-Credit Course
- Integrated Disaster Management
- Internet of Things

Specialization Core Courses: Software Development
- Object Oriented Analysis Design
- Software Project Management
- Dissertation

(Choose any Two course)
Specialization Elective: Software Development (Major) (Major)
(Choose any Two course)
- Android Technologies
- Cloud Computing and Distributed Systems
- Data Warehousing
- Foundation Web Technology
- NOSQL Databases

- R Programming
- Software Verification and Validation
- Entrepreneurship and Global Capitalism

Specialization Core Courses: System Security
- Cryptography
- Database and Application Security
- Security Standards
- Dissertation

(Choose any two courses)
Specialization Elective: System Security (Major) (Major)
(Choose any two courses)
- Cloud Computing and Distributed Systems
- Entrepreneurship and Global Capitalism
- IT Audit and Risk Management
- Network Security Testing
- Secure Software Engineering
- Web Application Security

Specialization Core Courses: Data Science
- Software Project Management
- Computation Methods
- Data Analysis Using Python
- Dissertation

(Choose any Two course)
Specialization Elective : Data Science (Major) (Major)
(Choose any Two course)
- Cloud Computing and Distributed Systems
- Data Warehousing

- Entrepreneurship and Global Capitalism
- NOSQL Databases
- R Programming
- Data Analysis and Visualization
- Web Analytics

Semester : III
Generic Core Courses
- Flexi-Credit Course
- DevOps
- Pilot Project

Specialization Core Courses: Software Development
- Software Architectures
- Web UI and Content Management

Specialization Elective: Software Development
(Choose any Two course)
- Advanced Programming in Python
- Cloud Programming using Web Services
- Data Mining and Algorithms
- Flexi-Credit Course
- Software Quality Models
- Systems Programming

Specialization Core Courses: System Security
- Vulnerability Assessment and Penetration Testing
- Information System Audit
- Security Management Practices

Specialization Elective: System Security
(Choose any Two course)
- Flexi-Credit Course
- Computer Forensics - Detection and Prevention of IT Frauds
- Cyber Physical System
- Identity and Access Management
- Virtualization and Security

Specialization Core Courses: Data Science
- Image Processing
- Machine Learning Algorithms

Specialization Elective: Data Science
(Choose any Two course)
- Cloud Programming using Web Services
- Text Analytics
- Data Science for IOT
- Artificial Neural Network and Deep Learning
- Natural Language Processing
- Flexi-Credit Course

Semester : IV
Generic Core Courses
- Industry Internship

* Courses are subject to change

Dr. Dhanya Pramod
Director

Director Profile:

Dr. Dhanya Pramod is a post graduate in Computer Science from Pondicherry central university and completed her doctoral degree from Symbiosis International University. She has a strong academic foundation and was the First Rank holder of University at undergraduate level and Gold medalist at post graduate level. Dr. Dhanya also holds a master's degree in Management. She pursued multiple job portfolios with blend of experience including industry, research, academics and administration. The experience with Wipro Technologies R&D division gave her good exposure to research in the areas of network protocols and security. Her interest in networks, application security and aspect oriented programming further led to research and award of the doctoral degree for her thesis in web application security. She has published papers in several referred/indexed journals including SCOPUS and conferences of international repute. She is also editorial board member and reviewer of reputed journals.

Her passion for teaching made her to venture into academics. Her expertise includes Information Security Management and Data Science. She has co-authored and published case studies in IT and Management in Case Centre (ECCH) and PMI. She has also received research grants from Pune University, Symbiosis International University and PMI. She was a member of PMI and her current professional association includes ISACA (Academic Advocate-Student chapter) and IACSIT Singapore (senior member).

- Received an award for outstanding contribution to education by CIMA World Education Congress Global Awards 2015
- Received an award for Education Leadership Award by Dewang Mehta National Education Award 2017
- Received an award for Women in Education Leaders Award by World Education Congress 2017
- Received an award for Most Dedicated Teachers of India Award by World Education Congress 2017

Institute Profile:

SCIT is a premier IT Business School nurturing genuine IT talent. Symbiosis Centre for Information Technology, a constituent of Symbiosis International University has been a pioneer and a leader in imparting education in the niche area of Information Technology Business Management in India for more than a decade. SCIT nurture genuine IT talent

To become future leaders in Information Technology arena. SCIT welcomes those, who are willing

To take on challenges and transform themselves into proactive professionals. The institute supports their transformation with innovative teaching-learning methodology, state-of-the-art computer labs, platform for peer learning and opportunities

To learn management in real time. The success of our alumni is a proof.

To claim that - SCIT ensures overall professional development of students, who are transformed into industry-ready IT professionals.

Programme Profile:

Name of the Programme:

- **Master of Business Administration (Information Technology Business Management)- M.B.A (ITBM)**
- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A (DS and DA)**

Duration:

- **Master of Business Administration (Information Technology Business Management)- M.B.A (ITBM):** 2-year Full-Time Residential Programme
- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A (DS and DA):** 2-year Full-Time Residential Programme

Intake:

- **Master of Business Administration (Information Technology Business Management)- M.B.A (ITBM):** 180 seats
- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A (DS and DA):** 60 seats

- **Master of Business Administration (Information Technology Business Management)- M.B.A (ITBM):**

  MBA in Information Technology Business Management (ITBM) aims at developing Management professionals for IT Businesses and its specialized streams. The program builds Management skills and reinforces IT skills to create Leaders, Managers & Entrepreneurs in IT products & services domain. This program will also enable students to gain in depth knowledge in any one of the niche areas such as Information Security Management(ISM), Digital Transformation (DT), Systems (SYS) and Data Science (DS)

  Information Security Management Stream addresses designing, developing & evaluating security solutions towards an information-secure and compliant organization.

  Digital transformation enables learners to stay relevant and competitive in the digital disruptions that are reshaping the business landscape. They shall experientially learn about digital technologies that are revolutionizing and transforming products, services, operations, and business models.

  SYS looks at mapping client's expectation with project deliverables towards managing and delivering quality compliant and innovative IT products and services.

  DS will be enabling an end-to-end understanding on the significance of analytics to support managerial decision making.

DATTANSH

for TEDx

- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A (DS and DA):**

  MBA (Data Sciences and Data Analytics) aims at developing Management professionals for Data Sciences and Data Analytics stream. Students will gain analytics competencies and use hands on tools in data sciences thereby preparing them for business and techno-functional roles in data sciences and analytics projects

  Focus

  - To offer a unique combination of strategic actionable insights and real-time operational intelligence which are crux of Data Sciences and Data Analytics respectively.

  - To address and fulfil the long felt need for analytical skills from an end to end information value chain perspective.

  - To enable the candidates gain analytics competencies and hands on with the tools used in data sciences thereby preparing them for business and techno-functional roles in data sciences and analytics projects.

  - To enable students to approach data using scientific methods.

Eligibility:

- **Master of Business Administration (Information Technology Business Management)- M.B.A (ITBM):**

  Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A (DS and DA)]:**

  - Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration (Information Technology Business Management)- M.B.A (ITBM):**

- **Master of Business Administration (Data Sciences and Data Analytics)-M.B.A (DS and DA):**

The Selection process is carried out in two steps.

Step I: SNAP Test

- Each student desirous of admission to SCIT must appear for Symbiosis National Aptitude (SNAP) Test 2023, which is a common written test for the admission to all Symbiosis postgraduate institutes.

- The applicant must register and pay online for ONLINE SNAP (Symbiosis National Aptitude Test) Examination, 2023. ONLINE SNAP 2023 test fee is INR 2250/- (+ applicable Payment gateway charges, GST and any other taxes). This is not refundable. For more details please visit: https://www.snaptest.org/

- While registering for SNAP, applicant has to also apply for SCIT in the same application form. A registration fee of Rs. 1000/- (+ applicable Payment Gateway Charges, GST and any other taxes) per programme is to be paid to SCIT for each programme that the aspirant wishes to apply. This is mandatory, without which the applicant will not be considered for short-listing for the GE (Group Exercise) PI (Personal Interview) process for the respective programme(s).

- Preserve the Admit Card of SNAP Test 2023 for further selection process at SCIT. Appearing for SNAP Test does not automatically qualify an applicant for the next step in selection process at SCIT.

Step II: Selection Process at SCIT

- Short-listed Applicants based on SNAP scores will be called for the selection process at SCIT, Pune. Short listed candidates are announced on SCIT website www.scit.edu as per the scheduled dates. Shortlisted candidates must fill the Application Form and book the slot for GE-PI. Individual regret letters will not be sent to applicants who are not called for GE-PI. The entire process will be online.

This process includes Group Exercise, Personal Interview (GE-PI).

Note: The final merit score will be calculated based on the following:

Parameter	Marks
SNAP score	50 Marks
Group Exercise	10 Marks
Personal Interview	40 Marks*
Total	100 Marks

* Personal Interview score will also include Academic Consistency (marks at 10th, 12th & Graduation level each), Under Graduation degree, Experience and Extra Curricular Achievement.

Reservation of Seats: As per University norms

Important Dates:

Details	Date
SNAP and Programme Registration Begins	August 23, 2023 (Wednesday)
Last date to apply for SNAP	November 23,2023 (Thursday)
Last date to pay for SNAP	November 23,2023 (Thursday)
SNAP Test	December 10, 2023 (Sunday): 02.00 PM to 03.00 PM December 17, 2023 (Sunday): 02.00 PM to 03.00 PM December 22, 2023 (Friday) : 02.00 PM to 03.00 PM
SNAP Result	January 10, 2024 (Wednesday)
Last date of Online registration For Institute	December 21, 2023 (Wednesday) 23:59 hrs.
Last Date of payment of Registration fees For Institute	December 21, 2023 (Wednesday) 23:59 hrs.
Announcement of Shortlist for Group Exercise and Personal Interaction	January 18, 2024 (Thursday)
Group Exercise, Personal Interaction	February 8,9,10,11 & February 15,16,17 & 18, 2024
Announcement of First Merit list	March 06, 2024 (Wednesday)
Last date for payment of fees for candidates in the First Merit List	March 25, 2024 (Monday)
Programme Commencement	June 3, 2024 (Monday)
Hostel Registration	May 31 & June 01, 2024

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: https://www.scit.edu/

Orientation and Pedagogy:

- **Learning Methodology**

    SCIT strives to make a paradigm shift from exam orientation to knowledge orientation. SCIT believes in the practice of consolidation where in the core elements of academic rigor and academic discipline are closely knitted by research, student orientation, brand-building, corporate interface and process automation. To realize this shift SCIT has taken several steps on curricula review and development, student and faculty orientation. Faculty members are oriented towards creating evaluation methodologies from concept-building through application development and not necessarily just elaboration on theory.

    At SCIT a semester pattern, that is, 2 terms per academic year is followed. At the beginning of the term, the syllabus along with the names of reference books, authors and the evaluation policy is communicated to the students. No text books are prescribed as students are expected to explore and learn by referring to books, implementing concepts in the labs and collecting references from the Internet, analyzing and problem solving through case studies etc. SCIT also has a digital library with a spectrum of e-books and magazines. SCIT's evaluation policy has external as well as internal evaluation. The internal evaluation is carried out continually and consists of any combination of several components to test the writing, critical thinking and analytical capability

of the students to ensure holistic development. In order to ensure the same, the pedagogy has a strong blend of Experiential learning, Flexi-credits, Value-add courses.

- **Experiential Learning**

  It's a learning process initiated by a concrete experience, which demands reflection, review and perspective-taking about the experience; then abstract thinking to reach conclusions and conceptualize the meaning of the experience; leading to a decision to act, engaging in active experimentation or trying out what you've learned.

  This cycle is so natural and organic that people engage in it without being aware that they are learning. It happens almost effortlessly all the time and is constantly transforming our lives. Most people have preferences for the way they use this learning cycle, focusing on some modes more than others. At SCIT, each course taught in a semester reflects an element of experiential learning as a part of the pedagogy.

- **Flexi- Credits courses**

  In Flexi credit courses, some credits of the programme structure are reserved for Flexi-credit courses. The Institute offers a contemporary course based on the emerging needs of the dynamic industry as the flexi credit course.

  The students engage in diverse activities thus we aim to have them work without us, but expect that they will bring that work back to their classmates and us. The expectation through offering flexi credits is that the additional work should result in better performance in the classroom and on assignments.

- **Value-Add courses**

  Value added courses are offered to the students which are beyond the stipulated program structure in each semester. It is important for higher education institutions to supplement the curriculum to make students better prepared to meet industry demands as well as develop their own interests and aptitudes. Our college offers a wide variety of value-add courses which are conducted beyond the regular class hours or during semester breaks. Many students have been benefited every year. Value added course provide the opportunity for training as well as guidance of the students on the various aspects of building a career and to assist them in exploring new opportunities.

- **Internships**

  Internship in the industry is an integral part of the 2-year academic programmes at SCIT. It provides excellent opportunities for SCIT students to get a first-hand experience of business realities. Before working as interns, SCIT students work on pilot projects, a replica of what happens in the industry. This enables them to make a quick start in learning from the "LIVE" environment during an internship project, a new perspective that a classroom cannot generate. In the past, most of the SCIT students have worked with reputed companies and have contributed significantly; some have even travelled abroad for live projects.

- **Projects**

  Collaborative Projects

  SCIT makes a conscious effort in tracking technology advancements and transformations that businesses are going through. The students as well as the faculty of SCIT undertake various industry projects as well as R & D projects that cover this area of study.

Students also engaged in collaborative projects with students from Universities abroad on courses like Design Thinking and Data Science courses as well.

- **Capstone Project**

  Capstone projects are generally designed to encourage students to think critically, solve challenging problems, and develop research skills, teamwork, planning, self-sufficiency, or goal setting—i.e., skills that will help prepare them for college, modern careers, and adult life. SCIT offers capstone project to students in collaboration with international universities.
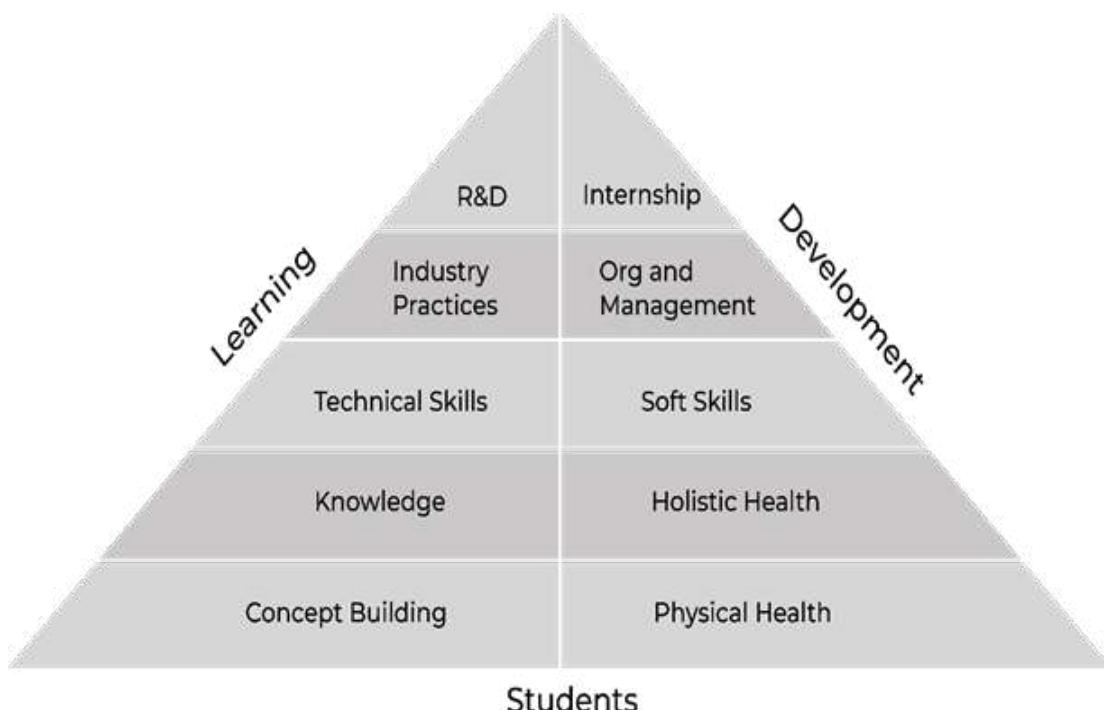

- **Research and Development Projects**

  Research orientation is an important part of learning at SCIT. Students need to register and work on a dissertation. SCIT presently works in these broader areas of research.

- **Multi-faceted Learning**

  At SCIT we believe in the new realization that exams are only a purpose of learning and true learning is actually a journey to explore knowledge. SCIT looks at postgraduate education with a view to create 'learnability' in a student that stays with him life-long and does not wither with a degree in hand. SCIT lays importance on a student's all-round development with a focus on academics as well in all its residential programmes. The holistic programmes build strength and create a framework to enjoy life as professionals and as individuals. Self-exploration through programmes such as 'Moral Re-Armnanent Camp (MRA)' is encouraged.

SCIT's Power Triangle

At SCIT, students undergo a transformation into empowered proactive professionals through a three-fold learning process: gaining experiential knowledge of technology and practices, mental and physical well-being through a holistic health programme and industry practices. SCIT offers residential and off-campus programmes as well as corporate training programmes.

EVENTS :

National Seminar viz; NATSEM is a one-day national level event held every year at SCIT since 2000 as part of the activities and initiatives of the Placement committee, which provides useful insights in understanding the various dimensions of IT.

The prime objective of National Seminar is to assemble the like-minded intellectuals and professionals to trade ideas, thoughts, and views related to a delineated topic of IT. A conversational atmosphere is created, which allows for discussing related theme/topic and the chance to hear from other participants. By learning about new topics and meeting leaders in their field, students feel encouraged and motivated.

NATSEM gives a great opportunity to the students to interact with industry professionals and subject experts & chance to learn more effectively and efficiently in a learning environment that is distinct from classes. The students get a fair understanding of the current trends in the industry and gets an idea to prosper in their career goals. This interactive session through panel discussion of prominent personalities enable them to be updated on technology, corporate culture and happenings in industry. It helps the students to gain information about their way of work or how things take place, to assess themselves and improve in the areas in which they were lacking. Interacting with the industry experts and professionals will boost their confidence in the subject area that they are specialization.

Matrix

Team Matrix was formed in 2009 with the intent of spreading in the area of information security. It is a student driven community of proactive individuals in the buzzing field of information security with our main focus on spreading cyber security awareness by learning, implementing and reforming our knowledge. It is a group of like minded people dedicated to research and awareness in the area of information security. Team Matrix organizes its flagship event Cyber Security Awareness Month (CSAM) every year in the month of October for spreading cyber security awareness by means of fun and enjoyable non-tech games, technical CTF's and panel discussions of industry experts from various domains. This year witnessed the team exploring varied horizons to meet the cause and led them to celebrate another significant international effort to create awareness about digital data privacy - Data Privacy Week (DPW).

DATTANSH

Symbiosis Centre for Information Technology (SCIT) in the academic year 2017, launched a new course -MBA in Data Sciences & Data Analytics (DS&DA), for gaining competencies in analytics and better data insights using scientific methods for futuristic Data Scientist/Data Analyst. In order to have a fruitful engagement of our MBA (DS&DA) students with external experts -both from Industry and Academia, there was a need to build a platform which can facilitates in the dissemination of evolving knowledge related to Data Science and Data Analytics as well as Student-Expert interactions.

The platform was visualized as a Flagship Event, "DATTANSH- An Annual Analytics Conclave". This flagship event was conceptualized by our Director Ma'am, Dr. Dhanya Parmod. Dattansh (दत्तांश) is a Sanskrit word that means Data/Information.

Dattansh provides a forum for participants to gain an expert perspective on the exciting world of data sciences and data analytics. The emphasis is on the trending and upcoming technologies & applications in this domain. The event includes the top-notch speakers from Industry, Academia and Research labs. Student Competitions are also organized for students in India and abroad.

Dattansh is organized every year and to keep up with the rapid evolution in the field of data sciences and analytics, new theme is selected every year. The MBA(DS&DA) Guest Lecture committee under guidance of a Faculty Mentor- plan, prepare and execute, the new edition of Dattansh every year. The types of speaker's selected and the student's competitions are well tuned with the theme. The learning is the journey of data in real-life reinforced through industrial use cases and innovative competitions.

Integrity and Ethics Conference

From a time when the world observed business ethics as an oxymoron, we have come a long way where ethics and integrity have become an integral component of every corporate boardroom. Ethical behavior has become a mandate for companies. With increasing awareness of Environmental, Social, and Governance (ESG) responsibilities and the tall promises made on Sustainability Development Goals (SDG) 2030, nation-states and business organizations are compelled to integrate ethical values into their business. People are at the center of all these initiatives. An MBA institute trains these very people who will be the leaders in their organizations. As a responsible Business School, SCIT has been organizing the Integrity and Ethics conclave every year.

This year SCIT successfully organized the integrity and ethics conference on 17th December 2022 with the theme 'Tatva Udbhav'. The plenary sessions were on the following themes; 1. Mercurial Culture (Moonlighting) 2. E-Commerce: Equality over Equity (ONDC) 3. Crafty Maneuver (Unethical Marketing/Black Hat SEO) 4. Blinkered Pedagogy (Biased AI). Each of these themes was selected carefully keeping the core competency of SCIT. Mr. Aseem Tamboli, - GM - Head, Cloud Practice and ISV Alliance at Savex Technologies Pvt. Ltd. Was the keynote speaker for the event.

The first subtheme – "Mercurial Culture" was to talk on the topic of moonlighting. Mr. Vijay Chandola, the senior product leader, digital banking, and transformation owner at Axis Bank through the case study of Axis Bank talked of it as something that will become the new normal and exhorted everyone to embrace it rather than be scared of it.

Mr. Saransh Agarwal, the CEO of the Open Network For Digital Commerce (ONDC) government of India took the audience through the experience of introducing ONDC in India and the challenges and opportunities it posed.

Mr. Anuj Ranka, who is the Digital Marketing Head at FITTR that was awarded the Most Influential Digital Marketer for the year 2022, then talked about Black Hat SEO. He shed light on some concepts of SEO like "search camping", "increasing CTR with decreasing bounce rate" and the creation of "noise" in the system due to "click-baiting".

The fourth subtheme- "Blinkered Pedagogy" was explained by MR. Sandeep Suryavanshi, the CEO of Aide Expert Advisory. He looked at both positives and negatives of AI and how AI can be used responsible to build values.

SPROUT IT

The entrepreneurial stimulus and the associated knowledge sharing and exposure to the students of SCIT is driven through its IT Entrepreneurship and Leadership Forum (ITELF). The main objective of ITELF is to bring together the students, faculty, and industry experts to promote real-life experiences and business insights to aspiring entrepreneurs and to contribute in developing the entrepreneurial mindset among all.

ITLEF conducts events throughout the year. SPROUT IT is a two-day national level event held every year since 2010, as part of the activities and initiatives of the ITELF. The theme of SPROUT IT is unique every year and revolves around various business aspects like idea generation, opportunity evaluation, funding, streamlining of operations etc. The event invites entrepreneurs, VCs as well as incubation centres interested to invest money in the ideas presented in the event.

SPROUT IT has faculty members who give direction in decision making, however, the event is completely managed by the students. While SPROUT IT has a sleeve of events, the most significant part is the hosting of panel discussion. Entrepreneurs - both IT and Non-IT, Industry experts and CxO's of small and medium sized organizations on a single forum share their journeys with the students. The panel members talk about generation of ideas, forming of strategies during early times, and they throw light on the challenges faced in the entrepreneurial journey. A large pool of knowledge is being created and consumed in SPROUT IT.

In the year 2020, SCIT entered an academic alliance with Celonis, Germany, one of the world's leading business process mining companies. As part of this alliance with Celonis, we introduced business process mining as a Capstone project for the MBA DSDA programme and as a value-added course for MBA (ITBM) programme. Three faculty members of SCIT completed and got certified through the Celonis teacher training program. MBA (DSDA) & MBA (ITBM) students took part in this collaboration and got certified in Master Class Certification.

The Capstone Project at SCIT-Celonis International Capstone Project was offered as a core course in the final semester of the MBA-DSDA program. The course is designed in consultation with the Celonis team with well-defined evaluation components.

SAP University Alliances

SAP University Alliances together with the SAP Academic Competence Center Asia Pacific and Japan (ACC APJ) and ERPsim Lab HEC Montreal, ERPsim India Friendly 2020 a competition for SCIT students was conducted via Zoom. Another SAP session, Designing a Chatbot using SAP Conversational AI was also conducted which aimed to strengthen our students' knowledge in AI specifically with NCLC trends. A webinar and demo session on SAP BTP Kyma Runtime and Kyma Session for our MBA (ITBM) students was also conducted.

c0c0n 2020 Community Partnership

"c0c0n is a 12 years old platform that is aimed at providing to discuss showcase, educate, understand and spread awareness on information security, data protection, privacy. It also aims to provide a hand-shaking platform for various Corporate, Government organizations including the various investigation agencies, academia, research organizations, industry leaders and players, for better co-ordination in making the cyber world a better and safe place to be. Various technical, non-technical, legal and community events as part of the conferences."

For more details please visit: https://india.c0c0n.org/2020/

Nullcon 2019 Community Partnership

"The Nullcon international security conference is a unique platform for security companies and evangelists to showcase the upcoming areas of research and technology. The conference hosts Prototypes, Exhibitions, Training, Free Workshops, and null Job Fair. Nullcon is managed and marketed by Payatu Technologies Pvt Ltd. and it is an integrated and structured platform which caters to the needs of IT Security industry at large in a comprehensive way. For the last three years SCIT has been associated with Nullcon as their official community partners to help spread awareness in the area of information security and promote ideas for research in this area."

For more details please visit: https://nullcon.net/website/about-nullcon.php and https://nullcon.net/website/goa-2019/sponsors.php

University Alliance Partner of SAP

SCIT is an University Alliance Partner of SAP

"This enables an experiential learning environment by imparting SAP ERP hands-on practice on core modules and their integration."

SAP provides SCIT with

Software licensing for teaching purpose (via a hosted software model platform called University Competency Center), Access to curriculum materials, and academic exchange events, Free license to latest version of SAP software, Faculty workshop, Faculty Training and Certification, Updated Global curriculum, Networking platform - Regional Academic Conference, Provide Access to SAP Products and authorized datasets in a hosted environment, Major Supported products are ECC6 and Business Suite

About SAP@SCIT

In addition to classroom and SAP-lab assignments, the students are expected to work on field assignments and try to map the core processes in select industries like manufacturing, retailing etc., so as to reinforce their learning with industry practices. The students are expected to take up assignments and mini-projects on these modules by creating different companies for trading generic products like pens, bottles, watches and bicycles based on which they are tested and evaluated.

(4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure*:

Master of Business Administration (Information Technology Business Management)- M.B.A (ITBM)

Semester: I
Generic Core Courses
- Business Process Management
- Business Statistics
- Domain Study(BFSI)
- Essentials of Marketing Management
- Financial Statement Analysis
- Information Risk Management
- IT Infrastructure Essentials
- Principles and Practices of Management
- Requirements Management
- Research Methodology
- Integrated Disaster Management

Open Elective Courses
(Choose any two courses)
- Database and Application Security
- Platform and Network Security
- Data Management
- Machine learning
- Business Process Integration in SAP S/4 HANA
- Software Development Methodologies
- Business Model Innovations
- Digital Technology Transformation

Semester : II
Generic Core Courses
- Basics of Financial Management
- Business Analytics
- Flexi-Credit Course

- Human Resource Management
- Internet of Things
- IT Infrastructure Library
- IT Strategy
- Managerial Economics
- Pilot Project
- Project Management
- Strategic Management
- Computing Tools
- IT Audit

Open Elective Course Group
(Choose any two courses)
- Access Control and VAPT
- GRC and Industry Standards
- Financial Analytics
- Multivariate Data Analysis
- Application Portfolio Management
- Enterprise Architecture
- Digital Leadership
- Digital Transformation Frameworks

Semester : III
Generic Core Courses
- Summer Internship
- Block Chain Technology
- Entrepreneurship
- Flexi-Credit Course
- Industry 4.0
- IT Consulting
- Sustainability Standards - Application, Analysis and Reporting
- Business Process Mining
- Robotic Process Automation

Open Elective Course Group
(Choose any two courses)
- Cloud Security
- Computer Forensics - Detection and Prevention of IT Frauds
- Resilience Management, BCP and CRM
- Big Data Analytics
- Social Media Analytics
- DevOps Services
- IT Products
- Data Privacy and Protection
- Digital Audit and Quality Control

Semester : IV
Generic Core Courses
- Corporate Governance and Ethics
- Data Visualization and Modeling
- Flexi-Credit Course
- Legal Aspects of IT Business
- Services Marketing

Open Elective Course Group
(Choose any two courses)
- Cyber Intelligence
- IoT and Hardware Security
- HR Analytics
- Marketing Analytics
- Global IT Delivery Models
- Technology Management
- Total Experience Strategy
- Digital transformation in Health Care

Master of Business Administration (Data Sciences and Data Analytics)-M.B.A (DS and DA)

Semester: I
Generic Core Courses
- Basics of Financial Management
- Business Statistics
- Data Mining
- Data preparation and Data management
- Domain Study(Manufacturing and Logistics)
- Mathematics Foundation
- Operations Research and Optimization Techniques
- Principles and Practices of Management
- Research Methodology
- Integrated Disaster Managemen

Generic Elective Course Group (Choose any three courses)
- Advance Data Mining
- Cloud Computing
- Machine learning
- Text Analytics

Semester : II
Generic Core Courses
- Advance data organization
- Advanced Business Statistics for Decision Making
- Data Visualization and Modeling
- Domain Study(BFSI)
- Essentials of Marketing Management

- Financial Analytics
- Knowledge Graphs
- Managerial Economics
- Predictive Analytics
- Strategic Management

Open Elective Course Group (Choose any three courses)
- Artificial Intelligence
- Cognitive Computing
- Deep learning
- Natural Language Processing
- Big Data Analytics
- Marketing Analytics
- Software analytics

Semester : III
Generic Core Courses
- Data Protection and Privacy
- Design Thinking
- Domain Study(Retail)
- Entrepreneurship
- Human Resource Management
- Summer Internship

Open Elective Course Group (Choose any three courses)
- Computer Vision
- Flexi-Credit Course
- Generative Adversarial Networks
- Human Computer Interaction
- Reinforcement Learning
- Flexi-Credit Course

- Fraud Detection Analytics
- Insurance Analytics
- Social Media and Web Analytics
- Supply chain & operations analytics

Semester : IV
Generic Core Courses
- Capstone Project and Defence
- Corporate Governance and Ethics
- Flexi-Credit Course
- Sustainability Standards - Application, Analysis and Reporting

Generic Elective Course Group (Choose any three courses)
- Customer analytics
- Cyber Security Analytics
- Energy analytics
- Healthcare analytics
- HR Analytics
- IoT analytics

Dr. Sammita Jagdish Jadhav
Director and Professor

Director Profile:

An accomplished healthcare professional with over two decades of experience in the healthcare industry, Dr. Sammita Jadhav holds an esteemed position as the Director of Symbiosis Institute of Health Sciences. She has made significant contributions to the field, serving as a resource person on the National task force of the National Initiative of Allied Health Services (NIAHS), under the Ministry of Health and Family Welfare, Government of India. Dr. Jadhav's exceptional qualifications include graduating from the renowned B.J. Medical College, Pune, where she excelled in Pathology. She further pursued her Masters in Medicine and obtained a Ph.D. in Healthcare Management from Symbiosis International (Deemed University) within the Faculty of Medical and Health Sciences. Notably, Dr. Jadhav has been instrumental in the establishment of the Symbiosis University Hospital and Research Centre, a state-of-the-art healthcare facility comprising 900 beds, as well as the Symbiosis Medical College for Women in Pune.

As a respected Ph.D. Supervisor, Dr. Jadhav currently guides Ph.D. scholars, emphasizing her dedication to research. Her work has been recognized through numerous research publications in esteemed National and International Journals indexed in Scopus and Web of Science. Notably, her paper on 'Clinico - pathological Correlation in Dengue Fever: A case study of 200 adult patients' earned her the prestigious Best Paper Award at the Mapcon Conference of the Indian Association of Pathologists and Microbiologists (I.A.P.M.).

Dr. Jadhav has been invited as key note speaker at various conferences, and has given talks at various fora including at NATHEALTH, MTaI, AmRef, VIF, CII and FICCI. Dr. Jadhav has been consistently working for the internationalization of Indian universities and is currently the Regional Representative – Africa; working in areas of Allied health education and manpower training in Medical Technology in Africa countries; especially in Tanzania, Kenya, Rwanda, and Burundi. She has travelled widely to U.K., France, Germany, Italy, Netherlands, Dubai, Oman, Singapore, Thailand, Austria, Belgium, Switzerland, Nepal and Srilanka as a result of her effort in Internationalization, education, skill training and Public Health initiatives.

With her vast expertise and leadership, Dr. Jadhav continues to elevate the Healthcare Management, Public Health, Nutrition and Dietetics and Medical Technology departments at Symbiosis Institute of Health Sciences.

Institute Profile:

Symbiosis Institute of Health Sciences (SIHS) has conceptualized & implemented unique, innovative, career-oriented programmes to raise a cadre of industry-ready healthcare professionals. A conducive ecosystem of SIHS comprising experienced faculty, Symbiosis University Hospital & Research Centre (SUHRC) and Symbiosis Arogya Dham nurtures the teaching learning process. At SIHS, we encourage a symbiosis of thought, word & action of all such professionals who would address diverse issue of health in its totality. SIHS emphases on equipping the healthcare professionals with the appropriate skill sets required to survive this age of fierce competition and specialization. The institute carries a legacy of more than 20 years in healthcare management education. In recognition of the significant contribution of SIHS in healthcare education, Symbiosis Institute of Health Sciences (SIHS) has been ranked No. 14 among India's top 50 Non-IIMs B-schools in the prestigious Academic Insights survey 2023. At SIHS,

we encourage a symbiosis of thought, word & action of all such professionals who would address the all-important issue of health in its totality.

Symbiosis Institute of Health Sciences fosters a seamless blend of teaching, learning, and research, with a community-hospital interface at Symbiosis Arogya Dham which was inaugurated by Honourable Prime Minister Shri Narendra Modiji. With an emphasis on inter and trans-disciplinary skills, SIHS equips students with global competencies to meet the demands of the healthcare industry and entrepreneurial ventures. The institute boasts a highly qualified faculty, experts in their fields, who inspire young minds to absorb knowledge. The institute also provides care education and opportunities for international initiatives and collaborations. And, its state-of-the-art infrastructure and research facilities create a conducive environment for immersive learning.

SIHS is equipped with finest infrastructure, the institute adopts latest technology to facilitate student learning. The state of the art classrooms are equipped with interactive displays and inbuilt audio systems. With an emphasis on inter and trans-disciplinary skills, SIHS equips students with global competencies to meet the demands of the healthcare industry and entrepreneurial ventures. The institute boasts a highly qualified faculty, experts in their fields, who inspire young minds to absorb knowledge. The institute also provides care education and opportunities for international initiatives and collaborations. And, its state-of-the-art infrastructure and research facilities create a conducive environment for immersive learning.

Programme Profile:

Name of the Programme:

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]**
- **Master of Public Health (MPH)**
- **Master of Science (Medical Technology) [M.Sc. (MT)]**
- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E))**
- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]**

Duration:

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]:** 2 Years Full Time Residential
- **Master of Public Health (MPH):** 2-years Full-Time Non-Residential
- **Master of Science (Medical Technology) [M.Sc. (MT)]:** 2-years Full-Time Non-Residential
- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E)):** 2-years Full-Time Non-Residential
- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]:** 2-years Full-Time Non-Residential

Intake:

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]:** 120 seats
- **Master of Public Health (MPH):** 20 seats
- **Master of Science (Medical Technology) [M.Sc. (MT)]:** 30 seats
- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E)):** 10 seats
- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]:** 80 seats

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]**

  The two-year full time Masters in Business Administration - Hospital & Healthcare Management, MBA (HHM) is a residential programme with electives in Pharmaceutical management, Healthcare IT and Healthcare Insurance. MBA (HHM) curriculum focuses on equipping students with the knowledge and skills required for the management of healthcare organizations such as Hospitals, Pharmaceuticals, IT, Insurance, Clinical research, Equipment manufacturing, Public healthcare establishments, Consultancies, NGOs, Wellness industry and the like. The programme aims at adopting a synergistic blend of academic knowledge and pragmatic orientation of the healthcare domain to create professionals with contemporary managerial techniques.

  Programme Specialization

  ➢ Pharmaceutical Management

  ➢ Information Technology in Healthcare

  ➢ Health Insurance

  The quality of education, excellent teaching facility and experiential learning at the attached Symbiosis University Hospital and Research Center (SUHRC) at 900 bedded state of the art hospital makes the MBA (HHM) at SIHS unique.

  Symbiosis University Hospital & Research Centre (SUHRC)-

  Symbiosis University Hospital & Research Centre (SUHRC) is the hospital attached the Symbiosis Medical College for Women (SMCW). SUHRC is currently a 900 bedded hospital and is located within the Symbiosis International University campus at Lavale, Pune.

- **Master of Public Health (MPH)**

  The curriculum of the Master of Public Health program at Symbiosis International (Deemed University) is a mix of transdisciplinary courses to attain knowledge, competencies, skillsets, and values involving diverse and innovative pedagogies and instructional designs with an emphasis on problem-solving and case-based learning, empowering the Master of Public Health graduates for the 21st century.

  The program prepares professionals with the technical and managerial skills who strengthen the public health system. Further, it trains and develops a cadre of competent public health policy makers, managers, practitioners, educators, and researchers.

- **Master of Science (Medical Technology) [M.Sc. (MT)]**

  As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing & ever expanding horizon of the health care sector demands formal training programmes in all its allied areas. The M.Sc. Medical Technology program is designed by experts in the respective fields, keeping in mind the current need. This M.Sc. Medical Technology programme is a synergistic blend of academic knowledge and practical intricacies to train potential technologists in performing a wide range of technologically advanced procedures in medical care. The complete holistic learning experience makes SIHS one of the best M.Sc. Medical Technology colleges. These students will be in a position to take up leadership roles and competently assist medical specialists, especially in high-tech medical procedures, to cater to the healthcare industry globally. The M.Sc. Medical Technology programme, a two years full-time degree programme conducted by the SIHS, is a unique skill and competency-oriented programme for budding technologists to provide in-depth knowledge in the specific modality of Medical Technology and prepare the students for prominent careers in hospitals, the healthcare industry, diagnostic laboratories and research centers.

Specializations

The programme offers specializations in the following areas: -

1. **Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient care, haemo-dynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.

2. **Respiratory Therapy:** The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.

3. **Dialysis & Renal Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.

4. **Imaging Sciences Technology:** Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical imaging modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.

5. **Clinical Laboratory Technology:** Clinical Laboratory Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory technologists perform a full range of laboratory tests, the information of which guides effective medical treatment.

6. **Operation Theatre and Anaesthesia Technology:** The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, pre-operative, intra-operative & post-operative procedures.

- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E))**
The scarcity of experienced embryologists with respect to the rising cases of infertility has created a high demand for such specialists. Infertility is still considered a weakness, rather than a disease across most of the country. Hence, the treatment requires a great deal of focus and empathy. In order to keep up with this demand we need well-trained and skilled embryologists. The objectives of the M.Sc. Assisted Reproduction Technology & Embryology program are to develop skilled embryologists keeping them up-to-date with relevant technologies in the Assisted Reproductive Technology & Embryology field.

This M.Sc. Assisted Reproductive Technology & Embryology programme is a synergistic blend of academic knowledge and practical intricacies to train potential embryologists in performing a wide range of technologically advanced procedures in the embryology field. The complete holistic learning experience makes Symbiosis Institute of Health Sciences one of the best M.Sc. Assisted Reproductive Technology & Embryology colleges. These students will be in a position to take up leadership roles and competently assist fertility specialists, especially in high-tech assisted reproductive techniques, to cater to the healthcare industry globally. The M.Sc. Assisted Reproductive Technology & Embryology programme, a two years full-time degree programme conducted by the SIHS, is a unique skill and competency-oriented programme for budding embryologists to provide in-depth knowledge in the specific modality of assisted reproduction technology and prepare the students for various key positions in IVF centers, the healthcare industry, and research centres.

- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]**
Symbiosis Institute of Health Sciences (SIHS) offers a two-year full-time M.Sc. Nutrition and Dietetics Programme. The programme provides innovative specialisations in Nutrition and Dietetics, such as Public Health Nutrition, Clinical Nutrition and Dietetics, Nutrigenomics, Food Safety and Quality Management and Exercise Science and Sports Nutrition. The specializations provide opportunities for a focused and tailored programme in the niche areas to equip the students with mandatory skills currently needed for their academic and career prospects.

Alumni Meet- "Impressions 2022"

Eligibility:

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]**

    Candidate should be Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes.

    Note: Candidates appearing for Final year bachelor's degree examinations may apply but their admission will be subject to obtaining a minimum of 50% marks (45% for SC/ST).

- **Master of Public Health (MPH)**

    Graduate from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Castes/ Scheduled Tribes)

    Note: Candidates appearing for Final year bachelor's degree examinations may apply but their admission will be subject to obtaining a minimum of 50% marks (45% for SC/ST).

- **Master of Science (Medical Technology) [M.Sc. (MT)]**

    ✓ **Cardiac Care:** Graduate from any statutory university with B.Sc. degree in Medical Technology with Cardiac Technology as specialization or equivalent from a recognized university/ Institution of National Importance. OR Bachelors in Life Sciences from a recognized University / Institution of National Importance and diploma / certificate Programme in Cardiac Technology /minimum one year of work experience in the department of Cardiology from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani / Physiotherapy/ Nursing from a recognized University / Institution of National Importance.

    ✓ **Respiratory Therapy:** Graduate from any statutory university with B.Sc. degree in Medical Technology with Respiratory Therapy as specialization or equivalent from a recognized university/ Institution of National Importance. OR Bachelors in Life Sciences from a recognized University / Institution of National Importance and diploma/ certificate Programme in Respiratory Therapy / Technology /minimum one year of work experience in the department of Respiratory Care from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani / Physiotherapy / Nursing from a recognized University / Institution of National Importance.

    ✓ **Imaging Sciences:** Graduate from any statutory university with B.Sc. degree in Medical Technology with Imaging Sciences as specialization or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Physics or Life Sciences as major or equivalent from recognized university / Institution of National Importance and diploma/ certificate Programme in Imaging Sciences /minimum one year of work experience in the department of Radiology from a reputed institute / related field OR Bachelors in Medicine / Ayurveda /Homeopathy / Unani from a recognized University / Institution of National Importance.

    ✓ **Clinical Laboratory:** Graduate from any statutory university with B.Sc. degree in Medical Technology with Clinical Laboratory Technology as specialization /Clinical Laboratory Science or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Life Sciences or equivalent from recognized

university / Institution of National Importance and diploma / certificate Programme in Clinical Laboratory /minimum one year of work experience in the department of Clinical laboratory from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani from a recognized University / Institution of National Importance.

✓ **Dialysis and Renal Technology :** Graduate from any statutory university with B.Sc. degree in Medical Technology with Dialysis as specialization or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Life Sciences or equivalent from recognized university / Institution of National Importance and diploma/ certificate Programme in Dialysis/Renal Technology / minimum one year of work experience in the department of Dialysis / Renal Sciences from a reputed institute / related field OR Bachelors in Medicine /Ayurveda / Homeopathy / Unani / Physiotherapy / Nursing from a recognized University / Institution of National Importance.

✓ **OT and Anaesthesia Technology:** Graduate from any statutory university with B.Sc. degree in Medical Technology with OT & / Anaesthesia as specialization or equivalent from a recognized university/ Institution of National Importance OR Bachelors in Life Sciences or equivalent from recognized university / Institution of National Importance and diploma/ certificate Programme in OT/Anaesthesia Technology / minimum one year of work experience in the department of OT/Anaesthesia Technology from a reputed institute / related field OR Bachelors in Medicine / Ayurveda / Homeopathy / Unani / Physiotherapy / Nursing from a recognized University or / Institution of National Importance.

- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E))**

  B.Sc. degree in Life Sciences/Biology/Botany/ Zoology/ Biochemistry/ Basic Sciences/ Veterinary Sciences or equivalent OR Bachelors in Medicine / AYUSH (Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homeopathy) / Allied Healthcare /Medical Technology OR equivalent as decided by competent authority from a recognized university/ Institution of National Importance.

- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]**

  Graduate in Life Sciences / Home Sciences / Health Sciences and any other biological sciences from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]**

  - A candidate aspiring to join an MBA (HHM) programme has to take the common, mandatory Symbiosis National Aptitude (SNAP) Computer Based Test (CBT), which will be conducted at Test Centres across India.

  - Academic Profile Score will be computed on the basis of weights assigned to academic performance in 10th Std., 12th Std. Graduation and extracurricular.

  - SNAP Test Score and Academic Profile Score will form the basis for short listing candidates for Group Exercise (GE) followed by Personal Interaction

- **Master of Public Health (MPH)**

  Admissions are done through non-SNAP. Aspirants who have done paid registration appear for Personal Interaction. Followed by declaration of merit list on www.sihspune.org.

  STEP I: The applicant must register and pay in the registration link.

  Registration is mandatory, without which the applicant will not be considered for short-listing for the PI (Personal Interaction) process for the respective programme.

  Step II: You will be called for PI (Personal Interaction)

  STEP III: Selection will be intimated to candidate through email.

  STEP IV: Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of academic fees.

- **Master of Science (Medical Technology) [M.Sc. (MT)]**

  STEP I: Online Registration on www.sihspune.edu.in

  STEP II: Entrance examination & Personal Interaction and Written Ability Test (PI-WAT)

  STEP III: Selection will be intimated to the candidate through email.

  STEP IV: Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of academic fees.

- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E))**

  STEP I: Online Registration on www.sihs.edu.in

  STEP II: Entrance examination & Personal Interaction and Written Ability Test (PI-WAT) with shortlisted candidates.

  STEP III: Selection will be intimated to the candidate through email.

  STEP IV: Admission process will be completed after the verification of all the submitted documents and payment of 1st instalment of academic fees.

- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]**

  Step 1: Online Registration on www.sihspune.org

  Step 2: Screening for Eligibility (Graduate in Life Sciences / Home Sciences / Health Sciences and any other biological sciences from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent degree for Scheduled Caste / Scheduled Tribes).

  Step 3: Personal Interview (Criteria for evaluation: Undergraduate academic score, general aptitude, subject knowledge, communication skills and extra-curricular achievement)

  Step 4: Declaration of merit list on www.sihspune.org

Reservation of Seats:

1. Within the sanctioned intake-
   a) SC (In Percentage)- 15%
   b) ST (In Percentage)- 7.5%
   c) Differently abled (In Percentage)- 3%
2. Over and above the sanctioned intake-
   d) Kashmiri Migrants (In Seats)- 2
   e) International Students (In Percentage)- 15%

Important Dates:

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]**

Test Result	January 10, 2024 (Wednesday)
Announcement of Shortlist for Group Exercise and Personal Interaction	January 18, 2024 (Thursday)
Group Exercise, Personal Interaction	15, 16, & 17 February, 2024 (Thursday, Friday & Saturday)
Announcement of First Merit list	February 23, 2024 (Friday)
Last date for payment of fees for candidates in the first merit list	March 10, 2024 (Sunday)
Programme Commencement	June 11, 2024 (Tuesday)

- **Master of Public Health (MPH)**

Details	Date
Registration open	4th March 2024
Closure of Registration	31st July 2024
Personal Interaction	Rolling basis: 6th and 21st May; 07th and 21st June: 5th and 25th July 2024
First Merit List	13th May 2024
Last date of fees payment	03rd August 2024
Programme Commencement	05rd August 2024

- **Master of Science (Medical Technology) [M.Sc. (MT)]**

Details	Date
Programme Registration Begins	1st March 2024, Friday
Last date of Online registration	31st July 2024, Wednesday
Last Date of payment of Registration fees	31st July 2024, Wednesday
Entrance & Personal Interaction	Rolling basis: 7th & 21st May, 04th & 18th June, 09th & 23rd July and 6th August, 2024
Declaration of First Merit list	22nd May 2024, Wednesday
Last date for payment of fees for candidates in the first merit list	29th May 2024, Wednesday
Programme Commencement	05th August 2024, Monday

- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E))**

Details	Date
Programme Registration Begins	1st March 2024, Friday
Last date of Online registration	31st July 2024, Wednesday
Last Date of payment of Registration fees	31st July 2024, Wednesday
Entrance & Personal Interaction	Rolling basis: 7th & 21st May, 04th & 18th June, 09th & 23rd July and 6th August, 2024
Declaration of First Merit list	22nd May 2024, Wednesday
Last date for payment of fees for candidates in the first merit list	29th May 2024, Wednesday
Programme Commencement	05th August 2024, Monday

- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]**

Details	Date
Registration open	1st March 2024
Closure of Registration	31st May 2024
Confirmation of personal Interaction	5th June 2024
Personal Interaction	7th to 9th June 2024
First Merit List	14th June 2024
Last date of fee payment for the first merit list	21st June 2024
Last date of fees payment	28th June 2024
Programme Commencement	1st July 2024

These dates are tentative and are subject to change. Any changes will be reflected on the institute website https://www.sihspune.org/

Orientation and Pedagogy:

- **Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]**

  The programme is structured to incorporate didactic teaching approaches along with experiential learning at Corporate Hospitals, Health Insurance companies, Pharmaceutical companies and consultancies, Healthcare IT companies and public sector organisations. The pedagogy for the programme encompasses a diverse range of instructional techniques, including lectures, case studies, business games, simulation exercises, role plays, group discussions, field visits, industry-based projects, and reflective thinking on the real world problems and the learning process. Many courses bring in industry experts to integrate classroom learning with industry. The design of this programme takes into account the impact that each of these learning strategies has on shaping the cognitive development of young students. During the designated year of academic study, students are required to participate in a two- month Summer Internship Project (SIP) within several areas of healthcare domains. These internships are conducted under the guidance and supervision of a faculty mentor. The course curriculum is enhanced by the inclusion of regular sessions conducted by distinguished guest lecturers, who provide valuable insights on current concerns within the healthcare industry. The integration of innovative pedagogical approaches and guest lectures delivered by industry professionals significantly contribute to the holistic development of the students, by academic curriculum which integrates acquisition of practical skills with theoretical knowledge.

- **Master of Public Health (MPH)**

  MPH program leverages the advantage of 6 faculties at SIU beyond the core Faculty of Health Sciences viz. Faculty of Humanities and Social Sciences, Faculty of Management, Faculty of Law, Faculty of Engineering, Faculty of Information Technology and Faculty of Media, Communication and Design.

  Curriculum of the MPH program @ SIU is a mix of courses specific to each faculty to attain knowledge, competencies, and skill sets (including values) involving diverse and innovative pedagogies and instructional designs to develop a competency driven MPH program with emphasis on problem solving, case-based learning which will help produce MPH graduates for the 21st century. One of the hallmarks of the program is its research rigor & intensity. The emphasis would be to impart transformative learning. MPH has an important component of experiential learning where SCOPE and SUHRC facilities play a significant role.

- **Master of Science (Medical Technology) [M.Sc. (MT)]**

  The program includes 2 years of rigorous 'Hands-On' development of skills and competencies in the hospital & the associated healthcare organizations. During the two years, the student undertake research in the specialization of choice under the guidance of mentor. The pedagogy includes synchronous & asynchronous mode of academic delivery, discussions, case studies and presentations, which will enhance the caliber of students and make them aware of international standards, latest developments and knowledge levels in their chosen modality of expertise. For practical "Hands-on" training, the training is conducted at Symbiosis University

Blood Donation Drive _ MBA (HHM) students conducting donor motivation activities across SIU campuses

Dr. Nandini Kumar at SYMRESEARCH 2022

Hospital and Research Center (SUHRC). The students pursue Summer Internships and On-Job Training (OJT) in the Healthcare Industry, Hospitals - Private & Government, Healthcare organizations, Medical Equipment companies, Diagnostic centers & services & Research Institutes, providing them with experiential learning exposure to the Healthcare Industry for better career growth.

During the two years, the student will undertake research in the specialization of choice under the guidance of a mentor. The students are expected to publish a manuscript before their graduation. Students have opportunities to attend conferences that focuses on professional and personal skill development. Students are provided with optimal training in diverse opportunities like academics, research, industry, hospitals and entrepreneurship to hone their skills. They participate actively in co –curricular & extra-curricular activities that develops self-confidence and the ability to realize their full potential. Eminent guest faculty enrich the course content. Innovative pedagogy and sessions contribute to the all- round personality development in addition to academic excellence and practical competencies.

- **Master of Science (Assisted Reproduction Technology & Embryology) (M.Sc. (ART and E))**

The program is formatted such that apart from the classroom didactic lectures, students spend a substantial amount of their learning time in Symbiosis University Hospital and Research Centre (SUHRC), other hospitals, and Assisted Reproduction Technology (ART)/In-vitro Fertilization (IVF) centers in Pune city. The program includes two years of rigorous 'hands-on' development of skills and competencies in the hospital & the associated healthcare organizations, under the mentorship of experienced healthcare professionals. The pedagogy includes synchronous & asynchronous modes of academic delivery, discussions, case studies, and presentations, which will enhance the calibre of students and make them aware of international standards, the latest developments, and knowledge levels in their chosen modality of expertise.

During the two years, the student will be undertaking research of their choice under the mentor's guidance. As part of the audit course titled "Research Publication," each student is mentored for research, which aids in the development of their research skills. Students have opportunities to attend conferences focusing on their professional and personal skill development. Students are provided with optimal training to hone their skills for diverse opportunities like academics, research, industry, hospitals and entrepreneurship. They participate actively in co-curricular & extra-curricular activities that develops self-confidence and the ability to realize their full potential.

The students also pursue Summer Internship, and 'On-Job Training' (OJT) in the Healthcare Industry, Hospitals - Private & Government, IVF clinics, Medical Equipment companies, & Research Institutes, providing them with experiential learning and exposure to the Healthcare Industry for better career growth. Eminent guest faculty further enrich the course content. Innovative pedagogy and sessions contribute to the all-around personality development in addition to academic excellence and practical competencies.

- **Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]**
  - ➢ The programme offers two years of training on skills and competencies required in hospital and community settings to support student professional development. Students are provided hands-on training and experiential learning opportunities within their respective industries to gain insights into the skills needed for their professional growth.
  - ➢ The pedagogy includes synchronous & asynchronous modes of academic delivery, discussions, case studies and presentations to enhance the calibre of students and enlighten them regarding the international standards and latest advances in their chosen fields of career.
  - ➢ Internship opportunities are available at Symbiosis University Hospital and Research Center (SUHRC) or Symbiosis Community Outreach Programme and Extension (SCOPE). Opportunities for developing genetic counselling skills and understanding the food industry requirements are also provided.
  - ➢ Experiential learning opportunities are provided in Hospitals - Private and government, NGOs, Food industries, Recreational and wellness centres, Sports Centres, and Research Institutes to provide exposure to on-the-job training. Additionally, we encourage students to explore internship and dissertation opportunities in South Asian countries for orientation and to develop meaningful partnerships.
  - ➢ The programme offers an in-built scope for studying at reputed national and international universities through semester abroad programmes, dual degree programmes, internships and dissertations leading to doctoral studies for those students who want to pursue a research career.
  - ➢ During the two years, the student will undertake research in the specialization of choice under the guidance of a mentor. The students are expected to publish a manuscript before their graduation.

Fee Structure

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

Programme Fees For Master of Business Administration (Hospital & Healthcare Management) [MBA (HHM)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 5,70,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Medical Technology) [M.Sc. (MT)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,20,000
Institute Deposit (Refundable)	₹ 20,000
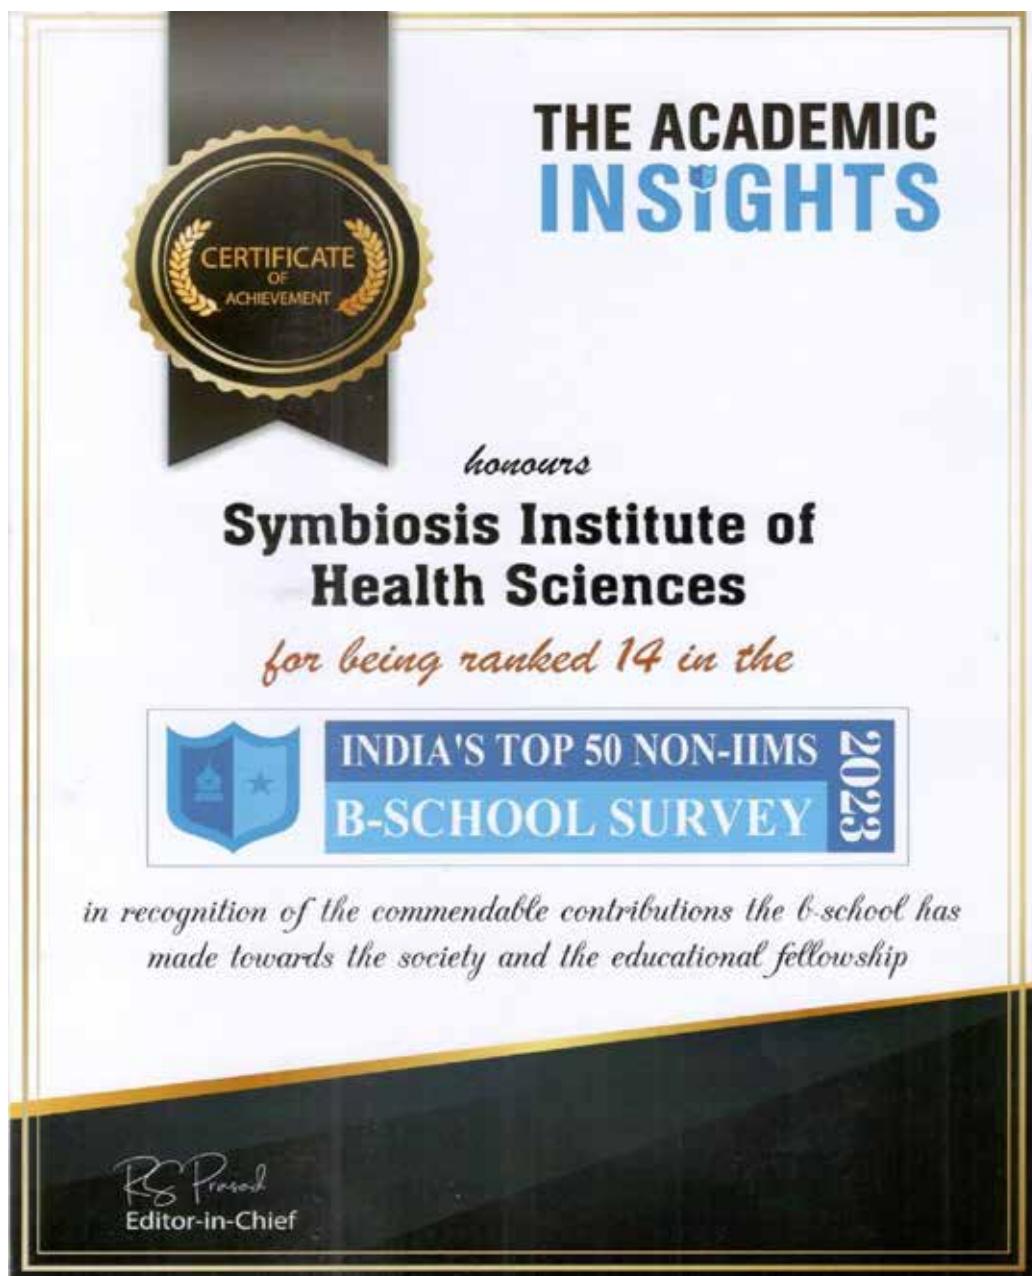

Programme Fees For Master of Public Health (MPH)	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,50,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Nutrition & Dietetics) [M.Sc. (ND)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,20,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Assisted Reproduction Technology & Embryology) [M.Sc. (ART and E)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,55,000
Institute Deposit (Refundable)	₹ 20,000

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Medical Campus Only)	1st Year Academic Year 2024-25 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 94,500
Hostel Deposit (Refundable)	₹ 15,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	₹ 2,10,000
Three Sharing	₹ 1,39,500
Dormitory	₹ 76,000
New Dormitory	₹ 99,000

Note:

\#   ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1)   100 Symbiosis Golden Jubilee full Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2)   100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3)   Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4)   Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \#   50% Concession will be given only to the Foreign National students on Administrative Fees.

Induction ceremony – MBA HHM Batch 23-25

SYMHEALTH 2022

Programme Structure*:

Master of Business Administration (Hospital and Healthcare Management) [MBA (HHM)]

Semester : I
Generic Core Courses
- Biostatistics & Basic Epidemiology
- Business Communication
- Entrepreneurship
- Financial Accounting
- Fundamentals of Hospital Planning and Engineering Issues
- Human Resource Management
- IT Applications for Healthcare
- Materials Management
- Organizational Behaviour
- Planning & Management of Hospital Clinical Services
- Planning & Management of Hospital Supportive Services
- Principles and Practices of Management
- Research Methodology
- Advanced Excel
- Creativity & Innovation
- Integrated Disaster Management

Semester: II
Generic Core Courses
- An Overview of Health Insurance
- An Overview of Pharmaceutical Sector
- Business Statistics
- Essentials of Marketing Management
- Health Regulatory Environment

- Management Accounting
- MIS for Hospitals
- Quality & Accreditation in Healthcare Sector
- Study Report : Public health Sector Undertakings / Healthcare Govt. agencies
- Conceptualization & Management of Events - I
- Operations Research

Generic Elective Course Group
(Choose any one course)
- An Overview of Clinical Research
- Writing a Research Proposal: RM III

Semester : III
Generic Core Courses
- Summer Internship Programme
- Business Analytics
- Community Health
- Conceptualization and Management of Events - II
- Health Economics
- Introduction to Financial Management
- Operations Research
- Organisation & Administration of Super Speciality Hospitals
- Project Management
- Service Operations Management
- Strategic Management
- Talent Management
- National Health Programme

Generic Elective Courses Group
- Healthcare Insurance -1
- Healthcare IT-1
- Pharmaceutical Management 1
- Business Modeling and Planning
- Information Technology & Intellectual Property
- Introduction to Business Intelligence

Semester : IV
Generic Core Courses
- Corporate Governance and Ethics
- Dissertation
- Industrial Regulatory Environment
- Emerging Trends in Healthcare Sector
- Global Health Systems
- Non Profit Sector in Healthcare

Generic Elective Course Group – I
(Choose any one course)
- Basic French I
- Basic German I

Generic Elective Courses Group – II
(Choose any one course)
- Healthcare Insurance 2
- Healthcare IT-2
- Pharmaceutical Management 2

Master of Science (Medical Technology) (M.Sc. (MT))

Semester I
Generic Core Courses
- Biostatistics & Basic Epidemiology
- Research Methodology
- Teaching Methodology - I

Generic Elective Course Group (Choose any one course)
- IT Applications for Allied Health Care
- Medical Physics
- Research Proposal Writing

Specialization Core Courses: Cardiac Care
- Cardiology Basics and Chest Roentgenogram
- Etiopathogenesis of Heart Disease
- Electro-Physiology, ECG and Stress Test Technique
- Development of Cardiovascular System and Circulation (Fetal, Neonatal & Adult)

Specialization Core Courses: Respiratory Therapy
- Advanced Respiratory Therapy-I
- Cardiopulmonary Diseases
- Basic Sciences (Anatomy and Physiology)
- Cardiopulmonary Pharmacology

Specialization Core Courses: Imaging Sciences
- Imaging Equipment (I) -X-Ray and Mammography
- Radiation Physics and Protection
- Radiographic Photography
- Applied Physics in Medical Imaging

Specialization Core Courses: Clinical Laboratory
- Systemic Bacteriology
- Biochemistry
- Clinical Pathology
- Parasitology

Specialization Core Courses: Dialysis and Renal Technology
- Aetio-Pathology of Renal Disease
- Renal Pharmacology
- Water Treatment
- Renal Anatomy and Physiology

Specialization Core Courses: Operation Theatre and Anaesthesia Technology
- Anesthetic Fitness Criteria and Pre Surgery Checklist
- Infection Control in Operation Theatre
- Pre-Anesthetic Patient Assessment
- Patient Preparation
- Pre-Operative Patient Investigation

Semester II
Generic Core Courses
- Review of Literature
- Business Statistics
- Pathology and Case Presentation-I
- Principles and Practices of Management
- Teaching Methodology -II
- Integrated Disaster Management

Generic Elective Course Group (Choose any one course)
- Computer Language
- Emerging Trends in Allied Health Care

Specialization Core Courses: Cardiac Care
- Clinical Cardiology
- Echocardiography and Peripheral Doppler - I
- Biomedical Instrumentation in Cardiac Care

Specialization Core Courses: Respiratory Therapy
- Advanced Respiratory Therapy-II
- Critical Care Medicine-I
- Biomedical Instrumentation in Respiratory Therapy

Specialization Core Courses: Imaging Sciences
- Image Interpretation (X-Ray and Mammography)
- Imaging Equipment (II)- Computed Tomography (CT)
- Imaging Equipment and Techniques in Ultrasonography (USG)
- Techniques in X-Ray and Mammography

Specialization Core Courses: Clinical Laboratory
- Clinical Haematology
- Diagnostic Microbiology
- Instrumentation in Clinical Laboratory

Specialization Core Courses: Dialysis and Renal Technology
- Clinical Nephrology
- Theory and Principles of Haemodialysis
- Dialysis Equipment

Specialization Core Courses: Operation Theatre and Anaesthesia Technology
- Safety Measures in Operation Theatre
- Techniques in Anesthesia
- Anesthetic Agents
- Biomedical Instrumentation in OT and Anesthesia

Semester III
Generic Core Courses
- Pathology and Case Presentation -II
- Summer Internship
- Hospital Information System
- Teaching Methodology -III

Generic Elective Course Group (Choose any one course)
- Community Project
- Innovation and Entrepreneurship

Specialization Core Courses: Cardiac Care
- Cardiac Catheterization
- Cardiac Pacemakers and Cardioverter Defibrillators
- Echocardiography and Peripheral Doppler-II
- Applied Management in Cardiac Care Unit

Specialization Core Courses: Respiratory Therapy
- Critical Care Medicine-II
- Advanced Respiratory Therapy-III
- Applied Management in Respiratory Therapy Unit
- Cardiopulmonary Rehabilitation
- Emergency Medical Services-I

Specialization Core Courses: Imaging Sciences
- Techniques in Magnetic Resonance Imaging (MRI)
- Applied Management in Radiology Unit
- Cross-Sectional Anatomy (CT, MRI)
- Imaging Equipment (III)-Magnetic Resonance Imaging (MRI)
- Techniques in Computed Tomography (CT)

Specialization Core Courses: Clinical Laboratory
- Blood Banking
- Clinical Biochemistry
- Virology and Mycology
- Applied Management in Clinical Laboratory

Specialization Core Courses: Dialysis and Renal Technology
- Investigations in Renal Diseases
- Patient Care in Renal Technology
- Theory and Principles of Peritoneal Dialysis
- Applied Management in Renal Care Unit

Specialization Core Courses: Operation Theatre and Anaesthesia Technology
- Procedures in Thoracic and Cardiac OT
- Applied Management in OT and Anaesthesia Unit
- Procedures in Abdomen, Obstretic, Gynaecology and Urology (OBGY & URO)OT
- Procedures in Ear, Nose, Throat (ENT), Ophthalmic and Paediatric OT
- Procedures on Neuro OT

Semester IV
Generic Core Courses
- Pathology and Case Presentation-III
- Telemedicine Technology
- Teaching Methodology -IV
- Dissertation
- On Job Training

Specialization Core Courses: Cardiac Care
- Intensive Cardiac Care Unit (ICCU) and Cardiopulmonary Resuscitation (CPR)

- Peripheral Catheterization
- Quality Assurance, Standardization and Accreditation (Cardiac Care)
- Recent Advances in Cardiology

Specialization Core Courses: Respiratory Therapy
- Emergency Medical Services-II
- Neonatal and Pediatric Respiratory Care
- Critical Care Medicine-III
- Quality Assurance, Standardization and Accreditation (Respiratory Therapy)

Specialization Core Courses: Imaging Sciences
- Advances in Medical Imaging
- Calibration and Quality Control in Computerized Tomography (CT) & Magnetic Resonance Imaging (MRI)
- Picture Archiving and Communications System (PACS) and Radiology Information System (RIS) & Teleradiology
- Quality Assurance, Standardization and Accreditation (Imaging Sciences)
- Special Investigations and Techniques

Specialization Core Courses: Clinical Laboratory
- Cytology
- Histopathology
- Immunology
- Newer Diagnostic Techniques
- Quality Assurance, Standardization and Accreditation (Clinical Laboratory)

Specialization Core Courses: Dialysis and Renal Technology

- Recent Advances in Renal Technology
- Theory and Principles of other RenalProcedures
- Quality Assurance, Standardization and Accreditation (Dialysis and Renal Technology)

Specialization Core Courses: Operation Theatre and Anaesthesia Technology

- Critical Care Services
- Procedures in Orthopedic and Trauma Care
- Quality Assurance, Standardization and Accreditation (OT and Anaesthesia)
- Recovery Room and Day Care
- Transfusion and IV Therapy

Master of Public Health (MPH)

Semester I
Generic Core Courses

- Research Methodology
- Epidemiology-I
- Biostatistics for Public Health - I
- Society, Culture and Health
- Environmental Health
- Occupational Health
- Introduction to Public Health

Semester II
Generic Core Courses

- Communicable Diseases
- Non-Communicable Diseases
- Biostatistics for Public Health-II
- OB & HRM
- Epidemiology-II

- Medical Anthropology and Bioethics
- Project Management
- Non Profit Sector in Healthcare
- Integrated Disaster Management

Semester III
Generic Core Courses

- Summer Internship Project
- Public Health Law and Ethics
- Maternal and Child Health (MCH)
- Public Health Information System
- Public Health Nutrition
- Demography and Vital Statistics
- Health Policies for Public Health and Medical Care

- Mass Communication Theories and Practices
- Research Publication

Semester IV
Generic Core Courses

- Dissertation
- Project
- Public Healthcare Communication Strategy
- Hospital Management
- Global Health Diplomacy

Generic Elective Courses Group

- Health GIS
- Leadership and Capacity Building

Master of Science (Assisted Reproduction Technology & Embryology) [M.Sc. (ART and E)]

Semester I
Generic Core Courses
- Reproductive Anatomy & Physiology
- Biochemistry
- Cell and Molecular Biology
- Reproductive Disorders
- Biostatistics & Basic Epidemiology
- Research Methodology
- Semenology Techniques-I

Generic Elective Courses Group (Choose any one course)
- IT Applications for Allied Health Care
- Medical Physics
- Research Proposal Writing

Semester II
Generic Core Courses
- Review of Literature
- Developmental Biology
- Instrumentation in Assisted Reproduction (ART) & Embryology
- Business Statistics

- Pathology and Case Presentation-I
- Principles and Practices of Management
- Semenology Techniques- II
- Nutrition and Fertility
- Pharmacology in Gynaecological Disorders
- Integrated Disaster Management

Generic Elective Course Group (Choose any one course)
- Computer Language
- Emerging Trends in Allied Health Care

Semester III
Generic Core Courses
- Cytogenetics
- Procedures used in Assisted Reproduction Technology
- Semen Washing Techniques
- Applied Management in Embryology Clinic
- Pathology and Case Presentation-II
- Summer Internship

- Teaching Methodology - I
- Follicle Monitoring and Stimulation Protocols
- Hospital Information System

Generic Elective Courses Group (Choose any one course)
- Community Project
- Innovation and Entrepreneurship

Semester IV
Generic Core Courses
- Counselling in infertility
- Dissertation
- Ethics, Legal Aspects in Assisted Reproduction (ART) & Embryology
- On Job Training
- Pathology and Case Presentation-III
- Quality Assurance, Standardization & Accreditation (Assisted Reproduction & Embryology)
- Recent advances in Assisted Reproduction (ART) & Embryology
- Telemedicine Technology

Master of Science (Nutrition and Dietetics) [M.Sc. (ND)]

Semester: I
Generic Core Courses
- Biostatistics
- Food Quality and Safety
- Nutrition through Life Cycle and Meal Management
- Nutritional Biochemistry
- Physiology
- Principles of Human Nutrition
- Research Methodology

Semester: II
Generic Core Courses
- Laboratory Techniques - I
- Integrated Disaster Management

Generic Elective Course Group (Choose any one Course)
- Animal Food Processing
- Entrepreneurship in the Food Industry
- Food Journalism and Social Marketing

- Food System

Specialization Core Courses: Public Health Nutrition
- Lifestyle Disease Management
- Nutrition Education and Health Promotion
- Nutritional Epidemiology
- Public Health Nutrition
- Biostatistics - II

Specialization Core Courses: Nutrigenomics

- Nutritional Epidemiology
- Cell and Molecular Biology
- Genetics
- Medical Nutrition Therapy - I
- Medical Nutrition Therapy Practical - I

Specialization Core Courses: Clinical Nutrition and Dietetics

- Nutritional Epidemiology
- Medical Nutrition Therapy - I
- Medical Nutrition Therapy Practical - I
- Nutrition Care Process
- Nutrition Education and Counselling
- Sports Physiology and Nutrition

Specialization Core Courses: Food Safety and Quality Management

- Food Legislations and Policies-I
- Food Chemistry and Rheology
- Food Processing and Preservation Practicals
- Food Product Development And Consumer Studies
- Industrial Hygiene and Sanitation Governance
- Epidemiology and food safety

Semester: III
Generic Core Courses

Specialization Core Courses: Public Health Nutrition

- Global Nutrition
- Maternal and Child Nutrition
- Nutrition during Emergencies and Challenging Conditions

- Nutrition Policy and Advocacy
- Programme Planning and Management
- Social Determinants of Nutrition and Health
- Public Health Nutrition - Field Training

Specialization Core Courses: Nutrigenomics

- Genomics, Proteomics and Bioinformatics
- Laboratory Techniques - II
- Medical Nutrition Therapy - II
- Medical Nutrition Therapy Practical - II
- Nutraceuticals and Functional Foods
- Precision Medicine
- Nutrition Therapy in Critical Care

Specialization Core Courses: Clinical Nutrition and Dietetics

- Medical Nutrition Therapy - II
- Medical Nutrition Therapy Practical - II
- Nutraceuticals and Functional Foods
- Nutrition Therapy in Critical Care
- Pediatric and Geriatric Nutrition
- Food Service Management and Entrepreneurship
- Nutrition Therapy in Critical Care-Practical
- Research Applications in Clinical Nutrition and Dietetics

Specialization Core Courses: Food Safety and Quality Management

- Laboratory Techniques - II
- Nutraceuticals and Functional Foods

- Food Safety And Quality Management
- Start Ups and Intellectual Property Rights (IPR)
- Food Legislations and Policies-II
- Food security and Food systems approach
- Packaging Technology
- Research Applications in Food Industry

Semester: IV
Specialization Core Courses: Public Health Nutrition

- Public Health Nutrition Internship
- Public Health Nutrition Dissertation

Specialization Core Courses: Nutrigenomics

- Nutrigenomics Dissertation
- Nutrigenomics Internship

Specialization Core Courses: Clinical Nutrition and Dietetics

- Clinical Nutrition and Dietetics Dissertation
- Clinical Nutrition and Dietetics Internship

Specialization Core Courses: Food Safety and Quality Management

- Food Safety and Quality Management Dissertation
- Food Safety and Quality Management Internship

* Courses are subject to change

Induction programme

Training at Skill Stations

Experiential Training at Symbiosis University Hospital & Research Centre

Imaging Sciences

Respiratory Therapy

Cardiac Care

Clinical Laboratory

OT & Anaesthesia Technology

Dialysis & Renal Technology

Workshop on "Molecular Diagnosis (MDx): upcoming era in Medical Laboratory practices"
for students of Clinical Laboratory specialization.

Workshop on "Dialysis Technology- Recent Advances and Modalities" for students of Dialysis specialization.

Workshop on "Image Interpretation of Chest X-Ray" for students of Imaging Specialization.

Workshop on "Recent advancements and their management in Operation Theatre and Anaesthesia Technology" for students of OT & Anaesthesia specialization.

Workshop on "Brain Magnetic Resonance Imaging" for students of Imaging Sciences specialization.

Students of Respiratory Therapy specialization celebrating "Respiratory Care Day"

Students' participation in SYMRESEARCH conference

Students' participation in "Blood Donation Drive"

Workshop on childhood disability and birth defect by Dr. Anita Kar, Director, Child Birth Defects Centre, Pune, on 22nd And 23rd August, 2022 at Symbiosis Institute of Health Sciences, Pune.

Facility -Based study on the Knowledge, Attitude, and Practices of community health workers for the undernourished children on 11th March, 2023 in Ranga Reddy district, Telangana.

Project on early detection of malnutrition in the underserved population of Ulhasnagar and Kurla (Mumbai) on 08th June, 2023

Project work on Public Health communication strategy on 05th April, 2023 at Kamathipura, Mumbai

Fieldwork on Mobile Health Unit in Vadodara district, Gujarat on 25th March, 2023

*Students of M.Sc. Nutrition and Dietetics conducted a Nutrition
Education Programme during the Blood Donation Drive 2023*

*Students of M.Sc. Nutrition and Dietetics conducted a Nutrition Education Programme
during Breastfeeding Awareness Week, 1st to 7th August 2023*

Model-based Student Projects

Industry Visit

Summer Internship Programme – Conceive India IVF, Wakad.
M.Sc. ARTE Students with Director Dr. Madhuri Roy at Centre.

A Workshop on "Embryology: Concepts and Instrumentation Techniques inAssisted Reproduction".
Dr.Kersi Avari (Embryologist & Founder Director EART)

Dr. Nayana Nimkar
Director

Director Profile:

Dr. Nayana Nimkar is currently the Director at Symbiosis School of Sports Sciences at Symbiosis International University Pune. She holds a Doctorate in Physical Education from Mumbai University and has previously worked as a PhD Guide with Savitribai Phule University of Pune (SPPU). She holds three master's degrees from Pune University in (M.Ed.) Education, (M.Ed.) Physical Education and (M.Phil.) Education. She has also completed 5 credits from Springfield University Massachusetts, in the USA (1981) in 'Psychology of Sports' (under the MS Sports Program).

She has represented the state in several sports at various reputable levels in her earlier times. She has worked on several National committees like the Steering Committee for Sports of the 11th and 12th Planning Commission of the Government of India, she has also worked for NAAC (National Assessment and Accreditation Council) and NCTE (National Council for Teacher Education) as a peer committee member. She has represented India on professional bodies like ACESS (Asian Council for exercise and Sports Science) and NAPESS (National Association for Physical Education and Sport Sciences). She has been a keynote speaker in several conferences and has several publications to her credit.

Her academic and administrative experience is of 45 years, which started with Maharashtriya Mandal's Chandrasekhar Agashe College in Pune, which she headed for 20+ years. She also held prestigious positions as Director, Board of College and University Development (SPPU) and as founder HOD of the Department of Physical Education (SPPU) where she was awarded the Best Principal's award.

When asked about the source of her energy and enthusiasm, she says "…making fitness and physical education a part of the routine of a common man is my real source of inspiration and my relentless drive towards excellence". This is so much in consonance with the 'Fit India Movement', which was launched a couple of years back by our Prime Minister. The urge to contribute to the field of sports, be it sports management, sports science, sports technology or making sports available for the not-so-privileged is what drives Dr. Nayana Nimkar to run the Symbiosis School of Sports Sciences with the ultimate zeal and definitive purpose.

Institute Profile:

Symbiosis has embarked into a niche area, that of Sports Sciences by establishing the Symbiosis School of Sports Sciences (SSSS) in 2016. SSSS offers a two years full-time MBA programme in Sports Management, the options being specialization in Sports Marketing, Event Management (Sports) and Sports Technology. The objective of Symbiosis School of Sports Sciences is to impart skills and knowledge to create future managers, leaders and entrepreneurs in the Sports Industry. To date, it has already created a force of managers and leaders ready to take on leading positions in the sporting industry and many of them are making their way wonderfully through this upcoming industry.

The main reasons for so many success stories of students from SSSS within such short span of time are the multitude of unique activities conducted by SSSS which are the key differentiators between SSSS and other education institutions, which include the following -

✓ **SSSS Sports Science Conference:** This has been conducted every year since the inception of the institute, the main objective of which is to provide a platform for students to interact with the stalwarts of the sports industry, exposure to recent scientific research and developments and a solid networking platform for students, faculties and management of the institute.

✓ **Global Immersion Program:** SSSS has collaborated with premier global sports management institutes to provide global exposure to SSSS students in the field of sports through education and peer interaction. Developed countries are ahead of the Indian curve in the field of sports and this global exposure creates a certain level of awareness of best global practices in the sports industry to the budding managers at SSSS.

✓ **World Football Summit, Spain:** SSSS has in the past facilitated their students to attend the World Football Summit held in Spain to not only give a true fan moment to the football follower but also help them provide a glimpse at the economics behind the operation of such a global summit, to explore new sports ventures and startups, the sporting culture and the consumer behaviour of a hardcore sporting fan of a developed nation like Spain.

✓ **Collaboration with Global Sports Wearable Technology Provider:** SSSS has tied up with the topmost technology provider of sports wearable technology which provides a real-time generation of player performance data to the analysts, who can then understand the effectiveness of data-based decision-making instead of traditional/biased methods.

✓ **Prestigious Internships:** SSSS has been able to provide its students work experience in the form of internships at the best places in the sports industry like Khelo India, Sports Authority of India, Under-19 FIFA World Cup, Sports Interactive et al to learn and enhance their practical knowledge and provide them insights into the qualities and skill sets required in addition to the knowledge to be an effective contributor to the sports world.

✓ **Social Responsibility Initiatives:** Sports in India is still at a nascent stage and a lot of grassroot development initiatives are required to bring to surface the talent in the country. Many times in the past such talent has come to the forefront from the humble backgrounds of small villages. SSSS understands the importance and potential of this and thus encourages its students to conduct projects in nearby villages to help and create awareness about sports and also provide sporting facilities for encouraging local talent to greater heights.

✓ **Other initiatives:** Apart from the above SSSS also conducts Sporting Events at University level, Mock Auctions and Business Plan Competitions to prepare the students not just for sports but in general develop an all-round management perspective and personality of the students over a period of two years, to take on the top-most jobs or even to be smart, tech-savvy and dynamic entrepreneurs for the coming times.

✓ **Internationalization:** SSSS promotes the sharing of academic and research best practices through interactions with diverse education systems. The school conducts Master Classes by Leeds Beckett University which is the leading University in the field of Sport in UK. The exchange of ideas and knowledge acquisition help the students develop into global citizens.

Field visit to Verroc Vengsarkar Cricket Academy

✓ **Industry Connect:** SSSS regularly conducts sessions by the stalwarts in the sports industry who share their experiences on the global sports ecosystem, discuss new opportunities and innovations that are improving data collection, fan experience, and athletic performance and training. Apart from this, SSSS also invites alumni to interact with the students and share their learnings in the industry.

Programme Profile:

Name of the Programme:

- **Master of Business Administration (Sports Management) [MBA (SM)]**

  Specializations – Sports Marketing, Event Management in Sports, Technology in Sports

Duration:

- **Master of Business Administration (Sports Management) [MBA (SM)]:** 2-year Full-Time Residential Programme

Intake:

- **Master of Business Administration (Sports Management) [MBA (SM)]:** 60 seats

Eligibility:

- **Master of Business Administration (Sports Management) [MBA (SM)]:**

  Candidate should be Graduate from any recognized University/ Candidate should be a graduate of any recognized University/ Institution of National Importance and must have obtained a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Castes/ Scheduled Tribes) at graduation.

  Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Castes/ Scheduled Tribes).

  A candidate who has completed qualifying qualification from any Foreign University must obtain an equivalence certificate from the Association of Indian Universities (AIU)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Business Administration (Sports Management) [MBA (SM)]**

    Symbiosis National Aptitude Test (SNAP) and Group Exercise(GE)+ Personal Interview (PI).

Reservation of Seats: As per University norms

Important Dates:

Details	Date
Program Registration Begins	August 23, 2023 (Wednesday)
Registration closes on	November 23, 2023 (Thursday)
Payment closes on	November 23, 2023 (Thursday)
Admit Card Live on (www.snaptest.org)	December 04, 2023 (Monday) for SNAP Test 1 December 09, 2023 (Saturday) for SNAP Test 02 and SNAP Test 03
SNAP Computer Base Test (CBT) 2023	December 10, 2023 (Sunday) December 17, 2023 (Sunday) December 22, 2023 (Friday)
Announcement of Result	January 10, 2024 (Wednesday)
Last date of Online registration For the Institute	January 20, 2023 (Friday)
Last Date of payment of Registration fees For the Institute	January 20, 2023 (Friday)
Announcement of Shortlist for Group Exercise and Personal Interaction	January 30, 2024 (Tuesday)
Group Exercise and Personal Interaction	10th & 11th Feb 2024 (Saturday & Sunday)
Announcement of First Merit list	5th March 2024 (Tuesday)
Last date for payment of fees for candidates in the First Merit List	26th March 2024 (Tuesday)
Commencement of programme on the date	4th June 2024 (Tuesday)

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.ssss.edu.in

INDUCTION PROGRAM BATCH 2022-24

Orientation and Pedagogy :

At SSSS, we help our students learn how to learn and to think critically about both content and process. For teaching and learning to be relevant and effective, we focus on learning instead of teaching, on the process of learning rather than its product. Further, we include relevant industry experience, and involve participation in the practices of the community of sport management.

Industry immersed faculty expose students to contemporary issues in sport management and allows them to debate and critically examine existing practices within the sports industry. The methods include case studies, simulation exercises, class room presentations, Group discussions, Seminars and experiential learning for developing real-world skills such as critical thinking and analysis. The curriculum is progressive and continuously evolving, and provides the structure for the provision of quality learning, it comprises of high quality, relevant and appropriate 'content' and contributes to the development of competence if the students.

1. **Event : Students MBA (SM) Batch 2021-23 - Field Visit to Varroc Vengsarkar Cricket Academy for Talent Scouting on 28th July 2022.**

    Students witnessed the practice of athletes where coaches for every age category and strength & conditioning coach were available. The indoor is divided into 4-5 parts – batting, hitting a bat with football instead of usual balls, training with plastic balls and working on bowling techniques. They saw the pitch made up of multiple layers. They learned about the unique scoreboard which was manual and didn't require the sliding boards. The knowledge and experience gained from the experts and coaches was beneficial.

2. **Event : Induction Program: MBA (SM) Batch 2022-24 was held on 07th June, 2022**

    Director, In-house Faculty and other stalwarts Dr Rajiv Yeravdekar – Dean FoMHS, Dr Raman, Dir SIBM & Ms Aditi Mutatkar, Head Athlete and Women Initiatives at Simply Sports Foundation addressed the students with their impactful teachings & and valuable work experience.

    Students were extremely delighted with the expertise of the speakers.

3. **Event : Celebration of International Day of Yoga on 21st June 2022 -**

Symbiosis International (Deemed) University celebrated the International Day of Yoga (IDY), in a hybrid mode at all campuses PAN India with the theme Yoga @ Symbiosis Family

4. **Event : Auction 7.0 – on 30th July 2022 - Participants – MBA (SM) Batch : 2022-2024 & 2021-23**

Objective: To understand the mechanism of how Auction in the sports domain is implemented.

Students learn skills like knowledge of the commodity /players they deal with, organization skills, networking, public speaking, understanding professional approach, integrity, and confidence working with money. This event provides students with a platform to showcase their skills and ability to get into a company best suitable for them. The event started as a fun activity by the 1st Batch in 2016 and has grown over the years to be considered one of the best practices at the SIU level.

5. **Experiential Learning on 26th August 2022 - Batch 2021-23 & 2022-24 at Balewadi Stadium Pune**

Ultimate Khokho League for learning on : Sports Marketing, Service Marketing, Event Marketing and Management, League Management, Sports Governance. This was a part the Experiential Learning program

6. **Gender Sensitization session on 01st August 2022 - conducted by Dr Nehal Pimpalkar , SCEW**

Participants – MBA (SM) Batch: 2022-24 & 2021-23 – A session on the importance of all the gender-related stereotypes and stigmas associated with it. It also helped students understand the identification of different genders that exist around us and the way to accept them the way they are.

Experential Learning - Balewadi

Dr. Ruchi Kher Jaggi
Director

Director Profile:

Dr. Ruchi Kher Jaggi is Professor and Director of Symbiosis Institute of Media and Communication, and Dean of the Faculty of Media and Communication, Symbiosis International (Deemed University), Pune, India. She completed her PhD at the Department of Media & Communication Studies, University of Pune. She post-graduated in Mass Communication from Panjab University, Chandigarh and is also UGC-NET qualified. She has been working in higher education for two decades now. Her research interests include media representations, popular culture analysis, media and children, television studies, journalism studies, media literacy, streaming platforms and emerging discourses of identity on the new media. Her research has been presented at national and international communication conferences and published in peer-reviewed international journals. Dr. Jaggi has recently received the SPARC (Scheme for the Promotion of Academic and Research Collaboration) grant from the Ministry of Education, Government of India where she and her team would be working with the team from the University of Western Ontario, Canada. Dr. Jaggi has also been a recipient of a research grant on a project on Interactive Documentaries in partnership with Salisbury University, Maryland, USA under USIEF's U.S.-India 21st Century Knowledge Initiative awards from September 2018 to August 2020. She has also been awarded the 'Woman Leadership Award' in 2017 and 2019, respectively. She has served as the Vice-Chair of the Media Education Research Section of the International Association of Media and Communication Research (IAMCR). She has completed a global research study on 'Media, Children and Covid-19' along with a team of 42 researchers from across 30 countries and her book chapter on the same has been published by Peter Lang publications. She delivered the keynote address at the 'Critical Studies in Television' Conference held at Edge Hill University, Ormskirk, United Kingdom in October 2018. She has significant international experience having traveled for academic conferences and projects to different countries besides being the resource person on media studies for many international students who pursue short courses as part of the international student exchange programme at Symbiosis International (Deemed University), Pune. She has also been conferred the award of 'Best Media Educator' by the Global Media and Communication Council.

Institute Profile:

With a legacy of over 33 years, Symbiosis Institute of Media and Communication (SIMC) is the country's top post-graduate institute in the media and communication space. SIMC boasts of a laudable curriculum, with timely upgrades to the course content. It offers the right academic-industry interface, equipping students with relevant industry-related skills.

SIMC currently offers two full-time programmes:

- Master of Business Administration (Communication Management) (MBA (CM))
- Master of Arts (Mass Communication) (MA (MC))

The two-year MBA (Communication Management) programme offers four specializations, viz.,

- Brand Communication

- Public Relations
- Marketing and Media Analytics
- Media Management

The two-year MA (Mass Communication) programme offers two specializations, viz.,

- Journalism
- Audio Visual

The essence of SIMC lies in creating practitioners who can assimilate intellect, creativity, skill and integrity, and achieve the highest standards of professional expertise and conduct. SIMC endeavors to accomplish this by leveraging its excellent infrastructure, in-house capacities, and the unique strength of its industry network and alumni fraternity.

Today, SIMC's alumni are at the forefront of the media and communication industry as competent professionals, entrepreneurs, and thought leaders.

Orientation and Pedagogy:

- **Master of Business Administration (Communication Management)- (MBA (CM))**

  SIMC endeavors to create capable and qualified media professionals to suit the dynamism of the media and communications business with its Masters in Business Administration course. The business is continuously evolving and to ensure our students are well versed to excel in this dynamic world, classroom sessions are aided by live case studies. The students are constantly encouraged to engage themselves in industry projects.

  The institute attempts to keep pace with the times through an evolving programme structure. The courses and the content therein are constantly updated to ensure contemporariness. This is done through a regular system of feedback from internal as well as industry stakeholders and mentors. The syllabus now includes courses in upcoming platforms, the latest technologies and innovations, and their relation with the business of media and communications. The now, almost ubiquitous, digital is embedded in almost every course across the specializations viz., Brand Communication, Public Relations, Media Management, and Marketing & Media Analytics.

  The dynamics of the industry and evolving job descriptions have encouraged SIMC to offer a host of common courses to all students spanning the various facets of the business. Additionally, from the batch of 2021-23, the specializations are being offered as major and minor to broaden the scope of learning for students and enable them to become well-rounded professionals.

  For a more holistic grounding, students are encouraged to develop a research mindset under the guidance of experts who elaborate on research and its advancements in specialized domains.

  Senior industry professionals and SIMC's alumni form a key part of SIMC's pedagogy. They are involved not only in feedback and up-gradation of the course, but also take courses, mentor students and share their knowledge through seminars and symposia.

  All in all, with an experienced faculty pool, rich infrastructure and industry interaction, the delivery of the media communication courses is crisp and well defined providing a foundational and experiential knowledge of the media industry.

- **Master of Arts (Mass Communication) - (MA (MC))**

  SIMC endeavors to create capable and qualified media professionals to suit the dynamism of the media and communications industry. The business is continuously evolving and to ensure our students are well versed to excel in this dynamic world, classroom sessions are aided by live case studies. The students are constantly encouraged to engage themselves in industry projects.

  The institute endeavors to keep pace with the times with an evolving programme structure. The courses and the content therein are constantly updated to ensure contemporariness. This is done through a regular system of feedback from internal as well as industry stakeholders and mentors.

  Classroom lectures are aptly complemented with live workshops, projects and internships, keeping in line with the hands-on nature of the courses. The evaluations are also tuned to reflect the same with projects and jury based exams.

  For a more holistic grounding, students are encouraged to develop a research mindset under the guidance of experts who elaborate on research and its advancements in specialized domains.

The Journalism students at SIMC run their own newspaper in the physical as well as virtual format, while the Audio Visual students work on the various facets of video production from set design, camerawork and editing to creating their own films.

Senior industry professionals and SIMC's alumni form a key part of SIMC's pedagogy. They are involved not only in feedback and up-gradation of the course, but also take courses, mentor students and share their knowledge through seminars and symposia.

Dr. Sonopant G. Joshi
Director

Director Profile:

Dr. Sonopant G. Joshi – M.Sc. (N), M.Sc. (DM), Ph.D. has qualified P.C.B.Sc. (N) from Institute of Nursing Education J. J. Hospital, Mumbai. He completed his Doctorate in Management from Tilak Maharashtra University. He is an alumnus of Bharati Vidyapeeth Deemed University where he completed his masters in Community Health Nursing and a master's degree in Disaster Management. He has a commendable 32 years of rich teaching and admin experience. Dr. Joshi is one of the trained NAAC assessors and is the Member Secretary of the Institutional Ethics Committee – Symbiosis International University. He also is a visiting professor at the Kent State University, USA. He is a crucial member of professional bodies like Asian Association of Agricultural Medicine and Rural Health India (AAAMRHI), Indian Association of Occupational Health Nursing (IAOHN), Trained Nurses Association of India and the Society of Midwives India (SOMI). He has been awarded with prestigious honors like the Best Researcher Award by the Trained Nurses Association of India – 2020; The Scroll of Honor at the International Conference - Dubai –2017 and the Gold medal of Bombay Ambulance College – Mumbai – Specialist Instructors Course in First Aid –1998. Dr. Joshi is a Reviewer & Editorial Board Member of National/International Journals and has to his credit many SCOPUS indexed publications. He has written chapters in books published by IGI Global publication. He has written book titled 'Disaster Management for Health Care Professionals', which is popular among Nursing and Management students. He has published 35 research papers in various National and International Journals of High repute among these his 18 papers are in SCOPUS indexed journals. He was invited as a speaker at an International Conference in LONDON where he spoke on 'Challenges of Higher Education in India' in Oct 2018. He has completed funded research project in 2019. He is life member of various professional organizations. Presently he is also a Ph.D. supervisor of Symbiosis International University under public Health domain with 08 Ph.D. scholars including 02 International research scholars under his guidance.

Institute Profile:

Symbiosis College of Nursing (SCON) was established in the year 2007 with an aim to create leaders in the nursing profession by providing unique, innovative Programme that are responsive to the market needs. SCON is recognized by Indian Nursing Council, New Delhi and Maharashtra Nursing Council, Mumbai & affiliated to Symbiosis International (Deemed University), Pune. SCON runs programmes like Bachelor of Science (Nursing), Post Basic Bachelor of Science (Nursing), Master of Science (Nursing) and Ph.D. (Nursing). The programme offered by SCON ensures numerous career avenues for a graduate and a postgraduate in the healthcare industry across the world. Symbiosis College of Nursing (SCON) is attached to the parent hospital - Symbiosis University Hospital & Research Centre (SUHRC) to provide necessary 'hands-on' clinical and para-clinical experience necessary for the students pursuing hospital based academic Programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India. The overall aim of nursing programme is to prepare a graduate nurse to work as a frontline worker in the clinical, community areas, research facilities & educational arena. SCON is recognized as one of the top 10 promising Nursing Colleges by thehighereducationreview.com in the year 2018 and also is featured on Telegraph Online Edugraph as the best nursing institution in India in the year 2023.

Programme Profile:

Name of the Programme:

- **Master of Science in Nursing (M.Sc. Nursing)**

Duration:

- **Master of Science in Nursing (M.Sc. Nursing) :** 2-year Full-Time

MULTI-PURPOSE HALL

Library detail

SCON has a splendid learning resource center.

DETAILS OF LIBRARY COLLECTION

Sr. No.	Item type	Number
1.	Text Books	4285
2.	Reference Books	525
3.	General Books	600
	Total no. of collection	**5410**

Total Titles- 2749

Sr. No.	Item type	Number
1.	**Denoted Books**	213

JOURNALS, MAGAZINES AND DATABASES DETAILS

Item (PRINT)	Number
Total no. of journal (International)	5
Total no. of journal (National)	10
Magazine (print)	3
Total	**18**

Item (ONLINE)	Number
E-Journals (DELNET/EBSCO)	278
E-Books (DELNET)	375
E-Resources & databases	13
Total	**666**

Online databases:

1. Question Pro
2. Sage Research Methods core
3. Pearson E-book
4. E Research
5. EndNote (Service) 2016-17
6. Turnitin
7. Scopus
8. Jstor
9. Frost & Sullivan
10. Web of Science
11. Emerald Management E-Journal
12. Elsevier: Science direct – Management
13. EBSCO

SCON has a book bank to help the poor and the needy students to cultivate the reading habit on nursing without spending from their pockets. Books are issued on loan basis for a whole year of study.

Facilities all as per INC norms

1) Class rooms for all 8 Batches
2) Common Rooms (for males and females)
3) Laboratories
   a) Computer Lab
   b) Nursing Foundation Lab with Simulation facility
   c) Nutrition Lab
   d) OBG and Pediatric lab with Simulation facility
   e) Pre-clinical lab
   f) Community Health Nursing Lab
   g) AV aids
4) Conference Room
5) Multipurpose Hall

CONFERENCE HALL

6) Library
7) Hostel
   - 3-sharing
   - Dormitory
   - Pantry
   - Record Room
   - Guest Room attach Toilet
   - Sick Room
   - Facilities for Indoor Games
   - Play Ground
   - Fire extinguisher
   - Facilities for Drying Clothes
   - Adequate & suitable furniture for each Area.
   - Adequate & safe Water supply
   - Hot Water Supply
   - Electricity/Inverter/Generator
   - Laundry
   - Safe disposal of Waste
   - Telephone Facilities.

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

Programme Fees For Master of Science (Nursing) (M.Sc. Nursing)	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 1,32,000
Institute Deposit (Refundable)	₹ 10,000

Programme Fees For Nurse Practitioner in Critical Care	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 1,30,000
Institute Deposit (Refundable)	₹ 10,000

Installment for For Master of Science (Nursing) (M.Sc. Nursing)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 66,000	₹ 66,000	₹ 66,000	₹ 66,000
Institute Deposit (Refundable)	₹ 10,000	-	-	-
Installment	**₹ 76,000**	**₹ 66,000**	**₹ 66,000**	**₹ 66,000**
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

Installment for Nurse Practitioner in Critical Care	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 65,000	₹ 65,000	₹ 65,000	₹ 65,000
Institute Deposit (Refundable)	₹ 10,000	-	-	-
Installment	**₹ 75,000**	**₹ 65,000**	**₹ 65,000**	**₹ 65,000**

Nutritional Lab

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Medical Campus Only)	1st Year Academic Year 2024-25 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 94,500
Hostel Deposit (Refundable)	₹ 15,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	₹ 2,10,000
Three Sharing	₹ 1,39,500
Dormitory	₹ 76,000
New Dormitory	₹ 99,000

**Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

*Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft. Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Dormitory	$650
New Dormitory	$650

Note:

\#   ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1)   100 Full Symbiosis Golden Jubilee Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2)   100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3)   Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4)   Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

**   Hostel and Mess Fees for the subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \#   50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure*:
Master of Science in Nursing (M.Sc. Nursing)

Year: 1
Generic Core Courses
- Nursing Education (Theory)
- Nursing Education (Practical)
- Advance Nursing Practice
- Nursing Research and Statistics
- Integrated Disaster Management

Specialization Core Courses: Medical Surgical Nursing (Critical Care Nursing)
- Clinical Specialty - I Medical Surgical Nursing (Theory)
- Clinical Specialty - I Medical Surgical Nursing (Practical)

Specialization Core Mental Health (Psychiatric) Nursing
- Clinical Specialty - I Mental Health (Psychiatric) Nursing (Theory)
- Clinical Specialty - I Mental Health (Psychiatric) Nursing (Practical)

Specialization Core Courses: Community Health Nursing
- Clinical Specialty - I Community Health Nursing (Theory)
- Clinical Specialty - I Community Health Nursing (Practical)

Specialization Core Courses: Obstetrics and Gynaecological Nursing
- Clinical Specialty - I Obstetrics & Gynecological Nursing (Theory)
- Clinical Specialty - I Obstetrics & Gynecological Nursing (Practical)

Year: 2
Generic Core Courses
- Nursing Management
- Nursing Research (Dissertation)

Specialization Core Courses: Medical Surgical Nursing (Critical Care Nursing)
- Clinical Specialty - II Medical Surgical Nursing (Theory)
- Clinical Specialty - II Medical Surgical Nursing (Practical)

Specialization Core Courses: Mental Health (Psychiatric) Nursing
- Clinical Specialty - II Mental Health (Psychiatric) Nursing (Theory)
- Clinical Specialty - II Mental Health (Psychiatric) Nursing (Practical)

Specialization Core Courses: Community Health Nursing
- Clinical Specialty - II Community Health Nursing (Theory)
- Clinical Specialty - II Community Health Nursing (Practical)

Specialization Core Courses: Obstetrics and Gynaecological Nursing
- Clinical Specialty - II Obstetrics & Gynecological Nursing (Theory)
- Clinical Specialty - II Obstetrics & Gynecological Nursing(Practical)

Dr. Anuradha Vaidya
Director

Director's Profile:

Dr. Anuradha Vaidya began her research career at the National Centre for Cell Science (NCCS), an autonomous institute of the Department of Biotechnology, Government of India, where she worked in the field of Stem Cell Biology. She received a Ph.D. in Biotechnology from the University of Pune in January 2011 after which she got affiliated with the brand "Symbiosis". She has been associated with Symbiosis School of Biological Sciences (SSBS), Symbiosis International (Deemed University) (SIU) since its establishment in August 2011.

On 8th November 2021, after completing more than a decade at SSBS, Dr. Vaidya was appointed as the Director of SSBS.

Dr. Anuradha Vaidya's current research focuses on understanding the microenvironment-mediated regulation of hematopoietic stem cells (HSCs) and the potential use of the mesenchymal stromal cell (MSC) secretome as "cell-free biologics" in the treatment of neurodegenerative disorders. This is an extension of her Ph.D. work during which she showed that the HSCs are regulated intrinsically by the activation of p44/42 mitogen-activated protein kinase (MAPK) pathway that is crucial to its proliferation; whereas the extrinsic regulation of HSCs is mediated via its intercellular communication with the MSCs and that constitutive activation of the AKT signaling pathway in MSCs has a detrimental effect on the HSCs. Since her line of work is in stem cells, Dr. Vaidya is also affiliated with the Symbiosis Centre for Stem Cell Research (SCSCR).

Dr. Vaidya is a member of National and International societies such Indian Society of Cell Biology and the International Society for Stem Cell Research. She is also a member of various academic, ethical, and safety committees within and outside of SIU. She has been serving as an Editor and Reviewer for many International peer-reviewed journals. She has also published several research articles in reputed journals such as Stem Cell Reviews and Reports, Regenerative Medicine, Stem Cells, Cryobiology, etc., and is currently involved in guiding and mentoring doctoral and dissertation students. She believes that SSBS possesses all the key attributes to evolve as one of the premier Life Science's institutes of India!

Institute Profile:

Symbiosis School of Biological Sciences (SSBS) was established as a new initiative of Symbiosis International (Deemed University) in 2011 under the Faculty of Health and Biomedical Sciences (now Faculty of Medical & Health Sciences) to address the need for a school devoted to training, research, and development in the field of biological sciences. SSBS offers M.Sc. and Ph.D. programmes in Biotechnology and Biochemistry. The current research focus of the school is on contemporary areas such as Genomics, Proteomics & Bioinformatics, Stem Cell Biology, Antibiotic Resistance, Food Biotechnology, Avian Virology, Biotransformation of Xenobiotics, Quorum Sensing, Nanotechnology, and Metabolic diseases which are aligned with the major government funding agencies.

Our goal is to carry out biological research of the highest caliber through global cooperation and to develop knowledge-rich highly skilled human resources.

Programme Profile:

Name of the Programme:

- **Master of Science (Biotechnology) [M.Sc. (Biotechnology)]**
- **Master of Science (Biochemistry) [M.Sc. (Biochemistry)]**

Duration:

- **Master of Science (Biotechnology) [M.Sc. (Biotechnology)]:** 2-year Full-Time Non-Residential
- **Master of Science (Biochemistry) [M.Sc. (Biochemistry)]:** 2-year Full-Time Non-Residential

Intake:

- **Master of Science (Biotechnology) [M.Sc. (Biotechnology)]:** 40 seats
- **Master of Science (Biochemistry) [M.Sc. (Biochemistry)]:** 30 seats

- **Master of Science (Biotechnology) [M.Sc. (Biotechnology)]**

  M.Sc. Biotechnology is an interdisciplinary programme offering courses such as Stem Cell Biology, Bioprocess Engineering, Recombinant DNA Technology, Bioanalytical Techniques, Genomics, Bioinformatics, and Biostatistics. The programme also emphasizes understanding of fundamental principles through courses such as Biochemistry, Cell Biology, Molecular Biology, Genetics, Microbiology, Virology, and Immunology. The skill-based programme incorporates a six-month Research Project or Internship as an integral component that provides an opportunity for the students to get trained in independently drafting a hypothesis, designing a research project, and performing laboratory experiments followed by data analysis coupled with an opportunity to publish in peer-reviewed journals. In order to confer an edge over similar programmes in the country, the Biotechnology programme also has a provision for a one-year Research Project as a separate "stream" with the sole objective of providing an opportunity to the students to master skills in contemporary areas along with an opportunity to write and publish an original research paper.

  The programme has a provision of dual degrees; wherein the students are provided with an opportunity to pursue M.Sc. in Biotechnology from two different universities. Currently, we offer a dual degree in association with the University of Adelaide, Australia. The students admitted to the dual degree stream will spend the first year at Symbiosis School of Biological Sciences, they will move to the University of Adelaide for the second year. On successful completion of the requisite credits, the student will be awarded two degrees; M.Sc. in Biotechnology from Symbiosis International (Deemed University) and M.Sc. in Biotechnology from the University of Adelaide.

- **Master of Science (Biochemistry) [M.Sc. (Biochemistry)]**

  M.Sc. Biochemistry is a fundamental programme offering various courses such as Biomolecules, Enzymology, Metabolism, Metabolic and Genetic Engineering, Bioanalytical Techniques, Genomics, Bioinformatics, Structural Biology, Drug Discovery, and Biostatistics. The programme incorporates a Research Project as an integral component that provides an opportunity for the students to get trained in independently drafting a hypothesis, designing a research project, and performing laboratory experiments followed by data analysis coupled with an opportunity to publish in peer-reviewed journals.

Celebration of International Womens Day at SSBS on March 8, 2023

Eligibility:

- **Master of Science (Biotechnology) [M.Sc. (Biotechnology)]**

  Graduate in Life Sciences/ Health Sciences/ Biotechnology/ any other Biological Sciences OR Graduate of Engineering in Biotechnology/ Graduate of Technology in Biotechnology from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes)

- **Master of Science (Biochemistry) [M.Sc. (Biochemistry)]**

  Graduate in Science with Chemistry as one of the subjects in the third year OR Graduate in Life Sciences/ Health Sciences/ Biotechnology/ any other Biological Science from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

Personal Interaction with shortlisted candidates

(Criteria for evaluation: Undergraduate academic score, general aptitude, subject knowledge, communication skills, and extra-curricular achievement)

Reservation of Seats: As per University norms.

Important Dates:

- **Master of Science (Biotechnology) [M.Sc. (Biotechnology)]**

Details	Revised Dates
Programme Registration Begins	February 1st, 2024
Programme Commencement	July 15th, 2024

- **Master of Science (Biochemistry) [M.Sc. (Biochemistry)] (Subject to change)**

    * Important dates will be displayed on the website.

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on the institute website: http://www.ssbs.edu.in

Orientation and Pedagogy:

The induction programme is organized for the new batch of students wherein guest speakers are invited to share their expertise, knowledge, and experience in their respective fields. Students are exposed to emerging trends and career opportunities available in biotechnology while also providing orientation to welfare policies, wellness, and recreation facilities as well as health care services, and biodiversity at SIU. This induction program also includes various lectures on personality enhancement and soft skills training. Students are given a bird's eye view of their course curricula. The pedagogy involves a combination of lectures, assignments, case studies, and presentations with special emphasis on laboratory experiments and hands-on training. Industry and field visits too are given special importance. Additionally, classroom sessions are planned on current scientific topics or path-breaking research to encourage open-minded discussions. Students undertake research projects as a part of the curriculum and in many cases are able to publish papers in Scopus-Indexed journals. This activity is undertaken either at SSBS or at leading research organizations/industries across the country.

Celebration of National Science Day 2023 at SSBS

Induction Programme of Batch 2023-25

Fee Structure

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

Programme Fees For Master of Science (Biotechnology) [M.Sc. (Biotechnology)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,50,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Biotechnology) - By Research	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,50,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science (Biochemistry) [M.Sc. (Biochemistry)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,40,000
Institute Deposit (Refundable)	₹ 20,000

Programme Fees For Master of Science - Biochemistry - By Research	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,40,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Master of Science (Biotechnology) [M.Sc. (Biotechnology)]	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Instalment	2nd Instalment	1st Instalment	2nd Instalment
Academic Fees (Per Annum)	₹ 1,25,000	₹ 1,25,000	₹ 1,25,000	₹ 1,25,000

Installment	**₹ 1,40,000**	**₹ 1,20,000**	**₹ 2,40,000**	**₹ 2,40,000**
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	1st Year Academic Year 2024-25 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 94,500
Hostel Deposit (Refundable)	₹ 15,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Triple Sharing	₹ 1,39,500
Four Sharing	₹ 1,02,500

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft.Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU

Fee Structure

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Science (Biotechnology) [M.Sc. (Biotechnology)]		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$4,700
Academic Fees (Per Annum) to be paid	**(A)**	**$4,700**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total fees to be paid	**(D) = (A+B+C)**	**$5,525**

Programme Fees For Master of Science (Biotechnology) - By Research		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$4,700
Academic Fees (Per Annum) to be paid	**(A)**	**$4,700**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total fees to be paid	**(D) = (A+B+C)**	**$5,525**

Programme Fees For Master of Science - Biochemistry		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$4,700
Academic Fees (Per Annum) to be paid	**(A)**	**$4,700**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total fees to be paid	**(D) = (A+B+C)**	**$5,525**

SSBS Student demonstrating experiments in laboratory

Programme Structure*:

Master of Science (Biotechnology) [M.Sc. (Biotechnology)]

Semester: I

Generic Core Courses

- Biochemistry
- Practicals in Biochemistry
- Advanced Molecular Biology
- Microbiology
- Practicals in Molecular Biology
- Research Methodology and Biostatistics
- Genetic Analysis

Semester: II

Generic Core Courses

- Practicals in Microbiology
- Advanced Immunology
- Cell Biology
- Genetic Engineering
- Practicals in Animal Tissue Culture
- Practicals in Recombinant DNA Technology

- Practicals in Bioinformatics
- Genomics, Proteomics and Bioinformatics
- Integrated Disaster Management

Semester: III

Stream – A

Generic Core Courses

- Bioprocess Engineering
- Practicals in Bioanalytical Techniques
- Practicals in Immunology and Virology
- Virology
- Intellectual Property Rights
- Introduction to Laboratory Animal Science
- Stem Cell Biology

Generic Elective Course Group

Stream - A (Choose any one course)

- Advanced Genomics and Proteomics
- Environmental Biotechnology

Stream-B

Generic Core Course

(By Research)

- Project (Part I)

Semester: IV

Generic Elective Course Group

Stream - A (Choose any one course)

- Project
- Internship

Stream - B

Generic Core Course

(By Research)

- Project (Part II)

Master of Science (Biochemistry) [M.Sc. (Biochemistry)]

Semester: I
Generic Core Courses

- Advanced Molecular Biology
- Biomolecules
- Microbiology
- Practicals in Biochemical Techniques
- Practicals in Microbiology and Molecular Biology
- Research Methodology and Biostatistics
- Genetic Analysis

Semester: II
Generic Core Courses

- Advanced Immunology
- Cell Biology
- Metabolism

- Proteins and Enzymes
- Biophysical Techniques
- Genomics, Proteomics and Bioinformatics
- Practicals in Enzymology
- Integrated Disaster Management

Generic Elective Course Group (Choose any one Course)

- Practicals in Animal Tissue Culture
- Practicals in Bioinformatics

Semester : III
Generic Core Courses

- Drug Discovery and Pharmacology
- Genetic and Metabolic Engineering

- Practicals in Bioanalytical Techniques
- Practicals in Clinical Biochemistry
- Clinical Biochemistry
- Intellectual Property Rights
- Introduction to Laboratory Animal Science
- Structural Biology

Semester : IV
Generic Core Courses

- Project

* **Courses are subject to change**

Dr. Jyoti Chandiramani
Director, Symbiosis School of Economics
Dean, Faculty of Humanities and Social Sciences – SIU

Direct Profile:

Prof Jyoti Chandiramani has more than 35 years of experience in teaching and research. She has been the Director of Symbiosis School of Economics and the Dean, Faculty of Humanities and Social Sciences since 2010, at the Symbiosis International University, Pune – India. She teaches Urban Economic Development and Urban Mobility, at the Masters level.

Dr. Jyoti Chandiramani Director, Symbiosis School of Economics Dean, Faculty of Humanities and Social Sciences – SIU Prof Jyoti has conducted more than 50 Management Development Programs for corporates across the country. She was awarded a UGC Fellowship to pursue her PhD. She has been a founder core member of the Symbiosis Centre for Liberal Arts (2006). In 2007, Prof Jyoti was awarded a short-term scholarship at the University of DePauw, Indianapolis –to study Liberal Arts Education. In 2013, she was a part of the Indian delegation to Pakistan (Lahore) for the Tenth South Asian Economic Students Meet (SAESM), and in 2015 she was conferred with the iCongo instituted Gold Karmaveer Chakra and Rex Karmaveer Global Fellowship in Delhi, for her contributions to the field of education. She was invited to the 5th ASEM Rectors' Conference and as a Mentor for the Students' Forum (ARC5, organized by Charles University in Prague and the Asia-Europe Foundation (ASEF) at Prague in 2016. Further, in 2017, she was invited by Niti Aayog, to be a part of Working Group "City Governance and Smart Cities" and later in May 2018, to visit Macquarie University to present the research work undertaken at Symbiosis School of Economics. In October 2020, she was appointed as a member of the Board, Forum for International Development Cooperation, which is housed at Research and Information System for Developing Countries - RIS, New Delhi. Prof Jyoti was a member of the G 20 -Steering Committee for the University Connect.

Besides writing a number of research papers and textbooks on International Economics, she has jointly edited a book with Ramanath Jha on 'Perspectives in Urban Development: Issues in Infrastructure, Planning, and Governance.' Her areas of research interest in urban studies include Urban Infrastructure, Urban Transport, Urban Poverty and she is presently working on Pune centric cases. Prof Jyoti keenly studies and follows trends in International Development Cooperation – from the MDGs to the SDGs. She has been guiding a number of PhD scholars over the years, and has consulted on as well as undertaken various research projects in collaboration with NABARD, ITDP, Sulochana Thapar Foundation and other reputed think tanks in India. Presently she is actively engaged with select districts of Maharashtra to

Institute Profile:

The growing institution has demonstrated a discernible record of success, offering two programmes:

1. B.Sc. (Economics) Honours and
2. M.Sc. Economics with specializations in International Trade, Development Studies, Urban Development, Finance and Data Analytics.

SSE has two very active centres to cater to specific needs of the students and faculty members. The Centre for Quantitative Learning and Applications (CQLA) facilitates advanced level data analysis and statistical software training (SAS, SPSS, STATA, R, and other statistical and econometric software) for the students. The Centre for Academic Writing (CAW) supports students in the academic writing of essays, papers and reports of various types.

CAW also publishes an annual journal – Oeconomica Scriptis – a compilation of outstanding academic writings of the students.

Research: The school prepares its student community with strong research methods (both quantitative and qualitative), software applications, along with a final semester dissertation, which is mandatory at both, the Bachelor's and Master's programmes. With more than 60 publications, the school has actively engaged on varied research projects with NABARD, Chest Research Foundation, INHAF, Sulochana Thapar Foundation, etc., working closely on rural, urban, trade and development issues.

Placements: Our 1500+ alumni, have been accepted to pursue academics at the leading institutions in India – like Indira Gandhi Institute for Development and Research, Gokhale Institute of Politics and Economics, Delhi School of Economics, Jawaharlal National University, Madras School of Economics, Indian Institute of Technology (Powai, Bombay), Centre for Development Studies (Trivandrum), Indian Institute of Management (Ahmedabad, Bangalore, and Indore), Tata Institute of Social Sciences (Mumbai) and across reputed International Universities such as Johns Hopkins University, Columbia University, Boston University, University of Rochester, National University Singapore, London School of Economics, Warwick University, St Andrew's University, to name a few.

The programmes' rigour equips our students with employable skills in economic analysis, data analytics, market research, economic research and business intelligence, which has helped our students to be recruited by renowned organizations such as Deloitte, Ernst and Young, ZS Associates, CMIE, RIS, IIHS, CRISIL, ICICI Bank, IndusInd Bank, Vodafone, Markets and Markets, Public Affairs Centre (PAC), Research and Development Initiatives (RDI), and many more.

It is evident that through the interdisciplinary flavours, the curricula prepares our students for careers in a wide range of sectors and professions. Despite the demanding environment, there is ample scope for creativity, originality and students' initiatives. The journey of academic pursuits is ever-evolving and will always include different perspectives and recommendations from all our stakeholders – this is the key to making the learning experience increasingly relevant and meaningful.

Internationalization: Symbiosis International (Deemed University) having more than 60 MOUs with leading international universities, has helped SSE facilitate strong linkages with respect to students and faculty exchange, working towards collaborative research and benchmarking our courses and programmes to international requirements.

Enhanced Engagements: SSE is closely associated with Niti Aayog, and other leading think tanks like Research and Information Systems (RIS), ICRIER, UNDP, INHAF, Shyam Chi Aai Foundation, SOFOSH, CII, Cogencis, IDOBRO, TIES, Yunus Centre (Yunus Social Business, Bangalore), Piramal Foundation and many more.

Given the framework, this very niche institute seeks to develop intellectual discipline, critical and analytical bents of mind and a skill-set that makes our students prepared for academia and industry, alike. We at SSE, achieve these goals in an educational environment committed to excellence and academic freedom. While the programmes are rigorous and the pedagogies are designed to make the student learn experientially, as well as, through the traditional techniques, the curricular and co-curricular and extra-curricular inputs, SSE seeks to nurture and develop the intellectual and professional competencies for successful careers that inspire inclusivity, sustainability, innovation, leadership and pragmatism into problem-solving at local and global levels.

Programme Profile:

Name of the Programme:

- **Master of Science (Economics) [M.Sc. (Economics)]**

Duration:

- **Master of Science (Economics) [M.Sc. (Economics)]:** 2-years Full-Time Non-Residential

Intake:

- **Master of Science (Economics) [M.Sc. (Economics)]:** 80 seats

- **Master of Science (Economics) [M.Sc. (Economics)]**

  - The M.Sc. Economics programme is interdisciplinary in nature. The programme seeks to develop intellectual discipline, critical and analytical thinking with a view to groom passionate individuals capable of taking up responsibility. We have a highly rigorous and relevant curriculum, catering to the dynamic nature of global markets. We, at SSE, strive hard to create an enabling framework to facilitate the smooth translation of skills to jobs.

  - The diverse pool of students is selected through a highly comprehensive screening process across India. The applicants hail from varied academic backgrounds like economics, commerce, mathematics, statistics, management, science, engineering, marketing, etc., and, bring to the table a diversity of thoughts, and perspectives. We look forward to a batch of students every year with proven excellence in academia and in extracurricular activities. The student community, together with the knowledge ethic embedded at SSE, ensures that they are prepared to take on roles as managers, economists, statisticians, analysts and entrepreneurs.

  - SSE adopts innovative and proactive teaching pedagogy with emphasis on holistic developments of individuals. The coursework has been designed to acclimatize students to the rigors of a highly competitive workplace. Inherent with the coursework is a system of Continuous Evaluation (CE) that provides critical evaluation of a candidate's performance from time to time. The curricula places a lot of importance on intensive application based research and analysis. Further, to strengthen the skill set, the students undergo workshops where they are trained to handle and implement data packages and software like SPSS, STATA, R, Python, etc.

  - As part of the programme, all students are required to complete a two-month industry internship. The objective of the internship is to give students the opportunity to experience real world applications of theories they have studied. At the end of the two years, students are well prepared to face the challenges of academia, research, business and industry.

Eligibility:

- **Master of Science (Economics) [M.Sc. (Economics)]**

  Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste / Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Science (Economics) [M.Sc. (Economics)]**

  Through Personal Interaction (PI)

Reservation of Seats: As per University norms.

Important Dates:

Details	Date
Programme Registration Begins	1st December 2023
Last date of Online registration	31st May 2024
Last Date of payment of Registration fees	31st May 2024
Entrance Test	Not Applicable
Test Result	Not Applicable
Announcement of Shortlist for Group Exercise and Personal Interaction	3rd June 2024
Personal Interaction	6th & 7th June 2024
Announcement of First Merit list	11th June 2024
Last date for payment of fees for candidates in the first merit list	22nd June 2024
Programme Commencement	1st July 2024

Disclaimer:

These dates are tentative and are subject to change. Any changes will be reflected on the institute website: www.sse.ac.in

Orientation and Pedagogy:

Other than the standard discourse method, case study and colloquium-oriented methods will also be employed as pedagogical methodology. Apart from this, various workshops, conferences and guest lectures will be organized on a regular basis to enhance the student's understanding and sharpening of the required academic and industrial skill-sets. The students at this level are expected to read related matter and come to class so that each session becomes more interactive. The aim is to create a dynamic learning environment and enhancing the analytical and application capability of the students.

Fee Structure

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \#   50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure*:

Master of Science (Economics) [M.Sc. (Economics)]

Semester : I
Generic Core Courses
- Advanced Econometrics I
- Advanced Macroeconomics I
- Advanced Microeconomics I
- Mathematical Economics
- Public Economics
- Research Methodology and Software Application Package I

Semester : II
Generic Core Courses
- Advanced Econometrics II
- Advanced Macroeconomics II
- Advanced Microeconomics II
- Growth and Development
- Research Methodology and Software Application Package II
- Integrated Disaster Management

Semester : III
Specialization Core Courses: Urban Development
- Internship
- Dissertation-I
- Urban Finance
- GIS and Problem Solving in the Urban India Context
- Urban Demography
- Urban Governance
- Urban Land Economics
- Urban Planning and Development

Specialization Core Courses: Development Studies
- Internship
- Dissertation-I
- Development Experience
- Markets and Institutional Framework of Development
- Urban Economic Development

Specialization Elective: Development Studies (Choose Any One Course)
- Behavioral and Experimental Economics
- Trade, Aid and Development

Specialization Core Courses: International Trade
- Internship
- Dissertation-I
- International Trade Policy
- Open Macroeconomics
- Pure Theory of Trade

Specialization Core Courses: International Trade (Choose Any One Course)
- International Political Economy and Trade
- Trade and Environment

Specialization Core Courses: Finance
- Internship
- Dissertation-I
- Financial Economics

- Security Analysis and Portfolio Management
- Derivative Markets
- Financial Modeling

Specialization Core Courses: Data Analytics
- Flexi-Credit Course
- Big Data Analytics
- Python for Data Science
- Data Analysis and Visualization
- Data Mining
- Financial Analytics

Specialization Elective: Data Analytics (Choose any one Course)
- Exploratory Data Analysis Lab
- Maths for Data Science

Semester : IV
Specialization Core Courses: Urban Development
- Dissertation-II
- Urban Development Experiences
- Urban Poverty, Migration and Sustainable Livelihoods

Specialization Elective: Urban Development (Choose Any Three Courses)
- Urban Energy and Environment
- Urban Mobility
- Urban Solid Waste Management
- Urban Water and Sanitation

Specialization Core Courses: Development Studies

- Dissertation-II
- Human Development
- Rural Development
- Theories and Models of Development and Distribution

Specialization Core Courses: International Trade

- Dissertation-II
- International Capital Market and Finance

Specialization Core Courses: Finance

- Dissertation-II
- International Capital Market and Finance
- Financial Risk Management
- Insurance Management

- International Organizations and Regional Cooperation in Trade
- Multinational Trade: Procedures and Laws
- Trade Finance

- Behavioral Finance

Specialization Core Courses: Finance (Choose Any One Course)

- Corporate Finance
- Introduction to Micro Finance

Specialization Core Courses: Data Analytics

- Dissertation
- Corporate Internship Programme

* **Courses are subject to change**

Ms. Shivali Lawale
Director

Director Profile:

Prior to joining the Symbiosis School of International Studies, Ms. Lawale, worked for over more than a decade at the United Nations Educational, Scientific Cultural Organisation (UNESCO) Headquarters in Paris, France. She has worked in the capacity of Programme Specialist on two of the UN's priority programmes in education and international development –Education for All and Education for Sustainable Development. These programmes covered a variety of contemporary issues like peace and conflict, human rights, climate change and gender issues, among others. She has also taught the post-graduate programme in French studies at the University of Pune. Ms. Lawale has an M.Phil in International Cooperation in Education and Training from the Sorbonne University and an M.A. in International Relations from the prestigious Sciences Po, Paris. She also has an M.A. and M.Phil in French studies from Pondicherry University. She has authored articles on education and sustainable development that have been published in international journals and publications and has presented papers at prestigious international conferences like the biennial International Conference on Education and Development, UK, and the Human Development and Capability Association (HDCA) annual conferences. She is also member of the HDCA, an association that was established in 2004 by Prof. Amartya Sen and Prof. Martha Nussbaum. Areas of Interest: Indo-French relations, Indo-EU relations; development cooperation; educational cooperation and issues related to Sustainable Development.

Institute Profile:

The Master of Arts (International Studies) programme offered by SSIS seeks to equip students with knowledge and skills pertinent to address the 21st century global challenges. While engaging with topics on peace, conflict, justice, rights, development, global commons, environment, cooperation, governance, diplomacy and so on, the emphasis is on developing critical thinking to come up with tangible alternatives to address the unresolved issues. The holistic nature of courses offered under the Master of Arts (International Studies) programme provides students with the lens to critically examine, analyze and understand contemporary issues based on a multi-disciplinary approach. The specialization offered under the course on Area Studies fosters scholarship of the region informed by a deeper understanding of an interconnected and interdependent world. The choice of regions offered includes –Europe/ U.S.A and Asia. The students are also offered a choice of foreign language as part of the Area Studies course (e.g. French/ Spanish/ Chinese/ Arabic). For the choice of both the region and the foreign language to take off, there has to be a minimum enrolment of ten students. The curriculum includes mandatory internships that prepare students for careers with CSOs, NGOs, international organizations, think tanks, civil services, media, academia, consultancies and financial institutions. Our faculty members are a good blend of prominent academicians, active researchers and practitioners, attesting to the belief that the best pedagogy comes from a mix of theory and praxis. The students benefit from the contributions of different types of practitioners of international relations, whether they are from diplomacy, the corporates, the think-tanks or international organizations. The diverse background of both the faculty and the postgraduate students makes for a cosmopolitan and enriching environment.

Programme Profile:

Name of the Programme:

- **Master of Arts (International Studies) [MA (IS)]**

Duration:

- **Master of Arts (International Studies) [MA (IS)]:** 2 years Full-Time Non-Residential

Intake:

- **Master of Arts (International Studies) [MA (IS)]:** 30 seats

- **Master of Arts (International Studies) [MA (IS)]**

In the contemporary scenario, India's interest in the world as well as the world's interest in India is visibly at its highest. Therefore, it becomes imperative that the Indian scholarship on global issues should respond to the opportunities that this presents. To this end, the Symbiosis School of International Studies (SSIS) endeavours to provide a platform for teaching and research in international relations, with an emphasis on India and its role in global affairs. Set up in consonance with the broader vision of Symbiosis Society, which is "to integrate with the world", SSIS strives to constantly engage in scholarly pursuits in an environment of intellectual fellowship, aimed at the academic enrichment of the entire community.

The discipline of International Studies (IS) positions itself at the cross-roads where the dominant cultural, economic, political and social issues that exercise an influence on the national, regional and international agenda converge. A Master's programme in International Studies encourages students to relate theoretical concepts to specific, relevant world issues and challenges in international affairs today. The holistic nature of courses offered under the Master of Arts (International Studies) programme provides students with the lens to critically examine, analyze and understand contemporary issues based on a multi-disciplinary approach. The specialization offered under the course on Area Studies fosters scholarship of the region informed by a deeper understanding of an interconnected and interdependent world. The choice of regions offered includes - Europe/ North America and Asia. The students are also offered a choice of foreign language as part of Area Studies course (Arabic/ French/ Spanish/ Chinese). Our faculty members are a good blend of prominent academicians, active researchers and practitioners, attesting to the belief that the best pedagogy comes from a mix of theory and praxis. Apart from the teaching vertical, we also run the flagship annual International Relations Conference (IRC) and an online research portal - Indian Review of Global Affairs (IRGA).

Eligibility:

- **Master of Arts (International Studies) [MA (IS)]**

Graduate from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Guest Lecture by Mr. Amish Raj Mulmi

Admission Process:

Indian Students: Personal Interaction Good academic record and previous work experience will be given a preference

International Students: As per procedure prescribed by Symbiosis Centre for International Education (SCIE)

Reservation of Seats: As per University norms.

Important Dates:

• **Master of Arts (International Studies) [MA (IS)]**

Orientation and Pedagogy

Faculty is encouraged to employ a number of methods of instruction. Consistent with the University's quality assurance and enhancement practices, each method is designed to ensure that the students derive maximum benefit from the lectures and seminars, and that they use the self - study time to its full advantage.

Given the diversity of the subject, the programme is taught through a mixed pedagogical approach, combining exposure to both IR theory and praxis. Emphasis is laid on hands-on training in the workings of contemporary diplomacy and international negotiations through simulations, case studies and audio visuals. The courses are designed to nurture critical analysis skills (written and oral), soft skills, intercultural skills and e- competencies in the students to enable them to play professional, constructive or leadership roles at the national, regional and international level.

The pedagogy is by lecture/seminar format, small group work, and simulations as appropriate. For each course, the formal lectures are intended to provide students with – right from an introduction to a particular theme or topic, to making them aware of main issues through a structured summary of the current state of debate on a topic, and to provide them with navigation points through the main literature. The seminar format is intended to provide students with the opportunity to engage in discussion with other students and with the course convenor for a structured discussion of substantive issues.

Students are encouraged to work both independently, and as part of a group. Independent study is vital to develop research skills: for the preparation of essays, book reviews and the final year dissertation. All of this written work is designed to help hone the skills necessary to filter complex arguments and issues to their essential elements, and to express your own critical ideas succinctly, clearly, and in an organised manner. Students are also encouraged to work independently on presentations to develop oral communication skills. This helps to develop the ability to organise and to think quickly about complex issues, and to develop skills necessary for reasoned argumentation. Students are also encouraged to work in groups for simulation projects to develop skills necessary for cooperation in group project work, as well as to develop leadership qualities.

The programme also allows students to manage an online research portal, Indian Review of Global Affairs, which will become a base of mid-to-long range policy- relevant issues and challenges. This will further hone skills and encourage the participation of youth in new age research via the use of new media such as podcasts, photo-essays/ photo- journalism, interviews and video- series.

Excursion to Initiatives of Change, Asia Plateau, Panchgani

Installment	**$1,365**	**$568**	**$567**	**$975**	**$975**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Twin Sharing, Triple Sharing etc) (The fees indicated herein are for Viman Nagar Campus Only)	Student taking Admission in
	(b) Foreign National Category 1st Year 2024-25 Amount in US$
Mess Fees (Per Annum) @	$625
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	$650
Three Sharing	$650

Note:

\#   ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1)   100 Full Symbiosis Golden Jubilee Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2)   100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3)   Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4)   Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \#   50% Concession will be given only to the Foreign National students on Administrative Fees.

G20 Festival of Thinkers Summit organised by Symbiosis International (Deemed University)

Seminar on Sino-Russia Relations- Implications for Europe and India Amb. P S Raghavan and Shri. Vijay Gokhale

Programme Structure*:

Master of Arts (International Studies) [MA (IS)]

Semester : I
Generic Core Courses

- International Communication
- International Organizations
- International Relations: An Overview
- Research Methodology
- Introduction to Global Political Economy

Semester : II
Generic Core Courses

- Diplomacy and International Governance
- International Security
- Advanced Research Methods
- Global Political Economy: international trade and development
- Integrated Disaster Management

Generic Elective Courses Group–I
(Choose Any One Course)

- Area Studies - Asia I
- Area Studies - Europe and U.S.A I

Generic Elective Courses Group –II
(Choose Any One Course)

- Arabic I
- Chinese I
- French I
- Spanish I

Semester : III
Generic Core Courses

- Internship
- International Negotiations and Conflict Resolution
- Role of International Law in International Relations

Generic Elective Courses Group– I
(Choose Any One Course)

- Area Studies - Asia II
- Area Studies - Europe and U.S.A II

Generic Elective Courses Group – II
(Choose Any One Course)

- Arabic II
- French II
- Chinese II
- Spanish II

Generic Elective Courses Group – III
(Choose Any One Course)

- Evolution of the Indian Strategic Thought
- International Relations and Digital Longform Journalism

Semester : IV
Generic Core Courses

- Global Common Goods
- Human Rights and Peace Studies
- Geopolitics and Risk Analysis

Generic Elective Courses Group
(Choose Any One Course)

- Dissertation
- Project

* Courses are subject to change

Please visit http://www.ssispune.edu.in for information related to:

Prof. Dr. Sharvari Shukla
Director

Director Profile:

Sharvari has been a medical statistician at various research institutes and advisor for pharmaceutical companies and hospitals. Her interest in translating research into practice led her to undergo training in epidemiology, epigenetics and clinical trials. She handles various national and international funded projects. Recently she received grant from DST under ICIMAPCT scheme with INDO-CANADA collaboration. Sharvari Shukla works with a team of epidemiologists and clinical scientists investigating the fetal origins of cardiovascular disease and Type 2 diabetes. Her fields of expertise include longitudinal data analysis, modelling-simulation, big data analysis and artificial intelligence, clinical trials and research methodology. She has more than 70 research papers to her credits. Currently, seven PhD scholar are working with her guidance on various research ideas. She also serves as reviewer for various international journals.

Institute Profile :

The major focus of the Symbiosis Statistical Institute (SSI) is to train students to translate and apply statistical knowledge to solve real-world problems in various inter-disciplinary domains. In today's innovative world new forces are shaping the analytics so education becomes very important for developing next generation creative thinkers and innovators. Both programmes, BSc. Hon with Applied Statistics and Data Science as Major and Business Studies as Minor along with MSc. (Applied Statistics), shall offer modules which are application oriented that facilitates learning statistical methodologies and best practices in statistical analysis. The programme prepares students for career opportunities in various domains such as Finance, Automobile, Information Technology, Pharma, Insurance, and many other sectors that will entail market research, forecasting and predictive analysis. It will also provide opportunities for students to be gainfully employed with National and International Research Institutes, Research laboratory, Academia, Non-Governmental Organizations, Consulting, and Doctoral Studies among other opportunities.

Programme Profile:

Name of the Programme:

- **Masters of Science in Applied Statistics [M.Sc. (AS)]**

Duration:

- **Masters of Science in Applied Statistics [M.Sc. (AS)]:** 2-year Full-Time Non-Residential

Intake:

- **Masters of Science in Applied Statistics [M.Sc. (AS)]:** 60 seats

- **Masters of Science in Applied Statistics [M.Sc. (AS)]:**

  Master of Science in Applied Statistics is two-year full time programme designed as per the need of industry for providing analysts and data scientists who can provide real time data driven decisions to various industries. The primary focus of this programme is to provide a thriving ecosystem to develop data driven technological solutions based on statistical techniques. The aim of the programme is to develop a critical thinking in applied statistics and demonstrate the applications with hands-on to acquire 21st century skills and develop solutions which can address short-term and long-term industry and societal needs.

  The programme prepares students for career opportunities in varied domains and industries ranging from IT, finance, marketing, media, retail, banking, medical etc. There are several job options within the Analytics industries like Gaming, Fraud detection, Pattern Recognition, Strategic management, Risk management etc. and many other sectors that will entail market research, forecasting and predictive analysis. It will also provide opportunities for students to be gainfully employed with National and International Research Institutes, Research Laboratory, Academia, Non-Governmental Organizations, Consulting and Doctoral Studies among other opportunities.

Eligibility:

- **Masters of Science in Applied Statistics [M.Sc. (AS)]**

  Graduate from any recognised University/ Institution of National Importance with minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes) in

  1. B.Sc. with Statistics as principal and Mathematics at subsidiary level

  2. B.Sc. with Mathematics as principal and Statistics at subsidiary level

  3. B.Sc. in Actuarial Science with Mathematics and Statistics at subsidiary level

  4. B.Sc. with Statistics as one of the subjects

  5. B.C.S. with Statistics as one of the subjects

  6. B.C.A. with Statistics as one of the subjects

  7. B.E. with Mathematics/Statistics at subsidiary level.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Masters of Science in Applied Statistics [M.Sc. (AS)]**

  Selection of students is based on

  - Academic record with minimum 50 percent (45% for SC/ST) at graduation level

  - Institutional entrance examination:

  Academic Writing Aptitude Test (WAT) and Personal Interaction (PI) with a panel of experts which will be conducted ONLINE for BATCH 2024-25.

Reservation of Seats: As per University norms.

Important Dates:

Details	Date
Programme Registration Begins	1 Nov 2023
Last date of Online registration	29 June 2024
Last Date of payment of Registration fees	29 June 2024
Entrance Test	1-5 July 2024
Announcement of Merit list	12 July 2024
Last date for payment of fees for candidates in the merit list	25 July 2024
Programme Commencement	6 Aug 2024

Disclaimer: These dates are tentative and are subject to change. Any changes will be reflected on institute website: www.ssi.edu.in

Orientation and Pedagogy:

More focus on lab sessions with hands-on training and classroom sessions along with experiential learning.

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

Programme Fees For Master of Science (Applied Statistics) [M.Sc. (AS)]	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,53,000
Institute Deposit (Refundable)	₹ 20,000

Installments for Programme Fees For Master of Science (Applied Statistics) [M.Sc. (AS)]	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 1,26,500	₹ 1,26,500	₹ 1,26,500	₹ 1,26,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 1,46,500	₹ 1,26,500	₹ 1,26,500	₹ 1,26,500
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Senapati Bapat Road Campus only)	**1st Year Academic Year 2024-25 (Amount in ₹)**
Mess Fees (Per Annum) @	₹ 94,500
Hostel Deposit (Refundable)	₹ 15,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	₹ 1,55,500
Three Sharing	₹ 1,12,000

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft.Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

SSI held a tree plantation drive to raise awareness about greener future

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Science (Applied Statistics) [M.Sc. (AS)]	Student taking Admission in
	(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)	$4,850
Academic Fees (Per Annum) to be paid (A)	**$4,850**
Institute Deposit (Refundable) (B)	**$275**
Administrative Fees (Non Refundable) to be paid (C)	**$550**
Total fees to be paid (D) = (A+B+C)	**$5,675**

(a) Installment For Master of Science (Applied Statistics) [M.Sc. (AS)] Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	**2nd Installment**	**3rd Installment**	**1st Installment**	**2nd Installment**
Administrative Fees (Non Refundable)	$550	-	-	-	-
Academic Fees (Per Annum)	$540	$2,155	$2,155	$2,425	$2,425
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$2,155**	**$2,155**	**$2,425**	**$2,425**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Senapati Bapat Road Campus Only)	**Student taking Admission in** **(a) NRI, PIO, OCI Category** **1st Year 2024-25** **Amount in US$**
Mess Fees (Per Annum) @	$1,250
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	$2,000
Three Sharing	$1,450

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

(b) Fees Payable by the students taking admission in Foreign National Category.

Programme Fees For Master of Science (Applied Statistics) **[M.Sc. (AS)]**		**Student taking Admission in** **(b) Foreign National Category** **1st Year 2024-25** **Amount in US$**
Academic Fees (Per Annum)		$4,850
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$2,900
Academic Fees (Per Annum) to be paid	**(A)**	**$1,950**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total fees to be paid	**(D) = (A+B+C)**	**$2,500**

(b) Installment for For Master of Science (Applied Statistics) [M.Sc. (AS)] Student taking Admission in Foreign National Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable) # #	$275	-	-	-	-
Academic Fees (Per Annum)	$815	$568	$567	$975	$975
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$568**	**$567**	**$975**	**$975**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Senapati Bapat Road Campus Only)	Student taking Admission in
	(b) Foreign National Category 1st Year 2024-25 Amount in US$
Mess Fees (Per Annum) @	$625
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Twin Sharing	$650
Three Sharing	$650

Note:

\# ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1) 100 Full Symbiosis Golden Jubilee Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

(2) 100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding).

(3) Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

(4) Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# # 50% Concession will be given only to the Foreign National students on Administrative Fees.

SSI orgainised a visit to Bhandarkar Oriental Research Institute, Pune under IKS initiatives

Programme Structure*:
Masters of Science (Applied Statistics) [M.Sc. (AS)]

Semester : I
Generic Core Courses
- Probability Distributions
- Probability Theory and Applications
- Sampling Theory
- Statistical Computing
- Multivariate Statistics-1
- Research Methodology
- Integrated Disaster Management

Semester : II
Generic Core Courses
- Design of Experiments
- Linear Models
- Multivariate Statistical Analysis-2
- Statistical Inference
- Stochastic Processes
- Time Series Analysis

Semester : III
Generic Core Courses
- Statistical Learning and Data Mining
- Computer Intensive Statistical Methods
- Statistical Machine Learning
- Internship

Generic Elective Courses Group (Choose any one course)
- Flexi-Credit Course

Specialization Core Courses:
Bio-Statistics and Data Analysis
- Survival Analysis
- Demography and Vital Statistics

Specialization Core Courses:
Data Science
- Statistical Simulation
- Big Data Analytics

Specialization Core Courses:
Industrial Statistics and Operations Research
- Stochastic Models in Finance
- Statistical Quality Control

Specialization Core Courses:
Actuarial Statistics
- Survival Analysis
- Actuarial Mathematics

Semester : IV
Generic Core Courses
- Industry Project in Specialization
- Seminar

* Courses are subject to change

Please visit www.ssi.edu.in for information related to:
- Teaching Faculty including educational qualification(s) and teaching experience
- Learning Resources
- Physical and Academic Infrastructure Facilities

Dr.Ketan Kotecha
Director

Direct Profile:

Dr. Ketan Kotecha, PhD (IIT Bombay)

director@sitpune.edu.in

head@scaai.siu.edu.in

Professor, Computer Science & Engineering

- Dean, Faculty of Engineering, Symbiosis International (Deemed University)
- Director, Symbiosis Institute of Technology
- Head, Symbiosis Centre for Applied AI (SCAAI)

Education:

PhD & M.Tech (IIT Bombay)

Expertise:

A researcher - teacher of Deep learning, his interest areas are Artificial Intelligence, Computer Algorithms, Machine Learning, Deep Learning Higher Order Thinking Skills & Critical Thinking.

Experience:

Dr Kotecha has expertise and experience in cutting-edge research and projects in AI and Deep Learning for the last 25 + years. He has published more than 280 Scopus indexed papers and has published 3 patents.

He is a recipient of the two SPARC projects worth INR 166 lacs from MHRD govt of India for AI projects with Arizona State University, USA and University of Queensland Australia resp, and also the recipient of numerous prestigious awards like Erasmus plus faculty mobility grant to the University of Wroclaw Poland, DUO-India professors fellowship for research in Responsible AI with Brunel University the UK, LEAP grant to visit and attend Leadership Program at Cambridge University UK, UKIERI grant and a grant from Royal Academy of Engineering, the UK under Newton Bhabha Fund and also grabbed Going Global Partnerships Exploratory Grant from British Council, UK in collaboration with Aston University. Recently he was awarded two projects from DST under Indo-Italy and Indo-Serbia schemes worth Rs. 70 lacs.

Recipient of PURSE grant from DST under Promotion of University Research and Scientific Excellence scheme on Fostering Multi-disciplinary AI-assisted Research for Health and Sustainable Environment, worth INR 5.2 crores as PI. (2023-2027).

Received huge funding (worth Rs.15 Crore) from Bajaj Auto to establish Bajaj Auto Centre of Excellence (BEST) on emerging technologies with state of the art facilities, at SIT under Bajaj Auto's CSR initiative of Upskilling.

Recipient of Indo-Canada Shastri grant SSTSG 2023-24 in collaboration with University of Winnipeg on project titled Multimodal Co-learning & tolerance based soft computing for Real-life Deep Learning Applications.

He has been invited at various forums to deliver a keynote address in the field of AI at Machine Intelligence lab at USA, Pretoria University, South Africa, IIT Bombay under World Bank Project, Global Meet on Sensors and Sensing Technology, at Italy, 2nd International Congress on AI and Machine Learning at the Czech Republic and many more.

He has been an editorial board member of IEEE access, PeerJ computer Science journal (by SAGE), Cogent Journal by Taylor & Francis and also editing special issues of MDPI and Frontiers Journals.

Institute Profile:

Symbiosis Institute of Technology, a constituent of Symbiosis International University was established in the year, 2008 and currently offers B. Tech programmes in Civil Engineering, Computer Science and Engineering, Electronics & Telecommunication Engineering, Mechanical Engineering, Artificial Intelligence & Machine Learning and Robotics & Automation and as well as M. Tech programmes in:

- M.Tech (Artificial Intelligence and Machine Learning)
- M.Tech (Robotics and Automation)
- M.Tech (Embedded Systems)
- M.Tech (Engineering Design)
- M.Tech (Geoinformatics and Surveying Technology)
- M.Tech (Automotive Technology)

Research programmes leading to Ph. D. Degree in all the disciplines were introduced in Faculty of Engineering of Symbiosis International University in 2010.

The Institute endeavours to provide quality technical education in line with the requirements of today's competitive industry and fast paced technological developments. The curriculum developed by the Institute lays a stress both on basics and latest developments. Realizing the fact that faculty is the most important resource, special efforts have been made to find, recruit and retain highly qualified and competent faculty. Infrastructure created and acquired by the Institute, like all other Symbiosis Institutes, is of a very high quality and includes multimedia classrooms, well equipped labs, high end computing facilities with various latest software for simulations and other applications, well stocked modern library with digital media and database, auditorium, seminar halls, separate hostels for boys & girls and playgrounds.

The Institute provides on environment conducive for harnessing the potential of both faculty and students through systematic and effective planning and control of the teaching learning process, both within and outside the classroom. The basic teaching learning process is supplemented by organizing tech-fests, cultural programmes, sports competitions, industry-institute collaborations in teaching-learning, guest lectures by renowned personalities and student exchange programmes (Global Immersion Programme) with foreign universities.

The Institute has international collaborations for student and faculty exchange with Nanyang Technological University Singapore, Ingolstadt University Germany, Purdue School of Engineering, IUPUI Indianapolis USA and Leibniz University Hannover.

Based on the dream of Dr. S. B. Mujumdar Sir, Chancellor of SIU and creator of Symbiosis, of producing Gentlemen Engineers, the students are trained in foreign languages, history of science & technology, service learning, creative and critical thinking, design thinking, tinkering, human values and ethics, experiential learning, project based learning, and Internet of things. A special diploma from SIBM and courses from other Symbiosis Institutes are offered to the students. The online courses from Coursera, MOOC, SWAYAM etc are offered to the students to enhance the quality education.

The honours/ minor courses in all disciplines are offered to the students to gain the in-depth knowledge in a specialised area, which is suitable for their future growth. The students are given an opportunity to work on different technical projects in a group under the guidance of faculty members producing an outcome in terms of paper publications/ patents.

The students undergo a semester long Industry Internship with stipend ranging from Rs. 10 k to 50 k.

The students at SIT are from all parts of the country. This diversity coupled with their excellent schooling and family background creates an environment best suited for peer learning. They are enthusiastic to supplement their learning with participation in competitions, organizing events and so on.

Programme Profile:

Name of the Programme:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Robotics & Automation)**
- **Master of Technology (Embedded Systems)**
- **Master of Technology (Engineering Design)**
- **Master of Technology (Geoinformatics and Surveying Technology (G&ST))**
- **Master of Technology (Automotive Technology)**

Duration:

- **Master of Technology (Artificial Intelligence and Machine Learning):** 2-Years Full-Time Residential
- **Master of Technology (Robotics & Automation):** 2-Years Full-Time Residential
- **Master of Technology (Embedded Systems):** 2-Years Full-Time Residential
- **Master of Technology (Engineering Design):** 2-Years Full-Time & 3 Years Part Time
- **Master of Technology (Geoinformatics and Surveying Technology (G&ST)):** 2-Years Full-Time Residential
- **Master of Technology (Automotive Technology):** 2-Years Full-Time Residential

Intake:

- **Master of Technology (Artificial Intelligence and Machine Learning):** 30 seats
- **Master of Technology (Robotics & Automation):** 18 seats
- **Master of Technology (Embedded Systems):** 18 seats
- **Master of Technology (Engineering Design):** 30 seats
- **Master of Technology (Geoinformatics and Surveying Technology (G&ST)):** 18 seats
- **Master of Technology (Automotive Technology):** 30 seats

Eligibility:

- **Master of Technology (Artificial Intelligence and Machine Learning)**

  Engineering Graduate (B.E./ B.Tech.) in ANY relevant disciplines of Engineering with minimum four years duration from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

- **Master of Technology (Robotics & Automation)**

  B.Tech./ B.E. in Mechanical /Electronics and Communication/ Computer Science/ Information Technology and other related disciplines with minimum four years duration from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

- **Master of Technology (Embedded Systems)**

  B.Tech / B.E. in Electronics and Telecommunication/ Computer Science/ Information Technology/ Mechatronics and other related disciplines from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

- **Master of Technology (Engineering Design)**

  Engineering graduate (B.E. /B. Tech) from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes) in any engineering discipline.

  OR

  Master's degree in Science or Master's degree in Computer Applications (with Physics & Mathematics at Bachelor's level) or Master's degree in Computer Science (with Physics and Mathematics at Bachelor's Level)

  UG + 2 years industry experience / Research experience in a research lab

- **Master of Technology (Geoinformatics and Surveying Technology (G&ST))**

  Candidate should be an Engineering Graduate (BE/B. Tech), M.Sc. Geoinformatics, M.Sc. Physics, M.Sc. Geology, M.Sc. Environmental Science, M.Sc. Mathematics, M.Sc. Agriculture or equivalent from any statutory university with a minimum of 50% marks (45% for SC/ST). Candidates appearing for final year examinations can also apply, but their admission will be subject to obtaining a minimum of 50% marks (45% for SC/ST) at qualifying examination.

- **Master of Technology (Automotive Technology)**

  Engineering Graduate (B.E./ B.Tech.) in the all relevant disciplines of Engineering with minimum four years duration from any recognized University/Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Robotics & Automation)**
- **Master of Technology (Embedded Systems)**
- **Master of Technology (Engineering Design)**
- **Master of Technology (Geoinformatics and Surveying Technology (G&ST))**
- **Master of Technology (Automotive Technology)**
  - ✓ GATE qualified students can apply based on valid GATE Score.
  - ✓ Non-GATE students will be required to appear for an entrance examination and based on the score, admission will be offered. Scholarship is facilitated for Gate-qualified students Selected GATE candidates will also get teaching assistantship.

Reservation of Seats: As per University norms.

Important Dates:

- **Master of Technology (Artificial Intelligence and Machine Learning)**
- **Master of Technology (Robotics & Automation)**
- **Master of Technology (Embedded Systems)**
- **Master of Technology (Engineering Design)**
- **Master of Technology (Geoinformatics and Surveying Technology (G&ST))**
- **Master of Technology (Automotive Technology)**

Details	Date
Programme Registration Begins	21st December 2023
Last date of Online registration	31st July 2024
Last Date of payment of Registration fees	31st July 2024
Announcement of First Merit list of Gate Candidate	20th March 2024
Last date for payment of fees for Gate candidates in the first merit list	25th March 2024
Entrance Test for Non-Gate Candidates	23rd March 2024
Test Result of Non- Gate Candidates	26th March 2024
Announcement of First Merit list Non-Gate Candidate	26th March 2024
Last date for payment of fees for Non-Gate candidates in the first merit list	31st March 2024
Programme Commencement	1st August 2024

Disclaimer:

All applicants are requested to visit the Institute website for any update on counselling/admission dates.

Orientation and Pedagogy

a. Method of Instruction

The Institute employs a very effective and interactive teaching-learning process using most recent teaching aids including multimedia. The curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed presentations, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a Dissertation Phase 1, Dissertation Phase 2 and Research Publication.

b. Industry Interface:

The institute ensures industrial participation in curriculum development, guest lectures by experts from Industry, student trainings and internships. In addition to these, several industrial visits are also arranged for students in order to give them an exposure on the practical solutions and industrial environment.

The Industry Institute Interaction Cell (IIIC) at Symbiosis Institute of Technology aims to get associated with Industry to develop strategies for creating a future talent pool that is Industry ready. The objective of the IIIC is to reduce the gap between the Institute and Industry and to offer real time exposure on recent technologies to the students and faculty members. Along with that, this cell also aims to join hands with Industry to find the solutions of problems faced by the industry and assure symbiotic relationships for the benefit of both Institute and Industry.

We regularly organize following activities

- Arrange Guest lectures, Industry talks on advance and latest technology trends.
- Promote One Faculty- One Industry connect.
- Invite Industry executives and practicing engineers for possible collaboration in research and development of existing laboratories.
- Participation of experts from industries in curriculum development.
- Organize industrial visits for faculty members and students.
- Invite Industry to co-teach some part of the course.

Bajaj Centre of Excellence (BEST)-

Bajaj Auto Ltd has started its Centre of Excellence in SIT building, 2nd floor.

Bajaj Engineering Skills Training (BEST) is the flagship CSR initiative of Bajaj Auto Ltd. It aims to build state-of-the-art laboratories with world-class equipment that will improve the hands-on skills of thousands of young people, helping them become competent and employable.

The BEST centre will provide advanced skill training to engineering graduates, potential Diploma Trainee Engineers (DTE), or Graduate Trainee Engineers (GTE) and help address the skill gap in the manufacturing industry. The courses will equip the trainees with relevant skills, information, practice (hands-on training), and the mindset to be employment ready. The curriculum will align with the National Occupational Standards (NOSs.)

BEST aims to support young learners from the economically weaker sections of society, those hailing from backward and disadvantaged areas, to enhance their employment opportunities. Beyond providing demand-driven skill training, BEST will also create a platform for them to use their acquired skills in the current and emerging technology space.

Visits were made to some renowned companies:

• Rubispace	• IDEAS Pvt. Ltd.
• PMS Robotics research Centre, Pune	• Department of Civil
• Smart Logic Technologies,Pune	• DTK Hydronet Solutions
• Tech Mahindra Ltd	• Glass Academy
• Spark Minda Corporation	• Ecosan Service Foundation
• Vistar Electronics Pvt.Ltd.	• Protrainy Skilled Learning private limited.
• Philips Health Care Inovation Center	• Ferrocement Society
• Ni2 Logic designs Pvt Ltd, Pune	• CADD Centre
• Copper Cloud-in process	• Constrostruct Skills -in process
• Entupel Technology-in process	• AECOM Technostruct Pvt Ltd- in process
• Department of CS/IT	• CREDAI Pune Metro-in process
• KPIT-in process	• Explore IT -in process
• Code Chef-in process	• Bentley's-in process
• Model N India Software Private Limited- -in process	• TRTI Pune -in process
• ARAI-in process	• Edu Cadd-in process
• India Blockchain Alliance	• Department of Mechanical Engineering
• Indian Cyber Security Solutions	• Skillsonics India Pvt. Ltd
• Monter Technologies Pvt. Ltd.	• iTrontik Smart Systems
• AlgoAnalytics Pvt Ltd	• Varroc Engineering Limited
• Hyster-Yale Lift Trucks India Pvt. Ltd.	• KraftPowercon
• Spark Minda Technical Centre – SMIT, Chakan Pune	• Persistent
• KPIT Technologies Ltd, Hinjawadi, Pune	• Tech Mahindra
• Philips India Limited, Healthcare R&D Centre	• Mapro Industry
• Volkswagen India Pvt. Ltd.	• 512 Army Base workshop
• ARAI ,Kothrud Pune	• General Electric

• Bharat Forge	• Tata Motors
• NCCS	• Thermax
• Bajaj Auto	• Lupin
• TATA Motors	• Praj Matrix
• TCS	• Mapro

c. Research and Development

SIU started Ph.D programme in Engineering from the academic year 2010-2011. Presently 179 students are pursuing their Ph.D from faculty of Engineering. 86 students have been awarded Ph.D. till date. SIT has taken various initiatives to mobilize the available knowledge resources for research and innovative solutions. SIT operates in cooperation to identify and initiate applied as well as multi-disciplinary research projects, create and combine patentable Intellectual Property (IP) components, and work to deliver funded research projects.

Research equipment and facilities have been established at SIT to carry out high quality basic and applied research. Faculty members are motivated to send research proposals in emerging areas to funding agencies within India and abroad. They also have a large number of publications in referred journals (SCOPUS and Web of Science) and are actively engaged in publications. Many papers were presented by the faculty and students in conferences held in India and abroad. Faculty and students have published more than 379 papers in refereed journals in the year 2022, all of them are either in SCOPUS indexed or Web of Science journals. The undergraduate and graduate students also get an opportunity to work on some sub-areas of larger research problems as their major or minor projects. They also have published papers in referred journals. The Institute is in the process of augmenting necessary equipment and facilities in the identified research areas. Currently working on nine externally funded research projects and three SIU funded projects.

Prestigious Grants received in 2022-23-

Dr. Ketan Kotecha received grant of Rs. 2 Lakhs from AICTE for Mission Amrit Sarovar - Jal Dharohar Sanrakshan.

Dr. Ujwala Kshirsagar received grant of Rs. 2.60 Lakhs from Department of Scientific and Industrial Research (DSIR) for International Conference on Recent & Future Trends in Smart Electronic Systems & Manufacturing

Dr. Rahee Walambe received grant of Rs. 4 Lakhs from Department of Science & Technology - Science and Engineering Research Board (SERB) for Indo - Italy Project Multimodal Explainability for Object Detection and Image Processing in Drone Imagery (Total Amount Sanctioned 12.00 Lakhs).

Dr. Meena Laad received grant of Rs. 90,000/-from UGC CSR for Synthesis and Characterization of Super Hydrophobic Polymer Nano coating for Flexible Electronics Applications

d. Internationalization

The International Cell of Symbiosis Institute of Technology headed by Dr. Ketan Kotecha, Director, SIT, oversees and coordinates all the International initiatives of the Institute under the umbrella of Symbiosis Centre for International Education (SCIE). Internationalization at SIT progressed by leaps and bounds during the past one year.

Internationalization at Symbiosis Institute of Technology (SIT) in Pune aims to prepare students to become globally competent professional adept to work in a rapidly changing economy. Symbiosis International University has academic agreements with more than 80 reputed international universities. SIT has active partnerships with 69 universities and institutions worldwide. Students are encouraged to participate in Global Immersion Programme which includes six months Semester Abroad Programme as well as short duration programmes (2 – 3 weeks) such as Summer Schools, Winter Schools, Industrial visits, Internships etc. in the partner universities.

Recently, SIT has signed a Memorandum of Understanding (MoU) with School of Architecture, Building and Civil Engineering, Loughborough University, UK for a joint degree program (4+1 year) with the Civil Engineering Department. Curriculum of all courses is regularly revised to meet international standards. Research scholars at SIT get the chance to work with globally renowned faculty facilitated by an international co-supervisor. As of now, SIT boasts of 21 such co-supervisors. Apart from global immersion programs, students participate in international events such as Model United Nations, Sports competitions, International conferences, virtual internships, etc. All such opportunities for international exposure are continuously facilitated by the internationalization cell at SIT assisted by department-level faculty co-ordinators.

Apart from prestigious research grants and fellowships by the faculty, there were several other international fellowships and internship opportunities bagged by our students. More than 85 research papers, 6 conference papers and 3 book chapters were published with International collaborations in the Academic year 2022-23.

Active MoUs for International collaborations

- Arizona State University, USA
- Indiana Purdue University, USA
- RUDN University, Moscow
- University of Queensland, Australia
- University of Melbourne, Australia
- Swineburne University, Australia & Malaysia
- Telecom Ecole De Management, France
- University De Paris, France
- Loughborough University, UK
- University of Leeds, UK
- Brunel University, UK
- University of Waterloo, Canada
- NASA Goddard Centre, USA
- Imperial College, London
- University College, Dublin
- RMIT, Australia
- University of Macedonia
- National University, Malaysia
- University Pahang, Malaysia
- University of Hertfordshire, UK
- Aston University, UK
- St. Mary University, Canada
- Technical University, Munich
- Qatar University, Qatar
- University of Johanesberg, South Africa
- Miwaukee School of Engineering, USA
- Gazi University, Turkey

Symbiosis International (Deemed University) signed an MoU with Loughborough University London, UK on the 3rd of April 2023 in a ceremony attended by Ketan Kotecha, Dean Faculty of Engineering, SIT-Symbiosis Institute of Technology on SIU's behalf.

MoU signed with University College Dublin (UCD) Ireland for joint Research and Students exchange in December 2022.

Admission of International Students

The process of International Student's Admissions at SCIE is designed taking into consideration the requirements and difficulties faced by International Students. The admissions are centralized for all the constituent institutes of Symbiosis International (Deemed University) and routed through this office. The online admission procedure has made it accessible to each and every student from different parts of the world and in the comfort of their homes.
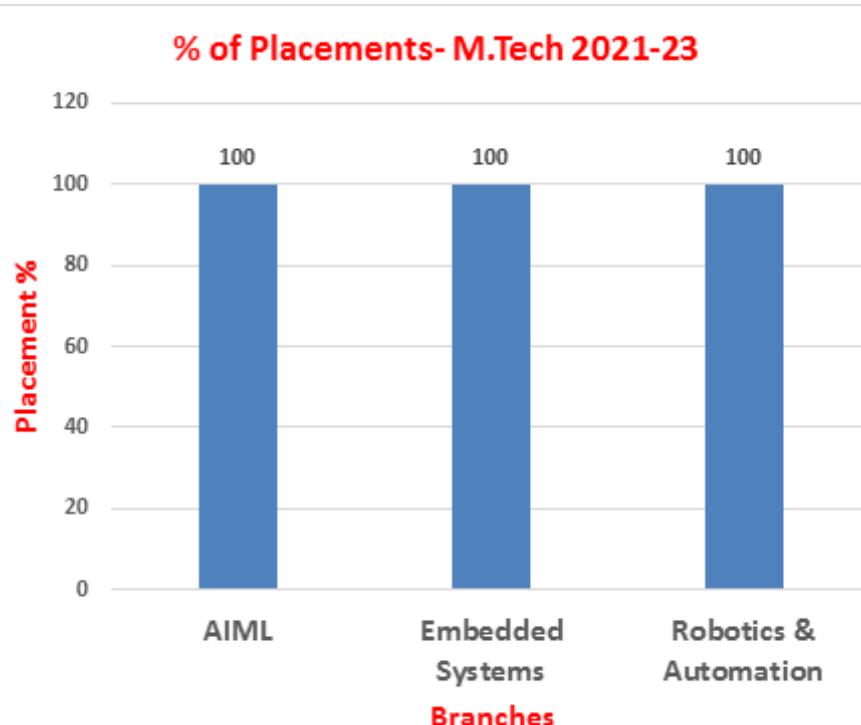

In addition, various support services like assistance for issues related to residence permit, orientation to the rules and regulation of the Institute, medical facilities available and other miscellaneous matters of importance and interest during their stay also provided.

Placements:

The Institute has a very well organized placement and training cell. The infrastructure in placement cell includes a seminar hall for conducting pre-placement talks, discussion rooms, interview rooms and other necessary amenities. The cell has good associations with a large number of renowned companies who visit the institute for campus recruitments. All the students of the final year are prepared for campus interviews through special programmes on technical and soft skills, which would help them get prestigious jobs. SIT had a successful placement season with the participation of leading companies across sectors, offering coveted profiles to the students of B.Tech and M.Tech. Leading companies from a multitude of sectors participated in the final placements offering 'sought-after' profiles with competitive packages. The recruiter portfolio comprised a healthy mix of recruiters from IT sectors and fast growing start-ups. Further, few students, with their exceptional effort during their Internships and reputed corporate competitions were awarded PPOs (pre placement offers) by highly coveted companies.

Year 2022-23 marked the presence of more than 60 companies which include a blend of IT companies, Consultancy firms, Manufacturing Units, Digital marketing firm, Edtech companies. To name a few Indeed, Microsoft, IBM India Pvt Ltd, Netcracker Technology ZS associates, Hitachi Vantara, Persistent Systems Pvt Ltd, MiQ Digital India Pvt Ltd, Cognizant, HDFC Bank, Miniorange Security Software Pvt Ltd, Deloitte, Media.net, Dure Technologies, DANA India Technical Centre Pvt. Ltd., Emerson Innovation Center, PTC Software India Pvt Ltd, Dassault systems, Vanderlande, Vanderlande, Vodafone Intelligent Services Pvt Ltd, eClerx Services Ltd, Merkel Sokrati Technologies, Tresvista, Mahindra Finance, Verolt, Atomberg Technologies Pvt Ltd, Eazzbuzz Pvt Ltd, Fairconstruct Constructions, HP Inc, Future first Info Services Pvt Ltd, Tothenew, Amura Marketing Technologies, Vodafone Idea, Tecnimont Pvt Ltd, Dematic, Global Payex, Forage AI, Plobal Apps, Yardi Software India Pvt Ltd, Tata Power, Bitwise Global, Bristlecone, Wednesday Solutions, Xoriant, GEP recruited students from SIT.

The Placement cum internship process of 2023 batch of M.Tech students has been initiated. Several companies of repute like Nomura Services India Pvt Ltd, Kone Elevators, Tata Consultancy, Philips India Pvt Ltd, Emerson Innovation Center, PTC Software Services Pvt Ltd, Opcito Technologies Pvt Ltd, Marquardt India Pvt Ltd, Crane Process Flow Technologies, Forage AI , Searce, Aligned Automation, Jyosh Solutions Pvt Ltd, Crelio Health, MiQ Digital India Pvt Ltd , Verolt has already been a part of the process & many more to come.

M.Tech 2021-2023 - Package

Branch	Highest Package (in lacs / annum)	Average Package (in lacs / annum)
Artificial Intelligence Machine Learning	11,54,000	7,08,173
Embedded Systems	6,00,000	5,64,285
Robotics & Automation	8,00,000	5,33,330

Top Companies M.Tech - 2021-23

Company Name	Company Name
• Nomura	• Marquardt
• Cabinet Secretariat (Govt of India)	• Max Life Insurance
• Carwale	• MIQ Digital

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

Programme Fees For - 1) M. Tech. (Robotics and Automation) 2) Master of Technology (Artificial Intelligence and Machine Learning) 3) Master of Technology (Embedded Systems) 4) Master of Technology (Automative Technology)	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 1,85,000
Institute Deposit (Refundable)	₹ 20,000

Installment For - 1) M. Tech. (Robotics and Automation) 2) Master of Technology (Artificial Intelligence and Machine Learning) 3) Master of Technology (Embedded Systems) 4) Master of Technology (Automative Technology)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 92,500	₹ 92,500	₹ 92,500	₹ 92,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	₹ 1,12,500	₹ 92,500	₹ 92,500	₹ 92,500
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	1st Year Academic Year 2024-25 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 94,500
Hostel Deposit (Refundable)	₹ 15,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Triple Sharing	₹ 1,39,500
Four Sharing	₹ 1,02,500

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

*   Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft.Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For - 1) M. Tech. (Robotics and Automation) 2) Master of Technology (Artificial Intelligence and Machine Learning) 3) Master of Technology (Embedded Systems) 4) Master of Technology (Automative Technology)	Student taking Admission in
	(a) NRI, PIO, OCI Category **1st Year 2024-25** **Amount in US$**
Academic Fees (Per Annum)	$3,650
Academic Fees (Per Annum) to be paid (A)	**$3,650**
Institute Deposit (Refundable) (B)	**$275**
Administrative Fees (Non Refundable) to be paid (C)	**$550**
Total fees to be paid (D) = (A+B+C)	**$4,475**

(a) Installment For - 1) M. Tech. (Robotics and Automation) 2) Master of Technology (Artificial Intelligence and Machine Learning) 3) Master of Technology (Embedded Systems) 4) Master of Technology (Automative Technology) Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment

Installment	**$1,365**	**$1,555**	**$1,555**	**$1,825**	**$1,825**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	**Student taking Admission in** **(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$**
Mess Fees (Per Annum) @	$1,250
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Four Sharing	$1,350
Triple Sharing	$1,800

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

(b) Fees Payable by the students taking admission in Foreign National Category.

Programme Fees For - 1) M. Tech. (Robotics and Automation) 2) Master of Technology (Artificial Intelligence and Machine Learning) 3) Master of Technology (Embedded Systems) 4) Master of Technology (Automative Technology)		**Student taking Admission in** **(b) Foreign National Category 1st Year 2024-25 Amount in US$**
Academic Fees (Per Annum)		$3,650
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$1,700
Academic Fees (Per Annum) to be paid	**(A)**	**$1,950**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total fees to be paid	**(D) = (A+B+C)**	**$2,500**

(b) Installment for For - 1) M. Tech. (Robotics and Automation) 2) Master of Technology (Artificial Intelligence and Machine Learning) 3) Master of Technology (Embedded Systems) 4) Master of Technology (Automative Technology) Student taking Admission in Foreign National Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable) # #	$275	-	-	-	-
Academic Fees (Per Annum)	$815	$568	$567	$975	$975
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$568**	**$567**	**$975**	**$975**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Lavale Hill Base Campus Only)	**Student taking Admission in**
	(a) Foreign National Category 1st Year 2024-25 Amount in US$
Mess Fees (Per Annum) @	$625
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Four Sharing	$650
Triple Sharing	$650

Note:

\#   ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

    (1)   100 Full Symbiosis Golden Jubilee Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

    (2)   100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding

    (3)   Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

    (4)   Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

	(a) Foreign National Category 1st Year 2024-25 Amount in US$
Mess Fees (Per Annum) @	$625
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Four Sharing	$650
Triple Sharing	$650

Note:

\#   ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

    (1)   100 Full Symbiosis Golden Jubilee Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

    (2)   100 Golden Jubilee Free-ships for academically and financially deserving foreign national students from conflict ridden/war affected regions by giving them an opportunity to study at SIU by covering not only the cost of all academic fees but also the hostel and mess/food fees (lodging and boarding

    (3)   Concessional Hostel fees are applicable to Foreign National students @ 650$ per annum.

    (4)   Concessional Mess fees are applicable to Foreign National students @50% as mentioned above.

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INDIAN STUDENTS

Programme Fees For Master of Technology (Geo-informatics and Surveying Technology)	1st Year Academic Year 2024-25 (Amount in ₹)
Academic Fees (Per Annum)	₹ 2,81,000
Institute Deposit (Refundable)	₹ 20,000

Installment For Master of Technology (Geo-informatics and Surveying Technology)	1st Year (Amount in ₹)		2nd Year (Amount in ₹)	
	1st Installment	2nd Installment	1st Installment	2nd Installment
Academic Fees (Per Annum)	₹ 1,40,500	₹ 1,40,500	₹ 1,40,500	₹ 1,40,500
Institute Deposit (Refundable)	₹ 20,000	-	-	-
Installment	**₹ 1,60,500**	**₹ 1,40,500**	**₹ 1,40,500**	**₹ 1,40,500**
Last date of payment	At the time of Admission	25-Nov-2024	25-Jun-2025	25-Nov-2025

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model colony Campus only)	1st Year Academic Year 2024-25 (Amount in ₹)
Mess Fees (Per Annum) @	₹ 94,500
Hostel Deposit (Refundable)	₹ 15,000
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Triple Sharing	₹ 1,12,000

** Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@ Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

* Few seats are reserved as Discretionary Quota Seats. Only students with good academic record and with good entrance test scores are considered for Discretionary Quota Seats. The fees for Discretionary Quota seats will be double the academic fees of open category as approved by the Fee Structure Committee, to be paid to the institute by way of online transfer/demand draft.Once admission is taken in Discretionary Quota, the fees applicable to Discretionary Quota will have to be paid by the student for the entire duration of the programme. No donation or capitation fee is charged for admission to any program at any institute of SIU.

Fee Structure:

Approved Fee Structure for Batch 2024-2026 in the Academic year 2024-2025 - INTERNATIONAL STUDENTS

Note : International students are admitted from two categories and the fees for each are as given below

(a) NRI, PIO, OCI Category

(b) Foreign National Category

(a) Fees Payable by the students taking admission in NRI, PIO, OCI Category.

Programme Fees For Master of Technology (Geo-informatics and Surveying Technology)		Student taking Admission in
		(a) NRI, PIO, OCI Category 1st Year 2024-25 Amount in US$
Academic Fees (Per Annum)		$5,400
Academic Fees (Per Annum) to be paid	**(A)**	**$5,400**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable) to be paid	**(C)**	**$550**
Total fees to be paid	**(D) = (A+B+C)**	**$6,225**

(a)Installment ForMaster of Technology (Geo-informatics and Surveying Technology) Student taking Admission in NRI, PIO, OCI Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	**2nd Installment**	**3rd Installment**	**1st Installment**	**2nd Installment**
Administrative Fees (Non Refundable)	$550	-	-	-	-
Academic Fees (Per Annum)	$540	$2,430	$2,430	$2,700	$2,700
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$2,430**	**$2,430**	**$2,700**	**$2,700**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model Colony Campus Only)	Student taking Admission in
	(a) NRI, PIO, OCI Category **1st Year 2024-25** **Amount in US$**
Mess Fees (Per Annum) @	$1,250
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	$1,450

**   Hostel and Mess Fees for the Subsequent year would be communicated before commencement of the next academic year.

@   Hostel and Mess Fees can be increased up to 10% each year. Government taxes would be additional as and when applicable.

(b) Fees Payable by the students taking admission in Foreign National Category.

Program Fees For Master of Technology (Geo-informatics and Surveying Technology)		Student taking Admission in
		(b) Foreign National Category **1st Year 2024-25** **Amount in US$**
Academic Fees (Per Annum)		$5,400
Less: Symbiosis Golden Jubilee Scholarship to Foreign National Students #		$3,450
Academic Fees (Per Annum) to be paid	**(A)**	**$1,950**
Institute Deposit (Refundable)	**(B)**	**$275**
Administrative Fees (Non Refundable)		$550
Less: 50% Fee Concession on Administative Fees		$275
Administrative Fees (Non Refundable) to be paid	**(C)**	**$275**
Total fees to be paid	**(D) = (A+B+C)**	**$2,500**

(b)Installment for For Master of Technology (Geo-informatics and Surveying Technology) Student taking Admission in Foreign National Category	1st Year (Amount in $)			2nd Year (Amount in $)	
	1st Installment	2nd Installment	3rd Installment	1st Installment	2nd Installment
Administrative Fees (Non Refundable) # #	$275	-	-	-	-
Academic Fees (Per Annum)	$815	$568	$567	$975	$975
Institute Deposit (Refundable)	$275	-	-	-	-
Installment	**$1,365**	**$568**	**$567**	**$975**	**$975**
Last date of payment	At the time of acceptance of 'Offer Letter'	At the time of Reporting to SCIE	25-Nov-2024	25-Jun-2025	25-Nov-2025

**Hostel and Mess Fees (Subject to change in campus and accommodation type wise, e.g. Single Sharing, Twin Sharing, Triple Sharing, Four Sharing, Dormitory) (The fees indicated herein are for Model Colony Campus Only)	Student taking Admission in
	(b) Foreign National Category 1st Year 2024-25 Amount in US$
Mess Fees (Per Annum) @	$625
Hostel Deposit (Refundable)	$200
Hostel Fees (Different, subject to Sharing, Per Annum)@	
Three Sharing	$650

Note:

\#   ONLY Foreign National Students taking Admission in the year 2024 for the Batch 2024-2026 will be eligible for the Symbiosis Golden Jubilee Scholarships. Designed to celebrate 50 glorious years of Symbiosis being established to offer quality education to foreign national students, these include:

(1)   100 Full Symbiosis Golden Jubilee Academic Scholarships with need-based reduced hostel fees for foreign national students from developing African- Asian countries.

\# \# 50% Concession will be given only to the Foreign National students on Administrative Fees.

Programme Structure*:

Master of Technology (Artificial Intelligence and Machine Learning)

Semester : I
Generic Core Courses

- Programming in Python
- Maths for Data Science
- Supervised Machine Learning and Advances
- Supervised Machine Learning and Advances Lab
- Exploratory Data Analysis
- Unsupervised Machine Learning and Advances
- Unsupervised Machine Learning and Advances Lab
- Research Methodology in engineering
- Introduction to Deep Learning
- Introduction to Deep Learning Lab
- Data Visualization Tools and Software
- Implementations and Use Cases of Machine Learning Lab

Semester : II
Generic Core Courses

- Graph Neural Networks
- Flexi-Credit Course
- Generative Adversarial Networks and Applications
- Generative Adversarial Networks and Applications Lab
- Natural Language Processing and Applications
- Natural Language Processing and Applications Lab
- Machine Vision
- Machine Vision Lab
- Technical Communication Skills
- Machine Learning and Bioinspired Optimization Techniques
- Integrated Disaster Management

Generic Elective Course Group - I (Choose any one course)

- Reinforcement Learning and Applications
- Fundamentals of Responsible AI
- Fundamentals of Multimodal AI

Generic Elective Course Group - II (Choose any one course)

- Reinforcement Learning and Applications Lab
- Fundamentals of Responsible AI Lab
- Fundamentals of Multimodal AI Lab

Semester : III
Generic Core Courses

- Dissertation Phase 1
- Flexi-Credit Course

Semester : IV
Generic Core Courses

- Dissertation Phase 2

Master of Technology (Robotics and Automation)

Semester : I
Generic Core Courses
- Programming Tools (Python)
- Research Methodology in engineering
- Advanced Computer Integrated Manufacturing
- Additive Manufacturing
- Additive Manufacturing Lab
- Industrial Robotics
- Robotics lab
- Mechatronics and IoT
- Mechatronics and IoT Lab
- Strategic Project Management

Generic Elective Courses Group
(Choose any one course)
- Digital Manufacturing
- Signal Processing and Application
- Production Technology

Semester : II
Generic Core Courses
- Industrial Internet of Things
- Flexi-Credit Course
- Machine Learning and Artificial Intelligence
- Supervised Machine Learning Lab
- Mechanisms and Robotics
- Mechanisms and Robotics Lab
- Autonomous Technology
- Modelling and Simulation Lab
- Technical Communication Skills
- Flexi-Credit Course
- Integrated Disaster Management

Generic Elective Courses Group – I
(Choose any one course)
- PLC & SCADA
- Cyber Physical Security and cloud computing
- Machine Vision and Image Processing

- Smart Manufacturing and Digital Twins

Generic Elective Courses Group – II
(Choose any one course)
- PLC Programming Lab
- Cyber Physical Security Lab
- Machine Vision and Image processing Lab
- Smart Manufacturing and Digital Twins Lab

Semester : III
Generic Core Courses
- Dissertation Phase 1
- Flexi-Credit Course

Semester: IV
Generic Core Courses
- Dissertation Phase 2

Master of Technology (Embedded Systems)

Semester : I
Generic Core Courses
- Advanced Microcontroller Architecture and Programming
- Object Oriented Programming and Data Structures
- Digital Signal Processors
- Research Methodology in engineering
- Cyber Security
- Advanced Microcontroller Architecture and Programming Laboratory
- Object Oriented Programming and Data Structures Laboratory

Generic Elective Courses Group – I
(Choose any one course)
- Bio-Medical Signal Processing
- Embedded Wireless Sensor Network

Generic Elective Courses Group – II
(Choose any one course)
- Bio-Medical Signal Processing Laboratory
- Embedded Wireless Sensor Network Laboratory

Generic Elective Courses Group – III
(Choose any one course)
- Renewable Energy Management Systems
- Industrial Automation

Semester : II
Generic Core Courses
- Model Based Development
- Flexi-Credit Course
- Embedded System Design
- Electric Vehicle Technology
- Model Based Development Laboratory
- Technical Communication Skills
- Integrated Disaster Management

Generic Elective Courses Group - I
(Choose any one course)
- Machine Learning for Embedded Systems
- Internet of Things and Applications
- Image Processing and Computer Vision

Generic Elective Courses Group – II
(Choose any one course)
- Machine Learning for Embedded Systems Laboratory
- Internet of Things and Applications Laboratory
- Image Processing and Computer Vision Laboratory

Generic Elective Courses Group – III
(Choose any one course)
- Multi-core Architecture and Systems
- System on Chip Design
- Computational Algorithms

Semester : III
Generic Core Courses
- Dissertation Phase 1
- Flexi-Credit Course

Semester : IV
Generic Core Courses
- Dissertation Phase 2

Master of Technology (Engineering Design)

Master of Technology (Geoinformatics and Surveying Technology (G&ST))

Semester : I
Generic Core Courses
- Fundamentals of Remote Sensing
- Spatial Database Management System
- Applied Statistics
- Cyber Security
- Fundamentals of Geographic Information Systems
- Global Navigation Satellite System
- Python for Geospatial Technology
- Research Methodology in GIS
- Web Design Technologies
- Applied Statistics Lab
- Fundamentals of Geographic Information Systems Lab

- Fundamentals of Remote Sensing Lab
- Global Navigation Satellite System Lab
- Python for Geospatial Technology Lab
- Spatial Database Management Lab

Semester : II
Generic Core Courses
- Digital Image Processing In RS
- Spatial Modeling & Analysis
- Advance Python Programming for spatial Analytics
- Digital Photogrammetry
- Digital Photogrammetry Lab
- Flexi-Credit Course
- Machine Learning for Remote Sensing
- Research Paper Writing

- Web GIS and Application Design
- Advance Python Programming for Spatial Analytics Lab
- Digital Image Processing In RS Lab
- Spatial Modeling and Analysis Lab
- Web GIS and Application Design Lab
- Integrated Disaster Management
- Spatial Big Data and Storage Analytics

Generic Elective Courses Group- I
(Choose any one course)
- Geoinformatics Applications in Human Settlement
- Geoinformatics Applications in Natural Resource Management
- Land Surveying
- Geoinformatics applications in Facility and Utility management

- Geospatial Application in Agriculture
- GIS for Health Care Management

Semester : III
Generic Core Courses
- Dissertation Phase 1

Semester : IV
Generic Core Courses
- Dissertation Phase 2

Master of Technology (Automotive Technology)

Semester : I
Generic Core Courses
- Applied Statistics and Numerical Methods
- Applied Statistics and Numerical Methods Lab
- Research Methodology in engineering
- Technical Communication Skills
- Automotive Engineering Systems
- Materials for Automobile
- Power Electronics for Automobile
- Power Electronics for Automobile Lab
- Modelling and Simulation of EHV
- Integrated Disaster Management

Generic Elective Course Group - I
(Choose any one course)
- Powertrain Management Systems
- Intelligent Transportation Systems
- Automotive HVAC
- Smart Renewable Energy Harvesting and Storage
- Battery Management Systems
- Finite Element Methods
- Machine Learning
- Traffic Engineering and Management

Generic Elective Course Group - II
(Choose any one course)
- Digital Image Processing in GIS
- Electric Drives and Control
- Automotive Embedded System
- Micro Electro Mechanical Systems
- In Vehicle Networking
- Plug-in Electric Vehicles in Smart Grid
- Smart Manufacturing and Digital Twins

Semester : II
Generic Core Courses
- EV Noise Vibration and Harshness
- EV Noise Vibration and Harshness Lab
- Automotive AI
- Automotive AI Lab
- Vehicle Electronic Control Management System
- Testing and Certification of Automobile
- Electric and Hybrid Vehicles
- Automotive Electrical and Electronic Systems
- Flexi-Credit Course

Generic Elective Courses Group -III
(Choose any one course)
- Autonomous and Connected Vehicles
- Vehicle Dynamics and Control
- Automotive Safety and Cyber Security
- Future Mobility Solution
- Deep Neural Networks for Automotive Applications
- Vehicle Fault Diagnostics
- Drone & Hyperloop Technology

Semester : III
Generic Core Courses
- Flexi-Credit Course
- Industry Project - I

Semester : IV
Generic Core Courses
- Flexi-Credit Course
- Industry Project - II

* Courses are subject to change

- Learning Resources
- Physical and Academic Infrastructure Facilities
- Co-Curricular and Extra Curricular Activates
- Hostel Accommodation
- Health Care Services

M. Tech 2022-24 batch – Drone Workshop (R&A)-

Active Hands-On Experience: A Crucial Aspect of the M.Tech in Robotics and Automation Program. Here's a Preview of Some of the Engaging Workshops Organized for the 2022-24 M.Tech Batch, Including Arduino, Robotic Operating Systems, Drones, and IoT Workshops.

M. Tech 2022-24 batch students attending IOT Workshop

Robotic Operating System Workshop for batch 22-24

Industrial visit to Mapro for batch 21-23 (M. Tech Embedded Systems)

MAPRO is a food processing industry specializing in chocolate, Jam, and related food products. The students were taken on a tour inside the factory and given a brief of all the processes. Students could see how a product is made from start to finish. The staff-in charge explained each process crisply and clearly. Students asked many questions, and the manager answered them. Students were also given samples of the final products. It was a very informative visit. Students learned a lot about the process of making a product and how industrial automation plays a crucial role in reducing manufacturing time.

Industrial visit to Raptech Engg. for batch 22-24

Raptech is an engineering company specializing in Manufacturing Material Handling trolleys, Paint Shop Solutions, Plastic Moulding Components, Special Purpose machines, and much more. The students visited their manufacturing facility and had a first-hand experience of the setup. Apart from explaining the overall plant setup, a brief introduction to precision cutting machines based on fiber laser technology was given. The robotic arm for welding and lifting was also described. The students also saw an implementation of the surface protection and finishing concept in practice.

Industrial visit to Verolt for batch 21-23

Verolt is a new-age technology company eager to solve mission-critical customer challenges in the niche domains of Disruptive Human Machine Interface (HMI), Automotive Software, and Digital. Dr. Sumit Kumar, Dr. Pritesh, and Dr. Nilisha Itankar visited Verolt Engineering, Pune, to meet M.Tech Embedded Systems Internship students as invited by Verolt, Pune.

Hackathon batch 22-24 (M. Tech AIML)

Implementation & use cases of Machine Learning subject batch 22-24 (M. Tech AIML)
Expert Sessions by- 1) Dr Shivali Wagle- Use case of Agritech
                              2) Dr Prachi Kadam- Use case of Healthcare

Symbiosis Institute of Geoinformatics (SIG)

Contact Details of Institute:

Symbiosis Institute of Geoinformatics

Dr. Tarun Pratap Singh
Director

Director Profile:

Dr. T.P. Singh has twenty-two years' experience in the field of Climate Change and Climate Stress, Natural Resource Management, Geospatial Technology, Data analytics in India and abroad. He has started his career in Geospatial technology from the Indian Institute of Remote Sensing (ISRO), where he has worked on the projects of national importance.

He has earned his Ph.D. degree in the area of satellite Image Classification techniques from Indian Institute of Remote Sensing and HNB Garhwal Central University, Srinagar and M.Phil in Geo Engineering from College of Engineering, Vishakhapatnam.

Dr. Singh has received Master Degree in Remote Sensing from Sorbonne University, Paris , France erstwhile Pierre and Marie Curie University (UPMC), Paris University VI, France and M.Sc. from University of Lucknow in Environmental Science. He has received the European Professional Higher Post Graduate Diploma in Geoinformatics from GDTA (Institute under French Space Agency) France in association with Paris University VI France, University of Lisbon, Portugal and Warsaw University of Technology Poland.

Dr. T.P. Singh has worked on LiDAR technology at the University of Freiburg, Germany on Automatic feature extraction. Before, taking academic position at Symbiosis, he has served at different government centers.

Dr. Singh received Mahaveer Prasad Dewedi Special Achievement award on the work of Geospatial Technology. Dr. T. P. Singh has also received DGSI National Gyan Ratna Award on Geospatial Technology at Banaras Hindu University (BHU), Varanasi in 2023.

Dr. T. P. Singh is the member of many professional bodies. Dr. Singh is a Chairman of Indian Society of Geomatics, Pune Chapter. He is also secretory of Indian Society of Remote Sensing Pune Chapter. Member of Sentinel Asia, Japan, Tsunami Group. Dr. Singh is a Member of Landslide Technical committee, Govt. of Maharashtra.   He has been appointed as a member of National Accreditation Assessment Committee (NAAC), 'Assessor' committee for 5 years. Dr. Singh was invited by Many National and International forum to talk on Space Technology and Sustainable goals. He has also edited many books in the field of Geospatial Technology, Climate Change and Natural Resource Management and published several papers in the peer reviewed journals.

Institute's Profile:

Symbiosis Institute of Geoinformatics (SIG) was launched in 2004, as an autonomous institute, with a vision to create a potential trained human resource to meet future industry and society demands of this emerging technology and welfare of the society at large. Personalities from research, academia, and industry representatives assisted with a vision to formulate the programme. In year 2006 SIG become a constituent of Symbiosis International (Deemed University).

In the past nineteen years, mile stones achieved included, recognition by the AICTE, UGC, warm hearted response of the industry for placements, 100% placements of all eligible students since inception and numerous accolades at the national and international meets.

It is noteworthy that Dr. S. B. Mujumdar launched an institute in this niche field in 2004 with a futuristic vision, while Government of India has launched Digital India Smart Cities, Jal Shakti which will not completed without explore full potential of this new technological tool to full fill the mission. This indicates a long-term vision of the Chancellor of University and President of Symbiosis to explore future technology in the interest of society. Post Graduate Degree Programmes of SIG are well defined. It involved step-by-step introduction to curriculum, sufficient practice to give confidence to students, assignments and project for continuous evaluation of progress of the students and industry interaction to expose students to the corporate world.

Apart from achieving competency in technical field, value added and human relations based programmes alter mindset and change attitude of the individuals to achieve goals desired by the industry. These have been much appreciated by the industry. Institute achieved several award on excellence in education.

Programme Profile:

Name of the Programme:

- **Master of Science (Geoinformatics) M. Sc (Geoinformatics)**
- **Master of Science (Data Science and Spatial Analytics) [M. Sc. (DS & SA)]**

Duration :

- **Master of Science (Geoinformatics) [M.Sc. (Geoinformatics)]:** 2 Year Full-Time Non-Residential Programme
- **Master of Science (Data Science and Spatial Analytics) [M. Sc. (DS & SA)]:** 2 Year Full-Time Non-Residential Programme

Intake:

- **Master of Science (Geoinformatics) [M.Sc. (Geoinformatics)]:** 60 seats
- **Master of Science (Data Science and Spatial Analytics) [M. Sc. (DS & SA)]:** 60 seats

Eligibility:

- **Master of Science (Geoinformatics) [M.Sc. (Geoinformatics)]**

  Graduate in Engineering, IT, Science, Computer Science, Agriculture, Geography, Commerce and Management from any recognised University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

- **Master of Science (Data Science and Spatial Analytics) [M. Sc. (DS & SA)]:**

  Graduate in Engineering, IT, Science, Computer Science, Computer Application of any recognised university/ Institution of National Importance with 50% minimum of marks or equivalent grade (45% Marks or equivalent grade for Scheduled Caste/ Scheduled Tribes)

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Khula Manch

Admission Process:

- Indian Students –Logical Reasoning (MCQ) and Writing Ability Test and Personal Interaction,
- For International Students: As per procedure prescribed by SCIE

Reservation of Seats: As per University norms.

Important Dates:

Master of Science (Geoinformatics) [M.Sc. (Geoinformatics)]

Details	Date
Programmes Registration Begins	23 Aug 2023
Last date of Online registration	23 Nov 2023
Last date of Online registration for Institute	1st Round 02 Mar 2024 2nd Round 04 May 2024
Last Date of payment of Registration fees for Institute	1st Round 02 Mar 2024 2nd Round 04 May 2024
Announcement of Shortlist for Personal Interaction	1st Round 05 Mar 2024 2nd Round 06 May 2024
Personal Interaction (Online)	1st Round 06 & 07 Mar 2024 2nd Round 08 & 09 May 2024
Announcement of First Merit list	1st Round 13 Mar 2024 2nd Round 13 May 2024
Last date for payment of fees for candidates in the first merit list	1st Round 28 Mar 2024 2nd Round 28 May 2024
Programme Commencement	26 Jul 2024

Master of Science (Data Science and Spatial Analytics) [M. Sc. (DS & SA)]

Details	Date
Programmes Registration Begins	23 Oct 2023
Last date of Online registration	23 Nov 2023
Last date of Online registration for Institute	1st Round 02 Mar 2024 2nd Round 04 May 2024
Last Date of payment of Registration fees	1st Round 02 Mar 2024 2nd Round 04 May 2024

Programme Structure*:

Master of Science (Geoinformatics) [M.Sc. (Geoinformatics)]

Semester : I
Generic Core Courses
- Principles of GIS
- Principles of Remote Sensing
- Applied Statistics
- Global Navigation Satellite Systems
- Python for Geospatial Technology
- Computer Fundamental and Cyber security
- Research Methodology in GIS
- Integrated Disaster Management

Semester : II
Generic Core Courses
- Geo Image Processing
- Photogrammetry
- Advance Python Programming for Spatial Analytics
- Essentials of Internet and Web Technologies
- Flexi-Credit Course

- Principles of Database Management System
- Programming for Enterprise GIS
- R for Spatial Science
- Spatial Analysis

Semester : III
Generic Core Courses
- Summer Project
- Business Communication
- Flexi-Credit Course
- GIS Application Design
- GIS Project Management
- Organizational Behaviour
- Spatial Data Base Management
- Spatial Modeling
- Web GIS

Generic Elective Courses Group-I
(Choose any one course)
- Geoinformatics applications in Facility and Utility management
- Geoinformatics Applications in Natural Resource Management
- Mobile GIS

Generic Elective Courses Group-II
(Choose any one course)
- Application of Geospatial Technology in Urban Development
- Disaster Scenario mapping
- Geospatial Application in Agriculture

Semester : IV
Generic Core Courses
- Industry Project

Khulla Manch

Master of Science (Data Science and Spatial Analytics) (M. Sc. (DS & SA)

Semester : I

Generic Core Courses

- Mathematics for Spatial Sciences
- Introduction to Geospatial Technology
- Principles and Practices of Data Protection
- Python for Data Science
- Relational Database Management System
- Statistics and Probability
- Business Communication
- Research Methodology in Computational Sciences
- Integrated Disaster Management

Semester : II

Generic Core Courses

- Machine learning
- Data Driven Governance
- Inferential Statistics
- Spatial Data Base Management

Specialization Core Courses: Artificial Intelligence Algorithms

- Applied Data Analytics with Python
- Big Data Analytics

- Computer Vision
- Programming for computational sciences

Specialization Core Courses: Geointelligence

- Advance Python Programming for Spatial Analytics
- Flexi-Credit Course
- Geospatial Analytics
- Programming for Spatial Sciences

Semester : III

Generic Core Courses

- Summer Project
- Artificial Intelligence
- Deep learning
- Flexi-Credit Course
- Spatial Modeling
- Research Publication

Generic Elective Courses Group

- Data Driven Banking, Insurance and Finance
- Data Driven Forensics and Crime Investigation
- Data Driven Journalism
- IOT Spatial Analytics

- Spatial User Interface design and Implementation
- System Dynamics Simulation

Specialization Core Courses: Artificial Intelligence Algorithms

- Block Chain Technology
- Introduction to Natural Language Processing
- Operations Research and Optimization Techniques

Specialization Core Courses: Geointelligence

- Machine Learning for Remote sensing
- Citizen Science and Geospatial Technology
- Web GIS

Semester : IV

Generic Core Courses

- Industry Project

* Courses are subject to change

Institute Profile:

Symbiosis Law School, Pune (SLS, Pune) stands for excellence in legal education and is nestled in the city of Pune (popularly known as the Oxford of the East, with the glorious heritage of being the capital of the Peshwas). Symbiosis Law School, Pune piloted and enriched by the vision of Dr. S.B. Mujumdar, was established in 1977 under the illustrious banner of Symbiosis Society. Since 2007, SLS, Pune has been ranked top 10 amongst more than 1000 Law Schools in India by the India Today-Nielsen survey, ranked 8 in 2020 amongst participated institutions in by National Institution Ranking Framework (NIRF) by Ministry of Human Resource Development, Government of India. SLS Pune was awarded 'Excellence in Internationalization of Education' in 7th FICCI Higher Education Excellence Awards 2021. SLS Pune is at Rank 2 in CSR-GHRDC 2020 (Category of Top Supreme Law Schools) and Rank 1 in Private category of 'Top10 Private Law Colleges in India' by India Today Survey 2021. SLS Pune has retained the Rank 1 position for 2018, 2019, 2020 and 2021 in this category.

SLS Pune also received the Best College Award amongst top 3 in Virtual 'IPTSE awards & IPTSE Conclave' dated 28April2021 during the eve of World IP Day. This stature is attained through its various programs such as 5-year integrated Undergraduate Programs like Bachelor of Arts and Bachelor of Laws [BA. LL.B. (Hons.)] and Bachelor

of Business Administration and Bachelor of Laws [BBA. LL.B. (Hons.)], 3-year LL.B. and One-year LL.M program with 8 specializations. SLS, Pune also successfully administers one Diploma Program& Certificate Courses and 'Development of a Master Level Programme:' International Law and Forced Migration Studies'. It has been a partner in the EURASIA Project funded under Key Action 2 Capacity Building in the Field of Higher Education of the Erasmus + Program (2017-2021). The project developed the capacity of faculty members for European Studies by faculty mobility and by developing 28 courses focused on European Legal Studies and incorporating the best practices of European and Asian Universities. The institute also houses the 21st Teach Skills Lab and its CCP_Law Lab is on the anvil. It also holds partnerships under DAAD - A New Passage to India with Leibniz University, Hannover and Brunswick European Law School, Ostfalia University of Applied Sciences, Germany and has recently become a part of the DAAD programme with Berlin School of Economics and Law.

Programme Profile:

Name of the Programme:

- **Master of Laws (LL.M.)**

Duration:

- **Master of Laws (LL.M.):** 1-year Full-Time Non-Residential

Intake:

- **Master of Laws (LL.M.):** 80 Students

- **Master of Laws (LL.M.)**
  LL.M (One Year) Program Profile:

  SLS, Pune offered 2-years LL.M program from 2003-2013. It is one of the pioneer institutions in the country to initiate the One-Year LL.M Programme in 2013 offering 9 specializations. The post-graduate programme is offered through the Center for Postgraduate Legal Studies (CPLS), with an objective to create research-centric intellectuals and academicians. There is an emphasis on an interdisciplinary approach in the study of law and research orientation underlining the relevance of research methodology with utmost technical precision and scientific sophistication. The students have an option of a cafeteria approach in terms of specialization, cross specialization courses combining innovation, cutting edge legal acumen and theoretical insights.

  With emphasis on research and publication under the umbrella of SCALSAR (Symbiosis Center for Advanced Legal Studies and Research), faculty and students are engaged in publishing the results of their research. The success reflects in a large number of students entering corporate sector, Law firms, academics, higher research, army and judicial services.

  A) Specializations offered:
  1) Business and Corporate Law
  2) Constitutional Law and Administrative Law
  3) Innovation, Technology and Intellectual Property Law
  4) Criminal Law and Security Law
  5) Human Rights Law
  6) Law, Policy and Good Governance
  7) Family Law
  8) EU Law and International Law
  9) Telecom Media Technology Law (In Process)

  Note: A specialization will be offered subject to minimum 5 admissions in the Specialization Group.

The 15th Edition of Symbhav - 'Mystical Renaissance' was organised from the 23rd to 26th of March, 2023 at the Symbiosis Viman Nagar Campus Auditorium. The Law Theatre students of SLS-Pune presented a phenomenal film called 'Sui aur Dhaaga (Needle and Thread)' highlighting the theme illegal organ trafficking

Unique Features of the One Year LL.M. Programme:

- Specialised Centre for Postgraduate Legal Studies (CPGLS) works in a unique association with Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR).
- Experienced &internationally trained faculty-members, including experts from the Bar & Bench and industry.
- Unique differentiator of legal writing by US faculty.
- Top class and up-to date academic content and mentor-faculty (1:10).
- Peer learning with international students from different countries.
- Special emphasis on Research and publication – in the academic year 2022 – 2023 more than 84 papers are published affiliated to SI(DU) Pune in international and national journals of repute including 70 in Scopus/WOS journals.
- Institutionalised skill development through specialized Symbiosis Skill Centre.
- Mapping of courses with skill centric sessions with a unique blend of theory and skills through mock teaching, dissertation, viva-voce, research methods, etc.
- Comprehensive internationalization and collaborations including faculty & students exchange.
- Compulsory European Union law and Human Rights law courses as international attribute to the courses with elaborate career mentoring.
- Unique competencies for career in judiciary, industry, academia and profession.
- State of the art infrastructure.
- ICT-enabled learning resources.
- Comparative curriculum, innovative pedagogy and eminent visitors.
- Structured career and placement guidance.

Eligibility:

- **Master of Laws (LL.M.):**

  Three or Five years LL.B. Degree from any Indian or Foreign University recognised by the UGC with at least 50% marks or equivalent grade (45% for SC/ST Candidates). Candidates who have appeared for the final year LL.B. examination may also apply.

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

SCALSAR

SLSP has established Symbiosis Centre for Advanced Legal Studies and Research (SCALSAR). It is the centre-stage for research, quality publications, government interface, host scholars in residence, undertakes interdisciplinary legal studies and research projects, training teachers and designing training modules. It has 3 research clusters: Science Technology Innovation Law, Rule of Law in Context and Comparative Law. Every year SCALSAR organizes an International Research Conference which has become popular as SYMROLIC representing Rule of Law with Indian and Global perspectives, aligning it with the SIU's vision of an interdisciplinary conference and connecting to different fields such as that of Innovation, Science, Technology, Human Behaviour, Global Policy and Governance.

The purpose of SCALSAR under the Faculty of Law SIU, Symbiosis Law School Pune is to centre- stage research, encourage quality publications, act as think-tank to government, host scholars in residence, undertake interdisciplinary legal studies and research projects, training teachers and designing training modules. SCALSAR contributes under three verticals viz. Science technology and Innovation Law, Rule of Law in Context and Comparative Law.
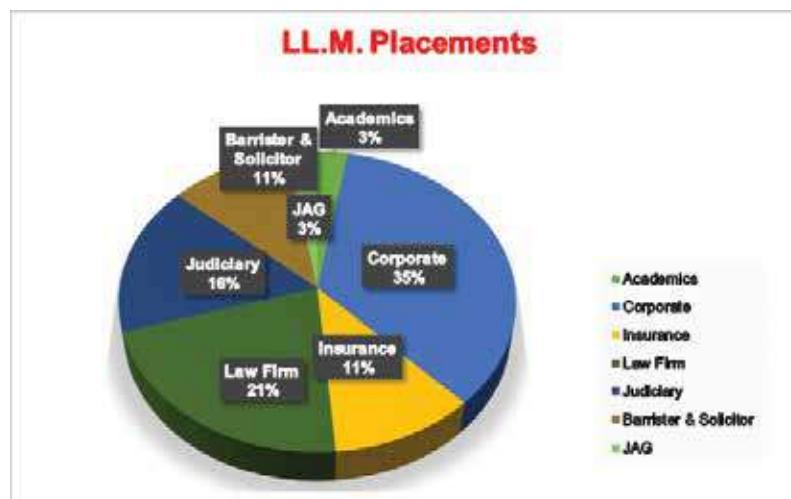

In the last one year, the Centre has published more than 70 research papers in SCOPUS listed journals / WoS indexed journals by the SLS Pune faculty members and some PG / PhD students, now totalling upto 631 publications. Balancing the social agenda, the community legal care centre of SLS Pune is engaged in the Prison Advocacy program of Mumbai High Court through Prison Clinic, collaborates with District Legal Aid Services Authority and has clinics in villages and inner city.

The Career & Professional Development Cell

The Career & Professional Development Cell functions as the primary facilitatory body for the process of professional development and constructive employment for our students. The broad objectives of the cell are campus recruitment, training and development and internship opportunities. The Cell works throughout the year to implement and execute the processes of Campus Recruitments, Internships, Training and Development, Industry & Alumni Relations and Entrepreneurial development. With years of experience, the cell has developed a wide array of networks ranging from litigation firms, corporate firms, solicitors, private practitioners, to governmental commissions and agencies. The Career & Professional Development Cell has been tirelessly facilitating the professional development of our students and has been successful in attaining the aforementioned goals by providing our students with the best opportunities.

The LLM students are also provided with intensive training and guidance for JAG, NET, Civil Services, Judiciary Examination etc.

LLM students secured reputed placements with high CTC in firms / companies like Cummins India Limited, JM Financial Limited, Indusind Bank, Mercedes Benz, Bajaj Allianz, Indiabulls, Ernst & Young LLP, PwC, Phoenix Mills Limited, Mthree (A Wiley Company), Piaggio Vehicles Pvt Ltd.,Integreon, I-PAC, Juris Arena, Legasis, DSK Legal and many more in others sectors.

The Alumni Cell

The Alumni Cell of Symbiosis Law School, Pune is a voluntary student body working under the guidance of Director, Symbiosis Law School Pune and Dean Faculty of Law Symbiosis International (Deemed University). The Cell continuously undertakes to strengthen the relations of the alumni of SLS Pune. It has been instrumental in organising the Annual Alumni Meet, regular guest lectures by distinguished alumni in the campus, publishing the annual yearbook 'Alumni Nexus'. SLSP is the proud alma mater to illustrious alumni such as Mr. Ram Kumar, currently appointed as Assistant Public Prosecutor, CBI (UPSC -AIR 3), Mr. Mrityunjai Singh who recently cleared the Advocate On-Record Examination, Supreme Court of India, Varuna Agarwal (UPSC AIR-38), Sharmistha Dutta (AIR2 CDSE), Vineet Dhanda Assistant Solicitor General of India,Chhattisgarh's Additional Advocate General Mr. Saurabh Ajay Gupta, Adv. Sameer Chugh awarded as a Legal Business Person by Asian Legal Business, Mr. Shashwat Sachdev who won the national Award for the Best Music Direction (Background Music) for Uri: The Surgical Strike, Justice Revati Mohite-Dere, Judge, Bombay High Court amongst other law firm and corporate firm leaders.
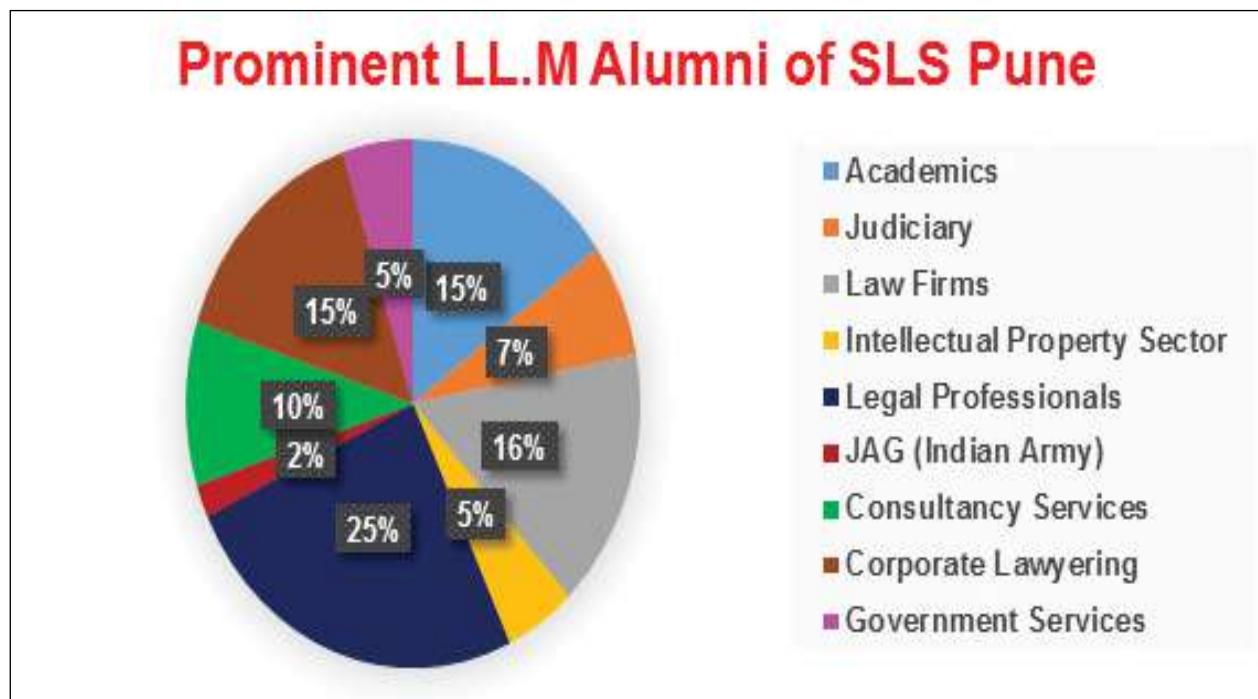

SLS, Pune endeavours to secure all-round contribution to the betterment in the field of Law, to create world-class professionals, to produce committed academicians and law reformers, to train justice dispensers and invigorate community crusaders and, to create a strong watershed of new and upcoming expertise in law relating to business and corporate matters.

Admission Process:

- **Master of Laws (LL.M.):**

Admission to LL.M. (One Year) programme is conducted through the following procedure:

Step 1: Apply online at symlaw.ac.in

Step 2: a. Appear for the All India Admission Test (AIAT).

b. Appear for Personal Interaction (PI)

Symbiosis All India Admission Test (AIAT):-

All Admission to LL.M (One Year) is offered through Symbiosis All India Admission Test (AIAT), which will take place in an offline mode at Symbiosis Law School, Pune. The AIAT consists of:

Written Test (comprising of objective and subjective written test to assess the aptitude for teaching, research, legal aptitude and basic legal knowledge)- Weightage 70 %

Test Duration:- 105 minutes

Personal Interview (PI)- (Personal Interview is intended to test the personal Attributes, Fitment, Work Experience, Publications and Statement of Purpose)- Weightage 30 % .

PI Duration:- 10 minutes (approx).

Verification of Educational Qualification Documents and Eligibility:

Candidates need to furnish their educational qualification documents as per the directions of SLS Pune/SIU for verification at the time of appearing for the AIAT. If any candidate fails to furnish the documents at the time of appearing for the AIAT for verification the candidate will not be permitted to appear for the AIAT. Further, the candidates, who are shortlisted in the merit list after the AIAT, need to submit certain documents to aquire eligibility to be admitted in the LL.M. Programme of Symbiosis Law School, Pune. If the candidate does not submit the document for eligibility purposes, admission of the same candidate stands cancelled.

Note: You are requested to bring a Statement of Purpose (SOP) not more than (250 words) and one reference (one page each) from the Head or Supervisor of your Institute at the time of appearing for the AIAT. This will be verified as a part of the document verification process.

Refund Policy

In case of cancellation of admission or non-fulfilment of eligibility criterion, the candidate may apply online for a refund of tuition fees and deposit. The refund will be made as per the refund policy of SIU.

PREPARATION OF MERIT LIST & ALLOTMENT OF SPECIALISATION FOR SLS PUNE:

Steps for preparation of merit list/s:

Step 1: Generic Merit List:

Process of preparation of first merit list:

Preparation of consolidated/generic merit list: A consolidated/generic merit list will be prepared as per the AIAT score and total intake for open and other reserved categories.

Hypothetical Example : If there are a total 50 seats for the open category, the institute will add around 20% to 30% extra i.e. 50+13=63 and prepare the consolidated/generic merit list of 63 candidates from the open category. These 63 candidates will be selected based upon their AIAT score irrespective of their preferred specialization.

Step 2: Allocation of specialization: -

Allotment of the specialization to the candidates selected in consolidated/generic merit list: The candidate, who is selected in the consolidated/generic merit list, will be allotted a particular specialisation depending on:

(a) The marks scored in AIAT;

(b) The preferences of specialisations provided by the candidate while filling out the registration form for AIAT.

Allocation of the specialisation will be based upon the cut-off marks of the concerned specialisation as determined from the merit list and the number of seats in each specialization. The total number of seats shall be equally divided among all the offered specialisations in a particular academic year.

* Note: The offering of a specialisation in a particular academic year will be subject to minimum 5 admissions in the concerned specialisation group.

Process of allotment of specialization to the candidates selected in consolidated/generic merit list: After the preparation of consolidated/generic merit list, the institute will start allotting the specialisation for each candidate from consolidated/generic merit list based upon their marks in AIAT and preferences selected by the candidates. The Institute will start with the first candidate. He/she will be given his/her first specialization. In this hypothetical example, the process will go on till the 10 seats for open category are filled for each specialization. If a candidate has selected "Business & Corporate Law" as his/her first preference and 10 seats are filled in "Business & Corporate Law", the institute will allot his/her second preferred specialisation according to his/her marks in AIAT. The candidate will not be allotted his/her first specialization i.e., "Business and Corporate Law" because 10 seats allotted to Business and Corporate Law are exhausted. He/She will be allotted his/her second preference. If the 10 seats for the course selected as 2nd preference are also full, the institute will allot third or fourth preference provided by the candidate while filling out the registration form.

Kindly note, in case a candidate does not fall within the merit list of any 4 of his/her preferred specialisations according to his/her AIAT marks, the institute has the discretion to allot an appropriate specialization to the candidate from the remaining available specializations.

Subsequent to the allotment of specialisation, a specialisation-wise merit list shall be published and offer letter shall be sent to the merit listed candidates.

The Institution shall provide admissions in all the specialisations as per the merit, however, the waitlist number of the candidate is subject to variation as per rule no. 5.5.2 of One Year LL.M Admission Process & Rules, 2020. Therefore, no wait list number will be provided/assigned to the waitlisted candidates.

Process of preparation of second merit list:

After the last date for admission as per the first merit list, the institute will check the total admitted candidates and based upon the seats available in each specialization, the following process will be followed:

Forfeiture and deemed for feiture:If a candidate is offered first preference in first merit list but has not taken the admission:

The candidate who has not taken admission after offering his/her first preference of specialisation (refuses or does not take admission) within the stipulated period will forfeit his/her claim of admission. It means his/her candidature will not be considered for second and subsequent merit lists. No email or any communication for negotiating or requesting change in admission shall be admissible. It cannot be raised as a ground for holding the seat or right to admission.

Hypothetical Example: If Mr./Ms. "A" is offered his/her preference -1 in the first merit list, but he/she didn't take admission before deadline of the admission for the first merit list and requested more information or change of specialisation, Mr./Ms. "A" will not be considered for second merit list. Since, Mr./Ms. "A" has not taken admission after offering his/her first preference given by him/her; he/she will forfeit his/her claim of admission in second and subsequent merit lists.

The above logic will be applied while preparing the second & the subsequent merit list.

If a candidate is offered second, third or fourth preference in the first merit list but he/she has not taken the admission:

If a candidate is offered admission in his/her second/third/fourth preference but he/she does not take the admission at SLS Pune, the candidate will be waitlisted and will be considered for second merit list subject to availability of seats. In the second merit list, allotment of specialisation will be done according to seats available in the specialisations, his/her AIAT score and preference of specialisation given by him/her at the time of registration.

The following process will be followed for the allotment of specialization:

a. If a candidate is allotted his/her fourth preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first, second and third preference.

b. If a candidate is allotted his/her third preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first and second preference. His/her candidature will not be considered for third and fourth preference.

c. If a candidate is allotted his/her second preference and has not taken the admission, he/she will be waitlisted and his/her candidature will be considered for first preference. His/her candidature will not be considered for second, third and fourth preference.

If a candidate is offered second/third or fourth preference in the first merit list and has taken the admission at SLS Pune:

If a candidate is offered his/her second/third or fourth preference in the first merit list and has taken admission at SLS Pune, the candidate will be given the option to change the specialization.

Process for change of specialisation after taking admission at SLS Pune:

• The admitted candidate may make an application within the stipulated time to change his/her specialisation.

• The application for change in specialization will be considered keeping in view:

a) the candidate's score in AIAT.

b) cut-off marks of the concerned specialization in subsequent merit list;

c) the number of vacant seats in the concerned specialisation.

If a candidate is offered first/second/third or fourth preference in first or any other merit list and has taken admission at SLS Pune and cancelled the admission subsequently:

If a candidate has taken admission in any specialisation and cancelled the admission for whatever reason, the said candidate will forfeit his/her claim of the admission in subsequent merit lists.

DATE & REGISTRATION FEE :

VENUE of AIAT: Symbiosis Law School, Pune, Viman Nagar campus (Offline Mode)

Date for AIAT: Last week of May 2024 or First Week of June 2024

Orientation and Pedagogy:

The methodology is essentially learner–centered and research-oriented, strengthening students in reflective and critical thinking skills along with value-orientation. Predominantly, the seminar method is used in a convergent manner, along with the lecture method. These include the Class Room Presentations, Group Discussions, Seminars, Case Studies, Socratic Method, Project-Based Method, Computer Assisted Learning and Experiential Learning through internship.

The curriculum and pedagogy are designed around the latest quality initiatives in legal education. These efforts are reciprocated by the participation of all the stakeholders including the members of the bar and bench, corporate sector, govt. and international experts.

Moreover, he has published number of articles on Information Technology & Intellectual Property Laws, Environmental Laws. He has also chaired and addressed several National and International Conferences/ Seminars.

Indian National Bar Association (INBA), on the occasion of '67th Constitution Day' on November 26, 2016, selected and felicitated him with 'Law Professor of the Year' award.

Institute Profile:

Symbiosis Law School, NOIDA (hereinafter referred as SLS-NOIDA) in just twelfth year of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International (Deemed University), it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells including Research & Publication Cell, Moot Court Society, Legal Aid Center, Training & Placement Cell, Entrepreneurship Cell, Social Responsibility Cell, Cultural Cell, Sports Cell, Debate Society, Literature Society and International Law Students Association (ILSA) Chapter. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA (To know more visit https://www.symlaw.edu.in/events) .

SLS-NOIDA organizes weekly lectures under the banner of 'Seminar Series' delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career.

Symbiosis Law School NOIDA

Zealand (August 29, 2018) with Mr. Hemant K Batra, Founder Partner & Chairman of Kaden Boriss Global, Prof. Lindsay Trotman, Associate Professor of Law at Massey Business School, Massey University, Auckland -New Zealand; General Counsel Manthan 2017 and India International Legal Conclave: April 28-May 01, 2017: at Bali -Indonesia in association with Corporate Counsel Association of India; Economic Laws Partner; Hammurabi & Solomon; Luthra & Luthra Law Offices; Cyril Amarchand Mangaldas; Chandhiok & Associates, Duanne Morris & SELVAM LLP; Deepak Sabarwal & Associates; PENNINGTONS MANCHES, RNA; Commercial Law Chamber, Conventus Law, International Court of Arbitration and Singapore International Arbitration Centre;

SLS-NOIDA strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, Case analysis/discussions and legal web bases. The learners at SLS-NOIDA are adept at courtroom etiquettes and advocacy skills through courtroom and related exercises such as Moot Court, Mock Trials, Drafting of Pleadings and Client Counseling. (To know more about the achievements, visit (https://www.symlaw.edu.in/achievements-moot-courts) Mooters have, as a result, won several accolades for the Law School:

Research is the culture on which tomorrow's professionals at SLS-NOIDA thrive. Reports on varied research projects were published and released including - Research Report on 'Contribution of Judicial Mechanism in Facilitating Access to Justice to Victim' (initiated in January, 2016 with the objective to look into issue of 'award of compensation to victim of an offence triable by court of sessions') was released at the hands of Mr. Justice Dinesh Kumar Singh, Judge, High Court of Allahabad on March 10, 2018; Repeal of Laws in association with Centre for Civil Society along Gujarat National Law University, Gandhinagar; the National Academy of Legal Studies & Research, Hyderabad; National Law School of India University, Bangalore; and Jammu University (November 26, 2018) – The last phase of Repeal of Laws project submitted its findings on Laws respect to State of Assam, State of Meghalaya, State of Mizoram, State of Tripura, State of Gujarat, and State of Jammu & Kashmir. The report was released by Shri Hemant Batra, Founder and Chairman, Kaden Boriss Global, Shri Maneesh Chhibber, Executive Editor, DNA, Shri PK Malhotra, Former Law Secretary, Ministry of Law & Justice, Government of India, Shri Parth J Shah, Shri Satya Prakash, Legal Editor, The Tribune and Shri Tariq Ahmed, Former Union Minister; Repeal of Laws in association with Centre for Civil Society along National Law School India University, Bangalore, NALSAR University of Law, Hyderabad, Maharashtra National Law University, Mumbai, and Hidaytullah National Law University, Raipur (November 26, 2017) - The project aimed to identify laws that could be repealed on account of three reasons—they are redundant having outlived their purpose, have been superseded/subsumed by more current laws, or pose a material impediment to growth, development, governance and freedom and submitted a report with respect to such laws in State of Uttar Pradesh, State of Karnataka, State of Andhra Pradesh, State of Telangana, State of Maharashtra, State of Chhattisgarh. The law firm of Kaden Boriss Partners has vetted these laws for the soundness of their case for repeal. The Completed Project Report were released on November 26, 2017 at the hands of Mr. Justice Ajit Shah, Former Chairman, Law Commission of India and Mr. KTS Tulsi, Senior Advocate, Supreme Court of India and Member, Rajya Sabha at Constitutional Club of India; Research Project 'Empirical Study on Implementation of Wildlife Protection Laws in India' on October 08, 2016 at the hands of Hon'ble Mr. Justice Shiva Kirti Singh, Judge, Supreme Court of India which includes analysis of Data collected from around two hundred District Courts during the period 1990-2010; from more than one hundred Forest Divisions, from the O/o Chief Conservator of Forests of various states, and from Wildlife Crime Control Bureau and further from 'appeals' that were filed before various High Courts in India. (To know more about Publications, visit http://symlaw.edu.in/publications).

Programme Profile

Name of the Programme (s)

- **Master of Laws (L.L.M)**

  SLS-NOIDA offers a one-year Master of Law Programme in 'Corporate and Business Laws' and 'Criminal and Security Laws'. The highlight of this programme is its emphasis on an interdisciplinary, comparative and global approach in the study of law and research orientation. This is done by underlining the relevance of research methodology with utmost technical precision and scientific sophistication. The student has the option of a cafeteria approach in terms of specialization, cross specialization courses combining innovation, cutting edge legal acumen, clinical skills and theoretical insights.

Duration:
- **Master of Laws (L.L.M):** 1-year Full-Time Non-Residential Programme

Intake:
- **Master of Laws (L.L.M):** 20 seats (The total intake is 10 seats per specialization.)

Eligibility:

- **Master of Laws (L.L.M):**

  Three Years/ Five Years LLB degree from any Indian or Foreign University recognized by University Grants Commission with at least 50% marks or equivalent grade (45% for SC/ST).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:
- **Master of Laws (L.L.M):**

  i) Candidates aspiring to join LL.M. offered by Symbiosis Law School, NOIDA, constituent of Symbiosis International (Deemed University) have to take the common, mandatory All India Admission Test (hereinafter referred as AIAT), which consists of Written Test* (70%) and Personal Interview** (30%).

  * AIAT will include objective and subjective written test to assess the teaching aptitude, research aptitude, legal aptitude and basic legal knowledge. It shall include questions from the following areas: Research Methodology, Legal Reasoning, Legal Aptitude, Jurisprudence, Constitutional Law, Indian Penal Code, Public International Law, Human Rights, Indian Contract Act, Company Law, Family Law and Environmental Law.

  ** Personal Interview is intended to test the Personal Attributes, Fitment, Work Experience, Publications and Statement of Purpose.

  Note: You are requested to bring a Statement of Purpose (SOP) not more than 250 words and two references (one page each) from the Head and Supervisor/Professor of your Institute/ College at the time of appearing for the AIAT.

  ii) Candidates will appear for AIAT and PI as per applicable schedule, in a given case. Final Merit list shall be drawn on the basis of AIAT Score (70%) and Personal Interview (30%) performance.

Reservation of Seats: As per University norms.

Orientation and Pedagogy:

SLS-NOIDA has introduced a new era of innovative learning, inter-disciplinary knowledge and industrious environment with unique orientation and methodology of legal pedagogy in place. Classes are highly interactive, delivered not only by the best academicians but also by the legal luminaries of the field. It strongly believes that law students should stick not only to theoretical teaching but also inculcate and improve the court room etiquettes (environment), research experience and advocacy skills through court room and related exercises such as moot court, mock trials, trial advocacy, pre-trial preparation, drafting of pleadings and client counseling. Research is an integral part of studies including interdisciplinary research involving collaboration between academic fraternity, students, and industry. SLS, Noida's efforts are shared by the contribution of members of the bar and bench, corporate sector and international experts (agencies).

SLS-NOIDA also makes ample use of technology to entertain and benefit natural curiosities of its learners.

The Cumulative Grade Point Assessment (CGPA) method of assessment is followed. In addition to the constant internal assessments, external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum two of the above (following): Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. Internal Continuous Evaluation as well as Term End Examination involves Open Book Examination, which aims at evaluating understanding of the subject than the recalling and memorization.

Institute Profile:

Symbiosis Law School (SLS), Hyderabad was established in 2014 as a constituent of Symbiosis International (Deemed University), Pune, inheriting splendid novelty, dynamism and excellence in education. It is founded on pillars of Expertise, Justice, and Service and is committed to imparting quality legal education confirming acclaimed international standards. SLS, Hyderabad is cocooned in the upcoming educational zone with state of art infrastructure catering impending needs of the student community. It is located in Modallaguda Village, Nandigama Mandal, Ranga Reddy District in the state of Telangana, near Hyderabad; 45 minutes away from the international airport.

SLS-Hyderabad shares expertise in imparting quality legal education through competent and well-qualified teaching staff, techno-driven research culture, Internationalization, centres of excellence, training and skill enhancement programmes, etc. It is committed to contributing to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people. Further, it endeavours to create value-conscious skilled lawyers with par excellence serving the dynamic needs of the community through Bar and Bench.

SLS Hyderabad strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, case analysis/discussions, and legal web bases. The learners at SLS-Hyderabad are adept at courtroom etiquette and advocacy skills through the courtroom and related exercises such as Moot Court, Mock Trials, Alternative Dispute Resolution, Drafting, Pleadings, and Client Counseling. We have on board luminaries of the highest merit to share the expertise and responsibility of grooming our learners into dynamic lawyers of tomorrow. SLSH is always in the process of grooming student leadership which is nurtured by the faculty mentorship.

We at SLS Hyderabad lay strong emphasis on research and publications through various law journals, in-house student magazines, and research projects where students contribute to fostering their professional growth. The

social agenda of the institute includes the Legal Aid Centre and Digital Aid Centre to promote digital and legal awareness around campus. SLS Hyderabad believes in orienting students' intellect towards the attainment of their goals by creating an assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, SLS Hyderabad organizes weekly lectures delivered by multi-disciplinary academicians, legal luminaries, corporate heads, and experts at the bar and bench. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their careers. Theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS Hyderabad.

Programme Profile:

Name of the Programme:

- **Master of Laws (L.L.M)**

  The offered programme being a Master's programme, our curriculum has been designed to cater to the needs of the students with exhaustive domain knowledge and also to equip them with life skills that would enable them to take up challenges in their professional and personal life. As a Constituent of the prestigious Symbiosis International (Deemed University), Pune, we provide students with a congenial learning environment that would help them to be abreast with the contemporary challenges in the legal field and give them a head start in their chosen field of work.

Duration:

- **Master of Laws (L.L.M):** 1 Year Full-Time Residential Programme

Intake:

- **Master of Laws (L.L.M):** 10 seats

Eligibility:

- **Master of Laws (L.L.M):**

  Three or Five - years LL.B. or equivalent Degree from any recognized University/ Institution of National Importance with a minimum of 50% marks or equivalent grade (45% marks or equivalent grade for Scheduled Caste/ Scheduled Tribes).

Important:

It is the responsibility of the candidate to ascertain whether he / she possesses the requisite qualification(s)/ eligibility for admission. Having been admitted provisionally does not mean acceptance of eligibility. Final eligibility of admission will be decided by Symbiosis International (Deemed University), subject to successful fulfilment of specified admission norms.

Admission Process:

- **Master of Laws (L.L.M):**

  Step 1: Apply Online for SLS Hyderabad, please visit – www.slsh.edu.in

  Step 2: All India Admission Test (AIAT) Admission to LL.M (One Year) is offered through Symbiosis All India Admission Test (AIAT), which consists of Online Written Test (AIAT) and Personal Interaction (PI).

LL.M. orientation Day

Online Written Test (AIAT): This comprises of objective and subjective written tests with a weightage of 70% to assess the teaching aptitude, research aptitude, legal aptitude and basic legal knowledge. It includes questions from the following areas: Research Methodology, Legal Reasoning, Legal Aptitude, Jurisprudence, Constitutional Law, Indian Penal Code, Public International Law, Human Rights, Corporate Law (Contract Act, Companies Act etc.), Family Law and Environmental Law. There will be a time limit to answer the questions. Once the time limit is crossed, the candidate will lose an opportunity to answer the questions. An answer given by a candidate will be locked so that the candidate will not be able to change the answer. The candidate needs to ensure that the answer is recorded within the stipulated time limit.

Online Personal Interaction (PI): Personal Interaction with a weightage of 30% is intended to test the Personal Attributes, Fitness, Work Experience, Publications and Statement of Purpose of a candidate.

International Students:

Symbiosis International University (SIU) admits international students through Symbiosis Centre for International Education (SCIE). All International students aspiring for admission to the Institutes of SIU are required to contact the following office:

Institute Profile:

The idea of 'Symbiosis' is nurtured by Prof. Dr. S.B. Mujumdar on the principles of Vedic thought 'Vasudhaiva Kutumbakam' which means 'World as One Family'. Symbiosis Law School (SLS) Nagpur is inheriting splendid novelty, dynamism and excellence in education of Symbiosis International (Deemed University) Pune. It is founded to impart quality legal education confirming to acclaimed International standards. SLS, Nagpur is cocooned in the upcoming educational zone with state of art infrastructure catering impending needs of student community. It shares expertise in imparting quality legal education through competent and well qualified teaching staff, techno-driven research culture, Internationalization, centres' of excellence, training and skill enhancement programmes, moot courts and the like. It is committed to contribute to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people though community layering, legal aid camps and permanent legal aid clinics. Further, it endeavours to create value conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench. SLS, Nagpur offers two five-year integrated undergraduate programmes like Bachelor of Arts and Bachelor of Laws (BA LL.B) and Bachelor of Business Administration and Bachelor of Laws (BBA LL.B) along with a One Year Master of Law Programme with specialization in Business and Corporate Law and Criminal and Security Law to cater to varied needs of the profession. The curricular enrichment is ensured with the involvement of judges, eminent lawyers, International jurists, industry experts etc. and best practices are

reflected in teaching-learning pedagogy. SLS, Nagpur believes in holistic development of nascent legal minds and ensures learning beyond classroom by planning field visits and workshops in collaboration with various stake holder and NGOs. It provides conducive and competitive learning environment by encouraging students to take part in national and International competitions.

Dr. Seema Singh
Director

Director's Profile:

The Director, Prof. (Dr.) Seema Singh has about 31 years of rich experience and has worked in the corporate before joining Symbiosis in 2001. She holds a Ph.D. degree in the Faculty of Management, and is also a double post graduate from Pune University. She has completed her M.Sc.(Electronics Science) and her MBA(Systems & OR) from Pune University. She has completed her graduation degree in Physics and was the topper of her batch at Fergusson College, Pune. She joined SIBM, Pune in 2001 and has been instrumental in handling all the Corporate Education Batches during her ten year stint with SIBM, Pune. She then moved on to become the Director of Symbiosis Centre for Corporate Education, Pune in 2010 under the Symbiosis International (Deemed University) and is working in the capacity of Director, SCCE, Pune for more than a decade.

She has extensive knowledge of business and has been involved in developing strategic learning interventions for the corporate clients for more than two decades. She is in charge of the corporate students across many sectors pursuing their Higher Education Program through SCCE, Pune which is the arm of the Symbiosis International (Deemed University) for Corporate – Academia tie-ups. As the Director, SCCE, Pune, she has been taking care of all the Higher Education Programs delivered as Work Integrated Learning Programs (WILPs) to corporate clients such as Atlas Copco (India) Ltd., Allscripts Healthcare Solutions, Amdocs Development Centre India LLP, Avaya India Private Limited, Bank of America Continuum Solutions Ltd., BMC Software India Pvt. Ltd., CEAT Ltd., CitiusTech Healthcare Technology Private Ltd., Deutsche Bank, eClerx Services Ltd, Godrej Group of Companies, Mahindra & Mahindra Ltd., McDonalds India, Mphasis Ltd., Prolifics, Tata Autocomp Systems Ltd., Tata Motors Ltd., Wipro Ltd, , WNS Global Services to name a few.

She has a unique connect with the alumni of these corporate programs and is like a mentor to them. She is a strong believer of compassion and humanitarian work and under her guidance SCCE, Pune is conscious of the importance of social projects. She is an acknowledged Teacher as well as a true professional and expert in the Learning and Development space which helps the corporate to enhance their employee engagement through these Work Integrated Learning Programs (WILPs).
